OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION
DHA receives its operating subsidy for the public housing program from the Department of Housing and Urban Development. DHA is not a federal department or agency. A public housing agency (DHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. DHA enters into an Annual Contributions Contract with HUD to administer the public housing program. DHA must ensure compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about DHA and its programs with emphasis on the public housing program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (DHA). This part includes a description of DHA, its jurisdiction, its programs, and its mission and intent.

Part II: DHA’s Key Program. This part contains information about the roles and responsibilities in the DHA’s public housing operation, roles and responsibilities, and partnerships.

Part III: The Admissions and Continued Occupancy (ACOP). This part discusses the purpose and organization of the plan and its revision requirements.

PART I: DHA

1-I.A. OVERVIEW
This part describes DHA’s creation and authorization, the general structure of the organization, and the relationship between DHA Board and staff.

1-I.B. ORGANIZATION AND STRUCTURE OF DHA
Public housing is funded by the federal government and administered by the Housing Authority of the City of Durham for the jurisdiction of City of Durham/ County of Durham/ North Carolina.

DHA is governed by a board of officials that are generally called “Commissioners.” Although DHA may use a different title for their officials, this document will hitherto refer
to the “board of commissioners” or the “board” when discussing the board of governing officials.

Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation. The board of commissioners establishes policies under which DHA conducts business, and ensures that those policies are followed by DHA staff. The board is responsible for preserving and expanding the agency’s resources and assuring the agency’s continued viability and success.

Formal actions of DHA are taken through written resolutions, adopted by the board and entered into the official records of DHA.

The principal staff member of DHA is the Chief Executive Officer (CEO), who is selected and hired by the board. The CEO oversees the day to day operations of DHA and is directly responsible for carrying out the policies established by the commissioners. The CEO’s duties include hiring, training, and supervising DHA’s staff, as well as budgeting and financial planning for the agency. Additionally, the CEO is charged with ensuring compliance with federal and state laws, and program mandates. In DHA, the CEO is known by another title, such as Executive Director or President.

1-I.C. DHA’S MISSION
The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides the basis for strategy development, identification of critical success factors, resource allocation decisions, as well as ensuring client and stakeholder satisfaction.

DHA Policy
DHA’s mission is to be a leader for affordable housing in Durham County, by serving as a housing safety net, promoting individual self-sufficiency, leverage core housing competency to support DHA’s mission managing real estate, facilitating and participating in mixed income housing development.

1-I.D. DHA’S COMMITMENT TO ETHICS AND SERVICE
As a public service agency, DHA is committed to providing excellent service to all public housing applicants, residents, and the public. In order to provide superior service, DHA resolves to:

- Administer applicable federal and state laws and regulations to achieve high ratings in compliance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing in good repair – in compliance with program uniform physical condition standards – for very low- and low-income families.
- Achieve a healthy mix of incomes in its public housing developments by attracting and retaining higher income families and by working toward deconcentration of poverty goals.
• Encourage self-sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.
• Promote fair housing and the opportunity for very low- and low-income families of all races, ethnicities, national origins, religions, ethnic backgrounds, and with all types of disabilities, to participate in the public housing program and its services.
• Create positive public awareness and expand the level of family and community support in accomplishing DHA’s mission.
• Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
• Administer an efficient, high-performing agency through continuous improvement of DHA’s support systems and commitment to our employees and their development.

DHA will make every effort to keep residents informed of program rules and regulations, and to advise participants of how the program rules affect them.

PART II: Key Responsibilities

What does HUD do?
Federal law is the source of HUD responsibilities. HUD has the following major responsibilities:
• Develop regulations, requirements, handbooks, notices and other guidance to implement housing legislation passed by Congress
• Allocate operating subsidies to DHA
• Allocate capital funding to DHA
• Provide technical assistance to DHA on interpreting and applying program requirements
• Monitor DHA compliance with program requirements and DHA performance in program administration.

What does DHA do?
DHA’s responsibilities originate in federal regulations and the ACC. DHA owns and manages public housing developments, administers the program under contract with HUD and has the following major responsibilities:
• Establish local policies
• Review applications from interested applicant families to determine whether applicants are eligible for the program
• Maintain waiting list and select families for admission
• Maintain housing units by making any necessary repairs in a timely manner
• Screen families who apply for tenancy, to determine if they will be good renters
• Offer units to families (minimize vacancies without overcrowding)
• Maintain properties to the standard of decent, safe, sanitary, and in good repair (including assuring compliance with uniform physical conditions standards)
• Make sure DHA has adequate financial resources to maintain its housing stock
• Ensure that families continue to qualify under the program
• Collect rent due from the assisted family and comply with and enforce provisions of the lease
• Ensure that families comply with program rules
• Provide families with prompt and professional service
• Comply with all fair housing and equal opportunity requirements, HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, DHA’s ACOP, and other applicable federal, state and local laws.

What does the Tenant do?
The tenant’s responsibilities are articulated in the public housing lease. The tenant has the following broad responsibilities:
• Comply with the terms of the lease
• Provide DHA with complete and accurate information, determined by DHA to be necessary for administration of the program
• Cooperate in attending all appointments scheduled by DHA
• Allow DHA to inspect the unit at reasonable times and after reasonable notice
• Take responsibility for care of the housing unit, including any violations of uniform physical condition standards caused by the family
• Not engage in drug-related or violent criminal activity
• Notify DHA before moving or termination of the lease
• Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit or assign the lease
• Promptly notify DHA of any changes in family composition
• Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs.

If all parties fulfill their obligations in a professional and timely manner, the program responsibilities will be fulfilled in an effective manner.

1-II.A. APPLICABLE REGULATIONS
Applicable regulations include:
• 24 CFR Part 5: General Program Requirements
• 24 CFR Part 8: Nondiscrimination
• 24 CFR Part 35: Lead-Based Paint
• 24 CFR Part 902: Public Housing Assessment System
• 24 CFR Part 903: Public Housing Agency Plans
• 24 CFR Part 945: Designated Housing
• 24 CFR Part 960: Admission and Occupancy Policies
• 24 CFR Part 966: Lease and Grievance Procedures
PART III: THE ADMISSIONS AND CONTINUED OCCUPANCY POLICIES

1-III.A. OVERVIEW AND PURPOSE OF THE POLICY
The ACOP is DHA’s written statement of policies used to carry out the housing program in accordance with federal law and regulations, and HUD requirements. The ACOP is required by HUD and it must be available for public review [CFR 24 Part 903]. The ACOP also contains policies that support the objectives contained in DHA’s Agency Plan.

All issues related to public housing not addressed in this ACOP are governed by federal regulations, HUD handbooks and guidebooks, notices and applicable state and local laws. The policies in this ACOP have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding. DHA is responsible for complying with all changes in HUD regulations pertaining to public housing. If such changes conflict with this plan, HUD regulations will have precedence.

1-III.B. UPDATING AND REVISING THE POLICY
DHA will revise this ACOP as needed to comply with changes in HUD regulations. The original policy and any changes must be approved by the board of commissioners of DHA, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

DHA Policy
DHA will review and update the ACOP at least once a year, and more often “if needed”, to reflect changes in regulations, DHA operations, or when needed to ensure staff consistency in operation.

Before ACOP changes become effective, DHA will post a public notice at each management office as well as distribute to various local community organizations. Two (2) Public Hearings will be held to allow persons to verbally express comments relating to the proposed changes.
Chapter 2

FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION
This chapter explains the laws and HUD regulations requiring PHA’s to affirmatively further civil rights and fair housing in all federally-assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and processes. The responsibility to further nondiscrimination pertains to all areas of DHA’s public housing operations.

This chapter describes HUD regulations and DHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of DHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the public housing program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of The Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

Part III: Prohibition of Discrimination Against Limited English Proficiency Persons. This part details the obligations of DHA to ensure meaningful access to the public housing program and its activities by persons with limited English proficiency (LEP). This part incorporates HUD’s Notice of Guidance to Federal Assistance Recipients Regarding Title VI Prohibition Affecting Limited English Proficient Persons, published December 19, 2003 in the Federal Register (“Notice of Guidance”).

PART I: NONDISCRIMINATION

2-I.A. OVERVIEW
Federal laws require PHA’s to treat all applicants and tenant families equally, providing the same quality of service, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. DHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community

- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise
  Section 504 and the Fair Housing Amendments govern)
- The Violence Against Act of 2005 (VAWA)
- The Equal Access to Housing in HUD programs Regardless of Sexual Orientation or
  Gender Identity Final Rule, published in the Federal Register February 3, 2012
- Any applicable state laws or local ordinances and any legislation protecting
  individual rights of tenants, applicants, or staff that may subsequently be enacted

When more than one civil rights law applies to a situation, the laws will be read and
applied together.

DHA Policy
No state or local nondiscrimination laws or ordinances apply.

2-I.B. NONDISCRIMINATION
Federal regulations prohibit discrimination against certain protected classes. State and
local requirements, as well as DHA policies, can prohibit discrimination against
additional classes of people.

DHA shall not discriminate because of race, color, sex, religion, familial status, age,
disability or national origin (called “protected classes”).

Familial status includes children under the age of 18 living with parents or legal
custodians, pregnant women, and people securing custody of children under the age of
18.

DHA Policy
DHA will not discriminate on the basis of marital status or sexual orientation.

DHA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified
  applicant the opportunity to participate in the public housing program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Restrict anyone’s access to any benefit enjoyed by others in connection with the
  housing program
- Treat a person differently in determining eligibility or other requirements for
  admission
- Steer an applicant or tenant toward or away from a particular area based on any of
  these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an
integral part of the housing program

- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class

Providing Information to Families
DHA must take steps to ensure that families are fully aware of all applicable civil rights laws. As part of the public housing orientation process, DHA will provide information to public housing applicant families about civil rights requirements.

Discrimination Complaints
If an applicant or tenant family believes that any family member has been discriminated against by DHA, the family should advise DHA. HUD requires DHA to make every reasonable attempt to determine whether the applicant’s or tenant family’s assertions have merit and take any warranted corrective action.

DHA Policy
Applicants or tenant families who believe that they have been subject to unlawful discrimination may notify DHA either orally or in writing.

DHA will attempt to remedy discrimination complaints made against DHA.

DHA will provide a copy of a discrimination complaint form to the complainant and provide them with information on how to complete and submit the form to HUD’s Office of Fair Housing and Equal Opportunity (FHEO).

PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-II.A. OVERVIEW
One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

DHA must ensure that persons with disabilities have full access to DHA’s programs and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the public housing program [24 CFR 8]. DHA must provide a notice to each tenant that the tenant may, at any time during the tenancy, request reasonable accommodation of a handicap of a household member, including reasonable accommodation so that the tenant can meet lease requirements or other requirements of tenancy [24 CFR 966.7(b)].
DHA Policy
DHA will ask all applicants and resident families if they require any type of accommodations, in writing, on the intake application, reexamination documents, and notices of adverse action by DHA, by including the following language:

“If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the housing authority.”

A specific name and phone number will be indicated as the contact for requests for accommodation for persons with disabilities.

2-II.B. DEFINITION OF REASONABLE ACCOMMODATION
A “reasonable accommodation” is a change, exception, or adjustment to a rule, policy, practice or service that may be necessary for a person with a disability to have an equal opportunity to use and enjoy a dwelling, including public and common use spaces. Since rules, policies practices and services may have a different effect on persons with disabilities than on other persons, treating persons with disabilities exactly the same as others will sometimes deny them an equal opportunity to use and enjoy a dwelling [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for DHA, or result in a “fundamental alteration” in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider’s operations.

Types of Reasonable Accommodations
When it is reasonable (see definition above and Section 2-II.E), DHA shall accommodate the needs of a person with disabilities. Examples include but are not limited to:

• Permitting applications and reexaminations to be completed by mail
• Conducting home visits
• Permitting a higher utility allowance for the unit if a person with disabilities requires the use of specialized equipment related to the disability
• Modifying or altering a unit or physical system if such a modification or alteration is necessary to provide equal access to a person with a disability
• Installing a ramp into a dwelling or building
• Installing grab bars in a bathroom
• Installing visual fire alarms for hearing impaired persons
• Allowing a DHA-approved live-in aide to reside in the unit if that person is determined to be essential to the care of a person with disabilities, is not obligated for the support of the person with disabilities, and would not be otherwise living in the unit.
• Providing a designated handicapped-accessible parking space
• Allowing an assistance animal
• Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with DHA staff
• Displaying posters and other housing information in locations throughout DHA's office in such a manner as to be easily readable from a wheelchair

2-II.C. REQUEST FOR AN ACCOMMODATION
If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that DHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to DHA's programs and services.

If the need for the accommodation is not readily apparent or known to DHA, the family must explain the relationship between the requested accommodation and the disability.

DHA Policy
DHA will encourage the family to make its request in writing using a reasonable accommodation request form. However, DHA will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

2-II.D. VERIFICATION OF DISABILITY
The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, DHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family’s access to DHA’s programs and services.

If a person’s disability is obvious or otherwise known to DHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to DHA, DHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.
When verifying a disability, DHA will follow the verification policies provided in Chapter 7. All information related to a person’s disability will be treated in accordance with the confidentiality policies provided in Chapter 16 (Program Administration). In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual’s disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]
- DHA must request only information that is necessary to evaluate the disability-related need for the accommodation. DHA may not inquire about the nature or extent of any disability.
- Medical records will not be accepted or retained in the participant file.

2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION
[Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]

DHA must approve a request for an accommodation if the following three conditions are met:
- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on DHA, or fundamentally alter the nature of DHA’s operations.

Requests for accommodations must be assessed on a case-by-case basis. The determination of undue financial and administrative burden must be made on a case-by-case basis involving various factors, such as the cost of the requested accommodation, the financial resources of DHA at the time of the request, the benefits that the accommodation would provide to the family, and the availability of alternative accommodations that would effectively meet the family’s disability-related needs.

Before making a determination whether to approve the request, DHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that DHA may verify the need for the requested accommodation.

DHA Policy
After a request for an accommodation is presented, DHA will respond, in writing, within 10 business days.

If DHA denies a request for an accommodation because there is no relationship,
or nexus, found between the disability and the requested accommodation, the notice will inform the family of the right to appeal DHA’s decision through an informal hearing (if applicable) or the grievance process (see Chapter 14).

If DHA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of DHA’s operations), DHA will discuss with the family whether an alternative accommodation could effectively address the family's disability-related needs without a fundamental alteration to the public housing program and without imposing an undue financial and administrative burden.

If DHA believes that the family has failed to identify a reasonable alternative accommodation after interactive discussion and negotiation, DHA will notify the family, in writing, of its determination within 10 business days from the date of the most recent discussion or communication with the family. The notice will inform the family of the right to appeal DHA’s decision through an informal hearing (if applicable) or the grievance process (see Chapter 14).

2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS

HUD regulations require DHA to take reasonable steps to ensure that persons with disabilities related to hearing and vision have reasonable access to DHA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, DHA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

DHA Policy
To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with DHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

2-II.G. PHYSICAL ACCESSIBILITY

DHA must comply with a variety of regulations pertaining to physical accessibility, including the following:
• Notice PIH 2010-26
• Section 504 of the Rehabilitation Act of 1973
• The Americans with Disabilities Act of 1990
• The Architectural Barriers Act of 1968
• The Fair Housing Act of 1988

DHA’s policies concerning physical accessibility must be readily available to applicants and resident families. They can be found in three key documents:

• This policy, the Admissions and Continued Occupancy Policy, describes the key policies that govern DHA’s responsibilities with regard to physical accessibility.

• Notice PIH 2010-262002-01(HA) Accessibility Notice (which must be posted in the public housing offices in a conspicuous place) summarizes information about pertinent laws and implementing regulations related to non-discrimination and accessibility in federally-funded housing programs.

• DHA’s Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of DHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Notice PIH 2010-26 contains specific information on calculating the percentages of units for meeting UFAS requirements. Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the public housing program.

2-II.H. DENIAL OR TERMINATION OF ASSISTANCE
A DHA’s decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 966.7].

When applicants with disabilities are denied assistance, the notice of denial must inform them of their right to request an informal hearing [24 CFR 960.208(a)].

When a family’s lease is terminated, the notice of termination must inform the family of their right to request a hearing in accordance with DHA’s grievance process [24 CFR 966.4(l)(3)(ii)].

When reviewing reasonable accommodation requests, DHA must consider whether reasonable accommodation will allow the family to overcome the problem that led to DHA’s decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, DHA must make the accommodation [24 CFR 966.7].

In addition, DHA must provide reasonable accommodation for persons with disabilities to participate in the hearing process [24 CFR 966.56(h)].
PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

2-III.A. OVERVIEW

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the public housing program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Notice of Guidance to Federal Assistance Recipients Regarding Title VI Prohibition Affecting Limited English Proficient Persons, published January 22, 2007 in the Federal Register.

DHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP persons are defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this Admissions and Continued Occupancy Policy, LEP persons are public housing applicants and resident families, and parents and family members of applicants and resident families.

In order to determine the level of access needed by LEP persons, DHA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the public housing program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people’s lives; and (4) the resources available to DHA and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on DHA.

2-III.B. ORAL INTERPRETATION

In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, DHA will generally offer, or ensure that the family is offered through other sources, competent interpretation services free of charge to the LEP person.

DHA Policy
DHA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. “Reasonable steps” may not be reasonable where the costs imposed substantially exceed the benefits.
Where feasible, DHA will train and hire bilingual staff to be available to act as interpreters and translators, will pool resources with other PHA’s, and will standardize documents. Where feasible and possible, DHA will encourage the use of qualified community volunteers.

Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by DHA. The interpreter may be a family member or friend.

2-III.C. WRITTEN TRANSLATION
Translation is the replacement of a written text from one language into an equivalent written text in another language.

DHA Policy
In order to comply with written-translation obligations, DHA will take the following steps:

DHA will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, DHA may not translate vital written materials, but will provide written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

2-III.D. IMPLEMENTATION PLAN
After completing the four-factor analysis and deciding what language assistance services are appropriate, DHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves. If DHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to DHA’s public housing program and services.

DHA Policy
If it is determined that DHA serves very few LEP persons, and DHA has very limited resources, DHA will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access. Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If DHA determines it is appropriate to develop a written LEP plan, the following
five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan.
EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3, 25.104, and 100.201]

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as DHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment. The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the public housing program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this definition of disability is not entitled to a reasonable
accommodation under federal civil rights and fair housing laws and regulations. The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the $400 elderly/disabled household deduction, the allowance for medical expenses, or the allowance for disability assistance expenses. The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the public housing program, yet an accommodation is needed to provide equal opportunity.
Chapter 3
ELIGIBILITY

INTRODUCTION
DHA is responsible for ensuring that every individual and family admitted to the public housing program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by DHA to confirm eligibility and determine the level of the family’s assistance.

To be eligible for the public housing program:
• The applicant family must:
  − Qualify as a family as defined by HUD and DHA.
  − Have income at or below HUD-specified income limits.
  − Qualify on the basis of citizenship or the eligible immigrant status of family members.
  − Provide social security number information for family members as required.
  − Consent to DHA’s collection and use of family information as provided for in DHA-provided consent forms.
• DHA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or DHA.

This chapter contains three parts:

Part I: Definitions of Family and Household Members. This part contains HUD and DHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

Part III: Denial of Admission. This part covers factors related to an applicant’s past or current conduct (e.g. criminal activity) that can cause DHA to deny admission.

PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS
3-I.A. OVERVIEW
Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the public housing unit. This part provides information that is needed to correctly identify family and household members, and to apply HUD's eligibility rules.

3-I.B. FAMILY AND HOUSEHOLD [24 CFR 5.403 and HUD-50058 IB, p. 13, FR Notice 02/03/12]
The terms family and household have different meanings in the public housing program.
**Family**
To be eligible for admission, an applicant must qualify as a family. *Family* includes but is not limited to a single person, a displaced person (24CFR part 912), a remaining member of the tenant family, a disabled family, an elderly family, a near-elderly family, and a family with children. It also includes an elderly family or a disabled family composed of one or more elderly persons living with one or more disabled persons. DHA has the discretion to determine if any other group of persons qualifies as a family.

*Gender Identity* means actual or perceived gender characteristics.

*Sexual Orientation* means homosexuality, heterosexuality, or bisexuality.

**DHA Policy**
Each family must identify the individuals to be included in the family at the time of application, and must update this information if the family's composition changes. To qualify as a family when proposed family members are not related by blood, marriage, adoption, or other operation of law, DHA will require applicants to demonstrate that the individuals have lived together previously, or certify that each individual's income and other resources will be available to meet the needs of the family.

**Household**
*Household* is a broader term that includes additional people who, with DHA's permission, live in a public housing unit, such as live-in aides, foster children, and foster adults.

**3-I.C. FAMILY BREAK-UP AND REMAINING MEMBER OF TENANT FAMILY**

**Family Break-up**

**DHA Policy**
When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may make a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while living in public housing, only one of the new families will continue to be assisted.

If a court determines the disposition of property between members of the applicant or resident family in a divorce or separation decree, DHA will abide by the court's determination.

In the absence of a judicial decision or an agreement among the original family members, DHA will determine which family retains their placement on the waiting list, or will continue in occupancy taking into consideration the following factors: (1) the interest of any minor children, including custody arrangements, (2) the interest of any ill, elderly, or disabled family members, (3) any possible risks to
family members as a result of domestic violence or criminal activity, and (4) the recommendations of social service professionals.

Remaining Member of a Tenant Family [24 CFR 5.403]
The HUD definition of family includes the remaining member of a tenant family, which is a member of a resident family who remains in the unit when other members of the family have left the unit [PH Occ GB, p. 26]. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family.

If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]
Head of household means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

DHA Policy
The family may designate any qualified family member as the head of household. The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

3-I.E. SPOUSE, COHEAD, AND OTHER ADULT
A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

Spouse means the marriage partner of the head of household.

DHA Policy
The term “spouse” does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under state law may be designated as a spouse.

An adult who evidenced a stable family relationship over a period of time (not less than 24 months) - evidence of “Stable family relationship” may include any of the following: birth certificates of children, joint tax returns, prior lease (held jointly), joint bank accounts, insurance policies or equivalent documentation as determined by DHA

A cohead is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

DHA Policy
Minors who are emancipated under state law may be designated as a cohead.
Other adult means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults [HUD-50058 IB, p. 14].

3-I.F. DEPENDENT [24 CFR 5.603]

A dependent is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides. Identifying each dependent in the family is important because each dependent qualifies the family for a deduction from annual income as described in Chapter 6.

Joint Custody of Dependents

DHA Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or resident family 50 percent or more of the time.

When more than one applicant or assisted family (regardless of program) are claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, DHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes.

3-I.G. FULL-TIME STUDENT [24 CFR 5.603]

A full-time student (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to be full-time is defined by the educational institution.

Identifying each FTS is important because (1) each family member that is an FTS, other than the head, spouse, or cohead, qualifies the family for a dependent deduction and (2) the income of such an FTS is treated differently from the income of other family members.

3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100, 5.403, 945.105, and FR Notice 02/03/12]

Elderly Persons

An elderly person is a person who is at least 62 years of age.

Near-Elderly Persons

A near-elderly person is a person who is at least 50 years of age but below the age of 62, who may be a person with a disability

Elderly Family
An *elderly family* means a family whose head, spouse, or sole member is an elderly person. The term “elderly family” includes an elderly person, two or more elderly persons living together, and one or more elderly persons living with one or more persons who are determined to be essential to the care or well-being of the elderly person or persons. An elderly family may include elderly persons with disabilities and other family members who are not elderly. Identifying elderly families is important because these families qualify for special deductions as described in Chapter 6 and may qualify for a particular type of development as noted in Chapter 4.

### 3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403, FR Notice 02/03/12]

#### Persons with Disabilities

Under the public housing program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.

As discussed in Chapter 2, DHA must make all aspects of the public housing program accessible to persons with disabilities and consider reasonable accommodations requested based upon a person’s disability.

#### Disabled Family

A *disabled family* is a family whose head or spouse or sole member is a person with disabilities. The term “disabled family” may include two or more persons with disabilities living together and one or more persons with disabilities living with one or more persons who are determined to be essential to the care or well-being of the person persons with disabilities. A disabled family may include persons with disabilities who are elderly. Identifying disabled families is important because these families qualify for special deductions from income as described in Chapter 6 and may qualify for a particular type of development as noted in Chapter 4.

Even though persons with drug or alcohol dependencies are considered persons with disabilities for the purpose of non-discrimination, this does not prevent DHA from denying admission for reasons related to alcohol and drug abuse following policies found in Part III of this chapter, or from enforcing the lease following the policies in Chapter 13.

### 3-I.J. GUESTS [24 CFR 5.100]

A *guest* is defined as a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant.

The lease must provide that the tenant has the right to exclusive use and occupancy of the leased unit by the members of the household authorized to reside in the unit in accordance with the lease, including reasonable accommodation of their guests [24
CFR 966.4(d)]. The head of household is responsible for the conduct of visitors and guests, inside the unit as well as anywhere on or near DHA premises [24 CFR 966.4(f)].

DHA Policy
The Resident, the Household shall not accommodate boarders or lodgers in the unit. Boarders and lodgers are guests who are accommodated by the Resident and/or Household in the unit for fourteen (14) or more days within a twelve (12) month period without the express permission of DHA.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure expected to last 20 consecutive days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the public housing unit more than 50 percent of the time, are not subject to the time limitations of guests as described above.

Former residents who have been evicted are not permitted as overnight guests. Guests who represent the unit address as their residence address for receipt of benefits or other purposes will be considered unauthorized occupants. In addition, guests who remain in the unit beyond the allowable time limit will be considered unauthorized occupants, and their presence constitutes violation of the lease.

3-I.K. FOSTER CHILDREN AND FOSTER ADULTS

Foster adults are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609(c)(2)].

The term foster child is not specifically defined by the regulations.

Foster children and foster adults that are living with an applicant or resident family are considered household members but not family members. The income of foster children/adults is not counted in family annual income and foster children/adults do not qualify for a dependent deduction [24 CFR 5.603 and HUD-50058 IB, pp. 13-14].

DHA Policy
A foster child is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

3-I.L. ABSENT FAMILY MEMBERS
Individuals may be absent from the family, either temporarily or permanently, for a variety of reasons including educational activities, placement in foster care, employment, and illness.

**Definitions of Temporarily and Permanently Absent**

**DHA Policy**

Generally an individual who is or is expected to be absent from the public housing unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the public housing unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

**Absent Students**

**DHA Policy**

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to DHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

**Absences Due to Placement in Foster Care [24 CFR 5.403]**

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.

**DHA Policy**

If a child has been placed in foster care, DHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

**Absent Head, Spouse, or Cohead**

**DHA Policy**

An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

**Individuals Confined for Medical Reasons**

**DHA Policy**

An individual confined to a nursing home or hospital on a permanent basis is not considered a family member.

If there is a question about the status of a family member, DHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The
family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

Return of Permanently Absent Family Members
DHA Policy
The family must request DHA approval for the return of any adult family members that DHA has determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed elsewhere in this chapter.

3-I.M. LIVE-IN AIDE
Live-in aide means a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the persons, (2) is not obligated for the support of the persons, and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

DHA must approve a live-in aide if needed as a reasonable accommodation in accordance with 24 CFR 8, to make the program accessible to and usable by a family member with disabilities.

A live-in aide is a member of the household, not the family, and the income of the aide is not considered in income calculations [24 CFR 5.609(c)(5)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. However, a relative who serves as a live-in aide is not considered a family member and would not be considered a remaining member of a tenant family.

DHA Policy
A family’s request for a live-in aide must be made in writing. Written verification will be required from a reliable, knowledgeable professional of the family's choosing, such as a doctor, social worker, or case worker, that the live-in aide is essential for the care and well-being of the elderly, near-elderly, or disabled family member.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.

DHA will not approve a particular person as a live-in aide, and may withdraw such approval if [24 CFR 966.4(d)(3)(i)]:

- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The person has a history of drug-related criminal activity or violent criminal activity; or
- The person currently owes rent or other amounts to DHA or to another DHA in connection with Section 8 or public housing assistance under the 1937 Act.
Within 10 business days of receiving a request for a live-in aide, including all required documentation related to the request, DHA will notify the family of its decision in writing.

PART II: BASIC ELIGIBILITY CRITERIA

3-II.A. INCOME ELIGIBILITY AND TARGETING

Income Limits
HUD is required by law to set income limits that determine the eligibility of applicants for HUD’s assisted housing programs, including the public housing program. The income limits are published annually and are based on HUD estimates of median family income in a particular area or county, with adjustments for family size.

Types of Low-Income Families [24 CFR 5.603(b)]

Low-income family. A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

Very low-income family. A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

Extremely low-income family. A family whose annual income does not exceed 30 percent of the median income for the area, adjusted for family size.

HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Using Income Limits for Eligibility [24 CFR 960.201]
Income limits are used for eligibility only at admission. Eligibility is established by comparing a family's annual income with HUD’s published income limits. To be income-eligible, a family must be a low-income family.

Using Income Limits for Targeting [24 CFR 960.202(b)]
At least 40 percent of the families admitted to DHA's public housing program during a DHA fiscal year from DHA waiting list must be extremely low-income families. This is called the “basic targeting requirement”.

If admissions of extremely low-income families to DHA’s housing choice voucher program during a DHA fiscal year exceed the 75 percent minimum targeting requirement for that program, such excess shall be credited against DHA’s public housing basic targeting requirement for the same fiscal year.

The fiscal year credit for housing choice voucher program admissions that exceed the minimum voucher program targeting requirement must not exceed the lower of:

- Ten percent of public housing waiting list admissions during DHA fiscal year
• Ten percent of waiting list admission to DHA’s housing choice voucher program during DHA fiscal year
• The number of qualifying low-income families who commence occupancy during the fiscal year of public housing units located in census tracts with a poverty rate of 30 percent or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

For discussion of how income targeting is used in tenant selection, see Chapter 4.

3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]
Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or non-citizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with DHA’s Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

Declaration [24 CFR 5.508]
HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible non-citizens. For citizens, nationals and eligible non-citizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Non-citizens below). No declaration is required for live-in aides, foster children, or foster adults.

U.S. Citizens and Nationals
In general, citizens and nationals are required to submit only a signed declaration that claims their status. However, HUD regulations permit DHA to request additional documentation of their status, such as a passport.

DHA Policy
Family members who declare citizenship or national status will not be required to provide additional documentation unless DHA receives information indicating that an individual’s declaration may not be accurate.

Eligible Non-citizens
In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with DHA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has
been granted, the person’s age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].

**Ineligible Non-citizens**

Those non-citizens who do not wish to contend their immigration status are required to have their names listed on a non-contending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. DHA is not required to verify a family member’s ineligible status and is not required to report an individual’s unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

**Mixed Families**

A family is eligible for admission as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered mixed families. Such families will be given notice that their assistance will be prorated, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are prorated, and Chapter 14 for a discussion of informal hearing procedures.

**Ineligible Families [24 CFR 5.514(d), (e), and (f)]**

A DHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by DHA that the individual or at least one family member is eligible [24 CFR 5.512(a)].

**DHA Policy**

DHA will not provide assistance to a family before the verification of at least one family member as a citizen, national, or eligible noncitizen.

When DHA determines that an applicant family does not include any citizens, nationals, or eligible non-citizens, following the verification process, the family will be sent a written notice within 10 business days of the determination.

The notice will explain the reasons for the denial of assistance, that the family may be eligible for pro-ration of assistance, and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services
(USCIS), or to request an informal hearing with DHA. The informal hearing with DHA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 14.

Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]
For new occupants joining the resident family DHA must verify status at the first interim or regular reexamination following the person’s occupancy, whichever comes first.

If an individual qualifies for a time extension for the submission of required documents, DHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)]. Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

DHA Policy
DHA will verify the status of applicants at the time other eligibility factors are determined.

3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2012-10]
The applicant and all members of the applicant’s household must disclose the complete and accurate social security number (SSN) assigned to each household member, and the documentation necessary to verify each SSN, A detailed discussion of acceptable documentation is provided in Chapter 7.

Note: These requirements do not apply to noncitizens who do not contend eligible immigration status.

HUD Regulation allows a 90-day period during which an applicant family may become a program participant, even if the family lacks the documentation necessary to verify the SSN of a family member under the age of 6 years old.

An extension of one additional 90-day period must be granted if the PHA, determines that, in its discretion, the applicant’s failure to comply was due to circumstances that could not reasonably have been foreseen and were outside of the control of the applicant. FOR EXAMPLE, An applicant may be able to demonstrate timely submission of a request for an SSN, in which case processing time would be the cause of the delay. If the applicant’s family does not produce the required documentation within the authorized time period, the PHA or processing entity must impose appropriate penalties, in accordance with 24CFR§5.218.

In addition, each applicant who has not disclosed an SSN or has previously disclosed an SSN that HUD or the SSA determined was invalid, or has been issued a new SSN must submit their complete and accurate SSN and the documentation required to verify the SSN at the time of the next interim or annual reexamination or recertification.
Participants age 62 or older as of January 31, 2010, whose determination of eligibility was begun before January 31, 2010, are exempt from this requirement and remain exempt even if they move to a new assisted unit.

DHA must deny admission to an applicant family if they do not meet the SSN disclosure, documentation and verification, and certification requirements contained in 24 CFR 5.216.

3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230]

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, and other consent forms as needed to collect information relevant to the family's eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

DHA must deny admission to the program if any member of the applicant family fails to sign and submit consent forms which allow DHA to obtain information that DHA has determined is necessary in administration of the public housing program [24 CFR 960.259(a) and (b)].

PART III: DENIAL OF ADMISSION

3-III.A. OVERVIEW

A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied admission.

In addition, HUD requires or permits DHA to deny admission based on certain types of current or past behaviors of family members as discussed in this part.

DHA’s authority in this area is limited by the Violence Against Women Act of 2005 (VAWA), which expressly prohibits the denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been the victim of domestic violence, dating violence, stalking or sexual assault. [24 CFR 5.2005 (b)].

3-III.B. REQUIRED DENIAL OF ADMISSION [24 CFR 960.204]

Although a record of arrest(s) may not be used to deny a housing opportunity, DHA may make an adverse housing decision based on the conduct underlining an arrest if the conduct indicates that the individual is not suitable for tenancy and DHA has sufficient evidence other than the fact of arrest that the individual engaged in the conduct. The conduct, not the arrest, is what is relevant for admissions.

DHA is required to establish standards that prohibit admission of an applicant to the public housing program if they have engaged in certain criminal activity or if DHA has reasonable cause to believe that a household member’s current use or pattern of use of
illegal drugs, or current abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

Where the statute requires that DHA prohibit admission for a prescribed period of time after some disqualifying behavior or event, DHA may choose to continue that prohibition for a longer period of time [24 CFR 960.203(c)(3)(ii)].

HUD requires DHA to deny assistance in the following cases:

- Any member of the household has been evicted from federally-assisted housing in the last 3 years for drug-related criminal activity. HUD permits but does not require DHA to admit an otherwise-eligible family if the household member has completed a DHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g. the person involved in the criminal activity no longer lives in the household).

  **DHA Policy**
  DHA will admit an otherwise-eligible family who was evicted from federally-assisted housing within the past 5 years for drug-related criminal activity, if DHA is able to verify that the household member who engaged in the criminal activity has completed a supervised drug rehabilitation program approved by DHA, or the person who committed the crime is no longer living in the household.

- DHA determines that any household member is currently engaged in the use of illegal drugs. *Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act [21 U.S.C. 802]. *Currently engaged in the illegal use of a drug* means a person has engaged in the behavior recently enough to justify a reasonable belief that there is continuing illegal drug use by a household member [24 CFR 960.205(b)(1)].

  **DHA Policy**
  *Currently engaged in* is defined as any use of illegal drugs during the previous six months.

- DHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

  **DHA Policy**
  In determining reasonable cause, DHA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine on the premises of federally assisted housing.
DHA Policy
If any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine in any location, not just federally assisted housing, and the family will be denied assistance.

- Any household member is subject to a lifetime registration requirement under a state sex offender registration program.

DHA Policy
If any household member is currently registered as a sex offender under a state registration requirement, regardless of whether it is a lifetime registration requirement, the family will be denied assistance.

3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ADMISSION
HUD permits, but does not require DHA to deny admission for the reasons discussed in this section.

Criminal Activity [24 CFR 960.203 (b) and (c)]
DHA is responsible for screening family behavior and suitability for tenancy. In doing so, DHA may consider an applicant’s history of criminal activity involving crimes of physical violence to persons or property and other criminal acts which would adversely affect the health, safety or welfare of other tenants.

DHA Policy
If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past five years, the family will be denied admission.

Drug-related criminal activity, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

Violent criminal activity, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or welfare of other tenants [24 CFR 960.203(c)(3)].

Criminal activity that may threaten the health or safety of DHA staff, contractors, subcontractors, or agents.

Criminal sexual conduct, including but not limited to sexual assault, incest, open and gross lewdness, criminal sexual offenses involving children, or child abuse. Evidence of such criminal activity includes, but is not limited to any record of convictions, arrests, or evictions for suspected drug-related or violent criminal activity of household members within the past 5 years.
In making its decision to deny assistance, DHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, DHA may, on a case-by-case basis, decide not to deny assistance.

Previous Behavior [960.203(c) and (d) and PH Occ GB, p. 48]
HUD authorizes DHA to deny admission based on relevant information pertaining to the family’s previous behavior and suitability for tenancy.

In the event of the receipt of unfavorable information with respect to an applicant, consideration must be given to the time, nature, and extent of the applicant’s conduct (including the seriousness of the offense). As discussed in Section 3-III.F, DHA may also need to consider whether the cause of the unfavorable information may be that the applicant is the victim of domestic violence, dating violence, or stalking.

**DHA Policy**
DHA will deny admission to an applicant family if DHA determines that the family:
- Has a record of unsuitable past performance in meeting financial obligations, including rent within the past five years
- Has a record of disturbance of neighbors, destruction of property, or living or housekeeping habits at prior residences within the past five years which may adversely affect the health, safety, or welfare of other tenants
- Has a record of eviction from housing or termination from residential programs within the past five years (considering relevant circumstances)
- Owes rent or other amounts to this or any other PHA or owner in connection with any assisted housing program
- Misrepresented or does not provide complete information related to eligibility, including income, award of preferences for admission, expenses, family composition or rent
- Has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program
- Has engaged in or threatened violent or abusive behavior toward DHA personnel
- Is currently active on DHA’s trespass list

*Abusive or violent behavior towards DHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to deny admission, DHA will consider the factors discussed in Section 3-III.E. Upon consideration of such factors, DHA may, on a case-by-case basis, decide not to deny admission.
DHA will consider the existence of mitigating factors, such as loss of employment or other financial difficulties, before denying admission to an applicant based on the failure to meet prior financial obligations.

3-III.D. SCREENING
Screening for Eligibility
DHA is authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the public housing program. This authority assists DHA in complying with HUD requirements and DHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records, DHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

DHA may not pass along to the applicant the costs of a criminal records check [24 CFR 960.204(d)].

**DHA Policy**
DHA will perform criminal background checks for all adult household members. Additionally, DHA must ask whether the applicant or any member of the applicant's household is subject to a lifet ime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If the results of the criminal background check indicate there may have been past criminal activity, but the results are inconclusive, DHA will request a fingerprint card and will request information from the National Crime Information Center (NCIC).

PHA's are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 960.204(a)(4)].

Additionally, DHA must ask whether the applicant or any member of the applicant's household, is subject to a lifetime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If DHA proposes to deny admission based on a criminal record or on lifetime sex offender registration information, DHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission [24 CFR 5.903(f) and 5.905(d)].

**Obtaining Information from Drug Treatment Facilities [24 CFR 960.205]**
HUD authorizes DHA to request and obtain information from drug abuse treatment facilities concerning applicants. Specifically, DHA may require each applicant to submit
for all household members who are at least 18 years of age, and for each family head, spouse, or cohead regardless of age, one or more consent forms signed by such household members that requests any drug abuse treatment facility to inform DHA whether the drug abuse treatment facility has reasonable cause to believe that the household member is currently engaging in illegal drug use.

**Drug Abuse Treatment Facility** means an entity that holds itself out as providing, and provides, diagnosis, treatment, or referral for treatment with respect to the illegal drug use, and is either an identified unit within a general care facility, or an entity other than a general medical care facility.

**Currently engaging in illegal use of a drug** means illegal use of a drug that occurred recently enough to justify a reasonable belief that there is continuing illegal drug use by a household member.

Any consent form used for the purpose of obtaining information from a drug abuse treatment facility to determine whether a household member is currently engaging in illegal drug use must expire automatically after DHA has made a final decision to either approve or deny the admission of such person.

Any charges incurred by DHA for information provided from a drug abuse treatment facility may not be passed on to the applicant or tenant.

If DHA chooses to obtain such information from drug abuse treatment facilities, it must adopt and implement one of the two following policies:

- **Policy A:** DHA must submit a request for information to a drug abuse treatment facility for all families before they are admitted. The request must be submitted for each proposed household member who is at least 18 years of age, and for each family head, spouse, or cohead regardless of age.
- **Policy B:** DHA must submit a request for information only for certain household members, whose criminal record indicates prior arrests or conviction for any criminal activity that may be a basis for denial of admission or whose prior tenancy records indicate that the proposed household member engaged in destruction of property or violent activity against another person, or they interfered with the right of peaceful enjoyment of the premises of other residents.

If DHA chooses to obtain such information, it must abide by the HUD requirements for records management and confidentiality as described in 24 CFR 960.205(f).

**DHA Policy**

DHA will obtain information from drug abuse treatment facilities to determine whether any applicant family’s household members are currently engaging in illegal drug activity only when DHA has determined that the family will be denied admission based on a family member’s drug-related criminal activity, and the family claims that the culpable family member has successfully completed a supervised drug or alcohol rehabilitation program.
Screening for Suitability as a Tenant [24 CFR 960.203(c)]
DHA is responsible for the screening and selection of families to occupy public housing units. DHA may consider all relevant information. Screening is important to public housing communities and program integrity, and to ensure that assisted housing is provided to those families that will adhere to lease obligations.

DHA Policy
DHA will consider the family’s history with respect to the following factors:
- Payment of rent and utilities
- Caring for a unit and premises
- Respecting the rights of other residents to the peaceful enjoyment of their housing
- Criminal activity that is a threat to the health, safety, or property of others
- Behavior of all household members as related to the grounds for denial as detailed in Sections 3-III. B and C
- Compliance with any other essential conditions of tenancy

Resources Used to Check Applicant Suitability [PH Occ GB, pp. 47-56]
PHA’s have a variety of resources available to them for determination of the suitability of applicants. Generally, PHA’s should reject applicants who have recent behavior that would warrant lease termination for a public housing resident.

DHA Policy
In order to determine the suitability of applicants DHA will examine applicant history for the past five years. Such background checks will include:
- Past Performance in Meeting Financial Obligations, Especially Rent
  DHA and landlord references for the past five years, gathering information about past performance meeting rental obligations such as rent payment record, late payment record, whether DHA/landlord ever began or completed lease termination for non-payment, and whether utilities were ever disconnected in the unit. PHA’s and landlords will be asked if they would rent to the applicant family again.

  Utility company references covering the monthly amount of utilities, late payment, disconnection, return of a utility deposit and whether the applicant can get utilities turned on in his/her name. (Use of this inquiry will be reserved for applicants applying for units where there are tenant-paid utilities.)

If an applicant has no rental payment history DHA will check court records of eviction actions and other financial judgments, and credit reports. A lack of credit history will not disqualify someone from becoming a public housing resident, but a poor credit rating may.

Applicants with no rental payment history will also be asked to provide DHA with personal references. The references will be requested to complete a verification of the applicant’s ability to pay rent if no other documentation of ability to meet
financial obligations is available. The applicant will also be required to complete a checklist documenting their ability to meet financial obligations.

If previous landlords or the utility company do not respond to requests from DHA, the applicant may provide other documentation that demonstrates their ability to meet financial obligations (e.g. rent receipts, cancelled checks, etc.)

- **Disturbances of Neighbors, Destruction of Property or Living or Housekeeping Habits at Prior Residences that May Adversely Affect Health, Safety, or Welfare of Other Tenants, or Cause Damage to the Unit or the Development**

DHA and landlord references for the past five years, gathering information on whether the applicant kept a unit clean, safe and sanitary; whether they violated health or safety codes; whether any damage was done by the applicant to a current or previous unit or the development, and, if so, how much the repair of the damage cost; whether the applicant’s housekeeping caused insect or rodent infestation; and whether the neighbors complained about the applicant or whether the police were ever called because of disturbances.

Police and court records within the past five years will be used to check for any evidence of disturbance of neighbors or destruction of property that might have resulted in arrest or conviction.

A personal reference will be requested to complete a verification of the applicant’s ability to care for the unit and avoid disturbing neighbors if no other documentation is available. In these cases, the applicant will also be required to complete a checklist documenting their ability to care for the unit and to avoid disturbing neighbors.

Home visits may be used to determine the applicant’s ability to care for the unit.

**3-III.E. CRITERIA FOR DECIDING TO DENY ADMISSION**

**Evidence**

**DHA Policy**

DHA will use the concept of the preponderance of the evidence as the standard for making all admission decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

**Consideration of Circumstances [24 CFR 960.203(c)(3) and (d)]**

HUD authorizes DHA to consider all relevant circumstances when deciding whether to deny admission based on a family’s past history except in the situations for which denial of admission is mandated (see Section 3-III.B).
In the event DHA receives unfavorable information with respect to an applicant, consideration must be given to the time, nature, and extent of the applicant’s conduct (including the seriousness of the offense). In a manner consistent with its policies, DHA may give consideration to factors which might indicate a reasonable probability of favorable future conduct.

DHA Policy
DHA will consider the following factors when making its decision:

- The seriousness of the case, especially with respect to how it would affect other residents
- The effects that denial of admission may have on other members of the family who were not involved in the action or failure
- The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities
- The length of time since the violation occurred, the family’s recent history and the likelihood of favorable conduct in the future (Exhibit 3-2)
- Evidence of the applicant family’s participation in or willingness to participate in social service or other appropriate counseling service programs
- In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

DHA will require the applicant to submit evidence of the household member’s current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

Removal of a Family Member’s Name from the Application [24 CFR 960.203(c)(3)(i)]
Should DHA’s screening process reveal that an applicant’s household includes an individual subject to state lifetime registered sex offender registration; DHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, DHA must deny admission to the family [Notice PIH 2012-28].

HUD permits DHA to impose as a condition of admission, a requirement that family members who participated in or were culpable for an action or failure to act which warrants denial of admission, to not reside in the unit.

DHA Policy
As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit or to stay as a guest in the public housing unit.
After admission to the program, the family must present evidence of the former family member’s current address upon DHA request.

**Reasonable Accommodation [PH Occ GB, pp. 58-60]**
If the family includes a person with disabilities, DHA’s decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

**DHA Policy**
If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of admission, DHA will determine whether the behavior is related to the disability. If so, upon the family’s request, DHA will determine whether alternative measures are appropriate as a reasonable accommodation. DHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of admission. See Chapter 2 for a discussion of reasonable accommodation.

**3-III.F. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING**
The Violence against Women Act of 2005 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, stalking or sexual assault.

Definitions of key terms used in VAWA are provided in section 16-VII of this ACOP, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

**Notification**

**DHA Policy**
DHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment, a prior arrest record) that would warrant denial under the DHA’s policies. Therefore, if DHA makes a determination to deny admission to an applicant family, DHA will include in its notice of denial information about the protection against denial provided by VAWA in accordance with section 16-VII.C of this ACOP and will request that an applicant wishing to claim this protection notify DHA within 10 business days.

**Documentation**

**Victim Documentation [24 CFR 5.2007]**
DHA Policy

If an applicant claims the protection against denial of admission that VAWA provides to victims of domestic violence, dating violence, or stalking, DHA will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-VII.D of this ACOP.

Perpetrator Documentation

DHA Policy

If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

- A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the public housing unit.
- Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

3-III.G. NOTICE OF ELIGIBILITY OR DENIAL

DHA will notify an applicant family of its final determination of eligibility in accordance with the policies in Section 4-III.E.

If DHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)].

DHA Policy

If, based on a criminal record or sex offender registration information an applicant family appears to be ineligible, DHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact DHA to dispute the information within that 10 day period, DHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal hearing process.
Notice requirements related to denying admission to non-citizens are contained in Section 3-II.B.

Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, stalking or sexual assault are contained in Section 3-III.F.3-III.H Rental Assistance Demonstration Program [Notice PIH 2012-32]

No Rescreening of Tenants upon Conversion. [Notice PIH 2012-32 Section 1.7.D]

Pursuant to the RAD statute, at conversion, current households are not subject to rescreening, income eligibility, or income targeting provisions. Consequently, current households will be grandfathered for conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, the first clause of section 8(c)(4) of the Act and 24 CFR § 880.603(b), concerning determination of eligibility and selection of tenants, will not apply for current households. Once that remaining household moves out, the unit must be leased to an eligible family.
EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

Person with Disabilities [24 CFR 5.403]
The term *person with disabilities* means a person who has any of the following types of conditions:

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:
  Inability to engage in any substantial gainful activity by reason of any medically
determinable physical or mental impairment which can be expected to result in
death or which has lasted or can be expected to last for a continuous period of
not less than 12 months.

  In the case of an individual who has attained the age of 55 and is blind (within the
meaning of “blindness” as defined in section 416(i)(1) of this title), inability by
reason of such blindness to engage in substantial gainful activity, requiring skills
or ability comparable to those of any gainful activity in which he has previously
engaged with some regularity and over a substantial period of time.

- Has a developmental disability as defined in the Developmental Disabilities
Assistance and Bill of Rights Act [42 U.S.C.6001(8)], which defines developmental
disability in functional terms as:
  A severe, chronic disability of a person 5 years of age or older which:
  - Is attributable to a mental or physical impairment or combination of mental
and physical impairments
  - Is manifested before the person attains age twenty-two
  - Is likely to continue indefinitely
  - Results in substantial functional limitations in three or more of the following
areas of major life activity: (i) self-care, (ii) receptive and responsive
language, (iii) learning, (iv) mobility, (v) self-direction, (vi) capacity for
independent living, and (vii) economic self-sufficiency
  - Reflects the person’s need for a combination and sequence of special,
interdisciplinary, or generic care, treatment, or other services which are of
lifelong or extended duration and are individually planned and coordinated;
except that such term, when applied to infants and young children, means
individuals from birth to age 5, inclusive, who have substantial developmental
delay or specific congenital or acquired conditions with a high probability of
resulting in developmental disabilities if services are not provided.”

- Has a physical, mental, or emotional impairment that is expected to be of long-
continued and indefinite duration; substantially impedes his or her ability to live
independently, and is of such a nature that the ability to live independently could be
improved by more suitable housing conditions.

People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising
from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not
qualify as a person with disabilities for the purposes of this program.
For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

**Individual with Handicaps [24 CFR 8.3]**

*Individual with handicaps* means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase:

1. **Physical or mental impairment** includes:
   (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine
   (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

2. **Major life activities** means functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

3. **Has a record of such an impairment** means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

4. **Is regarded as having an impairment** means:
   (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation
   (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment
   (c) Has none of the impairments defined in paragraph (a) of this section but is treated by a recipient as having such an impairment
EXHIBIT 3-2: ELIGIBILITY DETERMINATION STANDARDS

The information listed below is to serve as a guide in establishing eligibility. In applying these standards, it is important to review the appropriate HUD regulation referenced below as well as DHA policy reference in the ACOP to ensure consistent application of these standards. All denial periods listed below start from the date of disposition. In the event that conflict or misunderstanding of these standards arises, it shall be the responsibility of the Director of Operations or designee to make a final determination.

Chapter 4

APPLICATIONS, WAITING LIST, AND TENANT SELECTION

INTRODUCTION

When a family wishes to reside in public housing, the family must submit an application that provides DHA with the information needed to determine the family’s eligibility. HUD requires DHA to place all eligible families that apply for public housing on a waiting list. When a unit becomes available, DHA must select families from the waiting list in accordance with HUD requirements and DHA policies as stated in its Admissions and Continued Occupancy Policy (ACOP) and its annual plan.

DHA is required to adopt a clear approach to accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow this approach consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or DHA to receive preferential treatment.

HUD regulations require that DHA comply with all equal opportunity requirements and it must affirmatively further fair housing goals in the administration of the program [24 CFR 960.103, PH Occ GB p. 13]. Adherence to the selection policies described in this chapter ensures that DHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and DHA policies for taking applications, managing the waiting list and selecting families from the waiting list. DHA’s policies for assigning unit size and making unit offers are contained in Chapter 5. Together, Chapters 4 and 5 of the ACOP comprise DHA’s Tenant Selection and Assignment Plan (TSAP).

The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how DHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how DHA’s waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for public housing. It also discusses the process DHA will use to keep the waiting list current.

Part III: Tenant Selection. This part describes the policies that guide DHA in selecting families from the waiting list as units become available. It also specifies how in-person interviews will be used to ensure that DHA has the information needed to make a final eligibility determination.
PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the policies that guide DHA’s efforts to distribute and accept applications, and to make preliminary determinations of applicant family eligibility that affect placement of the family on the waiting list. This part also describes DHA’s obligation to ensure the accessibility of the application process.

4-I.B. APPLYING FOR ASSISTANCE

Any family that wishes to reside in public housing must apply for admission to the program [24 CFR 1.4(b)(2)(ii), 24 CFR 960.202(a)(2)(iv), and PH Occ GB, p. 68]. HUD permits DHA to determine the format and content of its applications, as well how such applications will be made available to interested families and how applications will be accepted by DHA. However, DHA must include form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the DHA application [Notice PIH 2009-36].

DHA Policy
Depending upon the length of time that applicants may need to wait to be housed, DHA will use a one-step application process.

A two-step process will be used when it is expected that a family will not be selected from the waiting list for at least 60 days from the date of application. Under the two-step application process, DHA initially will require families to provide only the information needed to make an initial assessment of the family’s eligibility, and to determine the family’s placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and the amount of rent the family will pay when selected from the waiting list. On a quarterly basis, the DHA will conduct an analysis of its waiting list to determine which process (one step or two step) is applicable.

Families may obtain application forms from the Site they are applying for during the times designated by the Site, or from the DHA Website. Families may also request – by telephone, mail, or email – that a form be sent to the family via first class mail or email.

Completed applications must be returned to the Site the applicant is applying for by mail, fax, e-mail or in person during the times designated by the Site. Applications must be complete in order to be accepted by DHA for processing. If an application is incomplete, DHA will notify the family, by mail of the additional information required.
Families may also apply using the Online Application Portal when available.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

DHA must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard DHA application process.

Disabled Populations [24 CFR 8; PH Occ GB, p. 68]
DHA must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or DHA must provide an alternate approach that provides equal access to the application process. Chapter 2 provides a full discussion of DHA’s policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency
DHA is required to take reasonable steps to ensure meaningful access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on DHA’s policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

DHA must review each completed application received and make a preliminary assessment of the family’s eligibility. DHA must place on the waiting list families for whom the list is open unless DHA determines the family to be ineligible. Where the family is determined to be ineligible, DHA must notify the family in writing [24 CFR 960.208(a); PH Occ GB, p. 41]. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list.

Ineligible for Placement on the Waiting List

DHA Policy
If DHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, DHA will send written notification of the ineligibility determination within 10 business days. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal hearing and explain the process for doing so (see Chapter 17).
Eligible for Placement on the Waiting List

**DHA Policy**
DHA will mail written notification of the preliminary eligibility determination within 10 business days of receiving a completed application.

Placement on the waiting list does not indicate that the family is, in fact, eligible for admission. A final determination of eligibility and qualification for preferences will be made when the family is selected from the waiting list.

An applicant’s position on the waiting list will be determined by the total weight of their preference(s). Ties between applicants with the same total weight of preferences will be decided by the dates and times on which DHA received the completed applications.

DHA will assign families on the waiting list according to the bedroom size for which a family qualifies as established in its occupancy standards (see Chapter 5). Families may request to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines (as long as the unit is not overcrowded according to DHA standards and local codes). However, in these cases, the family must agree not to request a transfer for two years after admission, unless they have a change in family size or composition.

**PART II: MANAGING THE WAITING LIST**

**4-II.A. OVERVIEW**
DHA must have policies regarding the types of waiting lists it will utilize as well as the various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for public housing, and conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how DHA may structure its waiting list and how families must be treated if they apply for public housing at DHA which administers more than one assisted housing program.

**4-II.B. ORGANIZATION OF THE WAITING LIST**

DHA’s public housing waiting list must be organized in such a manner to allow DHA to accurately identify and select families in the proper order, according to the admissions policies described in this ACOP.

**DHA Policy**
The waiting list will contain the following information for each applicant listed:

- Name and social security number of head of household
DHA will maintain site-based waiting lists. Site-based waiting lists allow families to select the development where they wish to reside and must be consistent with all applicable civil rights and fair housing laws and regulations [24 CFR 903.7(b)(2)].

Within these lists, DHA will designate subparts to easily identify who should be offered the next available unit (i.e. mixed populations, general occupancy, unit size, and accessible units).

HUD directs that a family that applies to reside in public housing must be offered the opportunity to be placed on the waiting list for any tenant-based or project-based voucher or moderate rehabilitation program that DHA operates if 1) the other programs’ waiting lists are open, and 2) the family is qualified for the other programs [24 CFR 982.205(a)(2)(i)].

HUD permits, but does not require, DHA to maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs [24 CFR 982.205(a)(1)].

DHA Policy
DHA will not merge the public housing waiting list with the waiting list for any other program DHA operates, unless specifically approved by the Board of Commissioners as a change to this ACOP and permitted by HUD regulation.

4-II.C. OPENING AND CLOSING THE WAITING LIST

Closing the Waiting List
DHA is permitted to close the waiting list, in whole or in part, if it has an adequate pool of families to fill its developments. DHA may close the waiting list completely, or restrict intake by preference, type of project, or by size and type of dwelling unit. [PH Occ GB, p. 31]. DHA should publish a notice in local newspapers of general circulation, minority media, and other suitable media outlets that DHA is closing the waiting list. Such notice must comply with HUD fair housing requirements.

DHA Policy
DHA may close the waiting list when the estimated waiting period for housing applicants on the list reaches 12 months for the most current applicants.
In order to close the site-based waiting list, Sites are required to have at least three times the number of applications versus units in the Community.

Where DHA has particular preferences or other criteria that require a specific category of family, DHA may elect to continue to accept applications from these applicants while closing the waiting list to others.

Reopening the Waiting List
If the waiting list has been closed, it may be reopened at any time. DHA should publish a notice in local newspapers of general circulation, minority media, and other suitable media outlets that DHA is reopening the waiting list. Such notice must comply with HUD fair housing requirements. DHA should specify who may apply, and where and when applications will be received.

DHA Policy
DHA will announce the reopening of the site-based waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice. The notice will specify where, when, and how applications are to be received.

DHA will give public notice by publishing the relevant information in suitable media outlets.

4-II.D. FAMILY OUTREACH [24 CFR 903.2(d); 24 CFR 903.7(a) and (b)]
DHA should conduct outreach as necessary to ensure that DHA has a sufficient number of applicants on the waiting list to fill anticipated vacancies and to assure that DHA is affirmatively furthering fair housing and complying with the Fair Housing Act.

Because HUD requires DHA to serve a specified percentage of extremely low income families, DHA may need to conduct special outreach to ensure that an adequate number of such families apply for public housing.

DHA outreach efforts must comply with fair housing requirements. This includes:
• Analyzing the housing market area and the populations currently being served to identify underserved populations
• Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
• Avoiding outreach efforts that prefer or exclude people who are members of a protected class
DHA outreach efforts must be designed to inform qualified families about the availability of units under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

DHA Policy
DHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in DHA’s jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

DHA Policy
While the family is on the site-based waiting list, the family must inform DHA, within 10 business days, of changes in family size, composition, preference status, or contact information; including current residence, mailing address, and telephone number. The changes must be submitted in writing. Submitted changes must be stamped with date and time.

Changes in an applicant's circumstances while on the waiting list may affect the family's qualification for a particular bedroom size or entitlement to a preference. When an applicant reports a change that affects their placement on the waiting list, the waiting list will be updated accordingly.

4-II.F. UPDATING THE WAITING LIST

HUD requires DHA to establish policies for removing applicant names from the waiting list [24 CFR 960.202(a)(2)(iv)].

Purging the Waiting List

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to DHA’s request for information or updates because of the family member’s disability, DHA must, upon the family’s request, reinstate the applicant family to their former position on the waiting list as a reasonable accommodation [24 CFR 8.4(a), 24 CFR 100.204(a), and PH Occ GB, p. 39 and 40]. See Chapter 2 for further information regarding reasonable accommodations.
DHA Policy
The site-based waiting list will be purged at least annually or more frequently as needed to ensure that all applicants and applicant information is current and timely.

To update the waiting list, DHA will send an update request via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last address that DHA has on record for the family. The update request will provide the deadline, which is 10 calendar days from the date of the letter by which the family must respond and will state that failure to respond will result in the applicant’s name being removed from the waiting list without further notice.

The family’s response must be in writing and may be delivered in person, by mail, or fax. Responses should be postmarked or received by DHA no later than 10 calendar days from the date of the DHA letter.

If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.

If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated within 10 calendar days. The family will have 10 calendar days to respond from the date the letter was re-sent. If the family fails to respond within this time frame, the family will be removed from the waiting list without further notice.

When a family is removed from the waiting list during the update process for failure to respond, no informal hearing will be offered. Such failures to act on the part of the applicant prevent DHA from making an eligibility determination; therefore no informal hearing is required.

If a family is removed from the waiting list for failure to respond, the Chief Executive Officer may reinstate the family if s/he determines the lack of response was due to DHA error, or to circumstances beyond the family’s control.

Removal from the Waiting List

DHA Policy
DHA will remove applicants from the waiting list if they have requested, in writing, that their name be removed. In such cases no informal hearing is required.

If DHA determines that the family is not eligible for admission (see Chapter 3) at any time while the family is on the waiting list, the family will be removed from the waiting list.
If a family is removed from the waiting list because DHA has determined the family is not eligible for admission, a notice will be sent to the family’s address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal hearing regarding DHA's decision (see Chapter 14) [24 CFR 960.208(a)].

PART III: TENANT SELECTION

4-III.A. OVERVIEW

DHA must establish tenant selection policies for families being admitted to public housing [24 CFR 960.201(a)]. DHA must not require any specific income or racial quotas for any developments [24 CFR 903.2(d)]. DHA must not assign persons to a particular section of a community or to a development or building based on race, color, religion, sex, disability, familial status or national origin for purposes of segregating populations [24 CFR 1.4(b)(1)(iii) and 24 CFR 903.2(d)(1)].

The order in which families will be selected from the waiting list depends on the selection method chosen by DHA and is impacted in part by any selection preferences that the family qualifies for. The availability of units also may affect the order in which families are selected from the waiting list.

DHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to DHA's selection policies [24 CFR 960.206(e)(2)]. DHA’s policies must be posted any place where DHA receives applications. DHA must provide a copy of its tenant selection policies upon request to any applicant or tenant. DHA may charge the family for providing a copy of its tenant selection policies [24 CFR 960.202(c)(2)].

DHA Policy
When an applicant or resident family requests a copy of DHA’s tenant selection policies, DHA will provide copies to them free of charge.

4-III.B. SELECTION METHOD

DHA must describe the method for selecting applicant families from the waiting list, including the system of ranking the admission preferences that DHA will use.

DHA will use date and time of the application as the Selection Method. DHA will then process selected applicants according to the ranking of their admission preference(s).

Admission Preferences [24 CFR 960.206]
DHA is permitted to establish local preferences and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain
types of local preferences. HUD also permits DHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with DHA’s plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources [24 CFR 960.206(a)].

**DHA Policy**

DHA will select applicants in the order they appear on the waiting list. An applicant’s position on the waiting list is determined by the total weight of his or her preference(s). Ties between applicants with the same total weight of preferences are decided by the dates and times on which DHA received the completed applications. DHA will use the following admission preferences:

**Preferences taking precedence over others:**

**DHA Relocation:** This preference applies to families who reside in DHA owned units who are required to relocate as a result of DHA demolition or rehabilitation.

**City of Durham Relocation:** This preference applies to families referred to the DHA by the City of Durham’s Relocation Program.

**Natural Disaster (PH Resident):** This selection preference is for a public housing family or individual in the City of Durham or another jurisdiction, affected by a federal and/or state declared natural disaster.

**Natural Disaster (Non-PH Resident):** This selection preference is for all other families or individuals affected by a federal and/or state declared natural disaster.

**Homeless Preference**

**Durham CoC Homeless Provider Referrals**

The DHA will make up to 5% of its Public Housing units available to the City of Durham, lead Continuum of Care (CoC) referrals who meet DHA’s eligibility criteria and the following HUD definition of homelessness:

1. Individuals and/or families who lack a fixed, regular, and adequate nighttime residence and includes a subset for an individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or a place not meant for human habitation immediately before entering that institution; or

2. Individuals and/or families who will imminently lose their primary nighttime residence; or

3. Unaccompanied youth and families with children and youth who are defined as homeless under the federal statutes who do not otherwise qualify as homeless under this definition; or

4. Individuals and/or families who are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or
other dangerous or life-threatening conditions that relate to violence against the individual or a family member.

For the purpose of this criteria, individuals and/or families currently housed by the CoC in permanent supportive housing or rapid rehousing will maintain their homeless status as it existed at project entry.

The CoC Lead Agency or their designee, in conjunction with the Homeless Service Advisory Committee (HSAC), will determine the partnering homeless provider agencies (HPA). All HPAs will make direct referrals to the CoC Lead Agency or their designee, who will confirm that the individual and/or family meet the homeless criteria and submit the referral to DHA for processing. The CoC Lead Agency will have an MOU with DHA in order to provide referrals.

DHA will continue to receive referrals for individuals and/or families who meet the aforementioned criteria from the CoC Lead Agency or its designee to maintain 5% of its Public Housing units for the homeless.

**Justice Involved Pilot**

**Criminal Justice Resource System Referrals**

The DHA will make up to 15 of its Public Housing units available to the Durham County Criminal Justice Resource Center (CJRC) for referrals who meet DHA’s criteria for its Justice Involved Pilot. The justice involved pilot will allow individuals’ admission to Public Housing with relaxed criminal background check criteria. DHA will receive referrals and wrap around services from participating community partners based upon its MOU. This pilot program will be in place for one (1) year and evaluated annually to determine if DHA will continue the pilot program. DHA reserves the right to terminate the program at any time at its discretion.

**Veteran Preference**

This preference applies to members of the United States Armed Forces, Veterans or surviving spouses of veterans who served in the military, naval or air service, and who were discharged or released from such service under conditions other than dishonorable.

**Working Elderly/Disabled Preference**

This preference applies to Families, where the Head of household, spouse, co-head, or sole member has been continuously employed for at least six months, and working at least 20 hours per week; or DHA applicants where the head, spouse, co-head, or sole member is a person age 62 or older, or is a person with disabilities.

**Domestic Violence Referral Preference**

DHA will give preference to individuals and/or families referred by local Domestic Violence service organizations that are fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or other dangerous or life-
threatening conditions that relate to violence against the individual or a family member.

The referring local domestic violence service organizations will have an MOU with DHA in order to provide referrals.

**Goley Pointe Waiting List Only: Homeless Preference**
This preference applies to families who lack a fixed, regular, adequate nighttime residence or are chronically homeless.
Chronically homeless families have an adult with a disability and have been homeless continuously for one year or have had four episodes of homelessness within the last three years.

**Income Targeting Requirement [24 CFR 960.202(b)]**
HUD requires that extremely low-income (ELI) families make up at least 40% of the families admitted to public housing during DHA’s fiscal year. ELI families are those with annual incomes at or below 30% of the area median income. To ensure this requirement is met, DHA may skip non-ELI families on the waiting list in order to select an ELI family.

If a DHA also operates a housing choice voucher (HCV) program, admissions of extremely low-income families to DHA’s HCV program during a DHA fiscal year that exceed the 75% minimum target requirement for the voucher program, shall be credited against DHA’s basic targeting requirement in the public housing program for the same fiscal year. However, under these circumstances the fiscal year credit to the public housing program must not exceed the lower of: (1) ten percent of public housing waiting list admissions during DHA fiscal year; (2) ten percent of waiting list admissions to DHA’s housing choice voucher program during DHA fiscal year; or (3) the number of qualifying low-income families who commence occupancy during the fiscal year of DHA public housing units located in census tracts with a poverty rate of 30 percent or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

**DHA Policy**
DHA will monitor progress in meeting the ELI requirement throughout the fiscal year. ELI families will be selected ahead of other eligible families on an as-needed basis to ensure that the income targeting requirement is met.

**Mixed Population Developments [24 CFR 960.407]**
A mixed population development is a public housing development or portion of a development that was reserved for elderly families and disabled families at its inception (and has retained that character) or DHA at some point after its inception obtained HUD approval to give preference in tenant selection for all units in the development (or portion of a development) to elderly and disabled families [24 CFR 960.102]. Elderly
family means a family whose head, spouse, cohead, or sole member is a person who is at least 62 years of age. Disabled family means a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403]. DHA must give elderly and disabled families equal preference in selecting these families for admission to mixed population developments. DHA may not establish a limit on the number of elderly or disabled families that may occupy a mixed population development. In selecting elderly and disabled families to fill these units, DHA must first offer the units that have accessibility features for families that include a person with a disability and require the accessibility features of such units. DHA may not discriminate against elderly or disabled families that include children (Fair Housing Amendments Act of 1988).

Units Designated for Elderly or Disabled Families [24 CFR 945]
DHA may designate projects or portions of a public housing project specifically for elderly or disabled families. DHA must have a HUD-approved allocation plan before the designation may take place.

Among the designated developments, DHA must also apply any preferences that it has established. If there are not enough elderly families to occupy the units in a designated elderly development, DHA may allow near-elderly families to occupy the units [24 CFR 945.303(c)(1)]. Near-elderly family means a family whose head, spouse, or cohead is at least 50 years old, but is less than 62 [24 CFR 5.403].

If there are an insufficient number of elderly families and near-elderly families for the units in a development designated for elderly families, DHA must make available to all other families any unit that is ready for re-rental and has been vacant for more than 60 consecutive days [24 CFR 945.303(c)(2)].

The decision of any disabled family or elderly family not to occupy or accept occupancy in designated housing shall not have an adverse affect on their admission or continued occupancy in public housing or their position on or placement on the waiting list. However, this protection does not apply to any family who refuses to occupy or accept occupancy in designated housing because of the race, color, religion, sex, disability, familial status, or national origin of the occupants of the designated housing or the surrounding area [24 CFR 945.303(d)(1) and (2)].

This protection does apply to an elderly family or disabled family that declines to accept occupancy, respectively, in a designated project for elderly families or for disabled families, and requests occupancy in a general occupancy project or in a mixed population project [24 CFR 945.303(d)(3)].

DHA Policy
The following communities have been designated as near elderly, elderly or designated disabled housing by DHA: J.J. Henderson Housing Center; Forest Hill Heights; and, Scattered Sites.

Deconcentration of Poverty and Income-Mixing [24 CFR 903.1 and 903.2]
DHA’s admission policy must be designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. A statement of DHA’s deconcentration policies must be included in its annual plan [24 CFR 903.7(b)].

DHA’s deconcentration policy must comply with its obligation to meet the income targeting requirement [24 CFR 903.2(c)(5)].

Developments subject to the deconcentration requirement are referred to as ‘covered developments’ and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements: developments operated by a DHA with fewer than 100 public housing units; mixed population or developments designated specifically for elderly or disabled families; developments operated by a DHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].

**Steps for Implementation [24 CFR 903.2(c)(1)]**

To implement the statutory requirement to deconcentrate poverty and provide for income mixing in covered developments, DHA must comply with the following steps:

Step 1. DHA must determine the average income of all families residing in all DHA's covered developments. DHA may use the median income, instead of average income, provided that DHA includes a written explanation in its annual plan justifying the use of median income.

- **DHA Policy**
  - DHA will determine the average income of all families in all covered developments on an annual basis.

Step 2. DHA must determine the average income (or median income, if median income was used in Step 1) of all families residing in each covered development. In determining average income for each development, DHA has the option of adjusting its income analysis for unit size in accordance with procedures prescribed by HUD.

- **DHA Policy**
  - DHA will determine the average income of all families residing in each covered development (not adjusting for unit size) on an annual basis.

Step 3. DHA must then determine whether each of its covered developments falls above, within, or below the established income range (EIR), which is from 85% to 115% of the average family income determined in Step 1. However, the upper limit must never be less than the income at which a family would be defined as an extremely low income family (30% of median income).
Step 4. DHA with covered developments having average incomes outside the EIR must then determine whether or not these developments are consistent with its local goals and annual plan.

Step 5. Where the income profile for a covered development is not explained or justified in the annual plan submission, DHA must include in its admission policy its specific policy to provide for deconcentration of poverty and income mixing.

Depending on local circumstances DHA’s deconcentration policy may include, but is not limited to the following:

- Providing incentives to encourage families to accept units in developments where their income level is needed, including rent incentives, affirmative marketing plans, or added amenities
- Targeting investment and capital improvements toward developments with an average income below the EIR to encourage families with incomes above the EIR to accept units in those developments
- Establishing a preference for admission of working families in developments below the EIR
- Skipping a family on the waiting list to reach another family in an effort to further the goals of deconcentration
- Providing other strategies permitted by statute and determined by DHA in consultation with the residents and the community through the annual plan process to be responsive to local needs and DHA strategic objectives

A family has the sole discretion whether to accept an offer of a unit made under DHA’s deconcentration policy. DHA must not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under DHA's deconcentration policy [24 CFR 903.2(c)(4)].

If, at annual review, the average incomes at all site-based developments are within the EIR, DHA will be considered to be in compliance with the deconcentration requirement and no further action is required.

**DHA Policy**
For developments outside the EIR, DHA will take the following actions to provide for deconcentration of poverty and income mixing:

*At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the housing authority fiscal year.*
Order of Selection [24 CFR 960.206(e)]
DHA system of preferences may select families either according to the date and time of application or by a random selection process.

**DHA Policy**

Families will be selected from the waiting list based on preference. Among applicants with the same preference, families will be selected on a first-come, first-served basis according to the date and time their complete application is received by DHA.

When selecting applicants from the site-based waiting list DHA will match the characteristics of the available unit (unit size, accessibility features, unit type) to the applicants on the waiting lists. DHA will offer the unit to the highest ranking applicant who qualifies for that unit size or type, or that requires the accessibility features.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application or higher preference status. Factors such as deconcentration or income mixing and income targeting will also be considered in accordance with HUD requirements and DHA policy.

DHA has a site-based waiting list for Goley Pointe that includes a preference for homeless families. If there are not sufficient applicants on the waiting list to occupy units designated for homeless families, DHA will accept referrals from temporary homeless housing providers to occupy targeted units. All referred applicants will be processed in accordance with HUD requirements and DHA policy.

**4-III.C. NOTIFICATION OF SELECTION**

When the family has been selected from the waiting list, DHA must notify the family.

**DHA Policy**

DHA will notify the family by first class mail when it is selected from the waiting list.

The notice will inform the family of the following:

- Date, time, and location of the scheduled application interview, including any procedures for rescheduling the interview
- Who is required to attend the interview
- Documents that must be provided at the interview to document the legal identity of household members, including information about what constitutes acceptable documentation
• Documents that must be provided at the interview to document eligibility for a preference, if applicable
• Other documents and information that should be brought to the interview

**DHA Policy**
When an applicant has been chosen from the waiting list and housing assistance is not available, DHA will notify the family by first class mail. The notice will inform the applicant that they will be notified when the next available unit is ready that meets their required bedroom size for their households need.

If a notification letter is returned to DHA with no forwarding address, the family will be removed from the waiting list without further notice. Such failure to act on the part of the applicant prevents DHA from making an eligibility determination; therefore no informal hearing will be offered.

**4-III.D. THE APPLICATION INTERVIEW**

HUD recommends that DHA obtain the information and documentation needed to make an eligibility determination through a private interview. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if DHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by DHA [Notice PIH 2012-10].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability [24 CFR 8.4(a) and 24 CFR 100.204(a)].

**DHA Policy**
Families selected from the waiting list are required to participate in an eligibility interview.

The head of household and the spouse/cohead will be strongly encouraged to attend the interview together. However, either the head of household or the spouse/cohead may attend the interview on behalf of the family. Verification of information pertaining to adult members of the household not present at the interview will not begin until signed release forms are returned to DHA.

The interview will be conducted only if the head of household or spouse/cohead provides appropriate documentation of legal identity (Chapter 7 provides a discussion of proper documentation of legal identity). If the family representative does not provide the required documentation, the appointment may be rescheduled when the proper documents have been obtained.
Pending disclosure and documentation of social security numbers, DHA will allow the family to retain its place on the waiting list for 60 days. If not all household members have disclosed their SSNs at the next time a unit becomes available, DHA will offer the unit to the next applicant family on the waiting list.

If the family is claiming a waiting list preference, the family must provide documentation to verify their eligibility for a preference (see Chapter 7). If the family is verified as eligible for the preference, DHA will proceed with the interview. If DHA determines the family is not eligible for the preference, the interview will not proceed and the family will be placed back on the waiting list according to the date and time of their application.

The family must provide the information necessary to establish the family's eligibility, including suitability, and to determine the appropriate amount of rent the family will pay. The family must also complete required forms, provide required signatures, and submit required documentation. If any materials are missing, DHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided within 10 business days of the interview (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of Social Security numbers and eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (see Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, DHA will provide translation services in accordance with DHA’s LEP plan.

If the family is unable to attend a scheduled interview, the family should contact DHA in advance of the interview to schedule a new appointment. If the family does not attend a scheduled interview, DHA will not send another notification letter to reschedule the interview unless DHA receives returned mail with a forwarding address. Applicants who fail to attend scheduled interviews without DHA approval will have their applications made inactive based on the family's failure to supply information needed to determine eligibility. Such failure to act on the part of the applicant prevents DHA from making an eligibility determination; therefore DHA will not offer an informal hearing.

4-III.E. FINAL ELIGIBILITY DETERMINATION [24 CFR 960.208]
DHA must verify all information provided by the family (see Chapter 7). Based on verified information related to the eligibility requirements, including DHA suitability standards, DHA must make a final determination of eligibility (see Chapter 3).

When a determination is made that a family is eligible and satisfies all requirements for admission, including tenant selection criteria, the applicant must be notified of the approximate date of occupancy insofar as that date can be reasonably determined [24 CFR 960.208(b)].

**DHA Policy**
DHA will notify a family in writing of their eligibility within 10 business days of the determination and will provide the approximate date of occupancy insofar as that date can be reasonably determined.

DHA must promptly notify any family determined to be ineligible for admission of the basis for such determination, and must provide the applicant upon request, within a reasonable time after the determination is made, with an opportunity for an informal hearing on such determination [24 CFR 960.208(a)].

**DHA Policy**
If DHA determines that the family is ineligible, DHA will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal hearing (see Chapter 14).

If DHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before DHA can move to deny the application. See Section 3-III.G. for DHA’s policy regarding such circumstances.
INTRODUCTION

DHA must establish policies governing occupancy of dwelling units and offering dwelling units to qualified families.

This chapter contains policies for assigning unit size and making unit offers. DHA’s waiting list and selection policies are contained in Chapter 4. Together, Chapters 4 and 5 of the ACOP comprise DHA’s Tenant Selection and Assignment Plan (TSAP).

Policies in this chapter are organized in two parts.

Part I: Occupancy Standards. This part contains DHA’s standards for determining the appropriate unit size for families of different sizes and types.

Part II: Unit Offers. This part contains DHA’s policies for making unit offers, and describes actions to be taken when unit offers are refused.

PART I: OCCUPANCY STANDARDS

5-I.A. OVERVIEW

Occupancy standards are established by DHA to ensure that units are occupied by families of the appropriate size. This policy maintains the maximum usefulness of the units, while preserving them from excessive wear and tear or underutilization. Part I of this chapter explains the occupancy standards. These standards describe the methodology and factors DHA will use to determine the size unit for which a family qualifies, and includes the identification of the minimum and maximum number of household members for each unit size. This part also identifies circumstances under which an exception to the occupancy standards may be approved.

5-I.B. DETERMINING UNIT SIZE

In selecting a family to occupy a particular unit, DHA may match characteristics of the family with the type of unit available, for example, number of bedrooms [24 CFR 960.206(c)].

HUD does not specify the number of persons who may live in public housing units of various sizes. PHA’s are permitted to develop appropriate occupancy standards as long as the standards do not have the effect of discriminating against families with children [PH Occ GB, p. 62].
Although DHA does determine the size of unit the family qualifies for under the occupancy standards, DHA does not determine who shares a bedroom/sleeping room. DHA’s occupancy standards for determining unit size must be applied in a manner consistent with fair housing requirements.

DHA Policy
DHA will use the same occupancy standards for each of its developments.

DHA’s occupancy standards are as follows:

DHA will assign one bedroom for each two persons within the household, except in the following circumstances:

- Persons of the opposite sex (other than spouses, and children under age 5) will not be required to share a bedroom.
- Persons of different generations will not be required to share a bedroom.
- Live-in aides will be allocated a separate bedroom. No additional bedrooms will be provided for the live-in aide’s family.
- Single person families will be allocated a zero or one bedroom.
- Foster children will be included in determining unit size.

DHA will reference the following standards in determining the appropriate unit bedroom size for a family:

5-I.C. EXCEPTIONS TO OCCUPANCY STANDARDS

Types of Exceptions

DHA Policy
DHA will consider granting exceptions to the occupancy standards at the family’s request if DHA determines the exception is justified by the relationship, age, sex, health or disability of family members, or other personal circumstances. For example, an exception may be granted if a larger bedroom size is needed for medical equipment due to its size and/or function, or as a reasonable accommodation for a person with disabilities.
When evaluating exception requests DHA will consider the size and configuration of the unit. In no case will DHA grant an exception that is in violation of local housing or occupancy codes, regulations or laws.

Requests from applicants to be placed on the waiting list for a unit size smaller than designated by the occupancy standards will be approved as long as the unit is not overcrowded according to local code, and the family agrees not to request a transfer for a period of two years from the date of admission, unless they have a subsequent change in family size or composition.

To prevent vacancies, DHA may provide an applicant family with a larger unit than the occupancy standards permit. However, in these cases the family must agree to move to a suitable, smaller unit when another family qualifies for the larger unit and there is an appropriate size unit available for the family to transfer to.

Processing of Exceptions

DHA Policy

All requests for exceptions to the occupancy standards must be submitted in writing.

In the case of a request for exception as a reasonable accommodation, DHA will encourage the resident to make the request in writing using a reasonable accommodation request form. However, DHA will consider the exception request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

Requests for a larger size unit must explain the need or justification for the larger size unit, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source, unless the disability and the disability-related request for accommodation is readily apparent or otherwise known.

DHA will notify the family of its decision within 10 business days of receiving the family’s request.

PART II: UNIT OFFERS (24 CFR 1.4(b)(2)(ii); 24 CFR 960.208)

5-II.A. OVERVIEW

DHA must assign eligible applicants to dwelling units in accordance with a plan that is consistent with civil rights and nondiscrimination.

In filling an actual or expected vacancy, DHA must offer the dwelling unit to an applicant in the appropriate sequence. DHA will offer the unit until it is accepted. This section
describes DHA’s policies with regard to the number of unit offers that will be made to applicants selected from the site-based waiting list. This section also describes DHA’s policies for offering units with accessibility features.

DHA Policy
DHA will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

5-II.B. NUMBER OF OFFERS

DHA Policy
Under the Site-Based Wait List Plan, DHA has adopted a one offer plan for offering units to applicants. Once a suitable unit is available the applicant will be offered that unit based on the oldest vacant unit on the applied for site.

5-II.C. TIME LIMIT FOR UNIT OFFER ACCEPTANCE OR REFUSAL

DHA Policy
Applicants must accept or refuse a unit offer within 2 business days of the date of the unit offer.

Offers made by telephone will be confirmed by letter.

5-II.D. REFUSAL OF UNIT OFFER

Unit Refusal

DHA Policy
When an applicant rejects the unit offer, DHA will remove the applicant’s name from the site-based wait list and send notice to the family of such removal. The notice will inform the family of their right to request an informal hearing and the process for doing so (see Chapter 14).

Applicants may refuse to accept a unit offer under the following circumstances:

An elderly or disabled family may decline an offer for designated housing such a refusal must not advertently effect the family’s position or placement on the PH site-based waiting list [24CFR 945.303(d)].
A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members “as listed on final application” or live-in aide necessary to the care of the principal household member.

The applicant may reapply for assistance if the site-based wait list is open. If the waitlist is not open, the applicant must wait to reapply until DHA opens the site-based wait list.

5-II.E. ACCESSIBLE UNITS [24 CFR 8.27]

PHA’s must adopt suitable means to assure that information regarding the availability of accessible units reaches eligible individuals with disabilities, and take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of a particular unit.

When an accessible unit becomes vacant, before offering such units to a non-disabled applicant DHA must offer such units:

- First, to a current resident of another unit of the same development, or other public housing development under DHA’s control, who has a disability that requires the special features of the vacant unit and is occupying a unit not having such features, or if no such occupant exists, then
- Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

When offering an accessible unit to an applicant not having a disability requiring the accessibility features of the unit, DHA may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

DHA Policy

Families requiring an accessible unit may be over-housed in such a unit if there are no resident or applicant families of the appropriate size who also require the accessible features of the unit.

When there are no resident or applicant families requiring the accessible features of the unit, including families who would be over-housed, DHA will offer the unit to a non-disabled applicant.

When offering an accessible unit to a non-disabled applicant, DHA will require the applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the non-disabled family. This requirement will be a provision of the lease agreement.
5-II.F. DESIGNATED HOUSING

When applicable, DHA’s policies for offering units designated for elderly families only or for disabled families only are described in DHA’s Designated Housing Plan, which is incorporated herein by reference.
INTRODUCTION
A family’s income determines eligibility for assistance and is also used to calculate the family’s rent payment. DHA will use the policies and methods described in this chapter to ensure that only eligible families receive assistance and that no family pays more or less than its obligation under the regulations. This chapter describes HUD regulations and DHA policies related to these topics in three parts as follows:

Part I: Annual Income. HUD regulations specify the sources of income to include and exclude to arrive at a family’s annual income. These requirements and DHA policies for calculating annual income are found in Part I.

Part II: Adjusted Income. Once annual income has been established HUD regulations require DHA to subtract from annual income any of five mandatory deductions for which a family qualifies. These requirements and DHA policies for calculating adjusted income are found in Part II.

Part III: Calculating Rent. This part describes the statutory formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining family rent payment. Also included here are flat rents and the family’s choice in rents.

PART I: ANNUAL INCOME

6-I.A. OVERVIEW
The general regulatory definition of annual income shown below is from 24 CFR 5.609.

5.609 Annual income.
(a) Annual income means all amounts, monetary or not, which:
(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
(3) Which are not specifically excluded in paragraph [5.609(c)].
(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:
• Annual Income Inclusions (Exhibit 6-1)
• Annual Income Exclusions (Exhibit 6-2)
• Treatment of Family Assets (Exhibit 6-3)
• Earned Income Disallowance (Exhibit 6-4)
• The Effect of Welfare Benefit Reduction (Exhibit 6-5)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this ACOP, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

6-I.B. HOUSEHOLD COMPOSITION AND INCOME
Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

Temporarily Absent Family Members
The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

DHA Policy
Generally an individual who is or is expected to be absent from the assisted unit for 180 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected

Page 6-2
Approved September 25, 2019
to be absent from the assisted unit for more than 180 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

Absent Students
DHA Policy
When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to DHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care
Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

DHA Policy
If a child has been placed in foster care, DHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

Absent Head, Spouse, or Cohead
DHA Policy
An employed head, spouse, or cohead absent from the unit more than 180 consecutive days due to employment will continue to be considered a family member.

Family Members Permanently Confined for Medical Reasons
DHA Policy
An individual confined to a nursing home or hospital on a permanent basis is not considered a family member. If there is a question about the status of a family member, DHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

Joint Custody of Children
DHA Policy
Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or resident family 50 percent or more of the time.
When more than one applicant or assisted family (regardless of program) are claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, DHA will make the determination based on available documents such as court orders, or an IRS return showing which family has claimed the child for income tax purposes.

Caretakers for a Child
DHA Policy
If neither a parent nor a designated guardian remains in a household receiving assistance, DHA will take the following actions:

- If a responsible agency has determined that another adult is to be brought into the unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.

- If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker’s role is temporary. In such cases DHA will extend the caretaker’s status as an eligible visitor.

- At any time that custody or guardianship legally has been awarded to a caretaker, the lease will be transferred to the caretaker, as head of household.

- During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

6-I.C. ANTICIPATING ANNUAL INCOME
DHA is required to count all income “anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date” [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

Basis of Annual Income Projection
DHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes DHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]

DHA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

DHA is required to use HUD’s Enterprise Income Verification (EIV) system in its entirety as a third party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

HUD will allow DHA to use pay-stubs to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where DHA does not determine it is necessary to obtain additional third-party data.

**DHA Policy**

When EIV is obtained and the family does not dispute the EIV employer data, DHA will use current tenant-provided documents to project annual income. When the tenant-provided documents are pay stubs, DHA will make every effort to obtain current and consecutive pay stubs dated within the last 60 days.

DHA will obtain written and/or oral third-party verification in accordance with the verification requirements and policy in Chapter 7 in the following cases:

- If EIV or other UIV data is not available,
- If the family disputes the accuracy of the EIV employer data, and/or
- If DHA determines additional information is needed.

In such cases, DHA will review and analyze current data to anticipate annual income. In all cases, the family file will be documented with a clear record of the reason for the decision, and a clear audit trail will be left as to how DHA annualized projected income.

When DHA cannot readily anticipate income based upon current circumstances (e.g., in the case of seasonal employment, unstable working hours, or suspected fraud), DHA will review and analyze historical data for patterns of employment, paid benefits, and receipt of other income and use the results of this analysis to establish annual income.

Any time current circumstances are not used to project annual income, a clear rationale for the decision will be documented in the file. In all such cases the family may present information and documentation to DHA to show why the historic pattern does not represent the family’s anticipated income.

**Known Changes in Income**

If DHA verifies an upcoming increase or decrease in income, annual income will be calculated by applying each income amount to the appropriate part of the 12-month period.
Example: An employer reports that a full-time employee who has been receiving $6/hour will begin to receive $6.25/hour in the eighth week after the effective date of the reexamination. In such a case DHA would calculate annual income as follows: ($6/hour \times 40 \text{ hours} \times 7 \text{ weeks}) + ($6.25 \times 40 \text{ hours} \times 45 \text{ weeks})$.

The family may present information that demonstrates that implementing a change before its effective date would create a hardship for the family. In such cases DHA will calculate annual income using current circumstances and then require an interim reexamination when the change actually occurs. This requirement will be imposed even if DHA’s policy on reexaminations does not require interim reexaminations for other types of changes.

When tenant-provided third-party documents are used to anticipate annual income, they will be dated within the last 120 days of the reexamination interview date.

6-I.D. EARNED INCOME

Types of Earned Income Included in Annual Income

Wages and Related Compensation [24 CFR 5.609(b)(1)]
The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services is included in annual income.

DHA Policy
For persons who regularly receive bonuses or commissions, DHA will verify and then average amounts received for the two years preceding admission or reexamination. If only a one-year history is available, DHA will use the prior year amounts. In either case the family may provide, and DHA will consider, a credible justification for not using this history to anticipate future bonuses or commissions. If a new employee has not yet received any bonuses or commissions, DHA will count only the amount estimated by the employer.

Some Types of Military Pay
All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].
**Types of Earned Income Not Counted in Annual Income**

**Temporary, Nonrecurring, or Sporadic Income [24 CFR 5.609(c)(9)]**
This type of income (including gifts) is not included in annual income.

DHA Policy
Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.

**Children’s Earnings [24 CFR 5.609(c)(1)]**
Employment income earned by children (including foster children) under the age of 18 years is not included in annual income. (See Eligibility chapter for a definition of foster children.)

**Certain Earned Income of Full-Time Students**
Earnings in excess of $480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered “full-time,” a student must be considered “full-time” by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

**Income of a Live-in Aide.**
Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

**Income Earned under Certain Federal Programs [24 CFR 5.609(c)(17)]**
Income from some federal programs is specifically excluded from consideration as income, including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
- Payments received under programs funded in whole or in part under the Job Training Partnership Act (29 U.S.C. 1552(b))
- Awards under the federal work-study program (20 U.S.C. 1087 uu)
- Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
- Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
- Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

**Resident Service Stipend [24 CFR 5.600(c)(8)(iv)]**
Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed $200 per individual per month) received by a resident for performing a service for DHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of DHA’s governing board. No resident may receive more than one such stipend during the same period of time.

**State and Local Employment Training Program**

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

**DHA Policy**

DHA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

DHA defines *incremental earnings and benefits* as the difference between (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, DHA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.

End of participation in a training program must be reported in accordance with DHA’s interim reporting requirements (see chapter on reexaminations).

**HUD-Funded Training Programs**

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization,
Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

DHA Policy
To qualify as a training program, the program must meet the definition of training program provided above for state and local employment training programs.

Earned Income Tax Credit. Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee’s payroll check.

Earned Income Disallowance. The earned income disallowance is discussed in section 6-I.E below.

6-I.E. EARNED INCOME DISALLOWANCE [24 CFR 960.255]
The earned income disallowance (EID) encourages people to enter the work force by not including the full value of increases in earned income for a period of time. HUD regulatory provisions limit to 24 straight months the time period during which a family member is eligible to receive the benefit of the earned income disallowance. The full text of 24 CFR 960.255 is included as Exhibit 6-4 at the end of this chapter. Eligibility criteria and limitations on the disallowance are summarized below.

Rental Assistance Demonstration Conversion
Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR 960.255. If a tenant requests that the EID cease or upon the expiration of the EID for such tenants, the tenant will no longer receive the EID exclusion and the Owner will no longer be subject to the provisions of 24 CFR 960.255.

Eligibility
This disallowance applies only to individuals in families already participating in the public housing program (not at initial examination). To qualify, the family must experience an increase in annual income that is the result of one of the following events:

- Employment of a family member who was previously unemployed for one or more years prior to employment. Previously unemployed includes a person who annually has earned not more than the minimum wage applicable to the community multiplied by 500 hours. The applicable minimum wage is the federal minimum wage unless there is a higher state or local minimum wage.

- Increased earnings by a family member whose earnings increase during participation in an economic self-sufficiency or job-training program. A self-sufficiency program includes a program designed to encourage, assist, train, or
facilitate the economic independence of HUD-assisted families or to provide work to such families [24 CFR 5.603(b)].

- New employment or increased earnings by a family member who has received benefits or services under Temporary Assistance for Needy Families (TANF) or any other state program funded under Part A of Title IV of the Social Security Act within the past six months. If the benefits are received in the form of monthly maintenance, there is no minimum amount. If the benefits or services are received in a form other than monthly maintenance, such as one-time payments, wage subsidies, or transportation assistance, the total amount received over the six-month period must be at least $500.

**Calculation of the Disallowance**

Calculation of the earned income disallowance for an eligible member of a qualified family begins with a comparison of the member’s current income with his or her “prior income.”

**DHA Policy**

DHA defines *prior income*, or *pre-qualifying income*, as the family member’s last certified income prior to qualifying for the EID.

The family member’s prior, or pre-qualifying, income remains constant throughout the period that he or she is receiving the EID.

**Initial 12-Month Exclusion**

During the initial 12-month exclusion period, the full amount (100 percent) of any increase in income attributable to new employment or increased earnings is excluded. The 12 months are consecutive.

**DHA Policy**

The initial EID exclusion period will begin on the first of the month following the date an eligible member of a qualified family is first employed or first experiences an increase in earnings. Families will be required to report any changes in their income status within 10 business days of the occurrence of employment and/or any type of income that is received.

**Second 12-Month Exclusion and phase-In**

During the second 12-month exclusion period, the exclusion is reduced to half (50 percent) of any increase in income attributable to employment or increased earnings. The 12 months are consecutive.

**Lifetime Limitation**

The EID has a two-year (24-month) lifetime maximum. The two-year eligibility period begins at the same time that the initial exclusion period begins and ends 24 months later. The one-time eligibility for the EID applies even if the eligible individual begins to receive assistance from another housing agency, if the individual moves between public housing and Section 8 assistance, or if there are breaks in assistance.
During the 24-month eligibility period, DHA will conduct an interim reexamination each time there is a change in the family member's annual income that affects or is affected by the EID (e.g., when the family member's income falls to a level at or below his/her pre-qualifying income, when one of the exclusion periods ends, and at the end of the lifetime maximum eligibility period).

**Individual Savings Accounts [24 CFR 960.255(d)]**

DHA Policy
DHA plans to implement individual savings accounts for residents (ISAs) as an alternative to the required 12 month disallowance of earned income and phasing in of rent increases in the next year.

**6-I.F. BUSINESS INCOME [24 CFR 5.609(b)(2)]**

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(2)].

**Business Expenses**
Net income is “gross income less business expense” [HCV GB, p. 5-19].

DHA Policy
To determine business expenses that may be deducted from gross income, DHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

**Business Expansion**
HUD regulations do not permit DHA to deduct from gross income expenses for business expansion.

DHA Policy
*Business expansion* is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a
property by a hair care business to open at a second location would be considered a business expansion.

**Capital Indebtedness**
HUD regulations do not permit DHA to deduct from gross income the amortization of capital indebtedness.

**DHA Policy**
Capital indebtedness is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means DHA will allow as a business expense interest, but not principal, paid on capital indebtedness.

**Negative Business Income**
If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

**Withdrawal of Cash or Assets from a Business**
HUD regulations require DHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

**DHA Policy**
Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of a tenant family provided an up-front loan of $2,000 to help a business get started, DHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

**Co-owned Businesses**
DHA Policy
If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family’s share of the income is lower than its share of ownership, the family must document the reasons for the difference.

**6-I.G. ASSETS [24 CFR 5.609(b)(3) and 24 CFR 5.603(b)]**

**Overview**
There is no asset limitation for participation in the public housing program. However, HUD requires that DHA include in annual income the “interest, dividends, and other net income of any kind from real or personal property” [24 CFR 5.609(b)(3)]. This section discusses how the income from various types of assets is determined. For most types of assets, DHA must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:
• How the value of the asset will be determined
• How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of net family assets. This section begins with a discussion of general policies related to assets and then provides HUD rules and DHA policies related to each type of asset.

**General Policies**

**Income from Assets**
DHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes DHA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) DHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, DHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

**DHA Policy**
Any time current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to DHA to show why the asset income determination does not represent the family’s anticipated asset income.

**Valuing Assets**
The calculation of asset income sometimes requires DHA to make a distinction between an asset’s market value and its cash value.

- The market value of an asset is its worth (e.g., the amount a buyer would pay for real estate or the balance in an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

**DHA Policy**
Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28 and PH Occ GB, p. 121].

**Lump-Sum Receipts**
Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are
generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

**Imputing Income from Assets [24 CFR 5.609(b)(3), Notice PIH 2012-29]**

When net family assets are $5,000 or less, DHA will include in annual income the actual income anticipated to be derived from the assets. When the family has net family assets in excess of $5,000, DHA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets by the current passbook savings rate determined by DHA.

**DHA Policy**

DHA will initially set the imputed asset passbook rate at the national rate established by the Federal Deposit Insurance Corporation (FDIC).

The PHA will review the passbook rate annually, in December of each year. The rate will not be adjusted unless the current PHA rate is no longer within 0.75 percent of the national rate. If it is no longer within 0.75 percent of the national rate, the passbook rate will be set at the current national rate.

Changes to the passbook rate will take effect on February 1 following the December review.

**Determining Actual Anticipated Income from Assets**

It may or may not be necessary for DHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property’s market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.

**Withdrawal of Cash or Liquidation of Investments**

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement fund.

**Jointly Owned Assets**
The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes “amounts derived (during the 12-month period) from assets to which any member of the family has access.”

**DHA Policy**

If an asset is owned by more than one person and any family member has unrestricted access to the asset, DHA will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, DHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, DHA will prorate the asset evenly among all owners.

**Assets Disposed Of for Less than Fair Market Value [24 CFR 5.603(b)]**

HUD regulations require DHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

**Minimum Threshold**

DHA may set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

**DHA Policy**

DHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than $1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in non-revocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.

**Separation or Divorce**

The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.
**DHA Policy**
All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

**Foreclosure or Bankruptcy**
Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

**Family Declaration**

**DHA Policy**
Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. DHA may verify the value of the assets disposed of if other information available to DHA does not appear to agree with the information reported by the family.

**Types of Assets**

**Checking and Savings Accounts**
For regular checking accounts and savings accounts, *cash value* has the same meaning as *market value*. If a checking account does not bear interest, the anticipated income from the account is zero.

**DHA Policy**
In determining the value of a checking account, DHA will use the current balance.

In determining the value of a savings account, DHA will use the current balance.

In determining the anticipated income from an interest-bearing checking or savings account, DHA will multiply the value of the account by the current rate of interest paid on the account.

**Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds**
Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.
In determining the market value of an investment account, DHA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), DHA will calculate asset income based on the earnings for the most recent reporting period.

**Equity in Real Property or Other Capital Investments**

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25 and PH, p. 121].

Equity in real property and other capital investments is considered in the calculation of asset income except for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR 5.603(b)]
- Equity in real property when a family member’s main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25]

DHA must also deduct from the equity the reasonable costs for converting the asset to cash. Using the formula for calculating equity specified above, the net cash value of real property is the market value of the loan (mortgage) minus the expenses to convert to cash [Notice PIH 2012-3].

**DHA Policy**

For the purposes of calculating expenses to convert to cash for real property, DHA will use ten percent of the market value of the home.

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family member, the anticipated asset income generally will be in the form of rent or other payment for the use of the property. If the property generates no income, actual anticipated income from the asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance (unpaid principal) is the cash value of the asset. The interest portion only of
payments made to the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated asset income.

**DHA Policy**

In the case of capital investments owned jointly with others not living in a family's unit, a prorated share of the property's cash value will be counted as an asset unless DHA determines that the family receives no income from the property and is unable to sell or otherwise convert the asset to cash.

**Trusts**

A trust is a legal arrangement generally regulated by state law in which one party (the creator or grantor) transfers property to a second party (the trustee) who holds the property for the benefit of one or more third parties (the beneficiaries).

**Revocable Trusts**

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust funds is counted as actual asset income, whether the income is paid to the family or deposited in the trust.

**Non-revocable Trusts**

In cases where a trust is not revocable by, or under the control of, any member of a family, the value of the trust fund is not considered an asset. However, any income distributed to the family from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR 5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed earlier in this section.)

**Retirement Accounts**

**Company Retirement/Pension Accounts**

In order to correctly include or exclude as an asset any amount held in a company retirement or pension account by an employed person, DHA must know whether the money is accessible before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without retiring or terminating employment is counted as an asset [HCV GB, p. 5-26]. After a family member retires or terminates employment, any amount distributed to the family member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-26], except to the extent that it represents funds invested in the account by the family member. (For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

**IRA, Keogh, and Similar Retirement Savings Accounts**

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

**Personal Property**
Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

**DHA Policy**

In determining the value of personal property held as an investment, DHA will use the family’s estimate of the value. However, DHA also may obtain an appraisal if appropriate to confirm the value of the asset. The family must cooperate with the appraiser but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

**DHA Policy**

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

**Life Insurance**

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy is included in the calculation of the value of the family’s assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

**6-I.H. PERIODIC PAYMENTS**

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

**Periodic Payments Included in Annual Income**

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].

- Disability or death benefits and lottery receipts paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14]

**Lump-Sum Payments for the Delayed Start of a Periodic Payment**
Most lump sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income [CFR 5.609(b)(4)].

**DHA Policy**
When a delayed-start payment is received and reported during the period in which DHA is processing an annual reexamination, DHA will adjust the tenant rent retroactively for the period the payment was intended to cover. The family may pay in full any amount due or request to enter into a repayment agreement with DHA.

See the chapter on reexaminations for information about a family’s obligation to report lump-sum receipts between annual reexaminations.

**Treatment of Overpayment Deductions from Social Security Benefits**
DHA must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from his or her benefit amount until the overpayment is paid in full. The amount and duration of the withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, DHA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2012-10].

**Periodic Payments Excluded from Annual Income**
- Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone) [24 CFR 5.609(c)(2)]

  **DHA Policy**
  DHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

- Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)]

- Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)]

- Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)]

- Earned Income Tax Credit (EITC) refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)]. Note: EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.
• Lump sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.J.) [24 CFR 5.609(b)(4)].

6-I.I. PAYMENTS IN LIEU OF EARNINGS

Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

6-I.J. WELFARE ASSISTANCE

Overview

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]

DHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was a public housing resident at the time the sanction was imposed.

Covered Families

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)]

Imputed Income

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, DHA must include in annual income “imputed” welfare income. DHA must request that the welfare agency inform DHA when the benefits of a public housing resident are reduced. The imputed income is the amount the family would have received if the family had not been sanctioned.
This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

For special procedures related to grievance hearings based upon DHA's denial of a family's request to lower rent when the family experiences a welfare benefit reduction, see Chapter 14, Grievances and Appeals.

Offsets
The amount of the imputed income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

6-I.K. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]
Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with a tenant family.

Alimony and Child Support
DHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

DHA Policy
DHA will count court-awarded amounts for alimony and child support unless DHA verifies that (1) the payments are not being made and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

Regular Contributions or Gifts
DHA must count as income regular monetary and non-monetary contributions or gifts from persons not residing with a tenant family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

DHA Policy
Examples of regular contributions include: (1) regular payment of a family’s bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other
liquid assets provided to any family member on a regular basis, and (3) “in-kind”
contributions such as groceries and clothing provided to a family on a regular
basis.

Non-monetary contributions will be valued at the cost of purchasing the items, as
determined by DHA. For contributions that may vary from month to month (e.g.,
utility payments), DHA will include an average amount based upon past history.

6-I.I. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME
Other exclusions contained in 24 CFR 5.609(c) that have not been discussed earlier in
this chapter include the following:
• Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
• The full amount of student financial assistance paid directly to the student or to the
educational institution [24 CFR 5.609(c)(6)]
• Amounts received by participants in other publicly assisted programs which are
specifically for or in reimbursement of out-of-pocket expenses incurred and which
are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]
• Amounts received by a person with a disability that are disregarded for a limited time
for purposes of Supplemental Security Income eligibility and benefits because they
are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR
5.609(c)(8)(ii)]
• Reparation payments paid by a foreign government pursuant to claims filed under
the laws of that government by persons who were persecuted during the Nazi era
[24 CFR 5.609(c)(10)]
• Adoption assistance payments in excess of $480 per adopted child [24 CFR
5.609(c)(12)]
• Refunds or rebates on property taxes paid on the dwelling unit [24 CFR
5.609(c)(15)]
• Amounts paid by a state agency to a family with a member who has a
developmental disability and is living at home to offset the cost of services and
equipment needed to keep the developmentally disabled family member at home [24
CFR 5.609(c)(16)]
• Amounts specifically excluded by any other federal statute [24 CFR 5.609(c)(17)].
HUD publishes an updated list of these exclusions periodically. It includes:

(a) The value of the allotment provided to an eligible household under the Food
Stamp Act of 1977 (7 U.S.C. 2017 (b))
(b) Benefits under Section 1780 of the School Lunch Act and Child Nutrition Act of
1966, including WIC
(c) Payments to Volunteers under the Domestic Volunteer Services Act of 1973 (42
U.S.C. 5044(g), 5058)
(d) Payments received under the Alaska Native Claims Settlement Act (43 U.S.C.
1626(c))
(e) Income derived from certain submarginal land of the United States that is held in trust for certain Indian tribes (25 U.S.C. 459e)

(f) Payments or allowances made under the Department of Health and Human Services’ Low-Income Home Energy Assistance Program (42 U.S.C. 8624(f))

(g) Amounts in the individual’s Achieving Better Life Experience (ABLE) account pursuant to 24 CFR 5.609(c)(17). The entire value of the individual’s ABLE account will be excluded from the household’s assets. This means actual or imputed interest on the ABLE account balance will not be counted as income. Distributions from the ABLE account are also not considered income. All wage income received, regardless of which account the money is paid to, is included as income. [NOTICE PIH-2019-09]
(g) Payments received under programs funded in whole or in part under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

(h) Deferred disability benefits from the Department of Veterans Affairs, whether received as a lump sum or in monthly prospective amounts

(i) Income derived from the disposition of funds to the Grand River Band of Ottawa Indians (Pub. L. 94-540, 90 Stat. 2503-04)

(j) Payments, funds, or distributions authorized, established, or directed by the Seneca Nation Settlement Act of 1990 (25 U.S.C. 1774f(b))

(k) A lump sum or periodic payment received by an individual Indian pursuant to the Class Action Settlement Agreement in the United States District Court case entitled Elouise Cobell et al. v. Ken Salazar et al

(l) The first $2,000 of per capita shares received from judgment funds awarded by the Indian Claims Commission or the U. S. Claims Court, the interests of individual Indians in trust or restricted lands, including the first $2,000 per year of income received by individual Indians from funds derived from interests held in such trust or restricted lands (25 U.S.C. 1407-1408)

(m) Benefits under the Indian Veterans Housing Opportunity Act of 2010 (only applies to Native American housing programs)

(n) Amounts of scholarships funded under title IV of the Higher Education Act of 1965, including awards under the federal work-study program or under the Bureau of Indian Affairs student assistance programs (20 U.S.C. 1087uu)

(o) Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))

(p) Payments received on or after January 1, 1989, from the Agent Orange Settlement Fund or any other fund established pursuant to the settlement in In Re Agent-product liability litigation, M.D.L. No. 381 (E.D.N.Y.)

(q) Payments received under the Maine Indian Claims Settlement Act of 1980 (25 U.S.C. 1721)

(r) The value of any child care provided or arranged (or any amount received as payment for such care or reimbursement for costs incurred for such care) under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q)

(s) Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j))

(t) Payments by the Indian Claims Commission to the Confederated Tribes and Bands of Yakima Indian Nation or the Apache Tribe of Mescalero Reservation (Pub. L. 95-433)

(u) Amounts of scholarships funded under Title IV of the Higher Education Act of 1965, including awards under federal work-study programs or under the Bureau of Indian Affairs student assistance programs (20 U.S.C. 1087uu). For Section 8 programs, the exception found in § 237 of Public Law 109–249 applies and
requires that the amount of financial assistance in excess of tuition shall be considered income in accordance with the provisions codified at 24 CFR 5.609(b)(9), except for those persons with disabilities as defined by 42 U.S.C. 1437a(b)(3)(E) (Pub. L. 109–249)

(v) Allowances, earnings and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))

(w) Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602)

PART II: ADJUSTED INCOME

6-II.A. INTRODUCTION

Overview
HUD regulations require PHA’s to deduct from annual income any of five mandatory deductions for which a family qualifies. The resulting amount is the family’s adjusted income. Mandatory deductions are found in 24 CFR 5.611.

5.611(a) Mandatory deductions. In determining adjusted income, the responsible entity (DHA) must deduct the following amounts from annual income:
(1) $480 for each dependent;
(2) $400 for any elderly family or disabled family;
(3) The sum of the following, to the extent the sum exceeds three percent of annual income:
   (i) Unreimbursed medical expenses of any elderly family or disabled family;
   (ii) Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus; and
(4) Any reasonable child care expenses necessary to enable a member of the family to be employed or to further his or her education.

This part covers policies related to these mandatory deductions. Verification requirements related to these deductions are found in Chapter 7, Verifications.
Anticipating Expenses

DHA Policy

Generally, DHA will use current circumstances to anticipate expenses. When possible, for costs that are expected to fluctuate during the year (e.g., child care during school and non-school periods and cyclical medical expenses), DHA will estimate costs based on historic data and known future costs.

If a family has an accumulated debt for medical or disability assistance expenses, DHA will include as an eligible expense the portion of the debt that the family expects to pay during the period for which the income determination is being made. However, amounts previously deducted will not be allowed even if the amounts were not paid as expected in a preceding period. DHA may require the family to provide documentation of payments made in the preceding year.

6-II.B. DEPENDENT DEDUCTION

A deduction of $480 is taken for each dependent [24 CFR 5.611(a)(1)]. Dependent is defined as any family member other than the head, spouse, or cohead who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student. Foster children, foster adults, and live-in aides are never considered dependents [24 CFR 5.603(b)].

6-II.C. ELDERLY OR DISABLED FAMILY DEDUCTION

A single deduction of $400 is taken for any elderly or disabled family [24 CFR 5.611(a)(2)]. An elderly family is a family whose head, spouse, cohead, or sole member is 62 years of age or older, and a disabled family is a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403].

6-II.D. MEDICAL EXPENSES DEDUCTION [24 CFR 5.611(a)(3)(i)]

Unreimbursed medical expenses may be deducted to the extent that, in combination with any disability assistance expenses, they exceed three percent of annual income. The medical expense deduction is permitted only for families in which the head, spouse, or cohead is at least 62 or is a person with disabilities. If a family is eligible for a medical expense deduction, the medical expenses of all family members are counted [VG, p. 28].

Definition of Medical Expenses

HUD regulations define medical expenses at 24 CFR 5.603(b) to mean “medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.”

DHA Policy

The most current IRS Publication 502, Medical and Dental Expenses, will be used to determine the costs that qualify as medical expenses.
Summary of Allowable Medical Expenses from IRS Publication 502

| Services of medical professionals | Substance abuse treatment programs |
| Surgery and medical procedures that are necessary, legal, non-cosmetic | Psychiatric treatment |
| Services of medical facilities | Ambulance services and some costs of transportation related to medical expenses |
| Hospitalization, long-term care, and in-home nursing services | The cost and care of necessary equipment related to a medical condition (e.g., eyeglasses/lenses, hearing aids, crutches, and artificial teeth) |
| Prescription medicines and insulin, nonprescription medicines if recommended by a doctor in writing | Cost and continuing care of necessary service animals |
| Improvements to housing directly related to medical needs (e.g., ramps for a wheel chair, handrails) | Medical insurance premiums or the cost of a health maintenance organization (HMO) |

Note: This chart provides a summary of eligible medical expenses only. Detailed information is provided in IRS Publication 502. Medical expenses are considered only to the extent they are not reimbursed by insurance or some other source.

Families That Qualify for Both Medical and Disability Assistance Expenses

DHA Policy
This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, DHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.E. DISABILITY ASSISTANCE EXPENSES DEDUCTION [24 CFR 5.603(b) and 24 CFR 5.611(a)(3)(ii)]
Reasonable expenses for attendant care and auxiliary apparatus for a disabled family member may be deducted if they: (1) are necessary to enable a family member 18 years or older to work, (2) are not paid to a family member or reimbursed by an outside source, (3) in combination with any medical expenses, exceed three percent of annual income, and (4) do not exceed the earned income received by the family member who is enabled to work.
Earned Income Limit on the Disability Assistance Expense Deduction

A family can qualify for the disability assistance expense deduction only if at least one family member (who may be the person with disabilities) is enabled to work [24 CFR 5.603(b)].

The disability expense deduction is capped by the amount of “earned income received by family members who are 18 years of age or older and who are able to work” because of the expense [24 CFR 5.611(a)(3)(ii)]. The earned income used for this purpose is the amount verified before any earned income disallowances or income exclusions are applied.

DHA Policy

The family must identify the family members enabled to work as a result of the disability assistance expenses. In evaluating the family’s request, DHA will consider factors such as how the work schedule of the relevant family members relates to the hours of care provided, the time required for transportation, the relationship of the family members to the person with disabilities, and any special needs of the person with disabilities that might determine which family members are enabled to work.

When DHA determines that the disability assistance expenses enable more than one family member to work, the disability assistance expenses will be capped by the sum of the family members’ incomes [PH Occ GB, p. 124].

Eligible Disability Expenses

Examples of auxiliary apparatus are provided in the PH Occupancy Guidebook as follows: “Auxiliary apparatus: Including wheelchairs, walkers, scooters, reading devices for persons with visual disabilities, equipment added to cars and vans to permit their use by the family member with a disability, or service animals” [PH Occ GB, p. 124], but only if these items are directly related to permitting the disabled person or other family member to work [HCV GB, p. 5-30].

HUD advises PHA’s to further define and describe auxiliary apparatus [VG, p. 30].

Eligible Auxiliary Apparatus

DHA Policy

Expenses incurred for maintaining or repairing an auxiliary apparatus is eligible. In the case of an apparatus that is specially adapted to accommodate a person with disabilities (e.g., a vehicle or computer), the cost to maintain the special adaptations (but not maintenance of the apparatus itself) is an eligible expense. The cost of service animals trained to give assistance to persons with disabilities, including the cost of acquiring the animal, veterinary care, food, grooming, and other continuing costs of care, will be included.
**Eligible Attendant Care**
The family determines the type of attendant care that is appropriate for the person with disabilities.

**DHA Policy**
Attendant care includes, but is not limited to, reasonable costs for home medical care, nursing services, in-home or center-based care services, interpreters for persons with hearing impairments, and readers for persons with visual disabilities.

Attendant care expenses will be included for the period that the person enabled to work is employed plus reasonable transportation time. The cost of general housekeeping and personal services is not an eligible attendant care expense. However, if the person enabled to work is the person with disabilities, personal services necessary to enable the person with disabilities to work are eligible.

If the care attendant also provides other services to the family, DHA will prorate the cost and allow only that portion of the expenses attributable to attendant care that enables a family member to work. For example, if the care provider also cares for a child who is not the person with disabilities, the cost of care must be prorated. Unless otherwise specified by the care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

**Payments to Family Members**
No disability expenses may be deducted for payments to a member of a tenant family [23 CFR 5.603(b)]. However, expenses paid to a relative who is not a member of the tenant family may be deducted if they are reimbursed by an outside source.

**Necessary and Reasonable Expenses**
The family determines the type of care or auxiliary apparatus to be provided and must describe how the expenses enable a family member to work. The family must certify that the disability assistance expenses are necessary and are not paid or reimbursed by any other source.

**DHA Policy**
DHA determines the reasonableness of the expenses based on typical costs of care or apparatus in the locality. To establish typical costs, DHA will collect information from organizations that provide services and support to persons with disabilities. A family may present, and DHA will consider, the family’s justification for costs that exceed typical costs in the area.
Families That Qualify for Both Medical and Disability Assistance Expenses

DHA Policy
This policy applies only to families in which the head, spouse, or cohead is 62 or older or is a person with disabilities.

When expenses anticipated by a family could be defined as either medical or disability assistance expenses, DHA will consider them medical expenses unless it is clear that the expenses are incurred exclusively to enable a person with disabilities to work.

6-II.F. CHILD CARE EXPENSE DEDUCTION

HUD defines child care expenses at 24 CFR 5.603(b) as “amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.”

Child care expenses do not include child support payments made to another on behalf of a minor who is not living in an assisted family’s household [VG, p. 26]. However, child care expenses for foster children that are living in the assisted family’s household are included when determining the family’s child care expenses.

Qualifying for the Deduction

Determining Who Is Enabled to Pursue an Eligible Activity

DHA Policy
The family must identify the family member(s) enabled to pursue an eligible activity. The term eligible activity in this section means any of the activities that may make the family eligible for a child care deduction (seeking work, pursuing an education, or being gainfully employed).

In evaluating the family’s request, DHA will consider factors such as how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.
**Seeking Work**  
*DHA Policy*  
If the child care expense being claimed is to enable a family member to seek employment, the family must provide evidence of the family member’s efforts to obtain employment at each reexamination. The deduction may be reduced or denied if the family member’s job search efforts are not commensurate with the child care expense being allowed by DHA.

**Furthering Education**  
*DHA Policy*  
If the child care expense being claimed is to enable a family member to further his or her education, the member must be enrolled in school (academic or vocational) or participating in a formal training program. The family member is not required to be a full-time student, but the time spent in educational activities must be commensurate with the child care claimed.

**Being Gainfully Employed**  
*DHA Policy*  
If the child care expense being claimed is to enable a family member to be gainfully employed, the family must provide evidence of the family member’s employment during the time that child care is being provided. Gainful employment is any legal work activity (full- or part-time) for which a family member is compensated.

**Earned Income Limit on Child Care Expense Deduction**  
When a family member looks for work or furthers his or her education, there is no cap on the amount that may be deducted for child care – although the care must still be necessary and reasonable. However, when child care enables a family member to work, the deduction is capped by “the amount of employment income that is included in annual income” [24 CFR 5.603(b)].

The earned income used for this purpose is the amount of earned income verified after any earned income disallowances or income exclusions are applied.

When the person who is enabled to work is a person who receives the earned income disallowance (EID) or a full-time student whose earned income above $480 is excluded, child care costs related to enabling a family member to work may not exceed the portion of the person’s earned income that actually is included in annual income. For example, if a family member who qualifies for the EID makes $15,000 but because of the EID only $5,000 is included in annual income, child care expenses are limited to $5,000.

DHA must not limit the deduction to the least expensive type of child care. If the care allows the family to pursue more than one eligible activity, including work, the cap is calculated in proportion to the amount of time spent working [HCV GB, p. 5-30].
DHA Policy
When the child care expense being claimed is to enable a family member to work, only one family member’s income will be considered for a given period of time. When more than one family member works during a given period, DHA generally will limit allowable child care expenses to the earned income of the lowest-paid member. The family may provide information that supports a request to designate another family member as the person enabled to work.

**Eligible Child Care Expenses**
The type of care to be provided is determined by the tenant family. DHA may not refuse to give a family the child care expense deduction because there is an adult family member in the household that may be available to provide child care [VG, p. 26].

**Allowable Child Care Activities**

DHA Policy
For school-age children, costs attributable to public or private school activities during standard school hours are not considered. Expenses incurred for supervised activities after school or during school holidays (e.g., summer day camp, after-school sports league) are allowable forms of child care.

The costs of general housekeeping and personal services are not eligible. Likewise, child care expenses paid to a family member who lives in the family’s unit are not eligible; however, payments for child care to relatives who do not live in the unit are eligible.

If a child care provider also renders other services to a family or child care is used to enable a family member to conduct activities that are not eligible for consideration, DHA will prorate the costs and allow only that portion of the expenses that is attributable to child care for eligible activities. For example, if the care provider also cares for a child with disabilities who is 13 or older, the cost of care will be prorated. Unless otherwise specified by the child care provider, the calculation will be based upon the number of hours spent in each activity and/or the number of persons under care.

**Necessary and Reasonable Costs**
Child care expenses will be considered necessary if: (1) a family adequately explains how the care enables a family member to work, actively seek employment, or further his or her education, and (2) the family certifies, and the child care provider verifies, that the expenses are not paid or reimbursed by any other source.

DHA Policy
Child care expenses will be considered for the time required for the eligible activity plus reasonable transportation time. For child care that enables a family member to go to school, the time allowed may include not more than one study hour for each hour spent in class.
To establish the reasonableness of child care costs, DHA will use the schedule of child care costs from the local welfare agency. Families may present, and DHA will consider, justification for costs that exceed typical costs in the area.

6-II.G. PERMISSIVE DEDUCTIONS [24 CFR 5.611(b)(1)]
Permissive deductions are additional, optional deductions that may be applied to annual income. As with mandatory deductions, permissive deductions must be based on need or family circumstance and deductions must be designed to encourage self-sufficiency or other economic purpose. If DHA offers permissive deductions, they must be granted to all families that qualify for them and should complement existing income exclusions and deductions [PH Occ GB, p. 128].

The Form HUD-50058 Instruction Booklet states that the maximum allowable amount for total permissive deductions is less than $90,000 per year.

DHA Policy
DHA has opted not to use permissive deductions.

PART III: CALCULATING RENT

6-III.A. OVERVIEW OF INCOME-BASED RENT CALCULATIONS
The first step in calculating income-based rent is to determine each family’s total tenant payment (TTP). Then, if the family is occupying a unit that has tenant-paid utilities, the utility allowance is subtracted from the TTP. The result of this calculation, if a positive number, is the tenant rent. If the TTP is less than the utility allowance, the result of this calculation is a negative number, and is called the utility reimbursement, which may be paid to the family or directly to the utility company by DHA.

TTP Formula [24 CFR 5.628]
HUD regulations specify the formula for calculating the total tenant payment (TTP) for a tenant family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 30 percent of the family’s monthly adjusted income (adjusted income is defined in Part II)
- 10 percent of the family’s monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between $0 and $50 that is established by DHA

DHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.
Welfare Rent [24 CFR 5.628]
DHA Policy
Welfare rent does not apply in this locality.

Minimum Rent [24 CFR 5.630]
DHA Policy
The minimum rent for this locality is $50.00.

Optional Changes to Income-Based Rents [24 CFR 960.253(c)(2) and PH Occ GB, pp. 131-134]
PHA’s have been given very broad flexibility to establish their own, unique rent calculation systems as long as the rent produced is not higher than that calculated using the TTP and mandatory deductions. At the discretion of DHA, rent policies may structure a system that uses combinations of permissive deductions, escrow accounts, income-based rents, and the required flat and minimum rents.

DHA’s minimum rent and rent choice policies still apply to affected families. Utility allowances are applied to DHA designed income-based rents in the same manner as they are applied to the regulatory income-based rents.

The choices are limited only by the requirement that the method used not produce a TTP or tenant rent greater than the TTP or tenant rent produced under the regulatory formula.

DHA Policy
DHA chooses not to adopt optional changes to income-based rents.

Ceiling Rents [24 CFR 960.253 (c)(2) and (d)]
Ceiling rents are used to cap income-based rents. They are part of the income-based formula. If the calculated TTP exceeds the ceiling rent for the unit, the ceiling rent is used to calculate tenant rent (ceiling rent/TTP minus utility allowance). Increases in income do not affect the family since the rent is capped. The use of ceiling rents fosters upward mobility and income mixing.

Because of the mandatory use of flat rents, the primary function of ceiling rents now is to assist families who cannot switch back to flat rent between annual reexaminations and would otherwise be paying an income-based tenant rent that is higher than the flat rent.

Ceiling rents must be set to the level required for flat rents (which will require the addition of the utility allowance to the flat rent for properties with tenant-paid utilities) [PH Occ GB, p. 135].

DHA Policy
DHA chooses not to use ceiling rents.
Utility Reimbursement [24 CFR 960.253(c)(3)]
Utility reimbursement occurs when any applicable utility allowance for tenant-paid utilities exceeds the TTP. HUD permits DHA to pay the reimbursement to the family or directly to the utility provider.

DHA Policy
If applicable, DHA will make utility reimbursements to the family. If the cost of utilities (except telephone) and other housing services for an assisted apartment is not included in the resident’s rent but is the responsibility of the family occupying the apartment, then the utility allowance is an amount equal to the estimate made or approved by DHA or HUD for the monthly cost of a reasonable consumption of such utilities and other services for the apartment by an energy conservative household of modest circumstance consistent with the requirements of a safe, sanitary and healthful living environment. If the family pays directly for one or more utilities or services, the amount of the allowance is deducted from the gross rent in determining the contract rent and is included in the gross family contribution.

6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]

DHA Policy
The financial hardship rules described below apply in this jurisdiction because DHA has established a minimum rent of $50.

Overview
If DHA establishes a minimum rent greater than zero, DHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family’s TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If DHA determines that a hardship exists, the TTP is the highest of the remaining components of the family’s calculated TTP.

HUD-Defined Financial Hardship
Financial hardship includes the following situations:
(1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

DHA Policy
A hardship will be considered to exist only if the loss of eligibility has an impact on the family’s ability to pay the minimum rent.
For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

(2) The family would be evicted because it is unable to pay the minimum rent.

**DHA Policy**
For a family to qualify for a hardship under this provision, the cause of the potential eviction must be that the family is unable to pay rent or tenant-paid utilities.

(3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

**DHA Policy**
In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member’s income).

(5) The family has experienced other circumstances determined by DHA.

**DHA Policy**
DHA has not established any additional hardship criteria.

**Implementation of Hardship Exemption**

**Determination of Hardship**
When a family requests a financial hardship exemption, DHA must suspend the minimum rent requirement beginning the first of the month following the family’s request.

DHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

**DHA Policy**
DHA defines temporary hardship as a hardship expected to last 90 days or less. Long term hardship is defined as a hardship expected to last more than 90 days.

DHA may not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the family’s request for a hardship exemption.
When the minimum rent is suspended, the TTP reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

</tbody>
</table>

DHA Policy
To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family’s ability to pay the minimum rent.

DHA will make the determination of hardship within 30 calendar days.

No Financial Hardship
If DHA determines there is no financial hardship, DHA will reinstate the minimum rent and require the family to repay the amounts suspended.

For procedures pertaining to grievance hearing requests based upon DHA’s denial of a hardship exemption, see Chapter 14, Grievances and Appeals.

DHA Policy
DHA will require the family to repay the suspended amount within 30 calendar days of DHA’s notice that a hardship exemption has not been granted.

Temporary Hardship
If DHA determines that a qualifying financial hardship is temporary, DHA must reinstate the minimum rent from the beginning of the first of the month following the date of the family’s request for a hardship exemption.

The family must resume payment of the minimum rent and must repay DHA the amounts suspended. HUD requires DHA to offer a reasonable repayment agreement, on terms and conditions established by DHA. DHA also may determine that circumstances have changed and the hardship is now a long-term hardship.
For procedures pertaining to grievance hearing requests based upon DHA’s denial of a hardship exemption, see Chapter 14, Grievances and Appeals.

**DHA Policy**

DHA will enter into a repayment agreement in accordance with DHA’s repayment agreement policy (see Chapter 16).

**Long-Term Hardship**

If DHA determines that the financial hardship is long-term, DHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family’s request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

**DHA Policy**

The hardship period ends when any of the following circumstances apply:

1. At an interim or annual reexamination, the family’s calculated TTP is greater than the minimum rent.
2. For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a $60/month child support payment, the hardship will continue to exist until the family receives at least $60/month in income from another source or once again begins to receive the child support.
3. For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

**6-III.C. UTILITY ALLOWANCES [24 CFR 965, Subpart E]**

**Overview**

Utility allowances are provided to families paying income-based rents when the cost of utilities is not included in the rent. When determining a family’s income-based rent, DHA must use the utility allowance applicable to the type of dwelling unit leased by the family.

For policies on establishing and updating utility allowances, see Chapter 16.

**Reasonable Accommodation [24 CFR 8]**

On request from a family, PHA’s must approve a utility allowance that is higher than the applicable amount for the dwelling unit if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family with a disability [PH Occ GB, p. 172].
Residents with disabilities may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability [PH Occ GB, p. 172].

See Chapter 2 for policies related to reasonable accommodations.

Utility Allowance Revisions [24 CFR 965.507]
DHA must review its schedule of utility allowances each year. Between annual reviews, DHA must revise the utility allowance schedule if there is a rate change that by itself or together with prior rate changes not adjusted for, results in a change of 10 percent or more from the rate on which such allowances were based. Adjustments to resident payments as a result of such changes must be retroactive to the first day of the month following the month in which the last rate change taken into account in such revision became effective [PH Occ GB, p. 171].

The tenant rent calculations must reflect any changes in DHA’s utility allowance schedule [24 CFR 960.253(c)(3)].

DHA Policy
Unless DHA is required to revise utility allowances retroactively, revised utility allowances will be applied to a family’s rent calculations at the first annual reexamination after the allowance is adopted.

6-III.D. RENT FOR MIXED FAMILIES [24 CFR 5.520]
HUD regulations prohibit assistance to ineligible family members. A mixed family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. DHA must prorate the assistance provided to a mixed family. DHA will first determine TTP as if all family members were eligible and then calculate the rent based upon the number of family members that actually are eligible. To do this, DHA must:

1. Determine the total tenant payment in accordance with 24 CFR §5.628. (Annual income includes income of all family members, including any family member who has not established eligible immigration status.)
2. Family maximum rent is equal to the applicable flat rent for the unit size to be occupied by the family.
3. Subtract the total tenant payment from the family maximum rent. The result is the maximum subsidy for which the family could qualify if all members were eligible ("family maximum subsidy").
4. Divide the family maximum subsidy by the number of persons in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status ("eligible family member"). The subsidy per eligible family member is the “member maximum, subsidy.”
5. Multiply the member maximum subsidy by the number of family members who have citizenship or eligible immigration status ("eligible family members"). The product of this calculation is the "eligible subsidy."
(6) The mixed family TTP is the maximum rent minus the amount of the eligible subsidy.

(7) Subtract any applicable utility allowance from the mixed family TTP. The result of this calculation is the mixed family tenant rent.

**Example 1:** Family of 4 with an annual income of $20,000, and one family member that is not eligible to receive subsidy. The 95th percentile TTP is 548 while the flat rent is $600. The applicable utility allowance is $100 per month.

**DHA Policy**

Revised public housing maximum rents will be applied to a family’s rent calculation at the first annual reexamination after the revision is adopted. For policies related to the establishment of the public housing maximum rent see Chapter 16.

**6-III.E. FLAT RENTS AND FAMILY CHOICE IN RENTS [24 CFR 960.253]**

**Flat Rents [24 CFR 960.253(b)]**

The flat rent is designed to encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become economically self-sufficient.

There is no utility allowance or reimbursement with flat rents. When the family elects to pay the flat rent, the flat rent amount quoted to the family by DHA is the amount the family pays. Changes in family income, expenses, or composition will not affect the flat rent amount because it is outside the income-based formula.
Policies related to the reexamination of families paying flat rent are contained in Chapter 9, and policies related to the establishment and review of flat rents are contained in Chapter 16.

**Family Choice in Rents [24 CFR 960.253(a) and (e)]**

Once each year, DHA must offer families the choice between a flat rent and an income-based rent. The family may not be offered this choice more than once a year. DHA must document that flat rents were offered to families under the methods used to determine flat rents for DHA.

**DHA Policy**

The annual DHA offer to a family of the choice between flat and income-based rent will be conducted upon admission and upon each subsequent annual reexamination.

DHA will require families to submit their choice of flat or income-based rent in writing and will maintain such requests in the tenant file as part of the admission or annual reexamination process.

DHA must provide sufficient information for families to make an informed choice. This information must include DHA’s policy on switching from flat rent to income-based rent due to financial hardship and the dollar amount of the rent under each option. However, if the family chose the flat rent for the previous year DHA is required to provide an income-based rent amount only in the year that a reexamination of income is conducted or if the family specifically requests it and submits updated income information.

**Switching from Flat Rent to Income-Based Rent Due to Hardship [24 CFR 960.253(f)]**

A family can opt to switch from flat rent to income-based rent at any time if they are unable to pay the flat rent due to financial hardship. If DHA determines that a financial hardship exists, DHA must immediately allow the family to switch from flat rent to the income-based rent.

**DHA Policy**

Upon determination by DHA that a financial hardship exists, DHA will allow a family to switch from flat rent to income-based rent effective the first of the month following the family’s request.

Reasons for financial hardship include:
- The family has experienced a decrease in income because of changed circumstances, including loss or reduction of employment, death in the family, or reduction in or loss of earnings or other assistance
• The family has experienced an increase in expenses, because of changed circumstances, for medical costs, child care, transportation, education, or similar items
• Such other situations determined by DHA to be appropriate

DHA Policy
DHA considers payment of flat rent to be a financial hardship whenever the switch to income-based rent would be lower than the flat rent [PH Occ GB, p. 137].

Change in Flat Rents

DHA Policy
Changes to flat rents, up or down, will not affect families paying flat rent until their next annual flat rent offer, at which time the family will be given the choice of switching back to income-based rent or of remaining on flat rent at the current (most recently adjusted) flat rent for their unit [PH Occ GB, pp. 137-138].

Flat Rents and Earned Income Disallowance [A&O FAQs]
Because the EID is a function of income-based rents, a family paying flat rent cannot qualify for the EID even if a family member experiences an event that would qualify the family for the EID. If the family later chooses to pay income-based rent, they would only qualify for the EID if a new qualifying event occurred.

A family currently paying flat rent that previously qualified for the EID while paying income-based rent and is currently within their 48 month period would have the 12 cumulative months of full (100 percent) and phase-in (50 percent) exclusion continue while paying flat rent as long as the employment that is the subject of the exclusion continues, and the 48-month lifetime limit would continue uninterrupted. A family paying flat rent could therefore see a family member’s 48-month lifetime limit expire while the family is paying flat rent.

Flat Rents and Mixed Families [A&O FAQs]
Mixed families electing to pay flat rent must first have a flat rent worksheet completed to see if the flat rent must be prorated. The worksheet is located in Appendix III of the Form HUD-50058 Instruction Booklet.

If the flat rent is greater than or equal to the public housing maximum rent, there is no pro-ration of flat rent and the family pays the flat rent for the unit.

If the flat rent is less than the maximum rent, the worksheet will calculate a prorated flat rent. The mixed family will pay the prorated flat rent.
EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

24 CFR 5.609

(a) Annual income means all amounts, monetary or not, which:
(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
(3) Which are not specifically excluded in paragraph (c) of this section.
(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:
(1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
(2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the
operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family; (3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD; (4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section); (5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section); (6) Welfare assistance payments. (i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments: (A) Qualify as assistance under the TANF program definition at 45 CFR 260.31; and (B) Are not otherwise excluded under paragraph (c) of this section. (ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of: (A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus (B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage. (7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling; (8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

**HHS DEFINITION OF "ASSISTANCE"**

45 CFR: General Temporary Assistance for Needy Families

260.31 What does the term “assistance” mean?

(a)(1) The term “assistance” includes cash, payments, vouchers, and other forms of benefits designed to meet a family's ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under 261.30 of this chapter).

(3) Except where excluded under paragraph (b) of this section, it also

---

1 Text of 45 CFR 260.31 follows (next page).
includes supportive services such as transportation and child care provided to families who are not employed.
(b) [The definition of “assistance”] excludes:
(1) Nonrecurrent, short-term benefits that:
(i) Are designed to deal with a specific crisis situation or episode of need;
(ii) Are not intended to meet recurrent or ongoing needs; and
(iii) Will not extend beyond four months.
(2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);
(3) Supportive services such as child care and transportation provided to families who are employed;
(4) Refundable earned income tax credits;
(5) Contributions to, and distributions from, Individual Development Accounts;
(6) Services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and
(7) Transportation benefits provided under a Job Access or Reverse Commute project, pursuant to section 404(k) of [the Social Security] Act, to an individual who is not otherwise receiving assistance.
24 CFR 5.609
(c) Annual income does not include the following:
(1) Income from employment of children (including foster children) under the age of 18 years;
(2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
(3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);
(4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
(5) Income of a live-in aide, as defined in Sec. 5.403;
(6) The full amount of student financial assistance paid directly to the student or to the educational institution;
(7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
(8) (i) Amounts received under training programs funded by HUD;
(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;
(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed $200 per month) received by a resident for performing a service for DHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of DHA's governing board. No resident may receive more than one such stipend during the same period of time;
(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;
(9) Temporary, nonrecurring or sporadic income (including gifts);
(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
(11) Earnings in excess of $480 for each full-time student 18 years old or older (excluding the head of household and spouse);
(12) Adoption assistance payments in excess of $480 per adopted child;
(13) [Reserved]
(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts.
(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or
(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register and distributed to PHA’s and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. [See the following chart for a list of benefits that qualify for this exclusion.]

Sources of Income Excluded by Federal Statute from Consideration as Income for Purposes of Determining Eligibility or Benefits

a) The value of the allotment provided to an eligible household under the Food Stamp Act of 1977 (7 U.S.C. 2017(b));

r) Any amount of crime victim compensation (under the Victims of Crime Act) received through crime victim assistance (or payment or reimbursement of the cost of such assistance) as determined under the Victims of Crime Act because of the commission of a crime against the applicant under the Victims of Crime Act (42 U.S.C. 10602); and
s) Allowances, earnings and payments to individuals participating in programs under the Workforce Investment Act of 1998 (29 U.S.C. 2931).

(18) **Temporary** employment payments by the U.S Census Bureau pursuant to 24 CFR 5.609(c)(9), and defined as employment lasting no longer than 180 days and not culminating in permanent employment.

Guardianship care payments available to children exiting the juvenile court system. The payments made on behalf of the related child to the tenant household is excluded from income certifications pursuant to 24 CFR 5.609(c)(2).
24 CFR 5.603(b) Net Family Assets

(1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

(3) In determining net family assets, PHA’s or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefore. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.
EXHIBIT 6-4: EARNED INCOME DISALLOWANCE FOR PERSONS WITH DISABILITIES

24 CFR 5.617 Self-sufficiency incentives for persons with disabilities—Disallowance of increase in annual income.

(a) Applicable programs. The disallowance of increase in annual income provided by this section is applicable only to the following programs: HOME Investment Partnerships Program (24 CFR part 92); Housing Opportunities for Persons with AIDS (24 CFR part 574); Supportive Housing Program (24 CFR part 583); and the Housing Choice Voucher Program (24 CFR part 982).

(b) Definitions. The following definitions apply for purposes of this section.

Disallowance. Exclusion from annual income. Previously unemployed includes a person with disabilities who has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.

Qualified family. A family residing in housing assisted under one of the programs listed in paragraph (a) of this section or receiving tenant-based rental assistance under one of the programs listed in paragraph (a) of this section.

(1) Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

(2) Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program; or

(3) Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any state program for temporary assistance for needy families funded under Part A of Title IV of the Social Security Act, as determined by the responsible entity in consultation with the local agencies administering temporary assistance for needy families (TANF) and Welfare-to-Work (WTW) programs. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance—provided that the total amount over a six-month period is at least $500.

(c) Disallowance of increase in annual income—

(1) Initial twelve month exclusion. During the cumulative twelve month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income (as defined in the regulations governing the applicable program listed in paragraph (a) of this section) of a qualified family any increase in income of the family member who is a person with disabilities as a result of employment over prior income of that family member.
(2) Second twelve month exclusion and phase-in. During the second cumulative twelve month period after the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the responsible entity must exclude from annual income of a qualified family fifty percent of any increase in income of such family member as a result of employment over income of that family member prior to the beginning of such employment.

(3) Maximum four year disallowance. The disallowance of increased income of an individual family member who is a person with disabilities as provided in paragraph (c)(1) or (c)(2) is limited to a lifetime 48 month period. The disallowance only applies for a maximum of twelve months for disallowance under paragraph (c)(1) and a maximum of twelve months for disallowance under paragraph (c)(2), during the 48 month period starting from the initial exclusion under paragraph (c)(1) of this section.

(d) Inapplicability to admission. The disallowance of increases in income as a result of employment of persons with disabilities under this section does not apply for purposes of admission to the program (including the determination of income eligibility or any income targeting that may be applicable).
EXHIBIT 6-5: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615
Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) Applicability. This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) Definitions. The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.
(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:
(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;
(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or
(iii) because a family member has not complied with other welfare agency requirements.

(c) Imputed welfare income.
(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to DHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of DHA, the welfare agency will inform DHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform DHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. DHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at DHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to DHA by the welfare agency).
(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed
(5) DHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.
(d) Review of DHA decision.
(1) Public housing. If a public housing tenant claims that DHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if DHA denies the family’s request to modify such amount, DHA shall give the tenant written notice of such denial, with a brief explanation of the basis for DHA determination of the amount of imputed welfare income. DHA notice shall also state that if the tenant does not agree with DHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review DHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on DHA determination.
(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review DHA determination of the amount of imputed welfare income that must be included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to DHA. However, DHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
(e) DHA relation with welfare agency.
(1) DHA must ask welfare agencies to inform DHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives DHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
(2) DHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to DHA. However, DHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. DHA shall be entitled to rely on the welfare agency notice to DHA of the welfare agency's determination of a specified welfare benefits reduction.
Chapter 7

VERIFICATION

INTRODUCTION
DHA must verify all information that is used to establish the family’s eligibility and level of assistance and is required to obtain the family’s consent to collect the information. Applicants and tenants must cooperate with the verification process as a condition of receiving assistance. DHA must not pass on the cost of verification to the family.

DHA will follow the verification guidance provided by HUD in PIH Notice 2004-01 Verification Guidance (“VG”) and any subsequent guidance issued by HUD. This chapter summarizes those requirements and provides supplementary DHA policies.

Part I describes the general verification process. More detailed requirements related to individual factors are provided in subsequent parts including family information (Part II), income and assets (Part III), and mandatory deductions (Part IV).

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies established by DHA.

PART I: GENERAL VERIFICATION REQUIREMENTS

7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION
The family must supply any information that DHA or HUD determines is necessary to the administration of the program and must consent to DHA verification of that information [24 CFR 960.259(a)(1)].

Consent Forms
It is required that all adult applicants and tenants sign form HUD-9886, Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and DHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family’s eligibility and level of assistance.
Penalties for Failing to Consent [24 CFR 5.232]
If any family member who is required to sign a consent form fails to do so, DHA will deny admission to applicants and terminate the lease of tenants. The family may request a hearing in accordance with DHA’s grievance procedures.

7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS

HUD’s Verification Hierarchy  [Notice PIH 2010-19]
HUD authorizes DHA to use six methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires DHA to use the most reliable form of verification that is available and to document the reasons when DHA uses a lesser form of verification.

DHA Policy
In order of priority, the forms of verification that DHA will use are:

- Up-front Income Verification (UIV) using HUD’s Enterprise Income Verification (EIV) system
- Up-front Income Verification (UIV using a non-HUD system whenever available
- Written Third-party Verification (may be provided by applicant or resident)
- Written Third-party Verification form
- Oral Third-party Verification (if written third party verification is not available)
- Self-Certification/Tenant Declaration (use as a last resort when unable to obtain any third party verification)

Each of the verification methods is discussed in subsequent sections below. Exhibit 7-1 at the end of the chapter contains an excerpt from the Verification Guidance that provides guidance with respect to how each method may be used.

Requirements for Acceptable Documents

DHA Policy
Any documents used for verification must be the original (not photocopies) and generally must be dated within 60 calendar days of the date they are provided to DHA. The documents must not be damaged, altered or in any way illegible.

DHA will accept documents dated up to 6 months before the effective date of the family’s reexamination if the document represents the most recent scheduled report from a source. For example, if the holder of a pension annuity provides semi-annual reports, DHA would accept the most recent report.
Print-outs from web pages are considered original documents.

DHA staff member who views the original document must make a photocopy, annotate the copy with the name of the person who provided the document and the date the original was viewed, and sign the copy.

Any family self-certifications must be made in a format acceptable to DHA and must be signed in the presence of a DHA representative or DHA notary public.

File Documentation
DHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family’s file in sufficient detail to demonstrate that DHA has followed all of the verification policies set forth in this ACOP. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

7-I.C. UP-FRONT INCOME VERIFICATION (EIV)

Up-front income verification (UIV) refers to DHA’s use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to DHA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until DHA has independently verified the UIV information and the family has been granted the opportunity to contest any adverse findings through DHA’s informal review/hearing processes. (For more on UIV and income projection, see section 6-I.C.)

Upfront Income Verification Using HUD’s Enterprise Income Verification (EIV) System (Mandatory)

HUD’s EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for resident families. HUD requires DHA to use the EIV system in its entirety. The following policies apply to the use of HUD’s EIV system.

EIV Income Reports

The data shown on income reports is updated quarterly. Data may be between three and six months old at the time reports are generated.

DHA Policy

DHA will obtain income reports for annual reexaminations and interim reexaminations. Reports will be generated as part of the regular reexamination process.

Income reports will be compared to family-provided information as part of the annual and interim reexamination process. Income reports may be used in the
calculation of annual income, as described in Chapter 6.I.C. Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between income reports and family-provided information will be resolved as described in Chapter 6.I.C. and in this chapter.

Income reports will be used in interim reexaminations to identify any discrepancies between reported income and income shown in the EIV system, and as necessary to verify and calculate earned income, unemployment benefits, Social Security and/or SSI benefits. EIV will also be used to verify that families claiming zero income are not receiving income from any of these sources.

Income reports will be retained in resident files with the applicable annual or interim reexamination documents.

When DHA determines through income reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 15, Program Integrity.

**EIV Income Validation Tool (IVT)**

The EIV Income Validation Tool (IVT) is a tool for identifying families that may have concealed or underreported income. Data in the IVT reports represent income for past reporting periods and may be between 6 and 30 months old at the time reports are generated.

Families that have not concealed or underreported income may appear on the IVT reports in some circumstances, such as loss of a job or addition of new family members. Income discrepancies may be identified through use of the EIV IVT reports or by review of the discrepancy tab for the individual family.

**DHA Policy**

DHA will review IVT reports with annual and interim reexaminations.

When DHA determines that a resident appearing on the Income Discrepancy Report has not concealed or underreported income, the resident’s name will be placed on a list of “false positive” reviews. To avoid multiple reviews in this situation, residents appearing on this list will be eliminated from discrepancy processing until a subsequent interim or annual reexamination has been completed.

DHA will review the review IVT reports and/or EIV discrepancy tab during processing of annual and interim reexaminations. When it appears that a family may have concealed or underreported income, DHA will request independent written third-party verification of the income in question.

When DHA determines through file review and independent third-party verification that a family has concealed or underreported income, corrective action will be taken pursuant to the policies in Chapter 19, Program Integrity.
EIV Identity Verification

The EIV system verifies resident identities against Social Security Administration (SSA) records. These records are compared to Public and Indian Housing Information Center (PIC) data for a match on social security number, name, and date of birth.

PHAs are required to use EIV’s Identity Verification Report on a monthly basis to improve the availability of income information in EIV [Notice PIH 2012-10].

When identity verification for a resident fails, a message will be displayed within the EIV system and no income information will be displayed.

DHA Policy

DHA will identify residents whose identity verification has failed by reviewing EIV’s Identity Verification Report on a monthly basis. DHA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the tenant. When DHA determines that discrepancies exist as a result of PHA errors, such as spelling errors or incorrect birth dates, it will correct the errors promptly.

Upfront Income Verification Using Non-HUD Systems (Optional)

In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

DHA Policy

DHA will inform all applicants and residents of its use of the following UIV resources during the admission and reexamination process.

7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION

HUD’s current verification hierarchy defines two types of written third-party verification. The more preferable form, “written third-party verification,” consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to DHA by the family. If written third-party verification is not available, DHA must attempt to obtain a “written third-party verification form.” This is a standardized form used to collect information from a third party.

Written Third-Party Verification [Notice PIH 2010-19]

Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

DHA is required to obtain, at minimum, two current and consecutive pay stubs for
determining annual income from wages.

DHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

**DHA Policy**

Third-party documents provided by the family must be dated within 60 days of DHA request date.

If DHA determines that third-party documents provided by the family are not acceptable, DHA will explain the reason to the family and request additional documentation.

As verification of earned income, DHA will request pay stubs covering the 60-day period prior to DHA's request.

---

**Written Third-Party Verification Form**

When upfront verification is not available and the family is unable to provide written third-party documents, DHA must request a written third-party verification form. HUD’s position is that this traditional third-party verification method presents administrative burdens and risks which may be reduced through the use of family-provided third-party documents.

A written third-party verification form is mandatory when there is an unreported source of income or a substantial difference in reported income ($2400 annually or more) and there is no UIV or tenant-provided documentation to support the income discrepancy.

PHAs may mail, fax, or e-mail third-party written verification form requests to third-party sources.

**DHA Policy**

DHA will send third-party verification forms directly to the third party.

Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by DHA.

---

**Oral Third-Party Verification [Notice PIH 2010-19]**

For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Oral third-party verification is mandatory if neither form of written third-party verification is available.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.
PHAs should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

**DHA Policy**

In collecting third-party oral verification, PHA staff will record in the family’s file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification DHA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.

### When Third-Party Verification is Not Required [Notice PIH 2010-19]

Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family’s total tenant payment.

**DHA Policy**

If the family cannot provide original documents, DHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.

The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

### Primary Documents

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

### Imputed Assets

DHA may accept a self-certification from the family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

**DHA Policy**

DHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].
7-I.E. SELF-CERTIFICATION

Self-certification, or “tenant declaration,” is used as a last resort when DHA is unable to obtain third-party verification.

When DHA relies on a tenant declaration for verification of income, assets, or expenses, the family’s file must be documented to explain why third-party verification was not available.

DHA Policy
When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to DHA.

DHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to DHA and must be signed by the family member whose information or status is being verified. All self-certifications must be signed in the presence of a PHA representative or PHA notary public.

PART II: VERIFYING FAMILY INFORMATION

7-II.A. VERIFICATION OF LEGAL IDENTITY

DHA Policy
DHA will require families to furnish verification of legal identity for each household member.

<table>
<thead>
<tr>
<th>Verification of Legal Identity for Adults</th>
<th>Verification of Legal Identity for Children</th>
</tr>
</thead>
<tbody>
<tr>
<td>Certificate of birth, naturalization papers</td>

<td>Health and Human Services ID</td>

</tr>
</tbody>
</table>

If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.
If none of these documents can be provided and at DHA’s discretion, a third party who knows the person may attest to the person’s identity. The certification must be provided in a format acceptable to DHA and be signed in the presence of a DHA representative or DHA notary public.

Legal identity will be verified on an as needed basis.

7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and Notice PIH 2012-10]
The family must provide documentation of a valid social security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include, existing residents who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

DHA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

DHA may only reject documentation of an SSN provided by an applicant or resident if the document is not an original document, if the original document has been altered, mutilated, or is not legible, or if the document appears to be forged.

**DHA Policy**

DHA will explain to the applicant or resident the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to DHA within 60 days.

When the resident requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the resident must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. DHA may not add the new household member until such documentation is provided.

When a resident requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the resident must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90 day extension will be granted if DHA determines that the resident’s failure to comply was due to unforeseen circumstances and was outside of the resident’s control. During the period DHA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.
DHA Policy

DHA will grant one additional 90-day extension if needed for reasons beyond the resident’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously-assisted occupancy.

DHA Policy

DHA will verify each disclosed SSN by:

- Obtaining documentation from applicants and residents that is acceptable as evidence of social security numbers
- Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file folder

Once the individual’s verification status is classified as “verified,” DHA may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual’s SSN.

DHA Policy

Once an individual’s status is classified as “verified” in HUD’s EIV system, DHA will not remove and destroy copies of documentation accepted as evidence of social security numbers.

7-II.C. DOCUMENTATION OF AGE

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

DHA Policy

If an official record of birth or evidence of social security retirement benefits cannot be provided, DHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously-assisted occupancy.
7-II.D. FAMILY RELATIONSHIPS
Applicants and tenants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

DHA Policy
Family relationships are verified only to the extent necessary to determine a family’s eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

Marriage
DHA Policy
Certification by the head of household is normally sufficient verification. If DHA has reasonable doubts about a marital relationship, DHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married. In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).

Separation or Divorce
DHA Policy
Certification by the head of household is normally sufficient verification. If DHA has reasonable doubts about a separation or divorce, DHA will require the family to document the divorce, or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

Absence of Adult Member
DHA Policy
If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill).
Foster Children and Foster Adults

DHA Policy
Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

7-II.E. VERIFICATION OF STUDENT STATUS

DHA Policy
DHA requires families to provide information about the student status of all students who are 18 years of age or older. This information will be verified only if:

- The family claims full-time student status for an adult other than the head, spouse, or cohead,
- The family claims a child care deduction to enable a family member to further his or her education.

7-II.F. DOCUMENTATION OF DISABILITY

DHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. DHA is not permitted to inquire about the nature or extent of a person’s disability [24 CFR 100.202(c)]. DHA may not inquire about a person’s diagnosis or details of treatment for a disability or medical condition. If DHA receives a verification document that provides such information, DHA will not place this information in the tenant file. Under no circumstances will DHA request a resident’s medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services’ website at www.os.dhhs.gov.

The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant’s ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability
- Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance
- Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

Family Members Receiving SSA Disability Benefits

Verification of receipt of SSA benefits or SSI based upon disability is sufficient for verification of disability for the purpose of qualification for waiting list preferences or certain income disallowances and deductions [VG, p. 23].
DHA Policy
For family members claiming disability who receive SSI or other disability payments from the SSA, DHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system when it is available, or HUD’s Tenant Assessment Subsystem (TASS). If documentation from HUD’s EIV System or TASS is not available, DHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), DHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from www.ssa.gov. Once the applicant or resident receives the benefit verification letter they will be required to provide it to DHA.

Family Members Not Receiving SSA Disability Benefits
Receipt of veteran’s disability benefits, worker’s compensation, or other non-SSA benefits based on the individual’s claimed disability are not sufficient verification that the individual meets HUD’s definition of disability in 24 CFR 5.603, necessary to qualify for waiting list preferences or certain income disallowances and deductions.

DHA Policy
For family members claiming disability who do not receive SSI or other disability payments from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.

7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]
Overview
Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. See the Eligibility chapter for detailed discussion of eligibility requirements. This chapter (7) discusses HUD and DHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy [24 CFR 5.508(g)(5)]
U.S. Citizens and Nationals
HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

DHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

DHA Policy
Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless DHA receives information indicating that an individual’s declaration may not be accurate.

Eligible Immigrants

Documents Required
All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible non-citizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-2 at the end of this chapter summarizes documents family members must provide.

DHA Verification [HCV GB, pp 5-3 and 5-7]
For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this ACOP. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, DHA must verify immigration status with the U.S. Citizenship and Immigration Services (USCIS). DHA will follow all USCIS protocols for verification of eligible immigration status.

7-II.H. VERIFICATION OF PREFERENCE STATUS
DHA must verify any preferences claimed by an applicant.

DHA Policy
DHA offers a preference for working families, described in Section 4-III.B.

DHA may verify that the family qualifies for the working family preference based on the family’s submission of the working member’s most recent paycheck stub
indicating that the working member works at least 20 hours per week. The paycheck stub must have been issued to the working member within the last thirty days.

DHA may also seek third party verification from the employer of the head, spouse, cohead or sole member of a family requesting a preference as a working family.

PART III: VERIFYING INCOME AND ASSETS

Chapter 6, Part I of this ACOP describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides DHA policies that supplement the general verification procedures specified in Part I of this chapter.

7-III.A. EARNED INCOME

Tips

DHA Policy

Unless tip income is included in a family member’s W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.

7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME

DHA Policy

Business owners and self-employed persons will be required to provide:

- An audited financial statement for the previous fiscal year if an audit was conducted. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.
- All schedules completed for filing federal and local taxes in the preceding year.
- If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.
- DHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.
At any reexamination DHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, DHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months DHA will require the family to provide documentation of income and expenses for this period and use that information to project income.

### 7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS

#### Social Security/SSI Benefits

**DHA Policy**

To verify the SS/SSI benefits of applicants, DHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), DHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from [www.ssa.gov](http://www.ssa.gov). Once the applicant has received the benefit verification letter they will be required to provide it to DHA.

To verify the SS/SSI benefits of residents, DHA will obtain information about social security/SSI benefits through the HUD EIV System or the Tenant Assessment Subsystem (TASS). If benefit information is not available in HUD systems, DHA will request a current SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s) DHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from [www.ssa.gov](http://www.ssa.gov). Once the resident has received the benefit verification letter they will be required to provide it to DHA.

To verify the benefits of residents when 100 percent of the family’s income consists of Social Security payments to include Supplemental Security Income (SSI) and Supplemental Security Disability Insurance (SSDI), DHA will recalculate family income by applying the Social Security Administrations published cost of living adjustments to the previously verified income amount.

#### 7-III.D. ALIMONY OR CHILD SUPPORT

**DHA Policy**

The way DHA will seek verification for alimony and child support differs depending on whether the family declares that it receives regular payments.
If the family declares that it **receives regular payments**, verification will be sought in the following order:

- If payments are made through a state or local entity, DHA will request a record of payments for the past 12 months and request that the entity disclose any known information about the likelihood of future payments.

- Third-party verification from the person paying the support

- Copy of a separation or settlement agreement or a divorce decree stating amount and type of support and payment schedules

- Copy of the latest check and/or payment stubs

- Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.

If the family declares that it **receives irregular or no payments**, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

- A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts

- If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

**Note:** Families are not required to undertake independent enforcement action.

### 7-III.E. ASSETS AND INCOME FROM ASSETS

**Family Declaration of Assets Under $5,000 [24 CFR 960.259]**

DHA will obtain third-party verification of all family assets upon admitting a family to the public housing program, and at least every three (3) years thereafter.

**DHA Policy**

For a family with net assets equal to or less than $5,000, DHA will accept for purposes of annual reexamination only, a family’s certification that it has net assets equal to or less than $5,000.
The declaration will state the amount of income the family expects to receive from such assets; this amount will be included in the family’s income.

DHA will obtain third-party verification of all family assets every three (3) years. All family members 18 years or older will be required to sign the declaration of total assets.

Whenever a family member is added, DHA will obtain third-party verification of that family member’s assets. If the addition of that family member’s assets puts the family above the $5,000 asset threshold, DHA will obtain third-party verification of the entire family’s assets at the next annual reexamination. If the addition of that family member’s assets does not put the family above the $5,000 asset threshold, then DHA will not obtain third-party verification of the entire family’s assets at the next reexamination; however, third-party verification of all family assets is required at least every three (3) years.

**Assets Disposed of for Less than Fair Market Value**
The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. DHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28]

Example 1: An elderly participant reported a $10,000 certificate of deposit at the last annual reexamination and DHA verified this amount. Now the person reports that she has given this $10,000 to her son. DHA has a reasonable estimate of the value of the asset; therefore, re-verification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately 5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, DHA will verify the value of this asset.

**7-III.F. NET INCOME FROM RENTAL PROPERTY**
**DHA Policy**
The family must provide:

- A current executed lease for the property that shows the rental amount or certification from the current tenant
- A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income). If schedule E was not prepared, DHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request
documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

7-III.G. RETIREMENT ACCOUNTS

DHA Policy
When third-party verification is not available the type of original document that will be accepted depends upon the family member’s retirement status.

- **Before retirement**, DHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.
- **Upon retirement**, DHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.
- **After retirement**, DHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken and any regular payments.

7-III.H. INCOME FROM EXCLUDED SOURCES

A detailed discussion of excluded income is provided in Chapter 6, Part I.

DHA must obtain verification for income exclusions only if, without verification, DHA would not be able to determine whether the income is to be excluded. For example: If a family’s 16 year old has a job at a fast food restaurant, DHA will confirm that DHA records verify the child’s age but will not send a verification request to the restaurant. However, if a family claims the earned income disallowance for a source of income, both the source and the income must be verified.

DHA Policy
DHA will reconcile differences in amounts reported by the third party and the family only when the excluded amount is used to calculate the family’s rent (as is the case with the earned income disallowance). In all other cases, DHA will report the amount to be excluded as indicated on documents provided by the family.

7-III.I. ZERO ANNUAL INCOME STATUS

Families claiming to have no annual income will be required to execute verification forms to determine that certain forms of income such as unemployment benefits, TANF, SSI, etc. are not being received by the household.
PART IV: VERIFYING MANDATORY DEDUCTIONS

7-IV.A. DEPENDENT AND ELDERLY/DISABLED HOUSEHOLD DEDUCTIONS
The dependent and elderly/disabled family deductions require only that DHA verify that the family members identified as dependents or elderly/disabled persons meet the statutory definitions. No further verifications are required.

Dependent Deduction
See Chapter 6 (6-II.B.) for a full discussion of this deduction. DHA will verify that:
- Any person under the age of 18 for whom the dependent deduction is claimed is not the head, spouse or cohead of the family and is not a foster child
- Any person age 18 or older for whom the dependent deduction is claimed is not a foster adult or live-in aide, and is a person with a disability or a full time student

Elderly/Disabled Family Deduction
See the Eligibility chapter for a definition of elderly and disabled families and Chapter 6 (6-II.C.) for a discussion of the deduction. DHA will verify that the head, spouse, or cohead is 62 years of age or older or a person with disabilities.

7-IV.B. MEDICAL EXPENSE DEDUCTION
Policies related to medical expenses are found in 6-II.D. The amount of the deduction will be verified following the standard verification procedures described in Part I.

Amount of Expense
DHA Policy
DHA will provide a third-party verification form directly to the medical provider requesting the needed information.

Medical expenses will be verified through:
- Third-party verification form signed by the provider, when possible
- If third-party is not possible, copies of cancelled checks used to make medical expense payments and/or printouts or receipts from the source will be used. In this case DHA will make a best effort to determine what expenses from the past are likely to continue to occur in the future. DHA will also accept evidence of monthly payments or total payments that will be due for medical expenses during the upcoming 12 months.
- If third-party or document review is not possible, written family certification as to costs anticipated to be incurred during the upcoming 12 months

In addition, DHA must verify that:
- The household is eligible for the deduction.
- The costs to be deducted are qualified medical expenses.
- The expenses are not paid for or reimbursed by any other source.
- Costs incurred in past years are counted only once.

**Eligible Household**
The medical expense deduction is permitted only for households in which the head, spouse, or cohead is at least 62 or a person with disabilities. DHA will verify that the family meets the definition of an elderly or disabled family provided in the Eligibility chapter, and as described in Chapter 7 (7-IV.A) of this plan.

**Qualified Expenses**
To be eligible for the medical expenses deduction, the costs must qualify as medical expenses. See Chapter 6 (6-II.D.) for DHA’s policy on what counts as a medical expense.

**Un-reimbursed Expenses**
To be eligible for the medical expenses deduction, the costs must not be reimbursed by another source.

**DHA Policy**
The family will be required to certify that the medical expenses are not paid or reimbursed to the family from any source.

**Expenses Incurred in Past Years**

**DHA Policy**
When anticipated costs are related to on-going payment of medical bills incurred in past years, DHA will verify:
- The anticipated repayment schedule
- The amounts paid in the past, and
- Whether the amounts to be repaid have been deducted from the family’s annual income in past years

**7-IV.C. DISABILITY ASSISTANCE EXPENSES**
Policies related to disability assistance expenses are found in 6-II.E. The amount of the deduction will be verified following the standard verification procedures described in Part I.

**Amount of Expense**

**Attendant Care**

**DHA Policy**
DHA will provide a third-party verification form directly to the care provider requesting the needed information.

Expenses for attendant care will be verified through:
• Third-party verification form signed by the provider, when possible
• If third-party is not possible, copies of cancelled checks used to make attendant care payments and/or receipts from care source
• If third-party or document review is not possible, written family certification as to costs anticipated to be incurred for the upcoming 12 months

Auxiliary Apparatus
DHA Policy
Expenses for auxiliary apparatus will be verified through:
• Third-party verification of anticipated purchase costs of auxiliary apparatus
• If third-party is not possible, billing statements for purchase of auxiliary apparatus, or other evidence of monthly payments or total payments that will be due for the apparatus during the upcoming 12 months
• If third-party or document review is not possible, written family certification of estimated apparatus costs for the upcoming 12 months

In addition, DHA must verify that:
• The family member for whom the expense is incurred is a person with disabilities (as described in 7-II.F above).
• The expense permits a family member, or members, to work (as described in 6-II.E.).
• The expense is not reimbursed from another source (as described in 6-II.E.).

Family Member is a Person with Disabilities
To be eligible for the disability assistance expense deduction, the costs must be incurred for attendant care or auxiliary apparatus expense associated with a person with disabilities. DHA will verify that the expense is incurred for a person with disabilities (See 7-II.F.).

Family Member(s) Permitted to Work
DHA must verify that the expenses claimed actually enable a family member, or members, (including the person with disabilities) to work.

DHA Policy
DHA will seek third-party verification from a Rehabilitation Agency or knowledgeable medical professional indicating that the person with disabilities requires attendant care or an auxiliary apparatus to be employed, or that the attendant care or auxiliary apparatus enables another family member, or members, to work (See 6-II.E.).
If third-party and document review verification has been attempted and is either unavailable or proves unsuccessful, the family must certify that the disability assistance expense frees a family member, or members (possibly including the family member receiving the assistance), to work.

**Un-reimbursed Expenses**
To be eligible for the disability expenses deduction, the costs must not be reimbursed by another source.

**DHA Policy**
An attendant care provider will be asked to certify that, to the best of the provider’s knowledge, the expenses are not paid by or reimbursed to the family from any source.

The family will be required to certify that attendant care or auxiliary apparatus expenses are not paid by or reimbursed to the family from any source.

**7-IV.D. CHILD CARE EXPENSES**
Policies related to child care expenses are found in Chapter 6 (6-II.F). The amount of the deduction will be verified following the standard verification procedures described in Part I. In addition, DHA must verify that:

- The child is eligible for care.
- The costs claimed are not reimbursed.
- The costs enable a family member to pursue an eligible activity.
- The costs are for an allowable type of child care.
- The costs are reasonable.

**Eligible Child**
To be eligible for the child care deduction, the costs must be incurred for the care of a child under the age of 13. DHA will verify that the child being cared for (including foster children) is under the age of 13 (See 7-II.C.).

**Un-reimbursed Expense**
To be eligible for the childcare deduction, the costs must not be reimbursed by another source.

**DHA Policy**
The childcare provider will be asked to certify that, to the best of the provider's knowledge, the child care expenses are not paid by or reimbursed to the family from any source.

The family will be required to certify that the childcare expenses are not paid by or reimbursed to the family from any source.
Pursuing an Eligible Activity
DHA must verify that the family member(s) that the family has identified as being enabled to seek work, pursue education, or be gainfully employed, are actually pursuing those activities.

DHA Policy

Information to be Gathered
DHA will verify information about how the schedule for the claimed activity relates to the hours of care provided, the time required for transportation, the time required for study (for students), the relationship of the family member(s) to the child, and any special needs of the child that might help determine which family member is enabled to pursue an eligible activity.

Seeking Work
Whenever possible DHA will use documentation from a state or local agency that monitors work-related requirements (e.g., welfare or unemployment). In such cases DHA will request verification from the agency of the member’s job seeking efforts to date and require the family to submit to DHA any reports provided to the other agency.

In the event third-party verification is not available, DHA will provide the family with a form on which the family member must record job search efforts. DHA will review this information at each subsequent reexamination for which this deduction is claimed.

Furthering Education
DHA will ask that the academic or vocational educational institution verify that the person permitted to further his or her education by the child care is enrolled and provide information about the timing of classes for which the person is registered.

Gainful Employment
DHA will seek verification from the employer of the work schedule of the person who is permitted to work by the child care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified.

Allowable Type of Child Care
The type of care to be provided is determined by the family, but must fall within certain guidelines, as discussed in Chapter 6.

DHA Policy
DHA will verify that the type of childcare selected by the family is allowable, as described in Chapter 6 (6-II.F).
DHA will verify that the fees paid to the child care provider cover only child care costs (e.g., no housekeeping services or personal services) and are paid only for the care of an eligible child (e.g., prorate costs if some of the care is provided for ineligible family members).

DHA will verify that the childcare provider is not an assisted family member. Verification will be made through the head of household’s declaration of family members who are expected to reside in the unit.

**Reasonableness of Expenses**  
Only reasonable childcare costs can be deducted.

**DHA Policy**  
The actual costs the family incurs will be compared with DHA’s established standards of reasonableness for the type of care in the locality to ensure that the costs are reasonable.

If the family presents a justification for costs that exceed typical costs in the area, DHA will request additional documentation, as required, to support a determination that the higher cost is appropriate.
Exhibit 7-2: Summary of Documentation Requirements for Non-citizens
[HCV GB, pp. 5-9 and 5-10]

- All non-citizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to DHA.
- Except for persons 62 or older, all non-citizens must sign a verification consent form.
- Additional documents are required based upon the person's status.

### Elderly Non-citizens
- A person 62 years of age or older who claims eligible immigration status also must provide proof of age such as birth certificate, passport, or documents showing receipt of SS old-age benefits.

### All other Non-citizens
- Non-citizens that claim eligible immigration status also must present the applicable USCIS document. Acceptable USCIS documents are listed below.

LEASING AND INSPECTIONS
[24 CFR 5, Subpart G; 24 CFR 966, Subpart A]

INTRODUCTION
Public housing leases are the basis of the legal relationship between DHA and the tenant. All units must be occupied pursuant to a dwelling lease agreement that complies with HUD’s regulations.

HUD rules also require DHA to inspect each dwelling unit prior to move-in, at move-out, and annually during occupancy. In addition, DHA may require additional inspections in accordance with DHA policy.

This chapter is divided into two parts as follows:

Part I: Leasing. This part describes pre-lease activities and DHA’s policies pertaining to lease execution, modification, and payments under the lease.

Part II: Inspections. This part describes DHA’s policies for inspecting dwelling units.

PART I: LEASING

8-I.A. OVERVIEW
An eligible family may occupy a public housing dwelling unit under the terms of a lease. The lease must meet all regulatory requirements, and must also comply with applicable state and local laws and codes.

The term of the lease must be for a period of 12 months. The lease must be renewed automatically for another 12-month term, except that DHA may not renew the lease if the family has violated the community service requirement [24 CFR 966.4(a)(2)].

Part I of this chapter contains regulatory information, when applicable, as well as DHA’s policies governing leasing issues.

8-I.B. LEASE ORIENTATION

DHA Policy
After unit acceptance but prior to occupancy, a DHA representative will provide a lease orientation to the family. The head of household or spouse is required to attend.
Orientation Agenda

DHA Policy
When families attend the lease orientation, they will be provided with:

- A copy of the lease
- A copy of DHA’s grievance procedure
- A copy of the Resident Handbook
- A copy of DHA’s schedule of maintenance charges
- A copy of the pamphlet *Protect Your Family From Lead in Your Home*
- A copy of *Things You Should Know* (HUD-1140-OIG)
- A copy of the Bedbug policy
- A copy of the housekeeping policy
- A copy of the pet policy

Topics to be discussed will include:

- Applicable deposits and other charges
- Review and explanation of lease provisions
- Unit maintenance and work orders
- DHA’s reporting requirements
- Explanation of occupancy forms
- Community service requirements
- Family choice of rent
- Minimum rent hardship exemption

8-I.C. EXECUTION OF LEASE
The lease must be executed by the tenant and DHA, except for automatic renewals of a lease [24 CFR 966.4(a)(3)].

A lease is executed at the time of admission for all new residents. A new lease is also executed at the time of transfer from one DHA unit to another.

The lease must state the composition of the household as approved by DHA (family members and any DHA-approved live-in aide) [24 CFR 966.4(a)(1)(v)]. See Section 8-I.D. for policies regarding changes in family composition during the lease term.

DHA Policy
The head of household, spouse or cohead, and all other adult members of the household will be required to sign the public housing lease prior to admission. An appointment will be scheduled for the parties to execute the lease. The head of household will be provided a copy of the executed lease and DHA will retain a copy in the resident’s file.

Files for households that include a live-in aide will contain file documentation signed by the live-in aide, that the live-in aide is not a party to the lease and is
not entitled to DHA assistance. The live-in aide is only approved to live in the unit while serving as the attendant for the participant family member.

8-I.D. MODIFICATIONS TO THE LEASE
The lease may be modified at any time by written agreement of the tenant and DHA [24 CFR 966.4(a)(3)].

Modifications to the Lease Form
DHA may modify its lease from time to time. However, DHA must give residents 30 days advance notice of the proposed changes and an opportunity to comment on the changes. DHA must also consider any comments before formally adopting the new lease [24 CFR 966.3].

After proposed changes have been incorporated into the lease and approved by the Board, each family must be notified at least 60 days in advance of the effective date of the new lease or lease revision. A resident's refusal to accept permissible and reasonable lease modifications that are made in accordance with HUD requirements, or are required by HUD, is grounds for termination of tenancy [24 CFR 966.4(l)(2)(iii)(E)].

DHA Policy
The family will have 30 days to accept the revised lease. If the family does not accept the offer of the revised lease within that 30 day timeframe, the family's tenancy will be terminated for other good cause in accordance with the policies in Chapter 13.

Schedules of special charges and rules and regulations are subject to modification or revision. Because these schedules are incorporated into the lease by reference, residents and resident organizations must be provided at least thirty days written notice of the reason(s) for any proposed modifications or revisions, and must be given an opportunity to present written comments. The notice must be delivered directly or mailed to each tenant; or posted in at least three conspicuous places within each structure or building in which the affected dwelling units are located, as well as in a conspicuous place at the project office, if any, or if none, a similar central business location within the project. Comments must be taken into consideration before any proposed modifications or revisions become effective [24 CFR 966.5].

After the proposed revisions become effective they must be publicly posted in a conspicuous manner in the project office and must be furnished to applicants and tenants on request [24 CFR 966.5].

DHA Policy
When DHA proposes to modify or revise schedules of special charges or rules and regulations, DHA will post a copy of the notice at each management office as well as distribute to various local community organizations. Documentation of proper notice will be included in each resident file.
Other Modifications

DHA Policy
The lease will be amended to reflect all changes in family composition. If, for any reason, any member of the household ceases to reside in the unit, the lease will be amended by checking the “delete” column. The head of household and DHA will be required to initial and date the change.

If a new household member is approved by DHA to reside in the unit, the person’s name, birth date and social security number will be added to the lease. The head of household and DHA will be required to initial and date the change. If the new member of the household is an adult, s/he will also be required to sign and date the lease.

Policies governing when and how changes in family composition must be reported are contained in Chapter 9, Reexaminations.

8-I.E. SECURITY DEPOSITS [24 CFR 966.4(b)(5)]
At the option of DHA, the lease may require security deposits. The amount of the security deposit cannot exceed a reasonable fixed amount as determined by DHA. Subject to applicable laws, security deposits may be refunded to the tenant after vacating the unit, or used for tenant services or activities.

DHA Policy
DHA will require the resident to pay the full amount of the deposit on or before the occupancy date unless waived under an official marketing promotion that is approved by the CEO or designee.

The security deposit shall be maintained and applied in accordance with HUD regulations and state law.

DHA will hold the security deposit for the period the family occupies the unit. DHA will not use the security deposit for rent or other charges while the resident is living in the unit.

Within 30 days of move-out, DHA will refund to the resident the amount of the security deposit, less any amount needed to pay the cost of unpaid rent, damages listed on the move-out inspection report that exceed normal wear and tear, and other charges due under the lease.

DHA will provide the resident with a written list of any charges against the security deposit within 30 days of the move-out inspection. If the resident disagrees with the amount charged, DHA will provide a meeting to discuss the charges.
If the resident transfers to another unit, DHA will transfer the security deposit to the new unit. The tenant will be billed for any maintenance or other charges due for the “old” unit.

8-I.F. PAYMENTS UNDER THE LEASE

Rent Payments [24 CFR 966.4(b)(1)]
Families must pay the amount of the monthly tenant rent determined by DHA in accordance with HUD regulations and other requirements. The amount of the tenant rent is subject to change in accordance with HUD requirements.

The lease must specify the initial amount of the tenant rent at the beginning of the initial lease term, and DHA must give written notice stating any change in the amount of tenant rent and when the change is effective.

DHA Policy
PAYMENT LOCATION
The tenant rent is due and payable at DHA-designated location on the first of every month. If the first falls on a weekend or holiday, the rent is due and payable on the first business day thereafter.

AUTOMATIC PAYMENTS (DIRECT DEBIT)
All charges due and payable on the 1st of the month shall be withdrawn from the tenant designated bank account. This includes all monies currently due. The monies will be withdrawn for the full amount on the 5th of the month. If the 5th falls on a weekend or a holiday, then the funds will be withdrawn on the 1st business day following the weekend or holiday. Automatic payments will be reflected on the Tenant’s account as having been paid on the 1st of the month.

NOTICE PROCEDURE FOR NONPAYMENT
When payment in full is not received, a fourteen-day Notice of Termination shall be mailed to the Tenant on the sixth day of the month, or such later date as may be applicable because of holidays or weekends. Notices will be by first class mail, or by hand delivery to the tenant’s address who is delinquent with their payment.

If a family’s tenant rent changes, DHA will notify the family of the new amount and the effective date by sending a "Notice of Rent Adjustment" which will become an attachment to the lease.

Late Fees and Nonpayment
At the option of DHA, the lease may provide for payment of penalties when the family is late in paying tenant rent [24 CFR 966.4(b)(3)].
The lease must provide that late payment fees are not due and collectible until two weeks after DHA gives written notice of the charges. The written notice is considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under DHA grievance procedures. DHA must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

DHA Policy
If the family fails to pay their rent by the fifth (5th) day of the month, and DHA has not agreed to accept payment at a later date, a 14 day Notice to Vacate will be issued to the resident for failure to pay rent, demanding payment in full or the surrender of the premises. DHA will not accept personal checks after a 14-day late notice is issued.

Residents who pay rent late, after the fifth (5th) of the month, four times within a twelve (12) month period shall be considered habitually late and shall be subject to termination of the lease.

In addition, if the resident fails to make payment by the end of office hours on the fifth (5th) day of the month, a late fee of $15.00 will be charged. Notices of late fees will be in accordance with requirements regarding notices of adverse action. Charges are due and payable 14 calendar days after billing. If the family requests a grievance hearing within the required timeframe, DHA may not take action for nonpayment of the fee until the conclusion of the grievance process. If the resident can document financial hardship, the late fee may be waived on a case-by-case basis.

When a check is returned for insufficient funds or is written on a closed account, the rent will be considered unpaid and a returned check fee of $25.00 will be charged to the family. The fee will be due and payable 14 days after billing.

DHA will not accept personal checks from, or on behalf of the household for rent and/or other charges if the resident previously submitted two (2) returned checks.

Excess Utility Charges
If DHA charges the tenant for consumption of excess utilities, the lease must state the basis for the determination of such charges. The imposition of charges for consumption of excess utilities is permissible only if the charges are determined by an individual check meter servicing the leased unit or result from the use of major tenant-supplied appliances [24 CFR 966.4(b)(2)].
Schedules of special charges for utilities that are required to be incorporated in the lease by reference must be publicly posted in a conspicuous manner in the development office and must be furnished to applicants and tenants on request [24 CFR 966.5].

The lease must provide that charges for excess utility consumption are not due and collectible until two weeks after DHA gives written notice of the charges. The written notice is considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under DHA grievance procedures. DHA must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

**DHA Policy**  
When applicable, families will be charged for excess utility usage according to DHA’s current posted schedule. Notices of excess utility charges will be mailed monthly and will be in accordance with requirements regarding notices of adverse actions. Charges are due and payable 14 calendar days after billing. If the family requests a grievance hearing within the required timeframe, DHA may not take action for nonpayment of the charges until the conclusion of the grievance process.

Nonpayment of excess utility charges is a violation of the lease and is grounds for eviction.

**Maintenance and Damage Charges**  
If DHA charges the tenant for maintenance and repair beyond normal wear and tear, the lease must state the basis for the determination of such charges [24 CFR 966.4(b)(2)]. Schedules of special charges for services and repairs which are required to be incorporated in the lease by reference must be publicly posted in a conspicuous manner in the development office and must be furnished to applicants and tenants on request [24 CFR 966.5].

The lease must provide that charges for maintenance and repair beyond normal wear and tear are not due and collectible until two weeks after DHA gives written notice of the charges. The written notice is considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under DHA grievance procedures. DHA must not take the proposed action until the time for the tenant to request a grievance
hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

DHA Policy
When applicable, families will be charged for maintenance and/or damages that are due to misuse, neglect or deliberate vandalism. Notices of maintenance and damage charges will be mailed monthly and will be in accordance with requirements regarding notices of adverse actions. Charges are due and payable 30 calendar days after billing. If the family requests a grievance hearing within the required timeframe, DHA may not take action for nonpayment of the charges until the conclusion of the grievance process.

Nonpayment of maintenance and damage charges is a violation of the lease and is grounds for eviction.

PART II: INSPECTIONS

8-II.A. OVERVIEW
HUD rules require DHA to inspect each dwelling unit prior to move-in, at move-out, and annually during occupancy. In addition, DHA may require additional inspections, in accordance with DHA Policy. This part contains DHA’s policies governing inspections, notification of unit entry, and inspection results.

8-II.B. TYPES OF INSPECTIONS

Move-In Inspections [24 CFR 966.4(i)]
The lease must require DHA and the family to inspect the dwelling unit prior to occupancy in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by DHA and the resident, must be provided to the tenant and be kept in the resident file.

DHA Policy
Any adult family member may attend the initial inspection; however, the inspection form must be signed by the head of household.

Move-Out Inspections [24 CFR 966.4(i)]
DHA must inspect the unit at the time the resident vacates the unit and must allow the resident to participate in the inspection if he or she wishes, unless the tenant vacates without notice to DHA. DHA must provide to the tenant a statement of any charges to be made for maintenance and damage beyond normal wear and tear within 30 days of move-out.

The difference between the condition of the unit at move-in and move-out establishes the basis for any charges against the security deposit so long as the work needed exceeds that for normal wear and tear.
DHA Policy
When applicable, DHA will provide the tenant with a statement of the condition of the unit beyond normal wear and tear within 10 business days of conducting the move-out inspection.

Annual Inspections
Under the Public Housing Assessment System (PHAS), DHA is required to inspect all occupied units annually using HUD's Uniform Physical Condition Standards (UPCS) [24 CFR 902.43(a)(4)].

Quality Control Inspections
The purpose of quality control inspections is to assure that all defects were identified in the original inspection, and that repairs were completed at an acceptable level of craftsmanship and within an acceptable time frame.

DHA Policy
Supervisory quality control inspections will be conducted in accordance with DHA’s maintenance plan.

Special Inspections
DHA Policy
DHA staff may conduct a special inspection for any of the following reasons:
- Housekeeping
- Infestation/Bedbugs
- Unit condition
- Suspected lease violation
- Preventive maintenance
- Routine maintenance
- There is reasonable cause to believe an emergency exists

Other Inspections
DHA Policy
Building exteriors, grounds, common areas and systems will be inspected according to DHA’s maintenance plan.

8-II.C. NOTICE AND SCHEDULING OF INSPECTIONS

Notice of Entry:

Non-emergency Entries [24 CFR 966.4(j)(1)]
DHA may enter the unit, with reasonable advance notification to perform routine inspections and maintenance, make improvements and repairs, or to show the unit for re-leasing. A written statement specifying the purpose of DHA entry delivered to the
dwelling unit at least two days before such entry is considered reasonable advance notification.

**DHA Policy**
DHA will notify the resident in writing at least 48 hours prior to any non-emergency inspection.

For regular annual inspections, the family will receive at least 2 weeks written notice of the inspection to allow the family to prepare the unit for the inspection.

Entry for repairs requested by the family will not require prior notice. Resident-requested repairs presume permission for DHA to enter the unit.

**Emergency Entries [24 CFR 966.4(j)(2)]**
DHA may enter the dwelling unit at any time without advance notice when there is reasonable cause to believe that an emergency exists. If no adult household member is present at the time of an emergency entry, DHA must leave a written statement showing the date, time and purpose of the entry prior to leaving the dwelling unit.

**Scheduling of Inspections**

**DHA Policy**
Inspections will be conducted during business hours. If a family needs to reschedule an inspection, they must notify DHA at least 24 hours prior to the scheduled inspection. DHA will reschedule the inspection no more than once unless the resident has a verifiable good cause to delay the inspection. DHA may request verification of such cause.

**Attendance at Inspections**
Residents are required to be present for move-in inspections [24 CFR 966.4(i)]. There is no such requirement for other types of inspections.

**DHA Policy**
Except at move-in inspections, the resident is not required to be present for the inspection. The resident may attend the inspection if he or she wishes.

If no one is at home, the inspector will enter the unit, conduct the inspection and leave a copy of the inspection report in the unit.

**8-II.D. INSPECTION RESULTS**
DHA is obligated to maintain dwelling units and the project in decent, safe and sanitary condition and to make necessary repairs to dwelling units [24 CFR 966.4(e)].

**Emergency Repairs [24 CFR 966.4(h)]**
If the unit is damaged to the extent that conditions are created which are hazardous to the life, health, or safety of the occupants, the tenant must immediately notify DHA of the damage, and DHA must make repairs within a reasonable time frame.

If the damage was caused by a household member or guest, DHA must charge the family for the reasonable cost of repairs. DHA may also take lease enforcement action against the family.

If DHA cannot make repairs quickly, DHA must offer the family standard alternative accommodations. If DHA can neither repair the defect within a reasonable time frame nor offer alternative housing, rent shall be abated in proportion to the seriousness of the damage and loss in value as a dwelling. Rent shall not be abated if the damage was caused by a household member or guest, or if the resident rejects the alternative accommodations.

**DHA Policy**

When conditions in the unit are hazardous to life, health, or safety, DHA will make repairs or otherwise abate the situation within 24 hours.

Defects hazardous to life, health or safety include, but are not limited to, the following:

- Any condition that jeopardizes the security of the unit
- Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling
- Natural or LP gas or fuel oil leaks
- Any electrical problem or condition that could result in shock or fire
- Absence of a working heating system when outside temperature is below 60 degrees Fahrenheit
- Utilities not in service, including no running hot water
- Conditions that present the imminent possibility of injury
- Obstacles that prevent safe entrance or exit from the unit
- Absence of a functioning toilet in the unit
- Inoperable smoke detectors

**Non-emergency Repairs**

**DHA Policy**

DHA will correct non-life threatening health and safety defects within 15 business days of the inspection date. If DHA is unable to make repairs within that period due to circumstances beyond DHA’s control (e.g. required parts or services are not available, weather conditions, etc.) DHA will notify the family of an estimated date of completion.

The family must allow DHA access to the unit to make repairs.

**Resident-Caused Damages**

**DHA Policy**
Damages to the unit beyond normal wear and tear will be billed to the tenant in accordance with the policies in 8-I.G., Maintenance and Damage Charges.

Repeated or excessive damages to the unit beyond normal wear and tear will be considered a serious or repeated violation of the lease.

**Housekeeping**

**DHA Policy**

Residents whose housekeeping habits pose a non-emergency health or safety risk, encourage insect or rodent infestation, or cause damage to the unit are in violation of the lease. In these instances, DHA will provide proper notice of a lease violation.

A re-inspection will be conducted within 30 days to confirm that the resident has complied with the requirement to abate the problem. Failure to abate the problem or allow for a re-inspection is considered a violation of the lease and may result in termination of tenancy in accordance with Chapter 13.

Notices of lease violation will also be issued to residents who purposely disengage the unit’s smoke detector. Only one warning will be given. A second incidence will result in lease termination.
Chapter 9

REEXAMINATIONS

INTRODUCTION

DHA is required to monitor each family's income and composition over time, and to adjust the family's rent accordingly. DHA must adopt policies concerning the conduct of annual and interim reexaminations that are consistent with regulatory requirements, and must conduct reexaminations in accordance with such policies [24 CFR 960.257(c)].

The frequency with which DHA must reexamine income for a family depends on whether the family pays income-based or flat rent. HUD requires DHA to offer all families the choice of paying income-based rent or flat rent at least annually. DHA's policies for offering families a choice of rents are located in Chapter 6.

This chapter discusses both annual and interim reexaminations.

Part I: Annual Reexaminations. This part discusses the requirements for annual reexamination of income and family composition. Full reexaminations are conducted at least once a year for families paying income-based rents.

Part II: Streamlined annual reexaminations for families on fixed incomes: This part discusses the requirements of the streamlined income determination for any family member with a fixed source of income.

Part III: Reexaminations for Families Paying Flat Rents. This part contains DHA's policies for conducting full reexaminations of family income and composition for families paying flat rents. These full reexaminations are conducted at least once every 3 years. This part also contains DHA's policies for conducting annual updates of family composition for flat rent families.

Part IV: Interim Reexaminations. This part includes HUD requirements and DHA policies related to when a family may and must report changes that occur between annual reexaminations.

Part V: Recalculating Tenant Rent. After gathering and verifying required information for an annual or interim reexamination, DHA must recalculate the tenant rent. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

Policies governing reasonable accommodation, family privacy, required family cooperation and program abuse, as described elsewhere in this ACOP, apply to annual and interim reexaminations.
PART I: ANNUAL REEXAMINATIONS FOR FAMILIES PAYING INCOME BASED RENTS [24 CFR 960.257]

9-I.A. OVERVIEW
For those families who choose to pay income-based rent, DHA must conduct a reexamination of income and family composition at least annually [24 CFR 960.257(a)(1)]. For families who choose flat rents, DHA must conduct a reexamination of family composition at least annually, and must conduct a reexamination of family income at least once every 3 years [24 CFR 960.257(a)(2)]. Policies related to the reexamination process for families paying flat rent are located in Part II of this chapter.

For all residents of public housing, whether those residents are paying income-based or flat rents, DHA must conduct an annual review of community service requirement compliance. This annual reexamination is also a good time to have residents sign consent forms for criminal background checks in case the criminal history of a resident is needed at some point to determine the need for lease enforcement or eviction.

DHA is required to obtain information needed to conduct reexaminations. How that information will be collected is left to the discretion of DHA. Families are required to provide current and accurate information on income, assets, allowances and deductions, family composition and community service compliance as part of the reexamination process [24 CFR 960.259].

This part contains DHA’s policies for conducting annual reexaminations.

9-I.B. SCHEDULING ANNUAL REEXAMINATIONS
DHA must establish a policy to ensure that the annual reexamination for each family paying an income-based rent is completed within a 12 month period [24 CFR 960.257(a)(1)].

DHA Policy
Generally, DHA will schedule annual reexaminations to coincide with the family's anniversary date. DHA will begin the annual reexamination process approximately 120 days in advance of the scheduled effective date.

Anniversary date is defined as 12 months from the effective date of the family's last annual reexamination or, during a family's first year in the program, from the effective date of the family's initial examination (admission).

If the family transfers to a new unit, DHA will perform a new annual reexamination, and the anniversary date will be changed.
DHA may also schedule an annual reexamination for completion prior to the anniversary date for administrative purposes.

**Notification of and Participation in the Annual Reexamination Process**

DHA is required to obtain information needed to conduct annual reexaminations. How that information will be collected is left to the discretion of DHA.

**DHA Policy**

Families generally are required to participate in an annual reexamination interview, which must be attended by the head of household, spouse, cohead, and any member of the household 18 years and older. If participation in an in-person interview poses a hardship because of a family member’s disability, the family should contact DHA to request a reasonable accommodation.

Notification of annual reexamination interviews will be sent by first-class mail and will contain the date, time, and location of the interview. In addition, it will inform the family of the information and documentation that must be brought to the interview.

If the family is unable to attend a scheduled interview, the family should contact DHA in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend the scheduled interview DHA will send a second notification with a new interview appointment time.

If a family fails to attend two scheduled interviews without DHA approval, the family will be in violation of their lease and may be terminated in accordance with the policies in Chapter 13.

An advocate, interpreter, or other assistant may assist the family in the interview process.

**9-I.C. CONDUCTING ANNUAL REEXAMINATIONS**

The terms of the public housing lease require the family to furnish information necessary for the re-determination of rent and family composition [24 CFR 966.4(c)(2)].

**DHA Policy**

Families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment. The required information will include a DHA-designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documentation related to the family’s income, expenses, and family composition. Any required documents or information that the family is unable to provide at the time of the interview must be provided within 10 business days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.
If the family does not provide the required documents or information within the required time frame (plus any extensions), the family will be in violation of their lease and may be terminated in accordance with the policies in Chapter 13.

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the agency has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
- Social security numbers
- A person’s disability status
- Citizenship or immigration status

**Change in Unit Size**
Changes in family or household composition may make it appropriate to consider transferring the family to comply with occupancy standards. DHA may use the results of the annual reexamination to require the family to move to an appropriate size unit [24 CFR 960.257(a)(4)]. Policies related to such transfers are located in Chapter 12.

**Criminal Background Checks**
Information obtained through criminal background checks may be used for lease enforcement and eviction [24 CFR 5.903(e)(1)(ii)]. Criminal background checks of residents will be conducted in accordance with the policy in Section 13-IV.B.

**DHA Policy**
Each household member age 18 and over will be required to execute a consent form for a criminal background check as part of the annual reexamination process.

**Compliance with Community Service**
For families who include nonexempt individuals, DHA must determine compliance with community service requirements once every 12 months [24 CFR 960.257(a)(3)]. See Chapter 11 for DHA’s policies governing compliance with the community service requirement.

**9-I.D. EFFECTIVE DATES**
As part of the annual reexamination process, DHA must make appropriate adjustments in the rent after consultation with the family and upon verification of the information [24 CFR 960.257(a)(1)].
**DHA Policy**

In general, an *increase* in the tenant rent that results from an annual reexamination will take effect on the family’s anniversary date, and the family will be notified at least 30 days in advance.

If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If DHA chooses to schedule an annual reexamination for completion prior to the family’s anniversary date for administrative purposes, the effective date will be determined by DHA, but will always allow for the 30-day notice period.

If the family causes a delay in processing the annual reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual reexamination. The family will be responsible for any underpaid rent and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a *decrease* in the tenant rent that results from an annual reexamination will take effect on the family’s anniversary date.

If DHA chooses to schedule an annual reexamination for completion prior to the family’s anniversary date for administrative purposes, the effective date will be determined by DHA.

If the family causes a delay in processing the annual reexamination, *decreases* in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by DHA by the date specified, and this delay prevents DHA from completing the reexamination as scheduled.
PART II: STREAMLINED ANNUAL REEXAMINATIONS FOR FAMILIES ON FIXED INCOME
[24 CFR 960.257(c)]

9-II.A. Overview
This provision offers the PHA the discretion to adopt a streamlined income determination for any family member with a fixed income source. Note that the family may also have non-fixed sources of income, which remain subject to third party verification. This provision only pertains to sources of income; DHA will still conduct third party verifications on all deductions noted. The provisions in the streamline annual reexaminations for families with fixed income is not available for program applicants or within the initial year streamlined income was determined.

DHA Policy
For all family members with a fixed income a streamlined income determination will be completed on their first annual reexamination. All non-fixed income and deductions will still be third party verified.

9.II.B Fixed Sources of Income
Fixed Sources of income includes income from:

- Social Security payments, to include Supplement Security Insurance (SSI), and Supplemental Security Disability Insurance (SSDI);
- Federal, state, local, private pensions plans; and
- Other periodic payments received from annuities, insurance policies, retirement funds, disability or death benefits, and other similar types of periodic fixed payments.

9.II.C Determining Income
The determination of income for the annual reexamination will be made by applying a verified cost of living adjustment (COLA) or current rate of interest to the previously verified or adjusted income amount. The COLA or current interest rate applicable to each source of fixed income must be obtained from a public source or from tenant-provided, third party generated documentation. In the absence of such verification for any source of fixed income, third-party verification of income amounts must be obtained.

For the second year of income determination involving a family member whose income was adjusted previously using the streamlined income determination, the adjustment would be made to the previously determined income amount.

For any family member whose income is determined pursuant to a streamlined income determination, a third-party verification of all income amounts for all family members must be performed every third year.
DHA Policy
A third-party verification of all income amounts for all family members must be performed every third year for households where any one family member’s income was determined pursuant using the streamlined income method. DHA also requires that if a member with a fixed income source is added to the family during year two, then DHA must obtain third-party verification of all income amounts for that member at the next reexamination to maintain same schedule with respect to the streamlined annual reexaminations.

PART III: REEXAMINATIONS FOR FAMILIES PAYING FLAT RENTS
[24 CFR 960.257(2)]

9-II.A. OVERVIEW
HUD requires that DHA offer all families the choice of paying income-based rent or flat rent at least annually. DHA’s policies for offering families a choice of rents are located in Chapter 6.

For families who choose flat rents, DHA must conduct a reexamination of family composition at least annually, and must conduct a reexamination of family income at least once every 3 years [24 CFR 960.257(a)(2)]. DHA is only required to provide the amount of income-based rent the family might pay in those years that DHA conducts a full reexamination of income and family composition, or upon request of the family after the family submits updated income information [24 CFR 960.253(e)(2)].

As it does for families that pay income-based rent, on an annual basis, DHA must also review community service compliance and should have each adult resident consent to a criminal background check.

This part contains DHA's policies for conducting reexaminations of families who choose to pay flat rents.

9-II.B. FULL REEXAMINATION OF FAMILY INCOME AND COMPOSITION

Frequency of Reexamination
DHA Policy
For families paying flat rents, DHA will conduct a full reexamination of family income and composition once every 3 years.

Reexamination Policies
DHA Policy
In conducting full reexaminations for families paying flat rents, DHA will follow the policies used for the annual reexamination of families paying income-based rent as set forth in Sections 9-I.B through 9-I.D above.
9-II.C. REEXAMINATION OF FAMILY COMPOSITION ("ANNUAL UPDATE")
As noted above, full reexaminations are conducted every 3 years for families paying flat rents. In the years between full reexaminations, regulations require DHA to conduct a reexamination of family composition ("annual update") [24 CFR 960.257(a)(2)].

The annual update process is similar to the annual reexamination process, except that DHA does not collect information about the family’s income and expenses, and the family’s rent is not recalculated following an annual update.

Scheduling
DHA must establish a policy to ensure that the reexamination of family composition for families choosing to pay the flat rent is completed at least annually [24 CFR 960.257(a)(2)].

DHA Policy
For families paying flat rents, annual updates will be conducted in each of the 2 years following the full reexamination. DHA will schedule flat rent reexaminations to coincide with the family's anniversary date. DHA will begin the annual reexamination process approximately 120 days in advance of the scheduled effective date.

Conducting Annual Updates
The terms of the public housing lease require the family to furnish information necessary for the re-determination of rent and family composition [24 CFR 966.4(c)(2)].

DHA Policy
The family is required to attend an interview for an annual update.

Notification of the annual update will be sent by first-class mail and will inform the family of the information and documentation that must be provided to DHA. The family will have 10 business days to submit the required information to DHA. If the family is unable to obtain the information or documents within the required time frame, the family may request an extension. DHA will accept required documentation by mail, by fax, or in person.

If the family’s submission is incomplete, or the family does not submit the information in the required time frame, DHA will send a second written notice to the family. The family will have 10 business days from the date of the second notice to provide the missing information or documentation to DHA.

If the family does not provide the required documents or information within the required time frame (plus any extensions), the family will be in violation of their lease and may be terminated in accordance with the policies in Chapter 13.

Change in Unit Size
Changes in family or household composition may make it appropriate to consider transferring the family to comply with occupancy standards. DHA may use the results of the annual update to require the family to move to an appropriate size unit [24 CFR 960.257(a)(4)]. Policies related to such transfers are located in Chapter 12.

**Criminal Background Checks**
Information obtained through criminal background checks may be used for lease enforcement and eviction [24 CFR 5.903(e)]. Criminal background checks of residents will be conducted in accordance with the policy in Section 13-IV.B.

**DHA Policy**
Each household member age 18 and over will be required to execute a consent form for criminal background check as part of the annual update process.

**Compliance with Community Service**
For families who include nonexempt individuals, DHA must determine compliance with community service requirements once every 12 months [24 CFR 960.257(a)(3)]. See Chapter 11 for DHA’s policies governing compliance with the community service requirement.

**PART IV: INTERIM REEXAMINATIONS [24 CFR 960.257; 24 CFR 966.4]**

**9-III.A. OVERVIEW**
Family circumstances may change throughout the period between annual reexaminations. HUD and DHA policies dictate what kinds of information about changes in family circumstances must be reported, and under what circumstances DHA must process interim reexaminations to reflect those changes. HUD regulations also permit DHA to conduct interim reexaminations of income or family composition at any time.

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family’s income or composition change. DHA must complete the interim reexamination within a reasonable time after the family’s request.

This part includes HUD and DHA policies describing what changes families are required to report, what changes families may choose to report, and how DHA will process both DHA- and family-initiated interim reexaminations.

**9-III.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION**
DHA must adopt policies prescribing when and under what conditions the family must report changes in family composition. However, due to provisions of the public housing lease, DHA has limited discretion in this area.
Changes in family or household composition may make it appropriate to consider transferring the family to comply with occupancy standards. Policies related to such transfers are located in Chapter 12.

**DHA Policy**
All families, those paying income-based rent as well as flat rent, must report all changes in family and household composition that occur between annual reexaminations (or annual updates).

DHA will conduct interim reexaminations to account for any changes in household composition that occur between annual reexaminations.

**New Family Members Not Requiring Approval**
The addition of a family member as a result of birth, adoption, or court-awarded custody does not require DHA approval. However, the family is required to promptly notify DHA of the addition [24 CFR 966.4(a)(1)(v)].

**DHA Policy**
The family must inform DHA of the birth, adoption or court-awarded custody of a child within 10 business days.

**New Family and Household Members Requiring Approval**
With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request DHA approval to add a new family member [24 CFR 966.4(a)(1)(v)] or other household member (live-in aide or foster child) [24 CFR 966.4(d)(3)].

DHA may adopt reasonable policies concerning residence by a foster child or a live-in aide, and defining the circumstances in which DHA consent will be given or denied. Under such policies, the factors considered by DHA may include [24 CFR 966.4(d)(3)(i)]:

- Whether the addition of a new occupant may necessitate a transfer of the family to another unit, and whether such units are available.
- DHA’s obligation to make reasonable accommodation for handicapped persons.

**DHA Policy**
Families must request DHA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 14 consecutive days or a total of 30 cumulative calendar days during any 12 month period, and therefore no longer qualifies as a “guest.” Requests must be made in writing and approved by DHA prior to the individual moving into the unit.
DHA will not approve the addition of a new family or household member unless the individual meets DHA's eligibility criteria (see Chapter 3).

If DHA determines that an individual does not meet DHA's eligibility criteria as defined in Chapter 3, DHA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial. DHA will make its determination within 10 business days of receiving all information required to verify the individual's eligibility.

**Departure of a Family or Household Member**

**DHA Policy**
If a family member ceases to reside in the unit, the family must inform DHA within 10 business days. If the Head of Household moves out of the unit and leaves another adult member and the adult member remains in the unit they must provide documentation regarding where the Head of the Household has moved to. This requirement also applies to family members who had been considered temporarily absent, who are now permanently absent.

If a live-in aide, foster child, or foster adult ceases to reside in the unit, the family must inform DHA within 10 business days.

**9-III.C. CHANGES AFFECTING INCOME OR EXPENSES**
Interim reexaminations can be scheduled either because DHA has reason to believe that changes in income or expenses may have occurred, or because the family reports a change. When a family reports a change, DHA may take different actions depending on whether the family reported the change voluntarily, or because it was required to do so.

**DHA Policy**
This section only applies to families paying income-based rent. Families paying flat rent are not required to report changes in income or expenses.

**DHA-initiated Interim Reexaminations**
DHA-initiated interim reexaminations are those that are scheduled based on circumstances or criteria defined by DHA. They are not scheduled because of changes reported by the family.

**DHA Policy**
DHA will conduct interim reexaminations in each of the following instances:

- For families receiving the Earned Income Disallowance (EID), DHA will conduct an interim reexamination at the start, to adjust the exclusion with any changes in income, and at the conclusion of the second 12 month exclusion period (50 percent DHA’s-in period).
• If the family has reported zero income, DHA will conduct an interim reexamination every 3 months as long as the family continues to report that they have no income.
• If at the time of the annual reexamination, it is not feasible to anticipate a level of income for the next 12 months (e.g. seasonal or cyclic income), DHA will schedule an interim reexamination to coincide with the end of the period for which it is feasible to project income.
• If at the time of the annual reexamination, tenant-provided documents were used on a provisional basis due to the lack of third-party verification, and third-party verification becomes available, DHA will conduct an interim reexamination.
• DHA may conduct an interim reexamination at any time in order to correct an error in a previous reexamination, or to investigate a tenant fraud complaint.

Family-Initiated Interim Reexaminations
DHA must adopt policies prescribing when and under what conditions the family must report changes in family income or expenses [24 CFR 960.257(c)]. In addition, HUD regulations require that the family be permitted to obtain an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 960.257(b)].

Required Reporting
HUD regulations give DHA the freedom to determine the circumstances under which families will be required to report changes affecting income.

DHA Policy
Families are required to report all increases in income if they have been identified as a family that qualifies for Earned Income Disallowance (EID), families that have previously reported no income, or a family participating in the Family Self Sufficiency (FSS) program.

DHA will only conduct interim reexaminations for families that qualify for the earned income disallowance (EID), and only when the EID family’s rent will change as a result of the increase.

DHA will conduct an interim reexamination for families that are now reporting income and were previously reporting no income.

DHA will conduct an interim reexamination for families that are participants in the Family Self Sufficiency (FSS) Program.
In all other cases, DHA will note the information in the tenant file, but will not conduct an interim reexamination.

Optional Reporting
The family may request an interim reexamination any time the family has experienced a change in circumstances since the last determination [24 CFR 960.257(b)]. DHA must process the request if the family reports a change that will result in a reduced family income [PH Occ GB, p. 159].

If a family reports a decrease in income from the loss of welfare benefits due to fraud or non-compliance with a welfare agency requirement to participate in an economic self-sufficiency program, the family’s share of the rent will not be reduced [24 CFR 5.615]. For more information regarding the requirement to impute welfare income see Chapter 6.

DHA Policy
If a family reports a change that it was not required to report and that would result in an increase in the tenant rent, DHA will note the information in the tenant file, but will not conduct an interim reexamination.

If a family reports a change that it was not required to report and that would result in a decrease in the tenant rent, DHA will conduct an interim reexamination. See Section 9-III.D. for effective dates.

Families may report changes in income or expenses at any time.

9-III.D. PROCESSING THE INTERIM REEXAMINATION

Method of Reporting

DHA Policy
The family must notify DHA of changes in writing.

The family will be required to attend an interview for an interim reexamination.

Based on the type of change reported, DHA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 10 business days of receiving a request from DHA. This
time frame may be extended for good cause with DHA approval. DHA will accept required documentation by mail, by fax, or in person.

Effective Dates
DHA must make the interim reexamination within a reasonable time after the family request [24 CFR 960.257(b)].

DHA Policy
If the family share of the rent is to increase:

The increase generally will be effective on the first of the month following 30 days' notice to the family.
- If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for any underpaid rent and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to decrease:
- The decrease will be effective on the first day of the month following the month in which the change was reported. In cases where the change cannot be verified until after the date the change would have become effective, the change will be made retroactively.

PART V: RECALCULATING TENANT RENT

9-IV.A. OVERVIEW
For those families paying income-based rent, DHA must recalculate the rent amount based on the income information received during the reexamination process and notify the family of the changes [24 CFR 966.4, 960.257]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

The tenant rent calculations must reflect any changes in DHA’s utility allowance schedule [24 CFR 960.253(c)(3)]. Chapter 16 discusses how utility allowance schedules are established.

DHA Policy
Unless DHA is required to revise utility allowances retroactively, revised utility allowances will be applied to a family’s rent calculations at the first annual reexamination after the allowance is adopted.

9-IV.C. NOTIFICATION OF NEW TENANT RENT

The public housing lease requires DHA to give the tenant written notice stating any change in the amount of tenant rent, and when the change is effective [24 CFR 966.4(b)(1)(ii)].

When DHA re-determines the amount of rent (Total Tenant Payment or Tenant Rent) payable by the tenant, not including determination of DHA’s schedule of Utility Allowances for families in DHA’s Public Housing Program, or determines that the tenant must transfer to another unit based on family composition, DHA must notify the tenant that the tenant may ask for an explanation stating the specific grounds of DHA determination, and that if the tenant does not agree with the determination, the tenant shall have the right to request a hearing under DHA’s grievance procedure [24 CFR 966.4(c)(4)].

DHA Policy
The notice to the family will include the annual and adjusted income amounts that were used to calculate the tenant rent.

9-IV.D. DISCREPANCIES

During an annual or interim reexamination, DHA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, DHA may discover errors made by DHA. When errors resulting in the overpayment or underpayment of rent are discovered, corrections will be made in accordance with the policies in Chapter 19.

The Housing Opportunity Through Modernization Act (HOTMA) of 2016 places an income limitation on public housing tenancy for families. The law requires that once a family’s income has exceeded 120% of AMI, or a different limitation set by the Secretary of HUD (“over-income limit”) for two consecutive years, DHA must terminate the family’s tenancy within six (6) months of the second income determination or charge the family a monthly rent equal to the greater of:

1) The applicable Fair Market Rent (FMR) for the area; or
2) The amount of monthly subsidy for the unit including amounts from the operating and capital fund, as determined by regulations.

DHA must notify a family of the potential changes to monthly rent or potential termination after one (1) year of the family’s income exceeding the over-income limit.

DHA must submit a publicly available report to HUD annually about the number of families residing in public housing with incomes exceeding the over-income limit and the number of families on the waiting lists for admission to public housing.

For the purpose of determining the income limit, including any adjustments, HUD will use the VLI limit as the basis of the 120 percent income limit (by multiplying the VLI limit by a factor of 2.4). For those areas without an adjustment, the result is an income limit of 120 percent of AMI. For areas where HUD has made an adjustment to the VLI limit, the result of the multiplier will be higher or lower than 120 percent of AMI, depending on the adjustments made.

DHA Policy

**Over-Income Limit.** No later than 60 days after HUD publishes new income limits each year, DHA will update over-income limits using the most current very low-income (VLI) limit. The most current VLI limit will be multiplied by a factor of 2.4 to determine the appropriate income limit for each family size.

**Documentation.** If it is discovered through an annual reexamination or an interim reexamination that a family’s income exceeds the applicable over-income limit, DHA will document that the family exceeds the threshold and make a note in the tenant file to compare it with the family’s income a year later. The form HUD-50058 actions that would trigger the two-year grace period are: ‘2 = Annual Reexamination’ and ‘3 = Interim Reexamination.’ DHA will begin tracking these actions once a family’s income exceeds the applicable over-income limit.

**Written Notifications/Tracking 2-Year Grace Periods.** If one year after the initial over-income finding, the family’s income continues to exceed the over-income limit, DHA will provide written notification to the family. This notification must inform the family that their income has exceeded the over-income limit for one year, and if the family’s income continues to exceed the over-income limit for the next 12 consecutive months, the family will be subject to either a higher rent or termination based on DHA’s policies.

If the initial over income determination was made during an interim reexamination, DHA will conduct a second interim income reexamination on that date one year later. However, if it is discovered through an annual or interim reexamination that a previously over-income family has income that is now below the over-income limit, the family is no longer subject to these provisions. A previously over-income family would be entitled to a new two-year grace period if the family’s income once again exceeds the over-income limit.

DHA will ensure that all notices and communications are provided in a manner that is effective for persons with hearing, visual, and other disabilities. DHA will ensure effective communication using appropriate auxiliary aids and services, such as interpreters, transcription services, braille materials, large print, and accessible electronic communications, in accordance with Section 504 and ADA requirements. 24 C.F.R. § 8.6 and § 8.28; 28 CFR part 35, Subpart E. This includes the availability, free
of charge, of sign language or other types of interpretation. For persons with vision impairments, upon request, this may include materials in braille or on tape.

**Terminations and Higher Rent Payments.** Twelve months after the second consecutive over income finding, if the family is still over-income, the family is subject to termination or higher rental payments. Families not permitted to stay will their tenancy terminated no later than six months after the second over-income finding.
Chapter 10

PETS
[24 CFR 5, Subpart C; 24 CFR 960, Subpart G]

INTRODUCTION
This chapter explains DHA's policies on the keeping of pets and any criteria or standards pertaining to the policies. The rules adopted are reasonably related to the legitimate interest of DHA to provide a decent, safe and sanitary living environment for all tenants, and to protect and preserve the physical condition of the property, as well as the financial interest of DHA.

The chapter is organized as follows:

Part I: Assistance Animals. This part explains the difference between assistance animals and pets and contains policies related to the designation of an assistance animal as well as their care and handling.

Part II: Pet policies for all developments. This part includes pet policies that are common to both elderly/disabled developments and general occupancy developments.

Part III: Pet fees for elderly/disabled developments. This part contains policies for pet fees that are applicable to elderly/disabled developments.

Part IV: Pet fees for general occupancy developments. This part contains policies for pet fees that are applicable to general occupancy developments.

PART I: ASSISTANCE ANIMALS
[Section 504; Fair Housing Act (42 U.S.C.); 24 CFR 5.303]

10-I.A. OVERVIEW
This part discusses situations under which permission for an assistance animal may be denied, and also establishes standards for the care of assistance animals.

Assistance animals are animals that work, provide assistance, or perform tasks for the benefit of a person with a disability, or that provide emotional support that alleviates one or more identified symptoms or effects of a person's disability. Assistance animals – often referred to as “service animals,” “assistive animals,” “support animals,” or “therapy animals” – perform many disability-related functions, including but not limited to the following:

- Guiding individuals who are blind or have low vision
- Alerting individuals who are deaf or hearing impaired
- Providing minimal protection or rescue assistance
- Pulling a wheelchair
- Fetching items
- Alerting persons to impending seizures
- Providing emotional support to persons with disabilities who have a disability-related need for such support

Assistance animals that are needed as a reasonable accommodation for persons with disabilities are not considered pets, and thus, are not subject to DHA’s pet policies described in Parts II through IV of this chapter [24 CFR 5.303; 960.705].

10-I.B. APPROVAL OF ASSISTANCE ANIMALS
A person with a disability is not automatically entitled to have an assistance animal. Reasonable accommodation requires that there is a relationship between the person’s disability and his or her need for the animal [PH Occ GB, p. 179].

A DHA may not refuse to allow a person with a disability to have an assistance animal merely because the animal does not have formal training. Some, but not all, animals that assist persons with disabilities are professionally trained. Other assistance animals are trained by the owners themselves and, in some cases, no special training is required. The question is whether or not the animal performs the assistance or provides the benefit needed by the person with the disability [PH Occ GB, p. 178].

A DHA’s refusal to permit persons with a disability to use and live with an assistance animal that is needed to assist them, would violate Section 504 of the Rehabilitation Act and the Fair Housing Act unless [PH Occ GB, p. 179]:

- There is reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation
- There is reliable objective evidence that the animal would cause substantial physical damage to the property of others

PHA’s have the authority to regulate assistance animals under applicable federal, state, and local law [24 CFR 5.303(b)(3); 960.705(b)(3)].

DHA Policy
For an animal to be excluded from the pet policy and be considered an assistance animal, there must be a person with disabilities in the household, and the family must request and DHA approve a reasonable accommodation in accordance with the policies contained in Chapter 2.
10-I.C. CARE AND HANDLING
HUD regulations do not affect any authority a DHA may have to regulate assistance animals under federal, state, and local law [24 CFR 5.303; 24 CFR 960.705].

DHA Policy
Residents must care for assistance animals in a manner that complies with state and local laws, including anti-cruelty laws.

Residents must ensure that assistance animals do not pose a direct threat to the health or safety of others, or cause substantial physical damage to the development, dwelling unit, or property of other residents.

When a resident’s care or handling of an assistance animal violates these policies, DHA will consider whether the violation could be reduced or eliminated by a reasonable accommodation. If DHA determines that no such accommodation can be made, DHA may withdraw the approval of a particular assistance animal.

PART II: PET POLICIES FOR ALL DEVELOPMENTS
[24 CFR 5, Subpart C; 24 CFR 960, Subpart G]

10-II.A. OVERVIEW
The purpose of a pet policy is to establish clear guidelines for ownership of pets and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets. This part contains pet policies that apply to all developments.

10-II.B. MANAGEMENT APPROVAL OF PETS

Registration of Pets
DHA require registration of the pet with DHA [24 CFR 960.707(b)(5)].

DHA Policy
Pets must be registered with DHA before they are brought onto the premises.

Registration includes documentation signed by a licensed veterinarian or state/local authority that the pet has received all inoculations required by state or local law, and that the pet has no communicable disease(s) and is pest-free. This registration must be renewed annually and will be coordinated with the annual reexamination date. Pets will not be approved to reside in a unit until completion of the registration requirements.
Refusal to Register Pets

DHA Policy

DHA will refuse to register a pet if:

- The pet is not a common household pet as defined in Section 10-II.C.
- Keeping the pet would violate any pet restrictions listed in this policy
- The pet owner fails to provide complete pet registration information, or fails to update the registration annually
- The applicant has previously been charged with animal cruelty under state or local law; or has been evicted, had to relinquish a pet or been prohibited from future pet ownership due to pet rule violations or a court order
- DHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.

If DHA refuses to register a pet, a written notification will be sent to the pet owner within 10 business days of DHA’s decision. The notice will state the reason for refusing to register the pet and will inform the family of their right to appeal the decision in accordance with DHA’s grievance procedures.

Pet Agreement

DHA Policy

Residents who have been approved to have a pet must enter into a pet agreement with DHA, or the approval of the pet will be withdrawn.

The pet agreement is the resident’s certification that he or she has received a copy of DHA’s pet policy and applicable house rules, that he or she has read the policies and/or rules, understands them, and agrees to comply with them.

The resident further certifies by signing the pet agreement that he or she understands that noncompliance with DHA’s pet policy and applicable house rules may result in the withdrawal of DHA approval of the pet or termination of tenancy.

10-II.C. STANDARDS FOR PETS [24 CFR 5.318; 960.707(b)]

PHA’s may establish reasonable requirements related to pet ownership including, but not limited to:

- Limitations on the number of animals in a unit, based on unit size
- Prohibitions on types of animals that DHA classifies as dangerous, provided that such classifications are consistent with applicable state and local law
• Prohibitions on individual animals, based on certain factors, including the size and weight of the animal
• Requiring pet owners to have their pets spayed or neutered

PHA’s may not require pet owners to have any pet’s vocal cords removed.

Definition of “Common Household Pet”
There is no regulatory definition of common household pet for public housing programs, although the regulations for pet ownership in both elderly/disabled and general occupancy developments use the term. The regulations for pet ownership in elderly/disabled developments expressly authorize PHA’s to define the term [24 CFR 5.306(2)].

DHA Policy

Common household pet means a domesticated animal, such as a dog, cat, bird, or fish that is traditionally recognized as a companion animal and is kept in the home for pleasure rather than commercial purposes.

The following animals are not considered common household pets:
• Reptiles
• Rodents
• Insects
• Arachnids
• Wild animals or feral animals
• Pot-bellied pigs
• Animals used for commercial breeding

Pet Restrictions
DHA Policy

The following animals are not permitted:
• Any animal whose adult weight will exceed 25 pounds.
• Dogs of the pit bull, rottweiler, chow, doberman, or boxer breeds
• Ferrets or other animals whose natural protective mechanisms pose a risk to small children of serious bites or lacerations
• Any animal not permitted under state or local law or code

Number of Pets
DHA Policy

Residents may own a maximum of two pets, only one of which may be a dog.

In the case of fish, residents may keep no more than can be maintained in a safe and healthy manner in a tank holding up to 10 gallons. Such a tank or aquarium will be counted as one pet.
Other Requirements
DHA Policy
Dogs and cats must be spayed or neutered at the time of registration or, in the case of underage animals, within 30 days of the pet reaching 6 months of age. Exceptions may be made upon veterinary certification that subjecting this particular pet to the procedure would be temporarily or permanently medically unsafe or unnecessary.

Pets must be licensed in accordance with state or local law. Residents must provide proof of licensing at the time of registration and annually, in conjunction with the resident’s annual reexamination.

10-II.D. PET RULES
Pet owners must maintain pets responsibly, in accordance with DHA policies, and in compliance with applicable state and local public health, animal control, and animal cruelty laws and regulations [24 CFR 5.315; 24 CFR 960.707(a)].

Pet Area Restrictions
DHA Policy
Pets must be maintained within the resident’s unit. When outside of the unit (within the building or on the grounds) dogs and cats must be kept on a leash or carried and under the control of the resident or other responsible individual at all times.

Pets other than dogs or cats must be kept in a cage or carrier when outside of the unit.

Pets are not permitted in common areas including lobbies, community rooms and laundry areas except for those common areas which are entrances to and exits from the building.

Pet owners are not permitted to exercise pets or permit pets to deposit waste on project premises outside of the areas designated for such purposes.

Designated Pet/No-Pet Areas [24 CFR 5.318(g), PH Occ GB, p. 182]
PHA’s may designate buildings, floors of buildings, or sections of buildings as no-pet areas where pets generally may not be permitted. Pet rules may also designate buildings, floors of building, or sections of building for residency by pet-owning tenants.

PHA’s may direct initial tenant moves as may be necessary to establish pet and no-pet areas. DHA may not refuse to admit, or delay admission of, an applicant on the grounds that the applicant’s admission would violate a pet or no-pet area. DHA may adjust the pet and no-pet areas or may direct such additional moves as may be necessary to accommodate such applicants for tenancy or to meet the changing needs of the existing tenants.
PHA’s may not designate an entire development as a no-pet area, since regulations permit residents to own pets.

**DHA Policy**
With the exception of common areas as described in the previous policy, DHA has not designated any buildings, floors of buildings, or sections of buildings as no-pet areas. In addition, DHA has not designated any buildings, floors of buildings, or sections of buildings for residency of pet-owning tenants.

**Cleanliness**

**DHA Policy**
The pet owner shall be responsible for the removal of waste from the exercise area by placing it in a sealed plastic bag and disposing of it in a container provided by DHA.

The pet owner shall take adequate precautions to eliminate any pet odors within or around the unit and to maintain the unit in a sanitary condition at all times.

Litter box requirements:
- Pet owners must promptly dispose of waste from litter boxes and must maintain litter boxes in a sanitary manner.
- Litter shall not be disposed of by being flushed through a toilet.
- Litter boxes shall be kept inside the resident's dwelling unit.

**Alterations to Unit**

**DHA Policy**
Pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal. Installation of pet doors is prohibited.

**Noise**

**DHA Policy**
Pet owners must agree to control the noise of pets so that such noise does not constitute a nuisance to other residents or interrupt their peaceful enjoyment of their housing unit or premises. This includes, but is not limited to loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

**Pet Care**

**DHA Policy**
Each pet owner shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet.

Each pet owner shall be responsible for appropriately training and caring for his/her pet to ensure that the pet is not a nuisance or danger to other residents and does not damage DHA property. No animal may be tethered or chained inside or outside the dwelling unit at any time.
**Responsible Parties**

**DHA Policy**

The pet owner will be required to designate two responsible parties for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet.

A resident who cares for another resident's pet must notify DHA and sign a statement that they agree to abide by all of the pet rules.

**Pets Temporarily on the Premises**

**DHA Policy**

Pets that are not owned by a tenant are not allowed on the premises. Residents are prohibited from feeding or harboring stray animals.

This rule does not apply to visiting pet programs sponsored by a humane society or other non-profit organizations, and approved by DHA.

**Pet Rule Violations**

**DHA Policy**

All complaints of cruelty and all dog bites will be referred to animal control or an applicable agency for investigation and enforcement.

If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the pet rules, written notice will be served.

The notice will contain a brief statement of the factual basis for the determination and the pet rule(s) that were violated. The notice will also state:

- That the pet owner has 10 business days from the effective date of the service of notice to correct the violation or make written request for a meeting to discuss the violation
- That the pet owner is entitled to be accompanied by another person of his or her choice at the meeting
- That the pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to remove the pet, or to terminate the pet owner's tenancy

**Notice for Pet Removal**

**DHA Policy**

If the pet owner and DHA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by DHA, DHA may serve notice to remove the pet.
The notice will contain:
- A brief statement of the factual basis for DHA's determination of the pet rule that has been violated
- The requirement that the resident/pet owner must remove the pet within 30 calendar days of the notice
- A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures

**Pet Removal**

**DHA Policy**

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the responsible party designated by the pet owner.

If the responsible party is unwilling or unable to care for the pet, or if DHA after reasonable efforts cannot contact the responsible party, DHA may contact the appropriate state or local agency and request the removal of the pet.

**Termination of Tenancy**

**DHA Policy**

DHA may initiate procedures for termination of tenancy based on a pet rule violation if:
- The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified.
- The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

** Emergencies**

**DHA Policy**

DHA will take all necessary steps to ensure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are immediately removed from the premises by referring the situation to the appropriate state or local entity authorized to remove such animals.

If it is necessary for DHA to place the pet in a shelter facility, the cost will be the responsibility of the pet owner.

If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.
PART III: PET FEES IN ELDERLY/DISABLED DEVELOPMENTS

10-III.A. OVERVIEW
This part describes DHA’s policies for pet fees in elderly, disabled and mixed population developments. Policies governing fees in general occupancy developments are described in Part IV.

10-III.B. PET FEES

Payment of Fee
DHA may require tenants who own or keep pets in their units to pay a non-refundable pet fee. This fee is in addition to any other financial obligation generally imposed on tenants of the project [24 CFR 5.318(d)(1)].

The maximum amount of pet fee that may be charged by a DHA on a per dwelling unit basis, is the higher of the total tenant payment (TTP) or such reasonable fixed amount as DHA may require. DHA may permit gradual accumulation of the pet fee by the pet owner [24 CFR 5.318(d)(3)].

The pet fee is not part of the rent payable by the resident [24 CFR 5.318(d)(5)].

DHA Policy
Pet owners are required to pay a pet fee in addition to any other required fees. The amount of the fee is the higher of the family’s total tenant payment or $300.00, and must be paid in full before the pet is brought on the premises.

Refund of Fee [24 CFR 5.318(d)(1)]
DHA may use the pet fee only to pay reasonable expenses directly attributable to the presence of the pet, including (but not limited to) the costs of repairs and replacements to, and fumigation of, the tenant’s dwelling unit.

DHA Policy
The pet fee is non-refundable. The resident will be billed for any amount that exceeds the pet fee.

10-III.C. OTHER CHARGES

Pet-Related Damages During Occupancy
DHA Policy
All reasonable expenses incurred by DHA as a result of damages directly attributable to the presence of the pet in the project will be the responsibility of the resident, including:
• The cost of repairs and replacements to the resident’s dwelling unit
• Fumigation of the dwelling unit
• Repairs to common areas of the project

The expense of flea elimination shall also be the responsibility of the resident.

If the resident is in occupancy when such costs occur, the resident shall be billed for such costs in accordance with the policies in Section 8-I.G, Maintenance and Damage Charges. Pet fee will not be applied to the costs of pet-related damages during occupancy.

Charges for pet-related damage are not part of rent payable by the resident.

**Pet Waste Removal Charge**

The regulations do not address DHA’s ability to impose charges for house pet rule violations. However, charges for violation of DHA pet rules may be treated like charges for other violations of the lease and DHA tenancy rules.

**DHA Policy**

A separate pet waste removal charge of $10.00 per occurrence will be assessed against pet owners who fail to remove pet waste in accordance with this policy.

Notices of pet waste removal charges will be in accordance with requirements regarding notices of adverse action. Charges are due and payable 14 calendar days after billing. If the family requests a grievance hearing within the required timeframe, DHA may not take action for nonpayment of the charge until the conclusion of the grievance process.

Charges for pet waste removal are not part of rent payable by the resident.

**PART IV: PET FEES IN GENERAL OCCUPANCY DEVELOPMENTS**

**10-IV.A. OVERVIEW**

This part describes DHA’s policies for pet fees for those who reside in general occupancy developments.

**10-IV.B. PET FEE**

A DHA may require a **non-refundable** pet fee to cover additional costs attributable to the pet and not otherwise covered [24 CFR 960.707(b)(1)].
Payment of Fee
DHA Policy
Pet owners are required to pay a pet fee of $300 in addition to any other required fee. The fee must be paid in full before the pet is brought on the premises. The pet fee is not part of rent payable by the resident.

Refund of Fee
DHA Policy
The pet fee is non-refundable. The resident will be billed for any amount that exceeds the pet fee.

10-IV.C. NON-REFUNDABLE NOMINAL PET FEE
DHA require payment of a non-refundable nominal pet fee to cover the reasonable operating costs to the development relating to the presence of pets [24 CFR 960.707(b)(1)].

DHA Policy
DHA requires pet owners to pay a non-refundable nominal pet fee.

This fee is intended to cover the reasonable operating costs to the project relating to the presence of pets. Reasonable operating costs to the project relating to the presence of pets include, but are not limited to:

- Landscaping costs
- Pest control costs
- Insurance costs
- Clean-up costs

Charges for the non-refundable pet fee are not part of rent payable by the resident.

10-IV.D. OTHER CHARGES

Pet-Related Damages During Occupancy
DHA Policy
All reasonable expenses incurred by DHA as a result of damages directly attributable to the presence of the pet in the project will be the responsibility of the resident, including:

- The cost of repairs and replacements to the resident's dwelling unit
- Fumigation of the dwelling unit
- Repairs to common areas of the project

The expense of flea elimination shall also be the responsibility of the resident.
If the resident is in occupancy when such costs occur, the resident shall be billed for such costs in accordance with the policies in Section 8-I.G, Maintenance and Damage Charges. Pet fees will not be applied to the costs of pet-related damages during occupancy. Charges for pet-related damage are not part of rent payable by the resident.

**Pet Waste Removal Charge**
The regulations do not address DHA’s ability to impose charges for house pet rule violations. However, charges for violation of DHA pet rules may be treated like charges for other violations of the lease and DHA tenancy rules.

**DHA Policy**
A separate pet waste removal charge of $10.00 per occurrence will be assessed against pet owners who fail to remove pet waste in accordance with this policy.

Such charges will be due and payable 30 calendar days after billing.

Charges for pet waste removal are not part of rent payable by the resident.
Chapter 11

COMMUNITY SERVICE

INTRODUCTION
This chapter explains HUD regulations requiring PHA’s to implement a community service program for all non-exempt adults living in public housing.

This chapter describes HUD regulations and DHA policies related to these topics in two parts:

Part I: Community Service Requirements. This part describes who is subject to the community service requirement, who is exempt, and HUD’s definition of economic self-sufficiency.

Part II: DHA Implementation of Community Service. This part provides DHA policy regarding DHA implementation and program design.

PART I: COMMUNITY SERVICE REQUIREMENT

11-I.A. OVERVIEW
HUD regulations pertaining to the community service requirement are contained in 24 CFR 960 Subpart F (960.600 through 960.609). PHA’s and residents must comply with the community service requirement, effective with DHA fiscal years that commenced on or after October 1, 2000. Per 903.7(l)(1)(iii), DHA Plan must contain a statement of the how DHA will comply with the community service requirement, including any cooperative agreement that DHA has entered into or plans to enter into.

Community service is the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities [24 CFR 960.601(b)].

In administering community service requirements, DHA must comply with all nondiscrimination and equal opportunity requirements [24 CFR 960.605(c)(5)].

11-I.B. REQUIREMENTS
Each adult resident of DHA, who is not exempt, must [24 CFR 960.603(a)]:

- Contribute 8 hours per month of community service; or
- Participate in an economic self-sufficiency program (as defined in the regulations) for 8 hours per month; or
- Perform 8 hours per month of combined activities (community service and economic self-sufficiency programs).
DHA Policy
An individual may not skip a month and then double up the following month, unless special circumstances warrant it. DHA will make the determination of whether to permit a deviation from the schedule.

Individuals who have special circumstances which they believe will prevent them from completing the required community service hours for a given month, must notify DHA in writing within 5 business days of the circumstances becoming known. DHA will review the request and notify the individual, in writing, of its determination within 10 business days. DHA may require those individuals to provide documentation to support their claim.

Definitions
Exempt Individual [24 CFR 960.601(b), Notice PIH 2009-48]
An exempt individual is an adult who:

• Is age 62 years or older
• Is blind or disabled (as defined under section 216[i][i] or 1614 of the Social Security Act), and who certifies that because of this disability s/he is unable to comply with the service provisions
• Is a primary caretaker of such an individual
• Is engaged in work activities

DHA Policy
DHA will consider 20 hours per week as the minimum number of hours needed to qualify for a work activity exemption.

• Meets the requirements for being exempted from having to engage in a work activity under the state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state in which DHA is located, including a state-administered welfare-to-work program; or
• Is in a family receiving assistance under a state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state in which DHA is located, including a state-administered welfare-to-work program, and has not been found by the state or other administering entity to be in noncompliance with such program.

Community Service [PH Occ GB, p. 174, Notice PIH 2009-48]
Community service is the performance of volunteer work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities.

Eligible community service activities include, but are not limited to:

• Local public or nonprofit institutions such as schools, head start programs, before or
after school programs, child care centers, hospitals, clinics, hospices, nursing homes, recreation centers, senior centers, adult day care programs, homeless shelters, feeding programs, food banks (distributing either donated or commodity foods), or clothes closets (distributing donated clothing)

- Nonprofit organizations serving PHA residents or their children such as: Boy or Girl Scouts, Boys or Girls Club, 4-H clubs, Police Assistance League (PAL), organized children’s recreation, mentoring or education programs, Big Brothers or Big Sisters, garden centers, community clean-up programs, beautification programs

- Programs funded under the Older Americans Act, such as Green Thumb, Service Corps of RetiredExecutives, senior meals programs, senior centers, Meals on Wheels

- Public or nonprofit organizations dedicated to seniors, youth, children, residents, citizens, special-needs populations or with missions to enhance the environment, historic resources, cultural identities, neighborhoods, or performing arts

- PHA housing to improve grounds or provide gardens (so long as such work does not alter the PHA’s insurance coverage); or work through resident organizations to help other residents with problems, including serving on the Resident Advisory Board

- Care for the children of other residents so parent may volunteer

DHA may form their own policy in regards to accepting community services at profit-motivated entities, acceptance of volunteer work performed at homes or offices of general private citizens, and court-ordered or probation-based work.

**Economic Self-Sufficiency Program [24 CFR 5.603(b), Notice PIH 2009-48]**

For purposes of satisfying the community service requirement, an economic self-sufficiency program is defined by HUD as: Any program designed to encourage, assist, train, or facilitate economic independence of assisted families or to provide work for such families.

These economic self-sufficiency programs can include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeships (formal or informal), or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

**Work Activities [42 U.S.C. 607(d)]**

As it relates to an exemption from the community service requirement, work activities means:

- Unsubsidized employment
- Subsidized private sector employment
- Subsidized public sector employment
- Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available
- On-the-job training
• Job search and job readiness assistance
• Community service programs
• Vocational educational training (not to exceed 12 months with respect to any individual)
• Job skills training directly related to employment
• Education directly related to employment, in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency
• Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate
• Provision of child care services to an individual who is participating in a community service program

Notification Requirements [24 CFR 960.605(c)(2), Notice PIH 2009-48]

DHA must give each family a written description of the community service requirement, the process for claiming status as an exempt person, and the process for DHA verification of exempt status. DHA must also notify the family of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt. In addition, the family must sign a certification, Attachment A of Notice PIH 2009-48, that they have received and read the policy and understand that if they are not exempt, failure to comply with the requirement will result in nonrenewal of their lease.

DHA Policy
DHA will provide the family with a copy of the Community Service Policy found in Exhibit 11-1 of this chapter, at lease-up, lease renewal, when a family member is determined to be subject to the community service requirement during the lease term, and at any time upon the family's request.

On an annual basis, at the time of lease renewal, DHA will notify the family in writing of the family members who are subject to the community service requirement and the family members who are exempt. If the family includes non-exempt individuals the notice will include a list of agencies in the community that provide volunteer and/or training opportunities, as well as a documentation form on which they may record the activities they perform and the number of hours contributed. The form will also have a place for a signature by an appropriate official, who will certify to the activities and hours completed.

11-I.C. DETERMINATION OF EXEMPTION STATUS AND COMPLIANCE [24 CFR 960.605(c)(3)]

DHA must review and verify family compliance with service requirements annually at least thirty days before the end of the twelve-month lease term. The policy for
documentation and verification of compliance with service requirements may be found at Section 11-I.D., Documentation and Verification.

DHA Policy
Where the lease term does not coincide with the effective date of the annual reexamination, DHA will change the effective date of the annual reexamination to coincide with the lease term. In making this change, DHA will ensure that the annual reexamination is conducted within 12 months of the last annual reexamination.

Annual Determination

Determination of Exemption Status
An exempt individual is excused from the community service requirement [24 CFR 960.603(a)].

DHA Policy
At least 60 days prior to lease renewal, DHA will review and verify the exemption status of all adult family members. This verification will only be done on an annual basis unless the family reports a change or DHA has reason to believe that an individual’s exemption status has changed. For individuals who are exempt because they are 62 years of age and older, verification of exemption status will be done only at the initial examination.

Upon completion of the verification process, DHA will notify the family of its determination in accordance with the policy in Section 11-I.B., Notification Requirements.

Determination of Compliance
DHA must review resident family compliance with service requirements annually at least thirty days before the end of the twelve month lease term [24 CFR 960.605(c)(3)]. As part of this review, DHA must verify that any family member that is not exempt from the community service requirement has met his or her service obligation.

DHA Policy
Approximately 60 days prior to the end of the lease term, DHA will provide written notice requiring the family to submit documentation that all subject family members have complied with the service requirement. The family will have 10 business days to submit DHA required documentation form(s).

If the family fails to submit the required documentation within the required timeframe, or DHA approved extension, the subject family members will be considered noncompliant with community service requirements, and notices of noncompliance will be issued pursuant to the policies in Section 11-I.E., Noncompliance.

Change in Status Between Annual Determinations
**DHA Policy**

**Exempt to Non-Exempt Status:**
If an exempt individual becomes non-exempt during the twelve-month lease term, it is the family’s responsibility to report this change to DHA within 10 business days.

Within 10 business days of a family reporting such a change, or DHA determining such a change is necessary, DHA will provide written notice of the effective date of the requirement, a list of agencies in the community that provide volunteer and/or training opportunities, as well as a documentation form on which the family member may record the activities performed and number of hours contributed.

The effective date of the community service requirement will be the first of the month following 30-day notice.

**Non-Exempt to Exempt Status:**
If a non-exempt person becomes exempt during the twelve-month lease term, it is the family’s responsibility to report this change to DHA within 10 business days. Any claim of exemption will be verified by DHA in accordance with the policy at 11-I.D., Documentation and Verification of Exemption Status.

Within 10 business days of a family reporting such a change, or DHA determining such a change is necessary, DHA will provide the family written notice that the family member is no longer subject to the community service requirement, if DHA is able to verify the exemption.

The exemption will be effective immediately.

**11-I.D. DOCUMENTATION AND VERIFICATION [24 CFR 960.605(c)(4)]**
DHA must retain reasonable documentation of service requirement performance or exemption in participant files.

**Documentation and Verification of Exemption Status**

**DHA Policy**
All family members who claim they are exempt from the community service requirement will be required to sign the community service exemption certification form found in Exhibit 11-3. DHA will provide a completed copy to the family and will keep a copy in the tenant file.

DHA will verify that an individual is exempt from the community service requirement by following the verification hierarchy and documentation requirements in Chapter 7.
DHA makes the final determination whether or not to grant an exemption from the community service requirement. If a resident does not agree with DHA’s determination, s/he can dispute the decision through DHA’s grievance procedures (see Chapter 14).

Documentation and Verification of Compliance
If qualifying community service activities are administered by an organization other than DHA, a family member who is required to fulfill a service requirement must provide certification to DHA, signed by the organization, that the family member has performed the qualifying activities [24 CFR 960.607].

DHA Policy
If anyone in the family is subject to the community service requirement, DHA will provide the family with community service documentation forms at admission, at lease renewal, when a family member becomes subject to the community service requirement during the lease term, or upon request by the family.

Each individual who is subject to the requirement will be required to record their community service or self-sufficiency activities and the number of hours contributed on the required form. The certification form will also include places for signatures and phone numbers of supervisors, instructors, and counselors certifying to the number of hours contributed.

Families will be required to submit the documentation to DHA, upon request by DHA.

If DHA has reasonable cause to believe that the certification provided by the family is false or fraudulent, DHA has the right to require third-party verification.

11-I.E. NONCOMPLIANCE

Initial Noncompliance
The lease specifies that it is renewed automatically for all purposes, unless the family fails to comply with the community service requirement. Violation of the service requirement is grounds for non-renewal of the lease at the end of the twelve month lease term, but not for termination of tenancy during the course of the twelve month lease term [24 CFR 960.603(b)].

If the tenant or another family member has violated the community service requirement, DHA may not renew the lease upon expiration of the twelve-month term of the lease, unless the tenant and any other noncompliant family member enter into a written agreement with DHA. Under this agreement the tenant or noncompliant family member must agree to cure the noncompliance by completing the additional hours of community service or economic self-sufficiency needed to make up the total number of hours required, over the twelve-month term of the new lease. In addition, all other members of
the family who are subject to the service requirement must be currently complying with the service requirement or must no longer be residing in the unit [24 CFR 960.607(c)].

**Notice of Initial Noncompliance [24 CFR 960.607(b)]**

If DHA determines that there is a family member who is required to fulfill a service requirement, but who has failed to comply with this obligation (noncompliant resident), DHA must notify the tenant of this determination.

The notice to the tenant must briefly describe the noncompliance. The notice must state that DHA will not renew the lease at the end of the twelve-month lease term unless the tenant, and any other noncompliant resident, enter into a written agreement with DHA to cure the noncompliance, or the family provides written assurance satisfactory to DHA that the tenant or other noncompliant resident no longer resides in the unit.

The notice must also state that the tenant may request a grievance hearing on DHA’s determination, in accordance with DHA’s grievance procedures, and that the tenant may exercise any available judicial remedy to seek timely redress for DHA’s non-renewal of the lease because of DHA’s determination.

**DHA Policy**

The notice of initial noncompliance will be sent at least 45 days prior to the end of the lease term.

The family will have 10 business days from the date of the notice of noncompliance to enter into a written agreement to cure the noncompliance over the 12-month term of the new lease, provide documentation that the noncompliant resident no longer resides in the unit, or to request a grievance hearing.

If the family reports that a noncompliant family member is no longer residing in the unit, the family must provide documentation that the family member has actually vacated the unit before DHA will agree to continued occupancy of the family. Documentation must consist of a certification signed by the head of household as well as evidence of the current address of the family member that previously resided with them.

If the family does not request a grievance hearing, or does not take either corrective action required by the notice of noncompliance within the required 10 business day timeframe, DHA will terminate tenancy in accordance with the policies in Section 13-IV.D.

**Continued Noncompliance [24 CFR 960.607(b)]**

If, after the 12-month cure period, the family member is still not compliant, DHA must terminate tenancy of the entire family, according to DHA’s lease, unless the family provides documentation that the noncompliant resident no longer resides in the unit.
DHA Policy
Notices of continued noncompliance will be sent at least 30 days prior to the end of the lease term and will also serve as the family’s termination notice. The notice will meet the requirements for termination notices described in Section 13-IV.D, Form, Delivery, and Content of the Notice.

The family will have 10 business days from the date of the notice of non-compliance to provide documentation that the noncompliant resident no longer resides in the unit, or to request a grievance hearing.

If the family reports that a noncompliant family member is no longer residing in the unit, the family must provide documentation that the family member has actually vacated the unit before DHA will agree to continued occupancy of the family. Documentation must consist of a certification signed by the head of household as well as evidence of the current address of the noncompliant family member that previously resided with them.

If the family does not request a grievance hearing, or provide such documentation within the required 10-business day timeframe, the family’s lease and tenancy will automatically terminate at the end of the current lease term without further notice.

PART II: IMPLEMENTATION OF COMMUNITY SERVICE

11-II.A. OVERVIEW
Each PHA must develop a policy for administration of the community service and economic self-sufficiency requirements for public housing. It is in DHA’s best interests to develop a viable, effective community service program, to provide residents the opportunity to engage in the community and to develop competencies.

DHA Implementation of Community Service
DHA may not substitute any community service or self-sufficiency activities performed by residents for work ordinarily performed by DHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement [24 CFR 960.609].

DHA Policy
DHA will notify its insurance company if residents will be performing community service at DHA. In addition, DHA will ensure that the conditions under which the work is to be performed are not hazardous.
If a disabled resident certifies that s/he is able to perform community service, DHA will ensure that requests for reasonable accommodation are handled in accordance with the policies in Chapter 2.

**DHA Program Design**
DHA may administer qualifying community service or economic self-sufficiency activities directly, or may make community service activities available through a contractor, or through partnerships with qualified organizations, including resident organizations, and community agencies or institutions [24 CFR 960.605(b)].

**DHA Policy**
DHA will attempt to provide the broadest choice possible to residents as they choose community service activities.

DHA’s goal is to design a service program that gives residents viable opportunities to become involved in the community and to gain competencies and skills. DHA will work with resident organizations and community organizations to design, implement, assess and recalibrate its community service program. Participation in Resident Council Activities shall count as Community Service Volunteer Hours.

DHA will make every effort to identify volunteer opportunities throughout the community, especially those in proximity to public housing developments. To the greatest extent possible, DHA will provide names and contacts at agencies that can provide opportunities for residents, including persons with disabilities, to fulfill their community service obligations.

Any written agreements or partnerships with contractors and/or qualified organizations, including resident organizations, are described in DHA Plan. DHA will provide in-house opportunities for volunteer work or self-sufficiency programs when possible.
EXHIBIT 11-1: COMMUNITY SERVICE AND SELF-SUFFICIENCY POLICY

A. Background
The Quality Housing and Work Responsibility Act of 1998 requires that all non-exempt (see definitions) public housing adult residents (18 or older) contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities that help an individual toward self-sufficiency and economic independence. This is a requirement of the public housing lease.

B. Definitions

Community Service – volunteer work, which includes, but is not limited to:
- Work at a local institution, including but not limited to: school, childcare center, hospital, hospice, recreation center, senior center, adult day care center, homeless shelter, indigent feeding program, cooperative food bank, etc.
- Work with a nonprofit organization such as: Parks and Recreation, United Way, Red Cross, Volunteers of America, Boy Scouts, Girl Scouts, Boys or Girls Clubs, 4-H Program, PAL, Garden Center, community clean-up programs, beautification programs, other counseling, aid, youth or senior organizations
- Work at the housing authority to help with litter control
- Work at the housing authority to help with children’s programs
- Work at the housing authority to help with senior programs
- Helping neighborhood groups with special projects
- Working through a resident organization to help other residents with problems
- Serving as an officer in a resident organization
- Serving on the Resident Advisory Board
- Caring for children of other residents so they may volunteer

NOTE: Political activity is excluded.

Self-Sufficiency Activities – activities that include, but are not limited to:
- Job readiness programs
- Job training programs
- GED classes
- Substance abuse or mental health counseling
- English proficiency or literacy (reading) classes
- Apprenticeships
- Budgeting and credit counseling
- Any kind of class that helps a person toward economic independence
- Student status at any school, college or vocation school

Exempt Adult – an adult member of the family who meets any of the following criteria:
- Is 62 years of age or older
- Is blind or a person with disabilities (as defined under section 216][i][l] or 1614 of the Social Security Act), and who certifies that because of this disability he or she is unable to comply with the service provisions, or is the primary caretaker of
such an individuals
• Is working at least 30 hours per week
• Meets the requirements for being exempted from having to engage in a work activity under TANF or any other State welfare program including a State-administered welfare-to-work program
• Is a member of a family receiving assistance, benefits or services under TANF or any other State welfare program and has not been found to be in noncompliance with such program

C. Requirements of the Program
1. The eight (8) hours per month may be either volunteer work or self-sufficiency program activity, or a combination of the two.

2. At least eight (8) hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. The housing authority will make the determination of whether to allow or disallow a deviation from the schedule based on a family’s written request.

3. Family obligation:
   • At lease execution, all adult members (18 or older) of a public housing resident family must:
     − Sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the community service requirement will result in a non-renewal of their lease; and
     − Declare if they are exempt. If exempt, they must complete the Exemption Form (Exhibit 11-3) and provide documentation of the exemption.
   • Upon written notice from DHA, non-exempt family members must present complete documentation of activities performed during the applicable lease term. This documentation will include places for signatures of supervisors, instructors, or counselors, certifying to the number of hours contributed.
   • If a family member is found to be noncompliant at the end of the 12-month lease term, he or she, and the head of household, will be required to sign an agreement with the housing authority to make up the deficient hours over the next twelve (12) month period, as a condition of continued occupancy.

4. Change in exempt status:
   • If, during the twelve (12) month lease period, a non-exempt person becomes exempt, it is his or her responsibility to report this to DHA and provide documentation of exempt status.
   • If, during the twelve (12) month lease period, an exempt person becomes non-exempt, it is his or her responsibility to report this to DHA. Upon receipt of this information DHA will provide the person with the appropriate documentation form(s) and a list of agencies in the community that provide volunteer and/or training opportunities.
D. Authority Obligation

1. To the greatest extent possible and practicable, DHA will:
   • Provide names and contacts at agencies that can provide opportunities for residents, including residents with disabilities, to fulfill their community service obligations.
   • Provide in-house opportunities for volunteer work or self-sufficiency activities.

2. DHA will provide the family with a copy of this policy, and all applicable exemption verification forms and community service documentation forms, at lease-up, lease renewal, when a family member becomes subject to the community service requirement during the lease term, and at any time upon the family’s request.

3. Although exempt family members will be required to submit documentation to support their exemption, DHA will verify the exemption status in accordance with its verification policies. DHA will make the final determination as to whether or not a family member is exempt from the community service requirement. Residents may use DHA’s grievance procedure if they disagree with DHA’s determination.

4. Noncompliance of family member:
   • At least thirty(30) days prior to the end of the 12-month lease term, DHA will begin reviewing the exempt or non-exempt status and compliance of family members;
   • If, at the end of the initial 12-month lease term under which a family member is subject to the community service requirement, DHA finds the family member to be noncompliant, DHA will not renew the lease unless:
     – The head of household and any other noncompliant resident enter into a written agreement with DHA, to make up the deficient hours over the next twelve (12) month period; or
     – The family provides written documentation satisfactory to DHA that the noncompliant family member no longer resides in the unit.
   • If, at the end of the next 12-month lease term, the family member is still not compliant, a 30-day notice to terminate the lease will be issued and the entire family will have to vacate, unless the family provides written documentation satisfactory to DHA that the noncompliant family member no longer resides in the unit;
   • The family may use DHA’s grievance procedure to dispute the lease termination.
All adult family members must sign and date below, certifying that they have read and received a copy of this Community Service and Self-Sufficiency Policy.

EXHIBIT 11-2: DEFINITION OF A PERSON WITH A DISABILITY UNDER SOCIAL SECURITY ACTS 216(i)(1) and Section 1416(excerpt) FOR PURPOSES OF EXEMPTION FROM COMMUNITY SERVICE

Social Security Act:
216(i)(1): Except for purposes of sections 202(d), 202(e), 202(f), 223, and 225, the term “disability” means (A) inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, or (B) blindness; and the term “blindness” means central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for purposes of this paragraph as having a central visual acuity of 20/200 or less.

Section 1416 (excerpt):
SEC. 1614. [42 U.S.C. 1382c] (a)(1) For purposes of this title, the term “aged, blind, or disabled individual” means an individual who—
(A) is 65 years of age or older, is blind (as determined under paragraph (2)), or is disabled (as determined under paragraph (3)), and
(B)(i) is a resident of the United States, and is either (I) a citizen or (II) an alien lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law (including any alien who is lawfully present in the United States as a result of the application of the provisions of section 212(d)(5) of the Immigration and Nationality Act), or
(ii) is a child who is a citizen of the United States and who is living with a parent of the child who is a member of the Armed Forces of the United States assigned to permanent duty ashore outside the United States.

(2) An individual shall be considered to be blind for purposes of this title if he has central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for purposes of the first sentence of this subsection as having a central visual acuity of 20/200 or less. An individual shall also be considered to be blind for purposes of this title if he is blind as defined under a State plan approved under title X or XVI as in effect for October 1972 and received aid under such plan (on the basis of blindness) for December 1973, so long as he is continuously blind as so defined.

(3)(A) Except as provided in subparagraph (C), an individual shall be considered to be disabled for purposes of this title if he is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months.

TRANSFER POLICY

INTRODUCTION
This chapter explains DHA’s transfer policy, based on HUD regulations, HUD guidance, and DHA policy decisions.

This chapter describes HUD regulations and DHA policies related to transfers in four parts:

Part I: Emergency Transfers. This part describes emergency transfers, emergency transfer procedures, and payment of transfer costs.

Part II: DHA Required Transfers. This part describes types of transfers that may be required by DHA, notice requirements, and payment of transfer costs.

Part III: Transfers Requested by Residents. This part describes types of transfers that may be requested by residents, eligibility requirements, security deposits, payment of transfer costs, and handling of transfer requests.

Part IV: Transfer Processing. This part describes creating a waiting list, prioritizing transfer requests, the unit offer policy, examples of good cause, deconcentration, transferring to another development and reexamination.

DHA may require the tenant to move from the unit under some circumstances. There are also emergency circumstances under which alternate accommodations for the tenant must be provided, that may or may not require a transfer.

The tenant may also request a transfer, such as a request for a new unit as a reasonable accommodation.

DHA must have specific policies in place to deal with acceptable transfer requests.

PART I: EMERGENCY TRANSFERS

12-I.A. OVERVIEW
HUD categorizes certain actions as emergency transfers [PH Occ GB, p. 147]. The emergency transfer differs from a typical transfer in that it requires immediate action by DHA.

In the case of a genuine emergency, it may be unlikely that DHA will have the time or resources to immediately transfer a tenant. Due to the immediate need to vacate the unit, placing the tenant on a transfer waiting list would not be appropriate. Under such
circumstances, if an appropriate unit is not immediately available, DHA should find alternate accommodations for the tenant until the emergency passes, or a permanent solution, i.e., return to the unit or transfer to another unit, is reached.

12-I.B. EMERGENCY TRANSFERS
If the dwelling unit is damaged to the extent that conditions are created which are hazardous to life, health, or safety of the occupants, DHA must offer standard alternative accommodations, if available, where necessary repairs cannot be made within a reasonable time [24 CFR 966.4(h)].

DHA Policy
The following is considered an emergency circumstance warranting an immediate transfer of the tenant or family:

Maintenance conditions in the resident’s unit, building or at the site that pose an immediate, verifiable threat to the life, health or safety of the resident or family members that cannot be repaired or abated within 24 hours. Examples of such unit or building conditions would include: a gas leak; no heat in the building during the winter; no water; toxic contamination; and serious water leaks.

12-I.C. EMERGENCY TRANSFER PROCEDURES
DHA Policy
If the transfer is necessary because of maintenance conditions, and an appropriate unit is not immediately available, DHA will provide temporary accommodations to the tenant by arranging for temporary lodging at a hotel or similar location. If the conditions that required the transfer cannot be repaired, or the condition cannot be repaired in a reasonable amount of time, DHA will transfer the resident to the first available and appropriate unit after the temporary relocation.

Emergency transfers are mandatory for the tenant.

12-I.D. COSTS OF TRANSFER
DHA Policy
DHA will bear the reasonable costs of temporarily accommodating the tenant and of long-term transfers, if any, due to emergency conditions.

The reasonable cost of transfers includes the cost of packing, moving, and unloading.

DHA will establish a moving allowance based on the typical costs in the community of packing, moving, and unloading. To establish typical costs, DHA
will collect information from companies in the community that provide these services.

In case of Fire, if resident caused, the resident is charged the amount of the agency insurance deductible ($1,000) and relocated. The resident will be responsible for all costs associated with the fire, up to the Authority’s insurance deductible, unless the fire was caused by Authority equipment failure or negligence, act of nature, civil strife or commotion, or other cause beyond the control of the resident. If there have been multiple fires, two (2) or more in a twelve (12) month period, the authority will give appropriate notice to the resident that the resident’s lease will be terminated.

12-I.E. VAWA EMERGENCY TRANSFER POLICY

I. PURPOSE AND APPLICABILITY
The purpose of this policy is to implement the requirements of the Violence Against Women Act (VAWA) with respect to the responsibilities of DHA regarding domestic violence, dating violence, sexual assault and stalking. This policy shall be applicable to the Public Housing Program, administered by DHA and shall be part of the Public Housing Admissions & Continued Occupancy Policy. Protections under this policy are available to all victims regardless of sex, gender identity, or sexual orientation and will be applied consistent with all nondiscrimination and fair housing requirements.

II. GOALS AND OBJECTIVES

A. Maintaining compliance with all applicable legal requirements imposed by VAWA

B. Ensuring the physical safety of victims of actual or threatened domestic violence, dating violence, sexual assault and stalking

C. Providing and maintaining housing opportunities for victims of domestic violence, dating violence, sexual assault and stalking

D. Creating and maintaining collaborative arrangements between DHA, law enforcement authorities, victim service providers and others to promote the safety and well-being of victims of actual or threatened domestic violence, dating violence, sexual assault and stalking

E. Taking appropriate action in response to an incident or incidents of domestic violence, dating violence, sexual assault and stalking affecting individuals assisted by DHA.
III. DEFINITIONS

A. **Domestic Violence** - includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child, by a person who is living with or has lived with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

B. **Spouse or Intimate Partner** - includes a person who is or has been in a social relationship of a romantic or intimate nature with the victim, as determined by the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

C. **Dating Violence** - violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined by the length of the relationship, the type of the relationship, and the frequency of interaction between the persons involved in the relationship.

D. **Sexual Assault** - is any type of sexual contact or behavior that occurs without the explicit consent of the recipient, including when the individual lacks capacity to consent.

E. **Stalking** - engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for the person’s individual safety or the safety of others, or suffer substantial emotional distress.

F. **Affiliated individual** - with respect to an individual, means

   (1) A spouse, parent, brother, sister, or child of that individual, or a person to whom that individual stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of that individual); or

   (2) Any other person living in the household of that individual.

G. **Perpetrator** - a person who commits acts of domestic violence, dating violence, sexual assault, or stalking against a victim.
IV. NOTIFICATIONS PROVIDED

A. All applicants and tenants of the Public Housing Program will be provided HUD-5380, "Notification of Occupancy Rights Under the Violence Against Women Act (VAWA)" and HUD-5382, "Certification of Domestic Violence, Dating violence, Sexual Assault, or Stalking and Alternate Documents" at the following times:

(1) Denial of assistance or
(2) Eligibility screening for assistance or
(3) Termination of assistance
(4) Annual Recertification

B. These forms will be provided in the applicable language, if necessary, in accordance with Executive Order 13166 (Improving Access to Services for Persons with Limited English Proficiency).

V. ELIGIBILITY SCREENING

A. Non-Denial of Assistance – DHA will not deny assistance to any person because that person is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, provided that such person is otherwise qualified for admission.

B. Mitigation of Disqualifying Information

(1) An applicant for assistance whose history includes incidents in which the applicant was a victim of domestic violence, may request that DHA take such information into account in mitigation of potentially disqualifying information, such as poor credit history or previous damage to a dwelling.

(2) If requested by an applicant to take such mitigating information into account, DHA shall be entitled to conduct such inquiries as are reasonably necessary to verify the claimed history of domestic violence and its probable relevance to the potentially disqualifying information.

(3) DHA will not disregard or mitigate potentially disqualifying information if the applicant household includes a perpetrator of a previous incident or incidents of domestic violence.

VI. TERMINATION OF ASSISTANCE

A. VAWA Protections

(1) A tenant may not be terminated solely on the basis of criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking if:
a. the criminal activity is engaged in by a member of the household of the tenant or any guest or other person under the control of the tenant and

b. the tenant or an affiliated individual of the tenant is the victim or threatened victim of such domestic violence, dating violence, sexual assault, or stalking

(2) An incident of actual or threatened domestic violence, dating violence, sexual assault, or stalking shall not be considered as a serious or repeated violation of the lease by the victim or threatened victim or good cause for terminating the assistance, of the victim or threatened victim of such incident.

B. Limitations of VAWA Protections

(1) Nothing in the above section limits the authority of DHA to comply with a court order with respect to the rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, dating violence, sexual assault, or stalking, or the distribution or possession of property among members of a household.

(2) Nothing in the above section limits any available authority of DHA to terminate assistance to a tenant for any violation not premised on an act of domestic violence, dating violence, sexual assault, or stalking. However, DHA will not hold to a more demanding standard, an applicant, tenant or an affiliated individual who is or has been a victim of or domestic violence, dating violence, sexual assault, or stalking

(3) Nothing in the above section limits the authority of DHA to terminate from assistance any tenant or lawful applicant if

a. DHA can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not terminated from the program, and

b. No other actions that could be taken to reduce the threat have been successful, including transferring the victim to a different unit, barring the perpetrator from the assisted unit, involving law enforcement, or seeking other legal remedies to prevent the perpetrator from acting on a threat.

VII. VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING

A. Requirement for Verification. Subject only to waiver as provided in paragraph D below, DHA shall require verification in all cases where an individual requests protection against an action involving domestic
violence, dating violence, sexual assault, or stalking. Verification may be accomplished in one of three ways:

1. Completing HUD-5382, "Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking"

2. Other documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the side effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury that the incident or incidents in question are bona fide and meet the requirements of the applicable definition set forth in this policy.

3. Police or court record - provided to DHA by federal, state, tribal, or local police or court record describing the incident or incidents in question.

B. **Time Allowed.** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence, sexual assault or stalking, and who is requested by DHA to provide verification, must provide such verification within 14 business days after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

C. If DHA receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), DHA has the right to request that the tenant provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. Failure to provide third-party documentation where there is conflicting evidence will result in loss of protection under VAWA and this policy against a proposed adverse action.

D. **Waiver of verification requirement.** With respect to any specific case, DHA may waive the above-stated requirements for verification and provide the benefits of this policy based on the victim’s statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Program Director or CEO. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.
VIII. EMERGENCY TRANSFER PLAN

A. Eligibility for Transfer

In accordance with the Violence Against Women Act (VAWA) DHA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit, regardless of sex, gender identity, or sexual orientation. The ability of DHA to honor such request for tenants currently receiving assistance may depend upon:

(1) A preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and

(2) On whether DHA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

B. Requesting a Transfer

(1) In order to request an emergency transfer the tenant shall notify DHA by submitting a written request for a transfer (HUD-5383). DHA will provide reasonable accommodations to this policy for individuals with disabilities. In addition to submitting the HUD-5383, the tenant’s written request for an emergency transfer should also include either:

a. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under the PH program; or

b. A statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant’s request for an emergency transfer.

(2) DHA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. However, DHA will act as quickly as possible to expedite and finalize the move of a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability and safety of a unit.

(3) If a tenant believes a transfer within DHA’s jurisdiction would not be safe, the tenant may request an external transfer to a different PHA. DHA will assist the tenant by completing a form indicating that the tenant is a victim of domestic or sexual violence and is eligible for a VAWA emergency transfer and that DHA does not have a safe unit immediately available.

(4) If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has
been transferred. DHA may be unable to transfer a tenant to a particular unit if the tenant cannot establish eligibility for that unit.

(5) In cases where DHA determines that the family’s decision to move out of public housing was reasonable under the circumstances, then DHA may wholly or partially waive rent payments and any rent owed shall be reduced by the amounts of rent collected for the remaining lease term from a tenant subsequently occupying the unit.

(6) Should for any reason DHA be unable to successfully process/facilitate the tenant’s emergency transfer, DHA will refer the tenant to other housing providers who may have safe and available units to which the tenant could move.

(7) At the tenant’s request, DHA will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking.

C. Family Break-Up Affecting a Tenant’s Emergency Move

If the family breakup results from the occurrence of domestic violence, dating violence, sexual assault or stalking, DHA must ensure that the victim retains assistance. DHA will act accordingly as follows:

(1) Should the victim wish to remain in the currently occupied unit, the unit will remain with the victim, as long as the victim agrees to have the perpetrator removed from the lease agreement and thereby removed from the household composition

(2) Should the victim wish to request an emergency move, DHA will provide the victim a voucher to search for housing and expedite the applicable change of unit processes in order to facilitate a quicker move for the victim. DHA will also terminate the assistance of the perpetrator and remove him/her from the household composition

D. Safety and Security of Tenants

(1) Confidentiality - DHA will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives DHA written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of
domestic violence, dating violence, sexual assault, or stalking against the tenant.

(2) Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

(3) Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).

(4) Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network’s National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at https://ohl.rainn.org/online/.

(5) Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime’s Stalking Resource Center at https://www.victimsofcrime.org/our-programs/stalking-resource-center.

IX. OTHER REMEDIES

A. Relationships with service providers

It is the policy of DHA to cooperate with organizations and entities, both private and governmental that provides shelter and/or services to victims of domestic violence. If DHA becomes aware that an individual assisted by the Housing Authority is a victim of domestic violence, dating violence, sexual assault or stalking, DHA will refer the victim to such providers of shelter or services as appropriate. Notwithstanding the foregoing, this policy does not create any legal obligation requiring DHA either to maintain a relationship with any particular provider of shelter or services to victims of domestic violence or to make a referral in any particular case.

PART II: DHA REQUIRED TRANSFERS

12-II.A. OVERVIEW

HUD regulations regarding transfers are minimal, leaving it up to DHA to develop reasonable transfer policies.

DHA may require that a resident transfer to another unit under some circumstances. For example, DHA may require a resident to transfer to make an accessible unit available to a disabled family. DHA may also transfer a resident in order to maintain occupancy standards based on family composition. Finally, a DHA may transfer residents in order to demolish or renovate the unit.
A transfer that is required by DHA is an adverse action, and is subject to the notice requirements for adverse actions [24 CFR 966.4(e)(8)(i)].

12-II.B. TYPES OF DHA REQUIRED TRANSFERS

DHA Policy
The types of transfers that may be required by DHA, include, but are not limited to, transfers to make an accessible unit available for a disabled family, transfers to comply with occupancy standards, transfers for demolition, disposition, revitalization, or rehabilitation, and emergency transfers as discussed in Part I of this chapter.

Transfers required by DHA are mandatory for the tenant.

Transfers to Make an Accessible Unit Available
When a family is initially given an accessible unit, but does not require the accessible features, DHA may require the family to agree to move to a non-accessible unit when it becomes available [24 CFR 8.27(b)].

DHA Policy
When a non-accessible unit becomes available, DHA will transfer a family living in an accessible unit that does not require the accessible features, to an available unit that is not accessible. DHA may wait until a disabled resident requires the accessible unit before transferring the family that does not require the accessible features out of the accessible unit.

Occupancy Standards Transfers
DHA may require a resident to move when a reexamination indicates that there has been a change in family composition, and the family is either overcrowded or over-housed according to DHA policy [24 CFR 960.257(a)(4)]. On some occasions, DHA may initially place a resident in an inappropriately sized unit at lease-up, where the family is over-housed, to prevent vacancies. The public housing lease must include the tenant’s agreement to transfer to an appropriately sized unit based on family composition [24 CFR 966.4(c)(3)].

DHA Policy
DHA will transfer a family when the family size has changed and the family is now too large (overcrowded) or too small (over-housed) for the unit occupied, or elderly residents residing in family designated developments who do not have dependents under the age of 18 who wish to transfer to a Senior development.

For purposes of the transfer policy, overcrowded and over-housed are defined as follows:

- **Overcrowded**: the number of household members exceeds the
maximum number of persons allowed for the unit size in which the family resides, according to the chart in Section 5-I.B.

- **Over-housed**: the family no longer qualifies for the bedroom size in which they are living based on DHA’s occupancy standards as described in Section 5-I.B.

DHA may also transfer a family who was initially placed in a unit in which the family was over-housed to a unit of an appropriate size based on DHA’s occupancy standards, when DHA determines there is a need for the transfer.

DHA may elect not to transfer an over-housed family in order to prevent vacancies.

A family that is required to move because of family size will be advised by DHA that a transfer is necessary and that the family has been placed on the transfer list.

Families that request and are granted an exception to the occupancy standards in accordance with the policies in Section 5-I.C. will only be required to transfer if it is necessary to comply with the approved exception.

**Demolition, Disposition, Revitalizations, or Rehabilitation Transfers**

These transfers permit DHA to demolish, sell or do major capital or rehabilitation work at a building site [PH Occ GB, page 148].

**DHA Policy**

DHA will relocate a family when the unit or site in which the family lives is undergoing major rehabilitation that requires the unit to be vacant, or the unit is being disposed of or demolished. DHA’s relocation plan may or may not require transferring affected families to other available public housing units.

If the relocation plan calls for transferring public housing families to other public housing units, affected families will be placed on the transfer list.

In cases of revitalization or rehabilitation, the family may be offered a temporary relocation if allowed under Relocation Act provisions, and may be allowed to return to their unit, depending on contractual and legal obligations, once revitalization or rehabilitation is complete.

**12-II.C. ADVERSE ACTION [24 CFR 966.4(e)(8)(i)]**

A DHA required transfer is an adverse action. As an adverse action, the transfer is subject to the requirements regarding notices of adverse actions. If the family requests a grievance hearing within the required timeframe, DHA may not take action on the transfer until the conclusion of the grievance process.
12-II.D. COST OF TRANSFER

DHA Policy
DHA may at its discretion transfer residents because of an uninhabitable unit, major repairs, or other action initiated by management (excluding transfers to comply with occupancy standards). For these type of transfers DHA will cover the cost of the transfer pursuant to cost allowed by HUD.

The reasonable costs of transfers include the cost of packing, moving, and unloading.

DHA will establish a moving allowance based on the typical costs in the community of packing, moving, and unloading. To establish typical costs, DHA will collect information from companies in the community that provide these services.

PART III: TRANSFERS REQUESTED BY TENANTS

12-III.A. OVERVIEW
HUD provides DHA with discretion to consider transfer requests from tenants. The only requests that DHA is required to consider are requests for reasonable accommodation. All other transfer requests are at the discretion of DHA. To avoid administrative costs and burdens, this policy limits the types of requests that will be considered by DHA. Some transfers that are requested by tenants should be treated as higher priorities than others due to the more urgent need for the transfer.

12-III.B. TYPES OF RESIDENT REQUESTED TRANSFERS

DHA Policy
The types of requests for transfers that DHA will consider are limited to requests for transfers to alleviate a serious or life threatening medical condition, transfers due to a threat of physical harm or criminal activity, reasonable accommodation, transfers to a different unit size as long as the family qualifies for the unit according to DHA’s occupancy standards, and self-sufficiency/upward mobility transfers to include a location closer to employment or child care, as well as transfers to designated Family Self-Sufficiency (FSS) units. No other transfer requests will be considered by DHA.

DHA will consider the following as high priority transfer requests:
- When a transfer is needed to alleviate verified medical problems of a serious or life-threatening nature
- When there has been a verified threat of physical harm or criminal activity. Such circumstances may, at DHA’s discretion, include an assessment by law enforcement indicating a threat of criminal
attack, potential retaliation for testimony, or where the tenant is a victim of a hate crime or domestic violence.

- When a family requests a transfer as a reasonable accommodation. Examples of a reasonable accommodation transfer include, but are not limited to, a transfer to a first floor unit for a person with mobility impairment, or a transfer to a unit with accessible features

DHA will consider the following as regular priority transfer requests:

- When a family requests a larger bedroom size unit even though the family does not meet DHA’s definition of overcrowded, as long as the family meets DHA’s occupancy standards for the requested size unit
- When the head of household or spouse is employed 25 miles or more from the public housing unit, has no reliable transportation, and public transportation is not adequate
- When household meets all criteria established to occupy units designated for transitional families participating in DHA’s FSS program.

Transfers requested by the tenant are considered optional for the tenant.

12-III.C. ELIGIBILITY FOR TRANSFER
Transferring residents do not have to meet the admission eligibility requirements pertaining to income or preference. However, DHA may establish other standards for considering a transfer request [PH Occ GB, p. 150].

DHA Policy
Except where reasonable accommodation is being requested, DHA will only consider transfer requests from residents that meet the following requirements:

- Have not engaged in criminal activity that threatens the health and safety or residents and staff
- Owe no back rent or other charges, or have a pattern of late payment
- Have no housekeeping lease violations or history of damaging property
- Can get utilities turned on in the name of the head of household (applicable only to properties with tenant-paid utilities)

A resident with housekeeping standards violations will not be transferred until the resident passes a follow-up housekeeping inspection.

Exceptions to the good record requirement may be made when it is to DHA’s advantage to make the transfer.

If a family requested to be placed on the waiting list for a unit size smaller than
designated by the occupancy guidelines, the family will not be eligible to transfer to a larger size unit for a period of two years from the date of admission, unless they have a change in family size or composition, or it is needed as a reasonable accommodation.

12-III.D. SECURITY DEPOSITS

DHA Policy
When a family transfers from one unit to another, DHA will transfer their security deposit to the new unit. The tenant will be billed for any maintenance or others charges due for the “old” unit.

12-III.E. COST OF TRANSFER

DHA must pay moving expenses to transfer a resident with a disability to an accessible unit as an accommodation for the resident’s disability [Notice PIH 2006-13].

DHA Policy
The resident will bear all of the costs of transfer s/he requests. DHA will bear the transfer costs when the transfer is done as a reasonable accommodation.

12-III.F. HANDLING OF REQUESTS

DHA Policy
Residents requesting a transfer to another unit or development will be required to submit a written request for transfer.

In case of a reasonable accommodation transfer, DHA will encourage the resident to make the request in writing using a reasonable accommodation request form. However, DHA will consider the transfer request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

DHA will respond by approving the transfer and putting the family on the transfer list, by denying the transfer, or by requiring more information or documentation from the family.

If the family does not meet the “good record” requirements under Section 12-III.C., the manager will address the problem and, until resolved, the request for transfer will be denied.

DHA will respond within ten (10) business days of the submission of the family's request. If DHA denies the request for transfer, the family will be informed of its grievance rights.
12-III.G. TRANSFER PERIOD

Residents approved for transfer are required to relocate to the assigned DHA unit within ten (10) calendar days from the date of signing the new lease.

PART IV: TRANSFER PROCESSING

12-IV.A. OVERVIEW
Generally, transfers should be placed on a transfer list and handled in the appropriate order. The transfer process must be clearly auditable to ensure that residents do not experience disparate treatment.

12-IV.B. TRANSFER LIST

DHA Policy
DHA will maintain a centralized transfer list to ensure that transfers are processed in the correct order and that procedures are uniform across all properties.

Emergency transfers will not automatically go on the transfer list. Instead emergency transfers will be handled immediately, on a case by case basis. If the emergency will not be finally resolved by a temporary accommodation, and the resident requires a permanent transfer, that transfer will be placed at the top of the transfer list.

Transfers will be processed in the following order:
1. Emergency transfers
2. Verified medical condition
3. Threat of harm or criminal activity
4. Reasonable accommodation
5. Transfer to make an accessible unit available
6. Demolition, renovation, etc.
7. Deconcentration
8. Occupancy Standards
9. Other DHA required transfers
10. Other tenant requested transfers

Within each category, transfers will be processed in order of the date the family was placed on the transfer list, starting with the earliest date.
Demolition and renovation transfers will gain the highest priority as necessary to allow DHA to meet the demolition or renovation schedule.

Transfers will take precedence over waiting list admissions.
12-IV.C. TRANSFER OFFER POLICY

DHA Policy
Residents will receive one offer of a transfer. When the transfer is required by DHA, refusal of that offer without good cause will result in lease termination.

When the transfer has been requested by the resident, refusal of that offer without good cause will result in the removal of the household from the transfer list and the family must wait six months to reapply for another transfer.

12-IV.D. GOOD CAUSE FOR UNIT REFUSAL

DHA Policy
Examples of good cause for refusal of a unit offer include, but are not limited to, the following:

- Inaccessibility to source of employment, education, or job training, children’s day care, or an educational program for children with disabilities, so that accepting the unit offer would require the adult household member to quit a job, drop out of an educational institution or job training program, or take a child out of day care or an educational program for children with disabilities.
- The family demonstrates to DHA’s satisfaction that accepting the offer will place a family member’s life, health or safety in jeopardy. The family should offer specific and compelling documentation such as restraining orders, other court orders, or risk assessments related to witness protection from a law enforcement agency. Reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption.
- A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (as listed on final application) or live-in aide necessary to the care of the principal household member.
- The unit is inappropriate for the applicant’s disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.
- The unit has lead-based paint and the family includes children under the age of six.

DHA will require documentation of good cause for unit refusals.

12-IV.E. DECONCENTRATION

DHA Policy
If subject to deconcentration requirements, DHA will consider its deconcentration
goals when transfer units are offered. When feasible, families above the Established Income Range will be offered a unit in a development that is below the Established Income Range, and vice versa, to achieve DHA’s deconcentration goals. A deconcentration offer will be considered a “bonus” offer; that is, if a resident refuses a deconcentration offer, the resident will receive one additional transfer offer.

12-IV.F. REEXAMINATION POLICIES FOR TRANSFERS

DHA Policy
The annual reexamination date will be changed to the first of the month in which the transfer took place.
Chapter 13

REASONABLE ACCOMMODATION POLICY

INTRODUCTION
This chapter explains DHA’s Reasonable Accommodation Policy, based on HUD regulations, HUD guidance, Section 504; the ADA; Fair Housing Act and DHA policy decisions.

This chapter describes HUD regulations and DHA policies related to transfers in four parts:

Part I: Definitions. This part defines various terms regarding Reasonable Accommodation.

Part II: Examples of Reasonable Accommodation Request. Although not all inclusive, this part describes types of request that may be made by DHA residents.

Part III: Reasonable Accommodation Procedures. This part describes the procedures for residents to make a request and Management to process the request.

Part IV: Grievance Process. This part describes the grievance procedure process.

POLICY STATEMENT
The Durham Housing Authority (“DHA”) is dedicated to ensuring that persons with disabilities are not discriminated against on the basis of disability in connection with DHA’s programs, services and activities.

If a person with a disability requests an accommodation to an existing rule, policy, practice, or service in order to have an equal opportunity to use a dwelling unit or enjoy the benefits of participating in the DHA’s services, DHA must provide the resident an opportunity to request an accommodation. DHA is not required to make changes that would fundamentally alter a program or create an undue financial or administrative burden to DHA.

DHA will make a reasonable accommodation for people with disabilities when an accommodation is necessary to insure equal access to DHA’s amenities, services and programs. Reasonable accommodations include changes to the building, grounds or an individual unit as well as changes to policies, practices and procedures.

This policy applies to applicants and residents of public housing. An applicant or resident family that has a member with a disability must still be able to meet essential obligations of tenancy. They must be able:
a. to pay rent and other charges (e.g. utility bills) as required by the lease in a timely manner;
b. to care for and avoid damaging the unit and common areas;
c. to use facilities and equipment in a reasonable way;
d. to create no health, or safety hazards, and to report maintenance needs;
e. to not interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
f. to not engage in prohibited criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and
g. to comply with necessary and reasonable rules and program requirements of HUD and the DHA.

But there is no requirement that they be able to do these things without assistance.

PART I: DEFINITIONS

13-I.A Definitions [24 CFR§8.3]

A "reasonable accommodation" is defined as a change, modification, alteration or adaptation in a policy, procedure, practice, program, or facility that is necessary for a qualified individual with a disability to have the opportunity to participate in, and benefit from, a program or activity.

Impairment: Any loss or abnormality of psychological, physiological or anatomical structure or function.

Disability: An inability or a reduced capacity to perform a task in a specific way.

Handicap: The impact or consequence of a disability, not the condition itself. In other words, the result of the disability's severity.

An “individual with a handicap” is defined as a person who has a physical and/or mental impairment that substantially limits one or more major life activities; has a record of such impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others. As used in this definition, the phrase “physical or mental impairment” includes:

(A) Physical or mental impairment means:
1. Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory; including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

2. Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

(B) Major life activities means functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

(C) Record of impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(D) Regarded as having an impairment means:
   1. Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation;
   2. Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment; or
   3. Has none of the impairments defined in paragraph (A) of this section but is treated by a recipient as having such an impairment.

PART II: EXAMPLES OF REQUEST FOR REASONABLE ACCOMMODATIONS

13-II.A Reasonable Accommodation Examples

Examples of reasonable accommodations/modifications may include, but are not limited to:

1. Making an offer to transfer a resident with a disability to a public housing unit with the required accessibility features;

2. Making a housing unit, part of a housing unit or public and common use areas accessible for an individual with a disability;

3. Providing an additional bedroom for a disabled family member’s medical equipment;
4. Permitting a family to have a service or assistance animal necessary to assist a household member with a disability; NOTE: With regards to service animals as a reasonable accommodation, DHA may not ask a resident or applicant to provide documentation showing the disability or disability-related need for a service or assistance animal, if the disability or disability-related needs is readily apparent.

5. Transferring a family that is participating in the public housing program to a larger size housing unit in order to provide a separate bedroom for the resident with a disability;

6. Transferring a resident with a disability that is participating in the public housing program to a ground floor level unit;

7. Installing strobe-type flashing lights and other such emergency equipment for a household member with a hearing impairment;

8. Allowing a live-in aide for a resident or program participant with a disability to reside in an appropriately sized housing unit;

9. Making documents available in larger type, computer disc or Braille;

10. Providing an accessible parking space for a disabled resident;

11. Providing qualified sign language interpreters for applicants, residents and program participants at appointments with DHA staff, Resident Council meetings, or DHA Board of Commissioners meetings; and

12. Permitting an outside agency or family member to assist an applicant or resident with a disability in meeting screening criteria or meeting essential lease obligations.

Part III: Reasonable Accommodation Procedures

13-III.A Reasonable Accommodation Procedures

A person with a disability may request a reasonable accommodation during the application process or during their residency in public housing. The person with a disability may submit all requests in writing, orally or by any other equally effective means of communication.

The Request for Reasonable Accommodation form [form 13.A] may be obtained at the management office for the Development where the person applies or resides. Staff will assist applicants or residents who need such assistance and will accept requests in alternate format if necessary because of a disability. Management has the right to request sufficient documentation to make a decision, but does not have a right to diagnosis, medical history or treatment unless directly relevant to a reasonable accommodation request (e.g. chemical sensitivity to certain materials) Therefore, management may request a medical provider, peer support group, or reliable third party who is in a position to know about the individual's disability, to provide verification of a disability.
**DHA Policy**

For clarity for both parties, DHA recommends filling out a written request. If verification is not received within thirty (30) calendar days, Management will deny the request for a reasonable accommodation due to lack of verification and will notify the requester in writing.

When the disability is obvious or known to the staff of the residence, documentation of the disability will not be required. When the need for the accommodation is obvious or known to the staff of the residence, documentation of the need for the accommodation will not be required. When the disability or need is not obvious or known to the staff of the residence, requests will require verification of disability status, need for equal access, and/or when relevant, likelihood that the request will resolve the problem.

Within ten (10) business days of receipt of all required supporting documentation to render a decision, Management will issue a determination on the request for a reasonable accommodation and notify the requester in writing.

DHA must approve a request for an accommodation if the following three conditions are met:

- the request was made by or on behalf of a person with a disability
- there is a disability-related need for the accommodation; and
- the requested accommodation is reasonable, meaning it would not impose an undue financial or administrative burden on DHA, or fundamentally alter the nature of DHA’s operations.

Requests for accommodations must be assessed on a case-by-case basis. The determination of undue financial or administrative burden must be made on a case-by-case basis involving various factors such as the cost of the requested accommodation, the financial resources of DHA at the time of the request, the benefits that the accommodation would provide to the family, and the availability of alternative accommodations that would effectively meet the family’s disability-related needs.

If DHA denies a request for an accommodation because there is no relationship found between the disability and the requested accommodation, the written notice will inform the family of the right to appeal DHA’s decision through an informal hearing (if applicable) or the grievance process.

**Part IV: Grievance Process**

**13-IV.A Reasonable Accommodation Grievance Process**

If a reasonable accommodation request is denied for any reason, Management will notify the requester and will include in the denial notification a written or alternate format notice of the right to a grievance hearing and the procedures for requesting one. If the requester disagrees with a reasonable accommodation decision, they may request a
grievance hearing by asking management either verbally or in writing within ten (10) business days of the decision.

**DHA Policy**
For clarity for both parties, DHA will recommend the request for a hearing be in writing.

Within 10 business days of receipt of the request DHA will arrange a meeting with the tenant at a mutually agreeable time and confirm such meeting in writing to the tenant.

If a tenant fails to attend the scheduled meeting without prior notice, DHA will reschedule the appointment only if the tenant can show good cause for failing to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

The written request must be submitted to the Hearing Officer within ten (10) business days of the decision in order to receive an informal hearing. All parties will have an opportunity to present documentation of the request and reasons for the denial.

The Hearing Officer will render a decision within ten (10) business days of the hearing and mail the decision to the requester and submit a copy to the management office.

If, with or without a grievance hearing a requester agrees to an alternative accommodation, the requester must sign a statement agreeing to the alternative accommodation.
Chapter 14

LEASE TERMINATIONS

INTRODUCTION
Either party in a lease agreement may terminate the lease under certain circumstances. A public housing lease is different from a private dwelling lease in that the family’s rental assistance is tied to their tenancy. When the family moves from their public housing unit, they lose their rental assistance. Therefore, there are additional safeguards to protect the family’s tenancy in public housing.

Likewise, there are safeguards to protect HUD’s interest in the public housing program, to assure that qualified families are provided decent, safe, and sanitary housing, which is in good repair. DHA may terminate the lease because of the family’s failure to comply with HUD regulations, for serious or repeated violations of the terms of the lease, and for other good cause. HUD regulations specify some reasons for which a PHA can terminate a family’s lease, and give PHA’s authority to determine other reasons.

When determining DHA policy on terminations, state and local landlord-tenant laws must be considered, since such laws could vary from one location to another. These variances may be either more or less restrictive than federal law or HUD regulation.

This chapter presents the policies that govern both the family’s and DHA’s termination of the lease. It is presented in four parts:

Part I: Termination by Tenant. This part discusses the family’s voluntary termination of the lease and the requirements DHA places upon families who wish to terminate their lease.

Part II: Termination by DHA - Mandatory. This part describes the policies that govern how, and under what circumstances, a mandatory lease termination by DHA occurs. This part also includes non-renewal of the lease for noncompliance with community service requirements.

Part III: Termination by DHA – Other Authorized Reasons. This part describes DHA’s options for lease termination that are not mandated by HUD regulation but for which HUD authorizes PHA’s to terminate. For some of these options HUD requires DHA to establish policies and lease provisions for termination, but termination is not mandatory. For other options, DHA has full discretion whether to consider the options as just cause to terminate as long as DHA policies are reasonable, nondiscriminatory, and do not violate state or local landlord-tenant law. This part also discusses the alternatives that DHA may consider in lieu of termination, and the criteria DHA will use when deciding what actions to take.

Part IV: Notification Requirements. This part presents the federal requirements for disclosure of criminal records to the family prior to termination, the HUD
requirements and DHA policies regarding the timing and content of written notices for lease termination and eviction, and notification of the post office when eviction is due to criminal activity. This part also discusses record keeping related to lease termination.

PART I: TERMINATION BY TENANT

14-I.A. TENANT CHOOSES TO TERMINATE THE LEASE [24 CFR 966.4(k)(1)(ii) and 24 CFR 966.4(l)(1)]

The family may terminate the lease at any time, for any reason, by following the notification procedures as outlined in the lease. Such notice must be in writing and delivered to the project office or DHA central office or sent by pre-paid first-class mail, properly addressed.

DHA Policy
If a family desires to move and terminate their tenancy with DHA, they must give at least 14 calendar days advance written notice to DHA of their intent to vacate. When a family must give less than 14 days notice due to circumstances beyond their control DHA, at its discretion, may waive the 14-day requirement.

The notice of lease termination must be signed by the head of household, spouse, or cohead.

PART II: TERMINATION BY DHA – MANDATORY

14-II.A. OVERVIEW
HUD requires DHA to terminate the lease in certain circumstances. In other circumstances HUD requires DHA to establish provisions for lease termination, but it is still a DHA option to determine, on a case-by-case basis, whether termination is warranted. For those tenant actions or failures to act where HUD requires termination, DHA has no such option. In those cases, the family's lease must be terminated. This part describes situations in which HUD requires DHA to terminate the lease.

14-II.B. FAILURE TO PROVIDE CONSENT [24 CFR 960.259(a) and (b)]
DHA must terminate the lease if any family member fails to sign and submit any consent form s/he is required to sign for any reexamination. See Chapter 7 for a complete discussion of consent requirements.
14-II.C. FAILURE TO DOCUMENT CITIZENSHIP [24 CFR 5.514(c) and (d) and 24 CFR 960.259(a)]

DHA must terminate the lease if (1) a family fails to submit required documentation within the required timeframe concerning any family member’s citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family, resulting in no eligible family members; or (3) a family member, as determined by DHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit. For (3), such termination must be for a period of at least 24 months. This does not apply to ineligible non-citizens already in the household where the family’s assistance has been prorated.

See Chapter 7 for a complete discussion of documentation requirements.

14-II.D. FAILURE TO PROVIDE SOCIAL SECURITY DOCUMENTATION [24 CFR 5.218(c) and 24 CFR 960.259(a)(3), Notice PIH 2012-10]

DHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the PHA determines that the family’s failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family’s control, the PHA may defer the family’s termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family to be noncompliant.

DHA Policy

DHA will defer the family’s termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline.

See Chapter 7 for a complete discussion of documentation and certification requirements.
14-II.E. FAILURE TO ACCEPT DHA’S OFFER OF A LEASE REVISION [24 CFR 966.4(l)(2)(ii)(E)]

DHA must terminate the lease if the family fails to accept DHA’s offer of a lease revision to an existing lease, provided DHA has done the following:

- The revision is on a form adopted by DHA in accordance with 24 CFR 966.3 pertaining to requirements for notice to tenants and resident organizations and their opportunity to present comments.
- DHA has made written notice of the offer of the revision at least 60 calendar days before the lease revision is scheduled to take effect.
- DHA has specified in the offer a reasonable time limit within that period for acceptance by the family.

See Chapter 8 for information pertaining to DHA policies for offering lease revisions.

14-II.F. METHAMPHETAMINE CONVICTION [24 CFR 966.4(l)(5)(i)(A)]

DHA must immediately terminate the lease if DHA determines that any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.

See Part 14-III.B. below for the HUD definition of premises.

14-II.G. NONCOMPLIANCE WITH COMMUNITY SERVICE REQUIREMENTS [24 CFR 966.4(l)(2)(ii)(D), 24 CFR 960.603(b) and 24 CFR 960.607(b)(2)(ii) and (c)]

DHA is prohibited from renewing the lease at the end of the 12 month lease term when the family fails to comply with the community service requirements as described in Chapter 11.

14-II.H. DEATH OF A SOLE FAMILY MEMBER [Notice PIH 2012-10]

DHA must immediately terminate program assistance for deceased single member households.

PART III: TERMINATION BY DHA – OTHER AUTHORIZED REASONS

14-III.A. OVERVIEW

Besides requiring DHA to terminate the lease under the circumstances described in Part II, HUD requires DHA to establish provisions in the lease for termination pertaining to certain criminal activity, alcohol abuse, and certain household obligations stated in the regulations. While these provisions for lease termination must be in the lease agreement, HUD does not require DHA to terminate for such violations in all cases. DHA has the discretion to consider circumstances surrounding the violation or, in applicable situations, whether the offending household member has entered or completed rehabilitation, and DHA may, as an alternative to termination, require the
exclusion of the culpable household member. DHA must make policy decisions concerning these options.

In addition, HUD authorizes DHA to terminate the lease for other grounds, but for only those grounds that constitute serious or repeated violations of material terms of the lease or that are for other good cause. DHA must develop policies pertaining to what constitutes serious or repeated lease violations, and other good cause, based upon the content of DHA lease. In the development of the terms of the lease, DHA must consider the limitations imposed by state and local landlord-tenant law, as well as HUD regulations and federal statutes. Because of variations in state and local landlord-tenant law, and because HUD affords PHA’s wide discretion in some areas, a broad range of policies could be acceptable.

DHA, with some restrictions, also has the option to terminate the tenancies of families who are over income.

DHA may consider alternatives to termination and must establish policies describing the criteria.

DHA will use when deciding what action to take, the types of evidence that will be acceptable, and the steps DHA must take when terminating a family’s lease.

Although a record of arrest(s) may not be used to deny continued occupancy, DHA may make an adverse housing decision based on the conduct underlining an arrest if the conduct indicates that the individual is not suitable for tenancy and DHA has sufficient evidence other than the fact of arrest that the individual engaged in the conduct. The conduct, not the arrest, is what is relevant for continued occupancy.

14-III.B. MANDATORY LEASE PROVISIONS [24 CFR 966.4(l)(5)]
This section addresses provisions for lease termination that must be included in the lease agreement according to HUD regulations. Although the provisions are required, HUD does not require DHA to terminate for such violations in all cases, therefore DHA policies are needed.
Definitions [24 CFR 5.100]
The following definitions will be used for this and other parts of this chapter:
- **Covered person** means a tenant, any member of the tenant’s household, a guest, or another person under the tenant’s control.
- **Drug** means a controlled substance as defined in section 102 of the Controlled Substances Act [21 U.S.C. 802].
- **Drug-related criminal activity** means the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with the intent to manufacture, sell, distribute, or use the drug.
• **Guest** means a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant.

• **Household** means the family and DHA-approved live-in aide. The term household also includes foster children and/or foster adults that have been approved to reside in the unit [HUD-50058, Instruction Booklet, p. 65].

• **Other person under the tenant’s control** means that the person, although not staying as a guest in the unit, is, or was at the time of the activity in question, on the premises because of an invitation from the tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. Absent evidence to the contrary, a person temporarily and infrequently on the premises solely for legitimate commercial purposes is not under the tenant’s control.

• **Premises** means the building or complex or development in which the public or assisted housing dwelling unit is located, including common areas and grounds.

• **Violent criminal activity** means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

**Drug Crime On or Off the Premises [24 CFR 966.4(l)(5)(i)(B)]**

The lease must provide that drug-related criminal activity engaged in on or off the premises by the tenant, member of the tenant’s household or guest, or any such activity engaged in on the premises by any other person under the tenant’s control is grounds for termination.

**DHA Policy**

DHA will terminate the lease for drug-related criminal activity engaged in on or off the premises by any tenant, member of the tenant’s household or guest, and any such activity engaged in on the premises by any other person under the tenant’s control.

DHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of covered persons related to the drug-related criminal activity.

In making its decision to terminate the lease, DHA will consider alternatives as described in Section 14-III.D and other factors as described in Section 14-III.E. Upon consideration of such alternatives and factors, DHA may, on a case-by-case basis, choose not to terminate the lease.

**Illegal Use of a Drug [24 CFR 966.4(l)(5)(i)(B)]**

The lease must provide that a DHA may evict a family when DHA determines that a household member is illegally using a drug or that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
DHA Policy
DHA will terminate the lease when DHA determines that a household member is illegally using a drug or DHA determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

A pattern of illegal drug use means more than one incident of any use of illegal drugs during the previous six months.

DHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the use of illegal drugs. Arrest records or police records will not be used as the sole basis for terminating a lease. An arrest record or police report may; however, trigger an investigation into whether the applicant actually engaged in disqualifying criminal activity. A conviction will be given more weight than an arrest.

In making its decision to terminate the lease, DHA will consider alternatives as described in Section 14-III.D and other factors as described in Section 14-III.E. Upon consideration of such alternatives and factors, DHA may, on a case-by-case basis, choose not to terminate the lease.

Threat to Other Residents [24 CFR 966.4(l)(5)(ii)(A)]
The lease must provide that any criminal activity by a covered person that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including DHA management staff residing on the premises) or by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy.

DHA Policy
If DHA will terminate the lease when a covered person engages in any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including DHA management staff residing on the premises) or by persons residing in the immediate vicinity of the premises.

*Immediate vicinity* means within a three-block radius of the premises.

DHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of covered persons related to the criminal activity. Arrest records or police records will not be used as the sole basis for terminating a lease. An arrest record or police report may; however, trigger an investigation into whether the applicant actually engaged in disqualifying criminal activity. A conviction will be given more weight than an arrest.

In making its decision to terminate the lease, DHA will consider alternatives as described in Section 14-III.D and other factors as described in Section 14-III.E.
Upon consideration of such alternatives and factors, DHA may, on a case-by-case basis, choose not to terminate the lease.

**Alcohol Abuse [24 CFR 966.4(l)(5)(vi)(A)]**
DHA must establish standards that allow termination of tenancy if DHA determines that a household member has engaged in abuse or pattern of abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

**DHA Policy**
DHA will terminate the lease if DHA determines that a household member has engaged in abuse or a pattern of abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

A pattern of such alcohol abuse means more than one incident of any such abuse of alcohol during the previous six months.

DHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the abuse of alcohol. Arrest records or police records will not be used as the sole basis for terminating a lease. An arrest record or police report may; however, trigger an investigation into whether the applicant actually engaged in disqualifying criminal activity. A conviction will be given more weight than an arrest.

In making its decision to terminate the lease, DHA will consider alternatives as described in Section 14-III.D and other factors as described in Section 14-III.E. Upon consideration of such alternatives and factors, DHA may, on a case-by-case basis, choose not to terminate the lease.

**Furnishing False or Misleading Information Concerning Illegal Drug Use or Alcohol Abuse or Rehabilitation [24 CFR 966.4(l)(5)(vi)(B)]**
DHA must establish standards that allow termination of tenancy if DHA determines that a household member has furnished false or misleading information concerning illegal drug use, alcohol abuse, or rehabilitation of illegal drug users or alcohol abusers.

**DHA Policy**
DHA will terminate the lease if DHA determines that a household member has furnished false or misleading information concerning illegal drug use, alcohol abuse, or rehabilitation of illegal drug users or alcohol abusers.

DHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the use of illegal drugs or the abuse of alcohol, and any records or other documentation (or lack of records or documentation) supporting claims of rehabilitation of illegal drug users or alcohol abusers. Arrest records or police records will not be used as the sole basis for terminating a lease. An arrest record or police report may; however,
trigger an investigation into whether the applicant actually engaged in disqualifying criminal activity. A conviction will be given more weight than an arrest.

In making its decision to terminate the lease, DHA will consider alternatives as described in Section 14-III.D and other factors as described in Section 14-III.E. Upon consideration of such alternatives and factors, DHA may, on a case-by-case basis, choose not to terminate the lease.

Other Serious or Repeated Violations of Material Terms of the Lease – Mandatory Lease Provisions [24 CFR 966.4(l)(2)(i) and 24 CFR 966.4(f)]

HUD regulations require certain tenant obligations to be incorporated into the lease. Violations of such regulatory obligations are considered to be serious or repeated violations, and grounds for termination.

**DHA Policy**

DHA will terminate the lease for the following violations of tenant obligations under the lease:

- Failure to make payments due under the lease, including nonpayment of rent (see Chapter 8 for details pertaining to lease requirements for payments due);
- The Resident shall pay rent as required by Paragraph 3 of the Lease. The nonpayment of rent, including two (2) occurrences of failure by the Resident to pay rent when due within a 12 month period, which results in DHA filing court papers, is a material violation of the Lease. DHA shall have the right to terminate the Lease for nonpayment and take possession of the unit; the Resident shall have forfeited the opportunity to tender the rent and maintain possession of the unit pursuant to state law.

Failure to fulfill the following household obligations:

- Not to assign the lease or to sublease the dwelling unit. Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.
- Not to provide accommodations for boarders or lodgers
- To use the dwelling unit solely as a private dwelling for the tenant and the tenant’s household as identified in the lease, and not to use or permit its use for any other purpose
- To abide by necessary and reasonable regulations promulgated by DHA for the benefit and well-being of the housing project and the tenants which shall be posted in the management office and incorporated by reference in the lease
- To comply with all obligations imposed upon tenants by applicable provisions of building and housing codes materially affecting health and safety
- To keep the dwelling unit and such other areas as may be assigned to the tenant for the tenant’s exclusive use in a clean and safe condition
• To dispose of all ashes, garbage, rubbish, and other waste from the dwelling unit in a sanitary and safe manner
• To use only in a reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air-conditioning and other facilities and appurtenances including elevators
• To refrain from, and to cause the household and guests to refrain from destroying, defacing, damaging, or removing any part of the dwelling unit or project
• To pay reasonable charges (other than for normal wear and tear) for the repair of damages to the dwelling unit, or to the project (including damages to project buildings, facilities or common areas) caused by the tenant, a member of the household or a guest
• To act, and cause household members or guests to act, in a manner which will not disturb other residents’ peaceful enjoyment of their accommodations and will be conducive to maintaining the project in a decent, safe and sanitary condition

In making its decision to terminate the lease, DHA will consider alternatives as described in Section 14-III.D and other factors as described in Section 14-III.E. Upon consideration of such alternatives and factors, DHA may, on a case-by-case basis, choose not to terminate the lease.

14-III.C. OTHER AUTHORIZED REASONS FOR TERMINATION [24 CFR 966.4(I)(2) and (5)(ii)(B)]
HUD authorizes PHA’s to terminate the lease for reasons other than those described in the previous sections. These reasons are referred to as “other good cause”.

Other Good Cause [24 CFR 966.4(I)(2)(ii)(B) and (C)]
HUD regulations state that DHA may terminate tenancy for other good cause. The regulations provide a few examples of other good cause, but do not limit DHA to only those examples.

DHA Policy
DHA will terminate the lease for the following reasons.

• Failure to complete annual community service requirement.
• *Fugitive Felon or Parole Violator.* If a tenant is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of North Carolina, is a high misdemeanor; or violating a condition of probation or parole imposed under federal or state law.
• *Persons subject to sex offender registration requirement.* If any member of the household has, during their current public housing tenancy, become
subject to a registration requirement under a state sex offender registration program.

- Discovery after admission of facts that made the tenant ineligible
- Discovery of material false statements or fraud by the tenant in connection with an application for assistance or with reexamination of income
- Failure to furnish such information and certifications regarding family composition and income as may be necessary for DHA to make determinations with respect to rent, eligibility, and the appropriateness of dwelling size
- Failure to transfer to an appropriate size dwelling unit based on family composition, upon appropriate notice by DHA that such a dwelling unit is available
- Failure to permit access to the unit by DHA after proper advance notification for the purpose of performing routine inspections and maintenance, for making improvements or repairs, or to show the dwelling unit for re-leasing, or without advance notice if there is reasonable cause to believe that an emergency exists
- Failure to promptly inform DHA of the birth, adoption or court-awarded custody of a child. In such a case, promptly means within 10 business days of the event.
- Failure to abide by the provisions of DHA pet policy
- If the family has breached the terms of a repayment agreement entered into with DHA
- If a family member has violated federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.
- If a household member has engaged in or threatened violent or abusive behavior toward DHA personnel. Abusive or violent behavior towards DHA personnel includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior. Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.
- Failure to attend four (4) community meetings as outlined in the dwelling lease.

In making its decision to terminate the lease, DHA will consider alternatives as described in Section 14-III.D and other factors described in Section 14-III.E. Upon consideration of such alternatives and factors, DHA may, on a case-by-case basis, choose not to terminate the lease.

**Family Absence from Unit [24 CFR 982.551(i)]**

It is reasonable that the family may be absent from the public housing unit for brief periods. However, DHA needs a policy on how long the family may be absent from the unit. Absence in this context means that no member of the family is residing in the unit.

DHA Policy
The family must supply any information or certification requested by DHA to verify that the family is living in the unit, or relating to family absence from the unit, including any DHA-requested information or certification on the purposes of family absences. The family must cooperate with DHA for this purpose.

The family must promptly notify DHA when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. In such a case promptly means within 10 business days of the start of the extended absence.

If a family is absent from the public housing unit for more than 180 consecutive days, and the family does not adequately verify that they are living in the unit, DHA will terminate the lease for other good cause.

*Abandonment.* If the family appears to have vacated the unit without giving proper notice, DHA will follow state and local landlord-tenant law pertaining to abandonment before taking possession of the unit. If necessary, DHA will secure the unit immediately to prevent vandalism and other criminal activity.

The Housing Opportunity Through Modernization Act (HOTMA) of 2016 places an income limitation on public housing tenancy for families. The law requires that once a family’s income has exceeded 120% of AMI, or a different limitation set by the Secretary of HUD ("over-income limit") for two consecutive years, DHA must terminate the family’s tenancy within six (6) months of the second income determination or charge the family a monthly rent equal to the greater of:

1. The applicable Fair Market Rent (FGMR) for the area; or
2. The amount of monthly subsidy for the unit including amounts from the operating and capital fund, as determined by regulations.

DHA must notify a family of the potential changes to monthly rent or potential termination after one (1) year of the family’s income exceeding the over-income limit.

DHA must submit a publicly available report to HUD annually about the number of families residing in public housing with incomes exceeding the over-income limit and the number of families on the waiting lists for admission to public housing.

Unless required to do so by local law, DHA may not evict or terminate the tenancy of a family solely because the family is over income if: (1) the family has a valid contract of participation in the Family Self-Sufficiency (FSS) program, or (2) the family is currently receiving the earned income disallowance. This rule does not require PHA’s to evict over-income residents, but rather gives PHA’s the discretion to do so thereby making units available for applicants who are income-eligible.
DHA Policy
DHA will not evict or terminate the tenancies of families solely because they are over income; however, DHA will consider the number of families on the waiting lists for admission when making a determination regarding whether to terminate a family whose income exceeds the over-income limit. See Section 9-IV.E. Over Income Families for additional information.

14-III.D. ALTERNATIVES TO TERMINATION OF TENANCY

Exclusion of Culpable Household Member [24 CFR 966.4(l)(5)(vii)(C)]
As an alternative to termination of the lease for criminal activity or alcohol abuse HUD provides that DHA may consider exclusion of the culpable household member. Such an alternative can be used, by DHA policy, for any other reason where such a solution appears viable.

DHA Policy
DHA will consider requiring the tenant to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

As a condition of the family’s continued occupancy, the head of household must certify that the culpable household member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former household member’s current address upon DHA request.

Repayment of Family Debts
DHA Policy
If a family owes amounts to DHA, as a condition of continued occupancy, DHA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from DHA of the amount owed. See Chapter 16 for policies on repayment agreements.

14-III.E. CRITERIA FOR DECIDING TO TERMINATE TENANCY
A DHA that has grounds to terminate a tenancy is not required to do so, except as explained in Part II of this chapter, and may consider all of the circumstances relevant to a particular case before making a decision.

Evidence [24 CFR 982.553(c)]
For criminal activity, HUD permits DHA to terminate the lease if a preponderance of the evidence indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted, and without satisfying the standard of proof used for a criminal conviction.
DHA Policy
DHA will use the concept of the preponderance of the evidence as the standard for making all termination decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Consideration of Circumstances [24 CFR 966.4(I)(5)(vii)(B)]
Although it is required that certain lease provisions exist for criminal activity and alcohol abuse, HUD provides that DHA may consider all circumstances relevant to a particular case in order to determine whether or not to terminate the lease.

Such relevant circumstances can also be considered when terminating the lease for any other reason.

A resident who fails to pay rent when due which results in DHA filing court papers two times in a 12 month period prior to issuance of a termination letter, shall be required to participate in the DHA Resident Services Money Management Program, and upon successful completion will have the first infraction of nonpayment forgiven, and the 12 month period will begin on the date of the second filing. This option shall be given only once during tenancy.

DHA Policy
DHA will consider the following factors before deciding whether to terminate the lease for any of the HUD required lease provisions or for any other reasons:

- The seriousness of the offending action, especially with respect to how it would affect other residents
- The extent of participation or culpability of the leaseholder, or other household members, in the offending action, including whether the culpable member is a minor or a person with disabilities
- The effects that the eviction will have on other family members who were not involved in the action or failure to act
- The effect on the community of the termination, or of DHA’s failure to terminate the tenancy
- The effect of DHA’s decision on the integrity of the public housing program
- The demand for housing by eligible families who will adhere to lease responsibilities
• The extent to which the leaseholder has shown personal responsibility and whether they have taken all reasonable steps to prevent or mitigate the offending action
• The length of time since the violation occurred, the family’s recent history, and the likelihood of favorable conduct in the future

DHA Policy
Arrest records or police records will not be used as the sole basis for terminating a lease. An arrest record or police report may, however, trigger an investigation into whether the applicant actually engaged in disqualifying criminal activity. As part of its investigation, DHA may obtain the arrest record or police reports associated with the arrest or incident and consider the reported circumstances. Evidence of criminal conduct will be considered if it indicates a demonstrable risk to safety and/or property.

Consideration of Rehabilitation [24 CFR 966.4(l)(5)(vii)(D)]
HUD authorizes PHA’s to take into consideration whether a household member who had used illegal drugs or abused alcohol and is no longer engaging in such use or abuse is participating in or has successfully completed a supervised drug or alcohol rehabilitation program.

DHA Policy
In determining whether to terminate the lease for illegal drug use or a pattern of illegal drug use, or for abuse or a pattern of abuse of alcohol, by a household member who is no longer engaging in such use or abuse, DHA will consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully.

For this purpose DHA will require the tenant to submit evidence of the household member’s current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Reasonable Accommodation [24 CFR 966.7]
If the family includes a person with disabilities, DHA’s decision to terminate the family’s lease is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

DHA Policy
If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of lease, DHA will determine whether the behavior is related to the disability. If so, upon the family’s request, DHA will determine whether alternative measures are appropriate as a reasonable accommodation. DHA will only consider accommodations that can reasonably be
expected to address the behavior that is the basis of the proposed lease termination. See Chapter 2 for a discussion of reasonable accommodation.

Non-discrimination Limitation [24 CFR 966.4(l)(5)(vii)(F)]
DHA’s eviction actions must be consistent with fair housing and equal opportunity provisions of 24 CFR 5.105.

14-III.F. TRESPASSING
The Resident and the Household shall keep off DHA’s property anywhere within the City of Durham, any individual who has been trespassed or banned from any DHA property. The Resident and the Household shall regularly review the list of trespassed individuals, which shall be posted in each management office.

DHA Policy
DHA will issue a lease termination if management has evidence that a trespassed individual is on the common area or in a unit occupied by the Household.

14-III.G TERMINATIONS RELATED TO DOMESTIC VIOLENCE, DATING VIOLENCE, STALKING OR SEXUAL ASSAULT
This section addresses the protections against termination of tenancy that the Violence against Women Act of 2005 (VAWA) provides for public housing residents who are victims of domestic violence, dating violence, stalking or sexual assault. For general VAWA requirements and PHA policies pertaining to notification, documentation, and confidentiality, see section 16-VII of this ACOP, where definitions of key VAWA terms are also located.

VAWA Protections against Termination [24 CFR 5.2005(c)]
VAWA provides that “criminal activity directly related to domestic violence, dating violence, stalking or sexual assault, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of tenancy of, occupancy rights of, or assistance to the victim, if the tenant or affiliated individual of the tenant is the victim” [24 CFR 5.2005(c)(2)].

VAWA further provides that incidents of actual or threatened domestic violence, dating violence, stalking or sexual assault may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence [24 CFR 5.2005(c)(1)].

Limits on VAWA Protections [24 CFR 5.2005(d) and (e)]
While VAWA prohibits a PHA from using domestic violence, dating violence, stalking or sexual assault as the cause for a termination or eviction action against a public housing tenant who is the victim of the abuse, the protections it provides are not absolute. Specifically:
• VAWA does not limit a PHA’s otherwise available authority to terminate assistance to or evict a victim for lease violations not premised on an act of domestic violence, dating violence, stalking or sexual assault providing that DHA does not subject the victim to a more demanding standard than the standard to which it holds other tenants.

• VAWA does not limit a PHA’s authority to terminate the tenancy of any public housing tenant if DHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s tenancy is not terminated.

HUD regulations define *actual and imminent threat* to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:

- The duration of the risk
- The nature and severity of the potential harm
- The likelihood that the potential harm will occur
- The length of time before the potential harm would occur [24 CFR 5.2005(e)]

Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim’s assistance “only when there are no other actions that could be taken to reduce or eliminate the threat” [24 CFR 5.2005(d)(3)].

**DHA Policy**

In determining whether a public housing tenant who is a victim of domestic violence, dating violence, stalking or sexual assault is an actual and imminent threat to other tenants or those employed at or providing service to a property, DHA will consider the following, and any other relevant, factors:

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, stalking or sexual assault.
- Whether the threat is a physical danger beyond a speculative threat
- Whether the threat is likely to happen within a short period of time
- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location, transferring the victim to another unit, or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the tenant wishes to contest DHA’s determination that he or she is an actual and imminent threat to other tenants or employees, the tenant may do so as part of the grievance hearing or in a court proceeding.

**Documentation of Abuse [24 CFR 5.2007]**
DHA Policy

When an individual facing termination of tenancy for reasons related to domestic violence, dating violence, or stalking claims protection under VAWA, DHA will request that the individual provide documentation supporting the claim in accordance with the policies in section 16-VII.D of this ACOP.

DHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases DHA will document the waiver in the individual’s file.
Terminating or Evicting a Perpetrator of Domestic Violence

Although VAWA provides protection from termination for victims of domestic violence, it does not provide such protection for perpetrators. In fact, VAWA gives DHA the explicit authority to bifurcate a lease, or remove a household member from a lease, “in order to evict, remove, terminate occupancy rights, or terminate assistance to any tenant or lawful occupant who engages in criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is a tenant or lawful occupant” [24 CFR 5.2009(a)].

Moreover, HUD regulations impose on DHA the obligation to consider lease bifurcation in any circumstances involving domestic violence, dating violence, or stalking [24 CFR 966.4(e)(9)].

Specific lease language affirming DHA’s authority to bifurcate a lease is not necessary, and the authority supersedes any local, state, or federal law to the contrary. However, if DHA chooses to exercise its authority to bifurcate a lease, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law for eviction, lease termination, or termination of assistance. This means that DHA must follow the same rules when terminating or evicting an individual as it would when terminating or evicting an entire family [3/16/07 Federal Register notice on the applicability of VAWA to HUD programs].

**DHA Policy**

DHA will bifurcate a family’s lease and terminate the tenancy of a family member if DHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the tenancy or program assistance of the remaining, nonculpable family members.

In making its decision, DHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-50066) or other documentation of abuse submitted to DHA by the victim in accordance with this section and section 16-VII.D. DHA will also consider the factors in section 14.III.E. Upon such consideration, DHA may, on a case-by-case basis, choose not to bifurcate the lease and terminate the tenancy of the culpable family member.

If DHA does bifurcate the lease and terminate the tenancy of the culpable family member, it will do so in accordance with the lease, applicable law, and the policies in this ACOP. If necessary, DHA will also take steps to ensure that the remaining family members have a safe place to live during the termination process. For example, DHA may offer the remaining family members another public housing unit, if available; it may help them relocate to a confidential location; or it may refer them to a victim service provider or other agency with shelter facilities.
PART IV: NOTIFICATION REQUIREMENTS, EVICTION PROCEDURES AND RECORD KEEPING

14-IV.A. OVERVIEW
HUD regulations specify the requirements for the notice that must be provided prior to lease termination. This part discusses those requirements and the specific requirements that precede and follow termination for certain criminal activities which are addressed in the regulations. This part also discusses specific requirements pertaining to the actual eviction of families and record keeping.

14-IV.B. CONDUCTING CRIMINAL RECORDS CHECKS [24 CFR 5.903(e)(ii) and 24 CFR 960.259]
HUD authorizes PHA’s to conduct criminal records checks on public housing residents for lease enforcement and eviction. DHA policy determines when DHA will conduct such checks.

DHA Policy
DHA will conduct criminal records checks when it has come to the attention of DHA, either from local law enforcement or by other means, that an individual has engaged in the destruction of property, engaged in violent activity against another person, or has interfered with the right to peaceful enjoyment of the premises of other residents, or has engaged in other criminal activity regardless of conviction. Such checks will also include sex offender registration information. In order to obtain such information, all adult household members must sign consent forms for release of criminal conviction and sex offender registration records on an annual basis.

DHA may not pass along to the tenant the costs of a criminal records check.

14-IV.C. DISCLOSURE OF CRIMINAL RECORDS TO FAMILY [24 CFR 5.903(f), 24 CFR 5.905(d) and 24 CFR 966.4(l)(5)(iv)]
In conducting criminal records checks, if DHA uses the authority of 24 CFR 5.903 and 5.905 to obtain such information, certain protections must be afforded the tenant before any adverse action is taken. In such cases if DHA obtains criminal records information from a state or local agency showing that a household member has been convicted of a crime, or is subject to a sex offender registration requirement, relevant to lease enforcement or eviction, DHA must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information before an eviction or lease enforcement action is taken.
DHA Policy
In all cases where criminal record or sex offender registration information would result in lease enforcement or eviction, DHA will notify the household in writing of the proposed adverse action and will provide the subject of the record and the tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information before an eviction or lease enforcement action is taken.

The family will be given ten (10) calendar days from the date of DHA notice, to dispute the accuracy and relevance of the information. If the family does not contact DHA to dispute the information within that ten (10) calendar day period, DHA will proceed with the termination action.

Should the tenant not exercise their right to dispute prior to any adverse action, the tenant still has the right to dispute in the grievance hearing or court trial.

14-IV.D. LEASE TERMINATION NOTICE [24 CFR 966.4(l)(3)]

Form, Delivery, and Content of the Notice
Notices of lease termination must be in writing. The notice must state the specific grounds for termination, the date the termination will take place, the resident’s right to reply to the termination notice, and their right to examine DHA documents directly relevant to the termination or eviction. If DHA does not make the documents available for examination upon request by the tenant, DHA may not proceed with the eviction [24 CFR 996.4(m)].

When DHA is required to offer the resident an opportunity for a grievance hearing, the notice must also inform the resident of their right to request a hearing in accordance with DHA’s grievance procedure. In these cases, the tenancy shall not terminate until the time for the tenant to request a grievance hearing has expired and the grievance procedure has been completed.

When DHA is not required to offer the resident an opportunity for a grievance hearing because HUD has made a due process determination and the lease termination is for criminal activity that threatens health, safety or right to peaceful enjoyment or for drug-related criminal activity, the notice of lease termination must state that the tenant is not entitled to a grievance hearing on the termination. It must specify the judicial eviction procedure to be used by DHA for eviction of the tenant, and state that HUD has determined that the eviction procedure provides the opportunity for a hearing in court that contains the basic elements of due process as defined in HUD regulations. The notice must also state whether the eviction is for a criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of DHA, or for a drug-related criminal activity on or off the premises.
DHA Policy
DHA will attempt to deliver notices of lease termination directly to the tenant or an adult member of the household. If such attempt fails, the notice will be sent by first class mail the same day.

Timing of the Notice [24 CFR 966.4(l)(3)(i)]
DHA must give written notice of lease termination of:

- 14 calendar days in the case of failure to pay rent
- A reasonable period of time considering the seriousness of the situation (but not to exceed 30 calendar days)
  - If the health or safety of other residents, DHA employees, or persons residing in the immediate vicinity of the premises is threatened
  - If any member of the household has engaged in any drug-related criminal activity or violent criminal activity
  - If any member of the household has been convicted of a felony
- 30 calendar days in any other case, except that if a state or local law allows a shorter notice period, such shorter period shall apply

DHA Policy
DHA will give written notice of 14 calendar days for nonpayment of rent. For all other lease terminations DHA will give 30 days written notice or, if state or local law allows less than 30 days, such shorter notice will be given.

The Notice to Vacate that may be required under state or local law may be combined with or run concurrently with the notice of lease termination.

Notice of Non-renewal Due to Community Service Noncompliance [24 CFR 966.4(l)(2)(ii)(D), 24 CFR 960.603(b) and 24 CFR 960.607(b)]
When DHA finds that a family is in noncompliance with the community service requirement, the tenant and any other noncompliant resident must be notified in writing of this determination. Notices of noncompliance will be issued in accordance with the requirements and policies in Section 11-I.E.

DHA Policy
If after receiving a notice of initial noncompliance the family does not request a grievance hearing, or does not take either corrective action required by the notice within the required timeframe, a termination notice will be issued in accordance with the policies above.

If a family agreed to cure initial noncompliance by signing an agreement, and is still in noncompliance after being provided the 12-month opportunity to cure, the family will be issued a notice of continued noncompliance. The notice of continued noncompliance will be sent in accordance with the policies in Section 11-I.E. and will also serve as the notice of termination of tenancy.
Notice of Termination Based on Citizenship Status [24 CFR 5.514 (c) and (d)]
In cases where termination of tenancy is based on citizenship status, HUD requires the notice of termination to contain additional information. In addition to advising the family of the reasons their assistance is being terminated, the notice must also advise the family of any of the following that apply: the family’s eligibility for proration of assistance, the criteria and procedures for obtaining relief under the provisions for preservation of families, the family’s right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or a written explanation in support of the appeal, and the family’s right to request an informal hearing with DHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal. Please see Chapter 14 for DHA’s informal hearing procedures.

14-IV.E. EVICTION [24 CFR 966.4(l)(4) and 966.4(m)]
Eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. DHA may only evict the tenant from the unit by instituting a court action, unless the law of the jurisdiction permits eviction by administrative action, after a due process administrative hearing, and without a court determination of the rights and liabilities of the parties.

DHA Policy
When a family does not vacate the unit after receipt of a termination notice, by the deadline given in the notice, DHA will follow state and local landlord-tenant law in filing an eviction action with the local court that has jurisdiction in such cases.

If the eviction action is finalized in court and the family remains in occupancy beyond the deadline to vacate given by the court, DHA will seek the assistance of the court to remove the family from the premises as per state and local law.

DHA may not proceed with an eviction action if DHA has not made available the documents to be used in the case against the family, and has not afforded the family the opportunity to examine and copy such documents in accordance with the provisions of 24 CFR 966.4(l)(3) and (m).

14-IV.F. NOTIFICATION TO POST OFFICE [24 CFR 966.4(l)(5)(iii)(B)]
When DHA evicts an individual or family for criminal activity, including drug-related criminal activity, DHA must notify the local post office serving the dwelling unit that the individual or family is no longer residing in the unit.
14-IV.G. RECORD KEEPING
For more information concerning general record keeping, see Chapter 16.

DHA Policy
A written record of every termination and/or eviction will be maintained by DHA at the development where the family was residing, and will contain the following information:

- Name of resident, number and identification of unit occupied
- Date of the notice of lease termination and any other notices required by state or local law; these notices may be on the same form and will run concurrently
- Specific reason(s) for the notices, citing the lease section or provision that was violated, and other facts pertinent to the issuing of the notices described in detail (other than any criminal history reports obtained solely through the authorization provided in 24 CFR 5.903 and 5.905)
- Date and method of notifying the resident
- Summaries of any conferences held with the resident including dates, names of conference participants, and conclusions

Trespass Policy

PURPOSE
The Housing Authority for the City of Durham (DHA) seeks to prevent drug activity, criminal conduct, and other conduct which adversely affects the peace, enjoyment, health, safety, or welfare of DHA’s residents, employees, and properties. This policy bans from entry onto DHA owned and managed properties non-residents (including guests of Tenants) who engage in such conduct or who otherwise lack legitimate business or social purposes for entering DHA properties. This policy also sets forth appeal procedures for persons issued a Trespass Notice and DHA residents who may be adversely effected by a Trespass Notice. Overall, the intent of this policy is to protect the legitimate needs of the community while keeping DHA properties open to persons with legitimate, lawful reasons for visiting them.

DEFINITIONS
For the purpose of this policy the following definitions are applicable:

A. **Trespass Notice** shall mean the form provided to the Trespassed Person, attached as Exhibit A.

B. **Trespassed Person** shall mean any person who has been issued a Trespass Notice and who subsequently has not been removed from the Trespass List.

C. **Trespass List** shall mean the list, maintained by DHA’s Resident Safety division, of persons who have been given a Trespass Notice and banned from entering DHA’s property.

D. **Hearing Officer** shall mean the person designated by the Authority to conduct informal hearings to appeal trespass decisions. No Hearing Officer shall have been involved in any decision to bar the Trespassed Person from DHA’s property.

E. **Property Management** shall mean the Manager or Assistant Property Managers for DHA-owned, leased, or managed properties.

F. **Officer** shall mean any law enforcement officer from any law enforcement agency authorized to act in the City of Durham.

G. **DPD** shall mean the City of Durham Police Department.

H. **Tenant** shall mean the adult person(s), other than a live-in-aide, who resides in the dwelling unit pursuant to an executed lease with DHA as either the owner or management agent.

I. **Unauthorized guest** shall mean someone who is not listed on any lease held by DHA and who has no legitimate business on DHA’s property.

J. **DHA’s property** – shall mean property that is either owned, operated or managed by the Durham Housing Authority.
APPLICABILITY & SCOPE
This policy applies to any person issued a Trespass Notice and every DHA resident. The trespass policy is applicable to all property owned, operated and/or managed by DHA, including but not limited to DHA-owned or leased buildings and common areas, tenant dwelling units, land immediately surrounding any such units, other common areas within public housing neighborhoods, and the privatized streets and sidewalks that the City of Durham has deeded within public housing communities to DHA by ordinance.

Once a Trespass Notice has been issued to an individual, the Trespassed Person is prohibited from entering DHA’s properties for any reason, except to visit DHA administrative offices for the limited purpose of appealing a Trespass Notice or with advance written permission in accordance with this policy. If the Trespassed Person otherwise enters onto DHA’s properties, he/she will be considered a trespasser and will be subject to arrest for trespass pursuant to North Carolina General Statute § 14-159.13.

ISSUANCE OF TRESPASS NOTICES
A. An authorized DHA employee may request that a person be banned from entering DHA property if the employee is aware of conduct by an individual that would violate the terms of DHA’s lease with a resident; state, federal, or local law; or is engaged in conduct that threatens the health, safety, welfare or peaceful enjoyment of the public housing residents and/or employees. DHA shall maintain records documenting requests and justifications to ban a person from DHA’s property and the determination of such requests in accordance with the Authority’s record retention policy.

B. Grounds for Issuing Trespass Notices: The following describes reasons which a non-resident (including a guest of a Tenant) may be banned:

1. Drug-related criminal activity;
2. Violent criminal activity;
3. Non-violent criminal or non-criminal activity which adversely affects the health, safety, welfare, or quiet enjoyment of the residents;
4. Loitering without a legitimate social or business purpose on grounds, common areas, parking lots, playgrounds or other DHA’s property; or
5. Acts or threats of disruptive behavior, physical violence, or harassment towards a DHA employee, resident, or other person.

C. Persons Authorized to issue Trespass Notices:

1. DHA Property Management
2. Any law enforcement officer in the City of Durham including members of the Durham Police Department (DPD) and the Durham County Sheriff’s Office.
3. Resident Safety personnel

D. Issuing Trespass Notices: Any authorized person shall complete the Trespass Notice and give a copy of the notice to the Trespassed Person. The Trespassed Person must acknowledge receipt of the Trespass Notice by signing a copy of the notice to be retained by DHA. In the event the Trespassed Person refuses to sign the Trespass Notice, the person issuing the Trespass Notice shall have the refusal witnessed by a second DHA employee and/or a law enforcement Officer. The name of the Trespassed Person shall be added to the Trespass List by the Resident Safety personnel. A Trespass Acknowledgement form shall be provided to any DHA residents that are known to be related to and/or associated with the Trespassed Person, and said residents will be asked to sign a copy of the acknowledgement to be placed in their tenant file. A copy of the completed Trespass Notice shall be maintained for the entire time the Trespass Notice remains active.

E. Trespass: In the event a Trespassed Person enters onto DHA’s property after being issued a Trespass Notice, the Trespassed Person shall be subject to arrest for trespassing. The Trespass Notice shall be in effect until withdrawn by DHA or until any expiration of the applicable trespass period. Residents who have received notice of the Trespassed Person may face adverse action, including, but not limited to, lease termination where the Resident’s involvement with the presence of a Trespassed Person is a violation of the lease.

MAINTENANCE OF TRESPASSED PERSONS LIST
DHA’s Resident Safety personnel shall provide, twice per month, an updated copy of the Trespass List to management for DHA and to DPD, which shall be stored on the shared drive of DHA’s computer system as a “read only” file to be accessed by Property Management staff. A version of the list containing only the names, sex, race, approximate height and weight, other distinguishing non-temporary physical features (if any), and year of birth only of Trespassed Persons will be posted conspicuously for public viewing at the management office or other appropriate place within each housing community, and all residents shall be informed of the location of the list. All versions of the list shall state the beginning and end date (if any) of the trespass period applicable to each Trespassed Person.

APPEAL OF TRESPASS DECISION
Time Limits: A Trespassed Person or a DHA resident who is effected personally by the trespass decision may appeal the trespass decision by submitting a written request for a hearing within ten (10) calendar days of the date the Trespass Notice was issued. In the event that an interested DHA resident receives notice of a Trespassed Person more than 10 calendar days after the notice was issued, the
resident will be allowed to file an appeal within 10 calendar days of the resident’s receipt of notice. A hearing will be scheduled within ten (10) business days of the receipt of the notice of appeal. The Trespass List Removal Hearing Request Form can be obtained at the Receptionist desk, located at the Central Office at: 330 East Main Street, Durham, NC 27701.

Any appeal of a trespass decision shall be in writing and be submitted to:

Durham Housing Authority
Hearing Officer
330 East Main St.
Durham, NC 27701

Notice of Hearing: Upon receipt of the written request to appeal, an independent, neutral Hearing Officer shall be appointed. The Hearing Officer shall send a letter to the Trespassed Person, the resident who has filed the appeal, and DHA specifying the date, time, and place of the appeal hearing. The letter shall inform the Trespassed Person of his/her right to:

1. Submit any written information he/she feel supports reversal of the decision to ban him/her;
2. Submit a current certified copy of his/her criminal record;
3. Introduce any relevant documents supporting the appeal;
4. Question and/or cross-examine witnesses; and
5. Have legal representation at his/her own expense.

Decision: The Hearing Officer shall determine whether good cause existed to ban the Trespassed Person. The Hearing Officer will also determine whether a complete ban from DHA property is warranted or whether a limited ban is sufficient to accomplish the purposes of this Policy. DHA shall bear the burden of proof by a preponderance of the evidence to show good cause for the trespass exists, but once established, the burden to prove that a ban from less than all DHA property is sufficient shifts to the Trespassed Person or effected resident. If the Hearing Officer decides that good cause for the trespass does not exist and the Trespass Notice should not have been issued, the ban shall be lifted immediately.

Within 10 business days of the appeal hearing, the Hearing Officer will send the written decision to the Trespassed Person or the resident who appealed. The Hearing Officer will also send a copy of the written decision to the Property Manager of the property where the conduct leading to ban occurred, Resident Safety personnel, and DPD or any local law enforcement agency requesting such notice. Where the trespass decision is overturned by the hearing officer, Resident Safety personnel will remove the name of the Trespassed Person from the Trespass List, and ensure that the updated list is properly distributed.

Failure to Request Hearing: If no appeal is filed within 10 calendar days of the
notice of trespass being issued, then the Trespassed Person shall remain on the Trespass Person List for the time period specified under Banned and Criminal Trespass Period, or until otherwise removed consistent with this policy.

**Late Appeals:** In the event that a written appeal is received after the ten-day period, the Hearing Officer shall send a notice to the Trespassed Person or resident notifying him/her of the lateness of the appeal. Unless the Trespassed Person or resident can demonstrate good cause (in the sole discretion of the Hearing Officer) for the delayed request, the request shall be denied. If a late appeal is filed more than 30 days after the appealing Trespassed person or resident was sent written notice of the trespass decision, there is not good cause for the delay and the appeal will be denied on that basis alone.

**BARRED AND CRIMINAL TRESPASS PERIOD**

The Trespassed Person will be subjected to the Trespass List and be banned from the property for the following time periods:

**Offense Group A (Highest Offense Group):** Persons banned under Offense Group A are permanently banned from all DHA properties:

Attempt, aiding and abetting, solicitation, and conspiracy to commit an offense shall be treated the same as actual commission of the offense for purposes of this Trespass Policy.

Any offense subject to more than one possible classification among listed offenses will be resolved by classing it as the offense with the longest ban period.

A person may be banned for committing (or attempting, aiding and abetting, soliciting, or conspiring to commit) a criminal offense not specifically listed above. For any felony criminal offense not listed above will be subject to a two-year bar period, and any misdemeanor offense not listed above will be subject to a one-year bar period.

A person who has been issued a Notice for an offense classed in Offense Group B or C may request in writing that the Notice be rescinded after complying with the Notice for at least one year.
TEMPORARY LIFTING OF BAN AND CRIMINAL TRESPASS NOTICE

In promotion of family unification and in extenuating circumstances for good cause, the Chief Executive Officer or his/her designee may permit a temporary lift of the Trespass Notice for the Trespassed Person to have access to a specific DHA property under restrictive visitation conditions. An example of an extenuating circumstance is a Trespassed Person desiring to visit his/her child or ailing family member who resides in a DHA property.

Persons banned from DHA’s property may submit a written request for a temporary lift of the Trespass Notice to the Chief Executive Officer or his/her designee.

- The written request shall state the specific property and time period during which the banned person is seeking access and the reason for the request of the temporary lift, including any documentation of a request for reasonable accommodations.
- A temporary lift shall be for a period as determined reasonable under the circumstances by the Chief Executive Officer.
- Any banned person who commits a subsequent offense on any DHA property during a period of a temporary lift shall be prohibited from requesting additional requests for temporary lifts during the remaining term of the Notice.
- A banned person may be granted only two (2) temporary lifts during any period that the banned person is subject to a Trespass Notice.
- The Chief Executive Officer shall review the request for a temporary lift and respond in writing within ten (10) days of the date of the request.

If approved, the banned person will be permitted access to DHA’s property based on the conditions specified in the Chief Executive Officer’s approval letter. The banned person must check in and out with DHA personnel at the designated property as a condition of the temporary lift of the Trespass Notice. Entering without receiving the written approval letter will be considered trespassing and subject to arrest for trespassing.

In the event that a trespassed person is given supervised visitation of a child who resides in a DHA household by a court order from a court of competent jurisdiction, the trespassed person will be allowed to visit the property during the court-ordered time and on terms consistent with that order. A copy of the court order must be given to the relevant property manager and the DHA resident must have signed an acknowledgement form of the Trespass. Failure to provide the visitation order in advance of entering the property will be considered trespassing. Informal arrangements outside of a court order for parenting time or visitation are not sufficient under this policy.
Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION
This chapter discusses administrative policies and practices that are relevant to the activities covered in this ACOP. The policies are discussed in six parts as described below:

Part I: Setting Utility Allowances. This part describes how utility allowances are established and revised. Also discussed are the requirements to establish surcharges for excess consumption of DHA-furnished utilities.

Part II: Establishing Flat Rents and Public Housing Maximum Rents. This part describes the requirements and policies related to establishing and updating flat rent amounts and public housing maximum rents.

Part III: Repayment of Family Debts. This part contains policies for recovery of monies that have been underpaid by families, and describes the circumstances under which DHA will offer repayment agreements to families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part IV: Public Housing Assessment System (PHAS). This part describes PHAS indicators, how DHA is scored under PHAS, and how those scores affect a DHA.

Part V: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies DHA will follow.

Part VI: Reporting and Record Keeping for Children with Environmental Intervention Blood Lead Level. This part describes DHA’s reporting responsibilities related to children with environmental intervention blood lead levels that are living in public housing.

Part VII: Violence against Women Act (VAWA): Notification, Documentation, Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, stalking or sexual assault; and maintaining the confidentiality of information obtained from victims.
PART I: SETTING UTILITY ALLOWANCES [24 CFR 965 Subpart E]

16-I.A. OVERVIEW
DHA must establish allowances for DHA-furnished utilities for all check metered utilities and for resident-purchased utilities for all utilities purchased directly by residents from a utility supplier [24 CFR 965.502(a)].

DHA must also establish surcharges for excess consumption of DHA-furnished utilities [24 CFR 965.506]. DHA must maintain a record that documents the basis on which utility allowances and scheduled surcharges are established and revised, and the record must be made available for inspection by residents [24 CFR 965.502(b)].

16-I.B UTILITY ALLOWANCES
DHA must establish separate allowances for each utility and for each category of dwelling units DHA determines to be reasonably comparable as to factors affecting utility usage [24 CFR 965.503].

The objective of a DHA in establishing utility allowances for each dwelling unit category and unit size is to approximate a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment [24 CFR 965.505].

Utilities include gas, electricity, fuel for heating, water, sewerage, and solid waste disposal for a dwelling unit. In addition, if DHA does not furnish a range and refrigerator, the family must be granted a utility allowance for the range and refrigerator they provide [24 CFR 965.505].

Costs for telephone, cable/satellite TV, and internet services are not considered utilities [PH Occ GB, p. 138].

Utility allowance amounts will vary by the rates in effect, size and type of unit, climatic location and sitting of the unit, type of construction, energy efficiency of the dwelling unit, and other factors related to the physical condition of the unit. Utility allowance amounts will also vary by residential demographic characteristics affecting home energy usage [PH Occ GB, p. 138].

Chapter 14 of the PH Occupancy Guidebook provides detailed guidance to DHA about establishing utility allowances.

Air-Conditioning
“In communities where DHA installs air conditioning, it shall provide, to the maximum extent economically feasible, systems that give residents the option of choosing to use air conditioning in their units. The design of systems that offer each resident the option to choose air conditioning shall include retail meters or check meters, and residents shall pay for the energy used in its operation. For systems that offer residents the option to choose air conditioning but cannot be check metered, residents are to be surcharged
in accordance with 965.506. If an air conditioning system does not provide for resident option, residents are not to be charged, and these systems should be avoided whenever possible.” [24 CFR 965.505(e)].

DHA Policy
DHA has installed air-conditioning in some of its public housing communities.

Utility Allowance Revisions [24 CFR 965.507]
DHA must review at least annually the basis on which utility allowances have been established and must revise the allowances if necessary in order to adhere to the standards for establishing utility allowances that are contained in 24 CFR 965.505.

DHA may revise its allowances for resident-purchased utilities between annual reviews if there is a rate change, and is required to do so if such change, by itself or together with prior rate changes not adjusted for, results in a change of 10 percent or more from the rate on which the allowance was based.

Adjustments to resident payments as a result of such changes must be retroactive to the first day of the month following the month in which the last rate change taken into account became effective.

DHA Policy
Between annual reviews of utility allowances, DHA will only revise its utility allowances due to a rate change, when required to by the regulation.

16-I.C. SURCHARGES FOR DHA-FURNISHED UTILITIES [24 CFR 965.506]
For dwelling units subject to allowances for DHA-furnished utilities where check meters have been installed, DHA must establish surcharges for utility consumption in excess of the allowances. Surcharges may be computed on a straight per unit of purchase basis or for stated blocks of excess consumption, and must be based on DHA’s average utility rate. The basis for calculating the surcharges must be described in DHA’s schedule of allowances. Changes in the amount of surcharges based directly on changes in DHA’s average utility rate are not subject to the advance notice requirements discussed under 20-I.D.

For dwelling units served by DHA-furnished utilities where check meters have not been installed, DHA must establish schedules of surcharges indicating additional dollar amounts residents will be required to pay by reason of estimated utility consumption attributable to resident-owned major appliances or to optional functions of DHA-furnished equipment. The surcharge schedule must state the resident-owned equipment (or functions of DHA-furnished equipment) for which surcharges will be made and the amounts of such charges. Surcharges must be based on the cost to DHA of the utility consumption estimated to be attributable to reasonable usage of such equipment.

DHA Policy
DHA does have DHA-furnished utilities.
16-I.D. NOTICE REQUIREMENTS [965.502]
DHA must give notice to all residents of proposed allowances and scheduled surcharges, and revisions thereof. The notice must be given in the manner provided in the lease and must:

- Be provided at least 60 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.
- Describe the basis for determination of the allowances, scheduled surcharges, or revisions, including a statement of the specific items of equipment and function whose utility consumption requirements were included in determining the amounts of the allowances and schedule of surcharges.
- Notify residents of the place where DHA's documentation on which allowances and surcharges are based is available for inspection.
- Provide all residents an opportunity to submit written comments during a period expiring not less than 30 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.

16-I.E. REASONABLE ACCOMMODATION [24 CFR 965.508]
On request from a family that includes a disabled or elderly person, DHA must approve a utility allowance that is higher than the applicable amount for the dwelling unit if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family [PH Occ GB, p. 172].

Likewise, residents with disabilities may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability [PH Occ GB, p. 172].

See Chapter 2 for policies regarding the request and approval of reasonable accommodations.

PART II: ESTABLISHING FLAT RENTS AND PUBLIC HOUSING MAXIMUM RENTS

16-II.A. OVERVIEW
Flat rents are designed to encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become economically self-sufficient.

Public housing maximum rents are needed to prorate assistance for a mixed family. A mixed family is one whose members include those with citizenship or eligible immigration status, and those without citizenship or eligible immigrations status [24 CFR 5.504].

This part discusses how DHA establishes and updates flat rents and public housing maximum rents. Policies related to the use of flat rents, family choice of rent, flat rent hardships, and public housing maximum rents are discussed in Chapter 6.
16-II.B. FLAT RENTS [24 CFR 960.253(b)]

Establishing Flat Rents
Flat rents for public housing units are based on the market rent charged for comparable units in the private unassisted rental market. The established flat rent should be no less than 80 percent of the fair market rent.
DHA must use a reasonable method to determine flat rents. In determining flat rents, DHA must consider the following:

- Location
- Quality
- Unit size
- Unit type
- Age of property
- Amenities at the property and in immediate neighborhood
- Housing services provided
- Maintenance provided by DHA
- Utilities provided by DHA

Review of Flat Rents
DHA must ensure that flat rents continue to mirror market rent values [24 CFR 960.253(b)].

DHA Policy
DHA will review flat rents on an annual basis, and adjust them as necessary to ensure that flat rents continue to mirror market rent values.

Posting of Flat Rents
DHA Policy
DHA will publicly post the schedule of flat rents in a conspicuous manner in the applicable DHA or project office.

Documentation of Flat Rents [24 CFR 960.253(b)(5)]
DHA must maintain records that document the method used to determine flat rents, and that show how flat rents were determined by DHA in accordance with this method.

16-II.C. PUBLIC HOUSING MAXIMUM RENTS

Establishing Public Housing Maximum Rents
DHA is prohibited from making financial assistance available to persons who are not citizens or nationals of the United States, and to those who do not have eligible immigration status [24 CFR 5.500]. Therefore, in order to assist mixed families, PHA’s must prorate assistance. Public housing maximum rents are needed in order to calculate the tenant rent for a mixed family.

The public housing maximum rent is based on value of the 95th percentile of the total tenant payment (TTP) for each tenant within DHA. DHA may calculate a maximum rent
on either a DHA- or project wide basis. A separate maximum rent can be provided for each separate project or projects may be combined into logical groups, if appropriate. HUD recommends that a single project basis be avoided for a project unless at least 50 dwelling units are involved.

DHA may use the “direct comparison” or the “unit distribution” method for establishing the public housing maximum rents for each unit size. Appendix H, of Guidebook 7465.G, Restrictions on Assistance to Non-citizens provides detailed guidance on how to establish public housing maximum rents using the methodologies identified above.

**Review of Public Housing Maximum Rents**

**DHA Policy**
DHA will recalculate the public housing maximum rents on an annual basis.

**Posting of Public Housing Maximum Rents**

**DHA Policy**
DHA will publicly post the schedule of public housing maximum rents in a conspicuous manner in the applicable DHA or project office.

**Documentation of Public Housing Maximum Rents**

**DHA Policy**
DHA will maintain records that document how DHA determined the 95th percentile of TTP, whether the maximum rent was determined DHA-wide, project-wide, or with groupings of projects, and the methodology used to determine maximum rents for each unit size.

**PART III: FAMILY DEBTS TO DHA**

**16-III.A. OVERVIEW**
This part describes DHA’s policies for recovery of monies that have been underpaid by families.

**DHA Policy**
When an action or inaction of a resident family results in the underpayment of rent or other amounts, DHA holds the family liable to return any underpayments to DHA.

DHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments. The term *repayment agreement* refers to a formal document signed by a tenant and provided to DHA in which a tenant acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

When a family refuses to repay monies owed to DHA, DHA will utilize other available collection alternatives including, but not limited to, the following:
- Collection agencies
- Small claims court
• Civil law suit
• State income tax set-off program
• Termination of dwelling lease

16-III.B. REPAYMENT POLICY

Family Debts to DHA
DHA Policy
Any amount due to DHA by a public housing family must be repaid. If the family is unable to repay the debt within 30 days, DHA will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, enter into a repayment agreement, or breaches a repayment agreement, DHA will terminate the family’s tenancy in accordance with the policies in Chapter 13. DHA will also pursue other modes of collection.

Repayment Agreement Guidelines:

Down Payment Requirement
DHA Policy
Prior to the execution of a repayment agreement, the family must pay 1/3 of the balance owed to DHA.

Payment Thresholds
DHA Policy
Amounts between $3,000 and the Federal or State threshold for criminal prosecution must be repaid within 36 months.
Amounts between $2,000 and $2,999 must be repaid within 30 months.
Amounts between $1,000 and $1,999 must be repaid within 24 months.
Amounts under $1,000 must be repaid within 12 months.

Execution of the Agreement
DHA Policy
The head of household and spouse/cohead (if applicable) must sign the repayment agreement.

Due Dates
DHA Policy
All payments are due by the close of business on the 15th day of the month. If the 15th does not fall on a business day, the due date is the close of business on the first business day after the 15th.

Non-Payment
DHA Policy
If a payment is not received by the end of the business day on the date due, and prior approval for the missed payment has not been given by DHA, DHA will send the family a delinquency notice giving the family 10 business days to make the late payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and DHA will terminate tenancy in accordance with the policies in Chapter 13.

If a family receives three delinquency notices for unexcused late payments in a 12-month period, the repayment agreement will be considered in default, and DHA will terminate tenancy in accordance with the policies in Chapter 13.

**No Offer of Repayment Agreement**

**DHA Policy**

DHA will not enter into a repayment agreement if there is already a repayment agreement in place with the family, or the amounts owed by the family exceed the Federal or State threshold for criminal prosecution.

**PART IV: PUBLIC HOUSING ASSESSMENT SYSTEM (PHAS)**

**16-IV.A. OVERVIEW**

The purpose of the Public Housing Assessment System (PHAS) is to improve the delivery of services in public housing and enhance trust in the public housing system among DHA, public housing residents, HUD and the general public by providing a management tool for effectively and fairly measuring the performance of a public housing agency in essential housing operations.

**16-IV.B. PHAS INDICATORS [24 CFR 902 Subparts A, B, C, D, and E]**

The table below lists each of PHAS indicators, the points possible under each indicator, and a brief description of each indicator. DHA performance is based on a combination of all four indicators.

<table>
<thead>
<tr>
<th>Indicator 1: Physical condition of the PHA’s projects</th>
<th>Maximum Score: 40</th>

public housing projects for the purpose of evaluating whether the PHA has sufficient financial resources and is capable of managing those financial resources effectively to support the provision of housing that is decent, safe, sanitary, and in good repair.

- A PHA’s financial condition is determined by measuring each public housing project’s performance in each of the following sub indicators: quick ratio, months expendable net assets ratio, and debt service coverage ratio.

16-IV.C. PHAS SCORING [24 CFR 902.63 and 902.67]
HUD’s Real Estate Assessment Center (REAC) issues overall PHAS scores, which are based on the scores of the four PHAS indicators, and the components under each indicator. PHAS scores translate into a designation for each DHA as high performing, standard, or troubled.

A high performer is a PHA that achieves an overall PHAS score of 90 or greater, and achieves a score of at least 60 percent of the points available under the physical, financial, and management indicators and at least 50 percent of the points available under the capital fund indicator.

A standard performer is a PHA that has an overall PHAS score between 60 and 89, and achieves a score of at least 60 percent of the points available under the physical, financial, and management indicators and at least 50 percent of the points available under the capital fund indicator.

A substandard performer is a PHA that has an overall PHAS score of at least 60 percent and achieves a score of less than 60 percent under one or more of the physical, financial, or management indicators.

A troubled performer is a PHA that achieves an overall PHAS score of less than 60, or achieves less than 50 percent of the total points available under the capital fund indicator.

- High-performing PHAs are eligible for incentives including relief from specific HUD requirements and bonus points in funding competitions [24 CFR 902.71].
- PHAs that are standard performers may be required to submit and operate under a corrective action plan to eliminate deficiencies in the PHA’s performance [24 CFR 902.73(a)].
- PHAs that are substandard performers will be required to submit and operate under a corrective action plan to eliminate deficiencies in the PHA’s performance [24 CFR 902.73(a)(2)].
- PHAs with an overall rating of “troubled” are subject to additional HUD oversight, and are required to enter into a memorandum of agreement (MOA) with HUD to improve the PHA performance [24 CFR 902.75].
- PHAs that fail to execute or meet MOA requirements may be referred to the Assistant Secretary to determine remedial actions, including, but not limited to, remedies available for substantial default [24 CFR 902.75(g) and 24 CFR Part 907].

DHA must post a notice of its final PHAS score and status in appropriate conspicuous and accessible locations in its offices within two weeks of receipt of its final score and status.
PART V: RECORD KEEPING

16-V.A. OVERVIEW
DHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, DHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

16-V.B. RECORD RETENTION

DHA Policy
During the term of each public housing tenancy, and for at least four years thereafter, DHA will keep all documents related to a family’s eligibility, tenancy, and termination.

In addition, DHA will keep the following records for at least four years:

- An application from each ineligible family and notice that the applicant is not eligible
- Lead-based paint records as required by 24 CFR 35, Subpart B
- Documentation supporting the establishment of flat rents and the public housing maximum rent
- Documentation supporting the establishment of utility allowances and surcharges
- Documentation supporting DHAS scores
- Accounts and other records supporting DHA budget and financial statements for the program
- Other records as determined by DHA or as required by HUD

If a hearing to establish a family’s citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 14-II.A.

16-V.C. RECORDS MANAGEMENT
DHA must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

DHA Policy
All applicant and participant information will be kept in a secure location and access will be limited to authorized DHA staff.
DHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

**Privacy Act Requirements [24 CFR 5.212 and Form-9886]**
The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or DHA may release the information collected.

**Enterprise Income Verification (EIV) Records**
DHA access EIV data through HUD’s Enterprise Income Verification (EIV) System are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with Federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in *Enterprise Income Verification (EIV) System DHA Security Procedures*, Version 1.2, issued January 2005.

**DHA Policy**
Prior to utilizing HUD’s EIV system, DHA has adopted and implemented EIV security procedures required by HUD.

**Criminal Records**
DHA may only disclose the criminal conviction records which DHA receives from a law enforcement agency to officers or employees of DHA, or to authorized representatives of DHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

DHA must establish and implement a system of records management that ensures that any criminal record received by DHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to DHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

DHA must establish and implement a system of records management that ensures that any sex offender registration information received by DHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to DHA action without institution of a challenge or final disposition of any such litigation. This requirement does not apply to
information that is public information, or is obtained by a DHA other than under 24 CFR 5.905.

**Medical/Disability Records**

DHA is not permitted to inquire about the nature or extent of a person’s disability. DHA may not inquire about a person’s diagnosis or details of treatment for a disability or medical condition. If DHA receives a verification document that provides such information, DHA should not place this information in the tenant file. DHA should destroy the document.

**Domestic Violence, Dating Violence, or Stalking Records**

For requirements and DHA policies related to management of documentation obtained from victims of domestic violence, dating violence, stalking or sexual assault see section 16-VII.

PART VI: REPORTING REQUIREMENTS FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL

16-VI.A. REPORTING REQUIREMENTS [24 CFR 35.1130(e)]

DHA has certain responsibilities relative to children with environmental intervention blood lead levels that are living in public housing.

DHA must report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within five business days of being so notified by any other medical health care professional. DHA must also report each known case of a child with an environmental intervention blood lead level to the HUD field office.

**DHA Policy**

DHA will provide the public health department written notice of the name and address of any child identified as having an environmental intervention blood lead level.

DHA will provide written notice of each known case of a child with an environmental intervention blood level to the HUD field office within five business days of receiving the information.

PART VII: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, CONFIDENTIALITY

16-VII.A. OVERVIEW

The Violence against Women Act of 2005 (VAWA) provides special protections for victims of domestic violence, dating violence, stalking or sexual assault who are applying for or receiving assistance under the public housing program. If your state or local laws provide greater protection for such victims, those laws take precedence over VAWA.
In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located in Chapter 3, “Eligibility” (sections 3-I.C and 3-III.F); Chapter 5, “Occupancy Standards and Unit Offers” (section 5-II.D); Chapter 8, “Leasing and Inspections” (section 8-I.B); Chapter 12, “Transfer Policy” (sections 12-III.C, 12-III.F, and 12-IV.D); and Chapter 14, “Lease Terminations” (sections 14-III.F and 14-IV.D).

16-VII.B. DEFINITIONS [24 CFR 5.2003]

As used in VAWA:

- The term *bifurcate* means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.

- The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
  - The length of the relationship
  - The type of relationship
  - The frequency of interaction between the persons involved in the relationship

- The term *domestic violence* includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

- The term *immediate family member* means, with respect to a person:
  - A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
  - Any other person living in the household of that person and related to that person by blood and marriage.

- The term *stalking* means:
  - To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
  - To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and
  - In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that
person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

16-VII.C. NOTIFICATION [24 CFR 5.2005(a)]

Notification to Public

DHA adopts the following policy to help ensure that all actual and potential beneficiaries of its public housing program are aware of their rights under VAWA.

DHA Policy

DHA will post the following information regarding VAWA in its offices and on its Web site. It will also make the information readily available to anyone who requests it.

A summary of the rights and protections provided by VAWA to public housing applicants and residents who are or have been victims of domestic violence, dating violence, or stalking (see sample notice in Exhibit 16-1)

The definitions of domestic violence, dating violence, and stalking provided in VAWA (included in Exhibit 16-1)

An explanation of the documentation that DHA may require from an individual who claims the protections provided by VAWA (included in Exhibit 16-1)

A copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking

A statement of DHA’s obligation to keep confidential any information that it receives from a victim unless (a) DHA has the victim’s written permission to release the information, (b) it needs to use the information in an eviction proceeding, or (c) it is compelled by law to release the information (included in Exhibit 16-1)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibit 16-1)

Contact information for local victim advocacy groups or service providers

Notification to Applicants and Tenants [24 CFR 5.2005(a)(1)]

PHAs are required to inform public housing tenants of their rights under VAWA, including their right to confidentiality and the limits thereof. Since VAWA provides protections for applicants as well as tenants, PHAs may elect to provide the same information to applicants.

DHA Policy

DHA will provide all applicants with information about VAWA at the time they request an application for housing assistance. DHA will also include such information in all notices of denial of assistance (see section 3-III.F).
DHA will provide all tenants with information about VAWA at the time of admission (see section 8-I.B) and at annual reexamination. DHA will also include such information in all lease termination notices (see section 13-IV.D).

The VAWA information provided to applicants and tenants will consist of the notice in Exhibit 16-1 and a copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, and Stalking.

DHA is not limited to providing VAWA information at the times specified in the above policy. If DHA decides to provide VAWA information to a tenant following an incident of domestic violence, Notice PIH 2006-42 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases DHA make alternative delivery arrangements that will not put the victim at risk.

DHA Policy
Whenever DHA has reason to suspect that providing information about VAWA to a public housing tenant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim.

16-VII.D. DOCUMENTATION [24 CFR 5.2007]
A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. DHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy DHA’s request by providing any one of the following forms of documentation [24 CFR 5.2007(b)]:

(1) A completed and signed HUD-approved certification form (HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking), which must include the name of the perpetrator

(2) A federal, state, tribal, territorial, or local police report or court record

(3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, stalking or sexual assault or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. The person signing the documentation must attest under penalty of perjury to the person’s belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

(4) A completed and signed HUD-approved certification form (HUD-50066, Certification of Domestic violence, Dating Violence or Stalking), which must include the name of the perpetrator or if the name of the perpetrator is safe and is known to the victim.

(5) A federal, state, tribal, territorial, or local police report or court record

(6) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, or stalking, or the effects of such abuse. This
person may be an employee, agent, or volunteer of a victim service provider; an
attorney; or a medical professional. The person signing the documentation must
attest under penalty of perjury to the person’s belief that the incidents in question are
bona fide incidents of abuse. The victim must also sign the documentation.

DHA may not require third-party documentation (forms 2 and 3) in addition to
certification (form 1), except as specified below under “Conflicting Documentation,” nor
may it require certification in addition to third-party documentation [VAWA final rule].

DHA Policy
Any request for documentation of domestic violence, dating violence, or stalking
will specify a deadline of 14 business days following receipt of the request, will
describe the three forms of acceptable documentation, will provide explicit
instructions on where and to whom the documentation must be submitted, and
will state the consequences for failure to submit the documentation or request an
extension in writing by the deadline.

DHA may, in its discretion, extend the deadline for 10 business days. Any
extension granted by DHA will be in writing.

Conflicting Documentation [24 CFR 5.2007(e)]
In cases where DHA receives conflicting certification documents from two or more
members of a household, each claiming to be a victim and naming one or more of the
other petitioning household members as the perpetrator, DHA may determine which is
the true victim by requiring each to provide acceptable third-party documentation, as
described above (forms 2 and 3). DHA must honor any court orders issued to protect
the victim or to address the distribution of property.

DHA Policy
If presented with conflicting certification documents (two or more forms HUD-
50066) from members of the same household, DHA will attempt to determine
which is the true victim by requiring each of them to provide third-party
documentation in accordance with 24 CFR 5.2007(b)(2) or (3) and by following
any HUD guidance on how such determinations should be made.

Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]
DHA has the discretion to provide benefits to an individual based solely on the
individual’s statement or other corroborating evidence—i.e., without requiring formal
documentation of abuse in accordance with 24 CFR 5.2007(b).

DHA Policy
If DHA accepts an individual’s statement or other corroborating evidence of
domestic violence, dating violence, stalking or sexual assault DHA will document
acceptance of the statement or evidence in the individual’s file.
Failure to Provide Documentation [24 CFR 5.2007(c)]

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as DHA may allow, DHA may deny relief for protection under VAWA.

16-VII.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]

All information provided to DHA regarding domestic violence, dating violence, stalking or sexual assault including the fact that an individual is a victim of such violence stalking or sexual assault must be retained in confidence. This means that DHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

DHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, DHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.
EXHIBIT 16-1: SAMPLE NOTICE TO PUBLIC HOUSING APPLICANTS AND TENANTS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)

This sample notice was adapted from a notice prepared by the National Housing Law Project.

A federal law that went into effect in 2006 protects individuals who are victims of domestic violence, dating violence, stalking or sexual assault. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your rights under VAWA.

Protections for Victims

If you are eligible for public housing, the housing authority cannot refuse to admit you to the public housing program solely because you are a victim of domestic violence, dating violence, stalking or sexual assault.

If you are the victim of domestic violence, dating violence, stalking or sexual assault, the housing authority cannot evict you based on acts or threats of violence committed against you. Also, criminal acts directly related to the domestic violence, dating violence, stalking or sexual assault that are caused by a member of your household or a guest can’t be the reason for evicting you if you were the victim of the abuse.

Reasons You Can Be Evicted

The housing authority can still evict you if the housing authority can show there is an actual and imminent (immediate) threat to other tenants or housing authority staff if you are not evicted. Also, the housing authority can evict you for serious or repeated lease violations that are not related to the domestic violence, dating violence, or stalking against you. The housing authority cannot hold you to a more demanding set of rules than it applies to tenants who are not victims.

Removing the Abuser from the Household

The housing authority may split the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the public housing unit. If the housing authority chooses to remove the abuser, it may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, the housing authority must follow federal, state, and local eviction procedures.
Proving That You Are a Victim of Domestic Violence, Dating Violence, Stalking or Sexual Assault

The housing authority can ask you to prove or “certify” that you are a victim of domestic violence, dating violence, stalking or sexual assault. It must give you at least 14 business days (i.e., Saturdays, Sundays, and holidays do not count) to provide this proof. The housing authority is free to extend the deadline. There are three ways you can prove that you are a victim:

- Complete the certification form given to you by the housing authority. The form will ask for your name, the name of your abuser, the abuser’s relationship to you, the date, time, and location of the incident of violence, and a description of the violence.

- Provide a statement from a victim service provider, attorney, or medical professional who has helped you address incidents of domestic violence, dating violence, or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both you and the professional must sign the statement, and both of you must state that you are signing “under penalty of perjury.”

- Provide a police or court record, such as a protective order.

If you fail to provide one of these documents within the required time, the housing authority may evict you.

Confidentiality

The housing authority must keep confidential any information you provide about the violence against you, unless:

- You give written permission to the housing authority to release the information.

- The housing authority needs to use the information in an eviction proceeding, such as to evict your abuser.

- A law requires the housing authority to release the information.

If release of the information would put your safety at risk, you should inform the housing authority.

VAWA and Other Laws

VAWA does not limit the housing authority’s duty to honor court orders about access to or control of a public housing unit. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, or stalking.

Definitions
For purposes of determining whether a public housing applicant or tenant may be covered by VAWA, the following list of definitions applies:

VAWA defines *domestic violence* to include felony or misdemeanor crimes of violence committed by any of the following:

- A current or former spouse of the victim
- A person with whom the victim shares a child in common
- A person who is cohabitating with or has cohabitated with the victim as a spouse
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies
- Any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction

VAWA defines *dating violence* as violence committed by a person (1) who is or has been in a social relationship of a romantic or intimate nature with the victim AND (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

VAWA defines *stalking* as (A)(i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person OR (ii) to place under surveillance with the intent to kill, injure, harass, or intimidate another person AND (B) in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person, (ii) a member of the immediate family of that person, or (iii) the spouse or intimate partner of that person.
Chapter 17
GRIEVANCES AND APPEALS

INTRODUCTION
This chapter discusses grievances and appeals pertaining to DHA actions or failures to act that adversely affect public housing applicants and residents. The policies are discussed in the following three parts:

Part I: Informal Hearings for Public Housing Applicants. This part outlines the requirements and procedures for informal hearings for public housing applicants.

Part II: Informal Hearings with Regard to Non-citizens. This part discusses informal hearings regarding citizenship status and where they differ from the requirements for general applicant and tenant grievances.

Part III: Grievance Hearings for Public Housing Residents. This part outlines the requirements and procedures for handling grievances for public housing residents. Note that this chapter is not DHA’s grievance procedure. The grievance procedure is a document separate from the ACOP.

This chapter of the ACOP provides the policies that drive the grievance procedure.

PART I: INFORMAL HEARINGS FOR PUBLIC HOUSING APPLICANTS

17-I.A. OVERVIEW
When DHA makes a decision that has a negative impact on an applicant family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal hearing. HUD regulations do not provide a structure for or requirements regarding informal hearings for applicants (except with regard to citizenship status, to be covered in Part II). This part discusses DHA policies necessary to respond to applicant appeals through the informal hearing process.

17-I.B. INFORMAL HEARING PROCESS [24 CFR 960.208(a) and PH Occ GB, p. 58]
Informal hearings are provided for public housing applicants. An applicant is someone who has applied for admission to the public housing program, but is not yet a tenant in the program. Informal hearings are intended to provide a means for an applicant to dispute a determination of ineligibility for admission to a project [24 CFR 960.208(a)]. Applicants to public housing are not entitled to the same hearing process afforded tenants in DHA grievance procedure [24 CFR 966.53(a) and PH Occ GB, p. 58].
Informal hearings provide the applicant a means to hear the details of the reasons for rejection, and an opportunity to present evidence to the contrary if available, and to claim mitigating circumstances if possible.

**Use of Informal Hearing Process**
While DHA must offer the opportunity of an informal hearing to applicants who have been determined as ineligible for admission DHA could make the informal hearing process available to applicants who wish to dispute other DHA actions that adversely affect them.

**DHA Policy**
DHA will only offer informal hearings to applicants for the purpose of disputing denials of admission.

**Notice of Denial [24 CFR 960.208(a)]**
DHA must give an applicant prompt notice of a decision denying eligibility for admission. The notice must contain a brief statement of the reasons for DHA decision, and must also state that the applicant may request an informal hearing to dispute the decision. The notice must describe how to obtain the informal hearing.

Prior to notification of denial based on information obtained from criminal or sex offender registration records, the family, in some cases, must be given the opportunity to dispute the information in those records which would be the basis of the denial. See Section 3-III.F. for details concerning this requirement.

**Scheduling an Informal Hearing**

**DHA Policy**
A request for an informal hearing must be made in writing and delivered to DHA either in person or by first class mail, email, or via the online hearing submission process, no later than 10 calendar days from the date of DHA’s notification of denial of admission.

DHA must schedule and send written notice of the informal hearing within 10 business days of the family’s request.

**Conducting an Informal Hearing [PH Occ GB, p. 58]**

**DHA Policy**
The informal hearing will be conducted by a Hearing Officer appointed by the Chief Executive Officer, or designee other than the one who made the decision under review, to include a subordinate of this person.

The applicant will be provided an opportunity to present written or oral objections to the decision of DHA.
Informal Hearing Decision [PH Occ GB, p. 58]

**DHA Policy**

DHA will notify the applicant of DHA’s final decision, including a brief statement of the reasons for the final decision. In rendering a decision, DHA will evaluate the following matters:

- Whether or not the grounds for denial were stated factually in the notice
- The validity of grounds for denial of admission. If the grounds for denial are not specified in the regulations or in DHA policy, then the decision to deny assistance will be overturned. See Chapter 3 for a detailed discussion of the grounds for applicant denial.
- The validity of the evidence. DHA will evaluate whether the facts presented prove the grounds for denial of admission. If the facts prove that there are grounds for denial, and the denial is required by HUD, DHA will uphold the decision to deny admission.
- If the facts prove the grounds for denial, and the denial is discretionary, DHA will consider the recommendation of the person conducting the informal hearing in making the final decision whether to deny admission.

DHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed, with return receipt requested, within 10 business days of the informal hearing, to the applicant and his or her representative, if any.

If the informal hearing decision overturns the denial, processing for admission will resume.

If the family fails to appear for their informal hearing, the denial of admission will stand and the family will be so notified.

**Reasonable Accommodation for Persons with Disabilities [24 CFR 966.7]**

Persons with disabilities may request reasonable accommodations to participate in the informal hearing process and DHA must consider such accommodations. DHA must also consider reasonable accommodation requests pertaining to the reasons for denial if related to the person’s disability. See Chapter 2 for more detail pertaining to reasonable accommodation requests.

**PART II: INFORMAL HEARINGS WITH REGARD TO NON-CITIZENS**

17-II.A. HEARING AND APPEAL PROVISIONS FOR NON-CITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. These special hearings are referred to in the regulations as
informal hearings, but the requirements for such hearings are different from the informal hearings used to deny applicants for reasons other than immigration status. Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while DHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or DHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]
As discussed in Chapters 3 and 13, the notice of denial or termination of assistance for non-citizens must advise the family of any of the following that apply:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for pro-ratio of assistance.
- In the case of a tenant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with DHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

United States Citizenship and Immigration Services Appeal Process [24 CFR 5.514(e)]
When DHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, DHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide DHA with a copy of the written request for appeal and proof of mailing.

**DHA Policy**

DHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide DHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.
The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to DHA, of its decision. When the USCIS notifies DHA of the decision, DHA must notify the family of its right to request an informal hearing.

**DHA Policy**
DHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family’s immigration status.

**Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]**
After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, an applicant family may request that DHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of DHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

**Informal Hearing Officer**
DHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision.

**Evidence**
The family must be provided the opportunity to examine and copy at the family’s expense, at a reasonable time in advance of the hearing, any documents in the possession of DHA pertaining to the family’s eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

**DHA Policy**
The family will be allowed to copy any documents related to the hearing at a cost of $.25 per page. The family must request discovery of DHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.
The family must also be provided the opportunity to refute evidence relied upon by DHA, and to confront and cross-examine all witnesses on whose testimony or information DHA relies.

**Representation and Interpretive Services**  
The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or DHA, as may be agreed upon by the two parties. If the family does not arrange for their own interpreter, DHA is still obligated to provide oral translation services in accordance with its LEP Plan.

**Recording of the Hearing**  
The family is entitled to have the hearing recorded by audiotape. DHA may, but is not required to provide a transcript of the hearing.

DHA Policy  
DHA will not provide a transcript of an audio taped informal hearing.

**Hearing Decision**  
DHA must provide the family with a written notice of the final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The notice must state the basis for the decision.

**Retention of Documents [24 CFR 5.514(h)]**  
DHA must retain for a minimum of 5 years the following documents that may have been submitted to DHA by the family, or provided to DHA as part of the USCIS appeal or DHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

**Informal Hearing Procedures for Residents [24 CFR 5.514(f)]**  
After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, a resident family may request that DHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of DHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.
The informal hearing procedures for resident families whose tenancy is being terminated based on immigration status is the same as for any grievance under the grievance procedures for resident families found in Part III below.

PART III: GRIEVANCE PROCEDURES FOR PUBLIC HOUSING RESIDENTS

17-III.A. REQUIREMENTS [24 CFR 966.52]
DHA must have a grievance procedure in place through which residents of public housing are provided an opportunity to grieve any DHA action or failure to act involving the lease or DHA policies which adversely affect their rights, duties, welfare, or status. DHA grievance procedure must be included in, or incorporated by reference in, the lease.

DHA must provide at least 30 days notice to tenants and resident organizations setting forth proposed changes in DHA grievance procedure, and providing an opportunity to present written comments. Comments submitted must be considered by DHA before adoption of any grievance procedure changes by DHA.

**DHA Policy**
Residents and resident organizations will have 30 calendar days from the date they are notified by DHA of any proposed changes in DHA grievance procedure, to submit written comments to DHA.

DHA must furnish a copy of the grievance procedure to each tenant and to resident organizations.

17-III.B. DEFINITIONS [24 CFR 966.53; 24 CFR 966.51(a)(2)(i)]
There are several terms used by HUD with regard to public housing grievance procedures, which take on specific meanings different from their common usage. These terms are as follows:

- **Grievance** – any dispute which a tenant may have with respect to DHA action or failure to act in accordance with the individual tenant’s lease or DHA regulations which adversely affect the individual tenant’s rights, duties, welfare or status
- **Complainant** – any tenant whose grievance is presented to DHA or at the project management office
- **Due Process Determination** – a determination by HUD that law of the jurisdiction requires that the tenant must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit
- **Elements of Due Process** – an eviction action or a termination of tenancy in a state or local court in which the following procedural safeguards are required:
  - Adequate notice to the tenant of the grounds for terminating the tenancy and for eviction
  - Right of the tenant to be represented by counsel
− Opportunity for the tenant to refute the evidence presented by DHA including the right to confront and cross-examine witnesses and to present any affirmative legal or equitable defense which the tenant may have
− A decision on the merits

- **Hearing Officer/Panel** – a person/panel selected in accordance with HUD regulations to hear grievances and render a decision with respect thereto
- **Tenant** – the adult person (or persons) (other than a live-in aide)
  − Who resides in the unit, and who executed the lease with DHA as lessee of the dwelling unit, or, if no such person now resides in the unit,
  − Who resides in the unit, and who is the remaining head of household of the tenant family residing in the dwelling unit
- **Resident Organization** – includes a resident management corporation

### 17-III.C. APPLICABILITY [24 CFR 966.51]
Potential grievances could address most aspects of DHA’s operation. However, there are some situations for which the grievance procedure is not applicable.

The grievance procedure is applicable only to individual tenant issues relating to DHA. It is not applicable to disputes between tenants not involving DHA. Class grievances are not subject to the grievance procedure and the grievance procedure is not to be used as a forum for initiating or negotiating policy changes of DHA.

If HUD has issued a due process determination, DHA may exclude from DHA grievance procedure any grievance concerning a termination of tenancy or eviction that involves:
- Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises of other residents or employees of DHA
- Any violent or drug-related criminal activity on or off such premises
- Any criminal activity that resulted in felony conviction of a household member

In states without due process determinations, DHA must grant opportunity for grievance hearings for all lease terminations, regardless of cause, but may use expedited grievance procedures, as described in Section 14-III.E. below, to deal with the first two of the above three categories of lease terminations.

If HUD has issued a due process determination, DHA may evict through the state/local judicial eviction procedures. In this case, DHA is not required to provide the opportunity for a hearing under DHA’s grievance procedure as described above.

**DHA Policy**
The State of North Carolina is recognized as a due process State.

See Chapter 13 for related policies on the content of termination notices.
17-III.D. INFORMAL SETTLEMENT OF GRIEVANCE [24 CFR 966.54]
HUD regulations state that any grievance must be personally presented, either orally or in writing, to DHA office or to the office of the project in which the complainant resides so that the grievance may be discussed informally and settled without a hearing.

DHA Policy
DHA will accept requests for an informal settlement of a grievance either orally or in writing, to DHA office within 10 calendar days of the grievable event. Within 10 calendar days of receipt of the request DHA will arrange a meeting with the tenant at a mutually agreeable time and confirm such meeting in writing to the tenant.

If a tenant fails to attend the scheduled meeting without prior notice, DHA will reschedule the appointment only if the tenant can show good cause for failing to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

HUD regulations require that a summary of such discussion will be prepared within a reasonable time and one copy will be given to the tenant and one retained in DHA’s tenant file.

The summary must specify the names of the participants, dates of meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore, and will specify the procedures by which a hearing may be obtained if the complainant is not satisfied.

DHA Policy
DHA will prepare a summary of the informal settlement within 10 business days; one copy to be given to the tenant and one copy to be retained in DHA’s tenant file.

For PHA’s who have the option to establish an expedited grievance procedure, and who exercise this option, the informal settlement of grievances is not applicable to those grievances for which the expedited grievance procedure applies.

17-III.E. PROCEDURES TO OBTAIN A HEARING [24 CFR 966.55]

Requests for Hearing and Failure to Request [24 CFR 966.55(a), (c), and (d)]
All grievances must be presented in accordance with the informal procedures prescribed above as a condition prior to a grievance hearing. However, if the complainant can show good cause for failure to proceed with the informal settlement process to the hearing officer/panel, the hearing officer/panel may waive this provision [24 CFR 966.55(d)].
The complainant must submit the request in writing for a grievance hearing within a reasonable time after receipt of the summary of informal discussion [24 CFR 966.55(a)]. The request must specify the reasons for the grievance and the action or relief sought.

DHA Policy
The resident must submit a written request for a grievance hearing to DHA within ten calendar days of the tenant’s receipt of the summary of the informal settlement.

If the complainant does not request a hearing, DHA’s disposition of the grievance under the informal settlement process will become final. However, failure to request a hearing does not constitute a waiver by the complainant of the right to contest DHA’s action in disposing of the complaint in an appropriate judicial proceeding [24 CFR 966.55(c)].

Escrow Deposits [24 CFR 966.55(e)]
Before a hearing is scheduled in any grievance involving the amount of rent that DHA claims is due, the family must pay an escrow deposit to DHA. When a family is required to make an escrow deposit, the amount is the amount of rent DHA states is due and payable as of the first of the month preceding the month in which the family’s act or failure to act took place. After the first deposit the family must deposit the same amount monthly until the family’s complaint is resolved by decision of the hearing officer/panel. DHA must waive the requirement for an escrow deposit where the family has requested a financial hardship exemption from minimum rent requirements or is grieving the effect of welfare benefits reduction in calculation of family income [24 CFR 5.630(b)(3)].

Unless DHA waives the requirement, the family’s failure to make the escrow deposit will terminate the grievance procedure. A family’s failure to pay the escrow deposit does not waive the family’s right to contest DHA’s disposition of the grievance in any appropriate judicial proceeding.

DHA Policy
DHA will not waive the escrow requirement for grievances involving rent amounts except where required to do so by regulation.

Scheduling of Hearings [24 CFR 966.55(f)]
If the complainant has complied with all requirements for requesting a hearing as described above, a hearing must be scheduled by the hearing officer/panel promptly for a time and place reasonably convenient to both the complainant and DHA. A written notification specifying the time, place and the procedures governing the hearing must be delivered to the complainant and the appropriate DHA official.

DHA Policy
Within 10 business days of receiving a written request for a hearing, the hearing officer will schedule and send written notice of the hearing to both the complainant and DHA.
DHA may wish to permit the tenant to request to reschedule a hearing for good cause.

**DHA Policy**

The tenant may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, DHA may request documentation of the “good cause” prior to rescheduling the hearing.

**Expedited Grievance Procedure [24 CFR 966.55(g)]**

DHA may establish an expedited grievance procedure for any grievance concerning a termination of tenancy or eviction that involves:

- Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of DHA, or
- Any drug-related criminal activity on or near such premises

In such expedited grievances, the informal settlement of grievances as discussed in 14-III.D is not applicable.

DHA may adopt special procedures concerning expedited hearings, including provisions for expedited notice or scheduling, or provisions for expedited decision on the grievance.

**DHA Policy**

DHA will not follow expedited grievance procedures for any grievance concerning a termination of tenancy or eviction that involves any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of DHA, or any drug-related criminal activity on or near such premises.

**17-III.F. SELECTION OF HEARING OFFICER/PANEL [24 CFR 966.55(b)]**

The grievance hearing must be conducted by an impartial person or persons appointed by DHA, other than the person who made or approved DHA action under review, or a subordinate of such person.
DHA Policy
DHA grievance hearings will be conducted by a Hearing Panel. DHA has designated the following individuals to serve on the Hearing Panel:

- A current DHA public housing resident or Resident Council member
- A DHA appointed Board of Commissioner
- A DHA staff member other than the one who made the decision under review, or subordinate of this person.

Individuals acting on the Hearing Panel are an impartial party appointed by the Chief Executive Officer. DHA must determine the methodology for appointment of the hearing officer and it must be stated in the grievance procedure.

DHA Policy
DHA will appoint a person who has been selected in the manner required under the grievance procedure. Efforts will be made to assure that the person selected is not a friend, nor enemy, of the complainant and that they do not have a personal stake in the matter under dispute or will otherwise have an appearance of a lack of impartiality.

17-III.G. PROCEDURES GOVERNING THE HEARING [24 CFR 966.56]

Rights of Complainant [24 CFR 966.56(b)]
The complainant will be afforded a fair hearing. This includes:

- The opportunity to examine before the grievance hearing any DHA documents, including records and regulations that are directly relevant to the hearing. The tenant must be allowed to copy any such document at the tenant’s expense. If DHA does not make the document available for examination upon request by the complainant, DHA may not rely on such document at the grievance hearing.
  
  DHA Policy
  The tenant will be allowed to copy any documents related to the hearing at a cost of $.25 per page. The family must request discovery of DHA documents no later than 12:00 p.m. on the business day prior to the hearing.

- The right to be represented by counsel or other person chosen as the tenant’s representative and to have such person make statements on the tenant’s behalf.
  
  DHA Policy
  Hearings may be attended by the following applicable persons:
  
  A DHA representative(s) and any witnesses for DHA
  The tenant and any witnesses for the tenant
  The tenant’s counsel or other representative
  Any other person approved by DHA as a reasonable accommodation for a person with a disability

- The right to a private hearing unless the complainant requests a public hearing.
• The right to present evidence and arguments in support of the tenant's complaint, to controvert evidence relied on by DHA or project management, and to confront and cross-examine all witnesses upon whose testimony or information DHA or project management relies.
• A decision based solely and exclusively upon the facts presented at the hearing.

**Decision without Hearing [24 CFR 966.56(c)]**
The hearing officer may render a decision without proceeding with the hearing if the hearing officer determines that the issue has been previously decided in another proceeding.

**Failure to Appear [24 CFR 966.56(d)]**
If the complainant or DHA fails to appear at a scheduled hearing, the hearing officer may make a determination to postpone the hearing for not to exceed five (5) business days or may make a determination that the party has waived his/her right to a hearing. Both the complainant and DHA must be notified of the determination by the hearing officer: Provided, That a determination that the complainant has waived his/her right to a hearing will not constitute a waiver of any right the complainant may have to contest DHA’s disposition of the grievance in an appropriate judicial proceeding.

There may be times when a complainant does not appear due to unforeseen circumstances which are out of their control and are no fault of their own.

**DHA Policy**
If the tenant does not appear at the scheduled time of the hearing, the hearing officer will wait up to (17) minutes. If the tenant appears within (17) minutes of the scheduled time, the hearing will be held. If the tenant does not arrive within (17) minutes of the scheduled time, they will be considered to have failed to appear.

If the tenant fails to appear and was unable to reschedule the hearing in advance, the tenant must contact DHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The hearing officer will reschedule the hearing only if the tenant can show good cause for the failure to appear, or it is needed as a reasonable accommodation for a person with disabilities. “Good cause” is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family.

**General Procedures [24 CFR 966.56(e), (f), and (g)]**
At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter DHA must sustain the burden of justifying DHA action or failure to act against which the complaint is directed [24 CFR 966.56(e)].

The hearing must be conducted informally by the hearing officer/panel. DHA and the tenant must be given the opportunity to present oral or documentary evidence pertinent to the facts and issues raised by the complaint and question any witnesses. In general,
all evidence is admissible and may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings [24 CFR 966.56(f)].

DHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

**Oral evidence:** the testimony of witnesses

**Documentary evidence:** a writing which is relevant to the case, for example, a letter written to DHA. Writings include all forms of recorded communication or representation, including letters, emails, words, pictures, sounds, videotapes or symbols or combinations thereof.

**Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

**Real evidence:** A tangible item relating directly to the case.

*Hearsay Evidence* is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If DHA fails to comply with the discovery requirements (providing the tenant with the opportunity to examine DHA documents prior to the grievance hearing), the hearing officer will refuse to admit such evidence.

Other than the failure of DHA to comply with discovery requirements, the hearing officer has the authority to overrule any objections to evidence.

The hearing officer/panel must require DHA, the complainant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer/panel to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate [24 CFR 966.56(f)].

The complainant or DHA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript [24 CFR 966.56(g)].

DHA Policy
If the complainant would like DHA to record the proceedings by audiotape, the request must be made to DHA by 12:00 p.m. on the business day prior to the hearing.

DHA will consider that an audio tape recording of the proceedings is a transcript.

Accommodations of Persons with Disabilities [24 CFR 966.56(h)]
DHA must provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants.

If the tenant is visually impaired, any notice to the tenant which is required in the grievance process must be in an accessible format.

See Chapter 2 for a thorough discussion of DHA’s responsibilities pertaining to reasonable accommodation.

17-III.H. DECISION OF THE HEARING OFFICER/PANEL [24 CFR 966.57]
The hearing officer/panel must issue a written decision, stating the reasons for the decision, within a reasonable time after the hearing. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the decision must be sent to the tenant and DHA. DHA must retain a copy of the decision in the tenant’s folder. A copy of the decision, with all names and identifying references deleted, must also be maintained on file by DHA and made available for inspection by a prospective complainant, his/her representative, or the hearing officer/panel [24 CFR 966.57(a)].

DHA Policy
In rendering a decision, the hearing officer will consider the following matters:

**DHA Notice to the Family:** The hearing officer will determine if the reasons for DHA’s decision are factually stated in the notice.

**Discovery:** The hearing officer will determine if the family was given the opportunity to examine any relevant documents in accordance with DHA policy.

**DHA Evidence to Support DHA Decision:** The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support DHA’s conclusion.
Validity of Grounds for Termination of Tenancy (when applicable):
The hearing officer will determine if the termination of tenancy is for one of the grounds specified in the HUD regulations and DHA policies. If the grounds for termination are not specified in the regulations or in compliance with DHA policies, then the decision of DHA will be overturned.

The hearing officer will issue a written decision to the family and DHA no later than 10 business days after the hearing. The report will contain the following information:

Hearing information:
- Name of the complainant
- Date, time and place of the hearing
- Name of the hearing officer
- Name of DHA representative(s)
- Name of family representative (if any)
- Names of witnesses (if any)

Background: A brief, impartial statement of the reason for the hearing and the date(s) on which the informal settlement was held, who held it, and a summary of the results of the informal settlement. Also includes the date the complainant requested the grievance hearing.

Summary of the Evidence: The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

Findings of Fact: The hearing officer will include all findings of fact, based on a preponderance of the evidence. Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Conclusions: The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold DHA’s decision.

Order: The hearing report will include a statement of whether DHA’s decision is upheld or overturned. If it is overturned, the hearing officer will instruct DHA to change the decision in accordance with the hearing
officer’s determination. In the case of termination of tenancy, the hearing officer will instruct DHA to restore the family’s status.

Procedures for Further Hearing

DHA Policy
The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of DHA will take effect and another hearing will not be granted.

Final Decision [24 CFR 966.57(b)]
The decision of the hearing officer/panel is binding on DHA which must take the action, or refrain from taking the action cited in the decision unless DHA Board of Commissioners determines within a reasonable time, and notifies the complainant that:

- The grievance does not concern DHA action or failure to act in accordance with or involving the complainant’s lease on DHA policies which adversely affect the complainant’s rights, duties, welfare, or status; or
- The decision of the hearing officer/panel is contrary to Federal, state, or local law, HUD regulations or requirements of the annual contributions contract between HUD and DHA

DHA Policy
When DHA considers the decision of the hearing officer to be invalid due to the reasons stated above, it will present the matter to DHA Board of Commissioners within 10 business days of the date of the hearing officer’s decision. The Board has 30 calendar days to consider the decision. If the Board decides to reverse the hearing officer’s decision, it must notify the complainant within 10 business days of this decision.

A decision by the hearing officer/panel, or Board of Commissioners in favor of DHA or which denies the relief requested by the complainant in whole or in part must not constitute a waiver of any rights the complainant may have to a subsequent trial or judicial review in court [24 CFR 966.57(c)].
Chapter 18

SMOKE FREE POLICY

INTRODUCTION
This policy establishes standards and requirements to provide a smoke-free environment for all properties of the Housing Authority of the City of Durham. To insure that quality of air and the safety of residents are protected, the Housing Authority of the City of Durham (DHA) has declared all of their properties to be smoke-free. Smoking is not permitted within any building to include: apartment units, common areas, DHA offices or DHA administrative buildings. All tenants, guests, employees, contractors and employees of contractors providing services at DHA must abide by the following rules and regulations. The policies are discussed in the following three parts:

Part I: Definitions. This part defines specific terminology related to this policy.

Part II: Implementation and Enforcement of Policy. This part discusses the implementation and enforcement procedures.

Part III: Smoking Cessation Assistance. This part outlines the assistance DHA will give for tenants wanting to quit smoking.

PART I: DEFINITIONS

18-I.A. DEFINITIONS

SMOKING/SMOKING DEVICES – Means carrying or smoking a lighted tobacco product or the burning of any material to be inhaled, including but not limited to: cigarettes, cigars, hookahs, pipes, electronic smoking devices, marijuana, etc.

INSTITUTIONAL PROPERTY – Means any property owned, leased, or otherwise controlled or operated by DHA, including buildings, other structures and grounds and vehicles owned or leased by the institution.

DESIGNATED AREAS – DHA will not have designated smoking areas; however, smoking is limited to outside the buildings – 25 feet away from the building.

PART II: IMPLEMENTATION AND ENFORCEMENT OF POLICY

18-I.B. IMPLEMENTATION OF POLICY
This policy shall be administered by the DHA. DHA shall provide initial and ongoing information to communicate the requirements of this policy, including:

- Dissemination of the policy to tenants, staff and others through the DHA website and in appropriate written materials.
• The placement of exterior and interior (where appropriate) notices and signs announcing that smoking is prohibited. Residents will be responsible to inform all their guest and visitors that their apartment is smoke free and that their housing may be affected by violators.

• New tenants will be required to sign two copies of the smoke-free policy. After review, the tenant will be given a copy for their household and one will be retained in the tenant file.

18-I.C. ENFORCEMENT OF POLICY

Effective May of 2018 all current and new residents, all employees, guests and visitors in and/or on DHA property will be prohibited from smoking inside the buildings, common areas and including all housing units.

Any resident, including the members of their household, guests or visitors will be considered in violation of the lease if found smoking in any DHA apartment or facility or anywhere on DHA property that is deemed as a nonsmoking area.

Three (3) violations will be considered to be a repeated violation of the material terms of the lease and will be cause for eviction.

• Violation One – First violation of the smoke-free policy will be enforced through a written warning

• Violation Two – Second violation of the smoke-free policy will be enforced by conferencing the tenant; issuing a 2nd warning and referring to a local cessation assistance program.

• Violation Three – Third violation of the smoke-policy will be enforced by conferencing the tenant; a 3rd warning and a fine of $25.00

• The final enforcement will be a lease termination issued to the household.

Violations will have to be witnessed by a DHA representative, examples of violations include but are not limited to witnessing a tenant smoking in the apartment or an area not identified as a smoking area or entering an apartment, smelling smoke and seeing cigarettes in an ashtray.

Smoking outside any DHA building or housing unit may be limited to the following area(s): 25 feet from any entrance or window.

Part III: Smoking Cessation Assistance

18-I.D. Assistance with Cessation Programs

DHA will refer tenants to the Durham County Health Department for assistance in opportunities to participate in smoking cessation seminars, classes, counseling as well as smoking cessation products and materials.

DHA will refer tenants to outside resources and otherwise provide information about smoking cessation assistance options and opportunities.
Chapter 19

PROGRAM INTEGRITY

INTRODUCTION
DHA is committed to ensuring that funds made available to DHA are spent in accordance with HUD requirements.

This chapter covers HUD and DHA policies designed to prevent, detect, investigate and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents DHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures DHA must and may take when errors or program abuses are found.

Part III: Harassment Policy. This part describes the DHA Harassment Policy as it relates to staff; residents, household members, guest, visitors and vendors.

PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE

19-I.A. PREVENTING ERRORS AND PROGRAM ABUSE

HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and program abuse. PHAs are required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233]. PHAs are further required to:

Provide applicants and residents with form HUD-52675, “Debts Owed to PHAs and Terminations"

Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

DHA Policy
DHA anticipates that the vast majority of families and DHA employees intend to and will comply with program requirements and make reasonable efforts to avoid errors.
To ensure that DHA’s program is administered effectively and according to the highest ethical and legal standards, DHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

DHA will provide each applicant and resident with the publication Things You Should Know (HUD-1140-OIG) that explains the types of actions a family must avoid and the penalties for program abuse.

DHA will provide each applicant and resident with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2010-19. In addition, the PHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.

DHA will require mandatory orientation sessions for all prospective residents either prior to or upon execution of the lease. DHA will discuss program compliance and integrity issues. At the conclusion of all program orientation sessions, the family representative will be required to sign a program briefing certificate to confirm that all rules and pertinent regulations were explained to them.

DHA will routinely provide resident counseling as part of every reexamination interview in order to clarify any confusion pertaining to program rules and requirements.

DHA staff will be required to review and explain the contents of all HUD- and DHA-required forms prior to requesting family member signatures.

DHA will place a warning statement about the penalties for fraud (as described in the False Statement Act, U.S.C. 1001 and 1010) on key DHA forms and form letters that request information from a family member.

DHA will provide each DHA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.

For purposes of this chapter, the term error refers to an unintentional error or omission. Program abuse or fraud refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

19-I.B. DETECTING ERRORS AND PROGRAM ABUSE
In addition to taking steps to prevent errors and program abuse, DHA will use a variety of activities to detect errors and program abuse.

**Quality Control and Analysis of Data**

**DHA Policy**

DHA will employ a variety of methods to detect errors and program abuse, including:

- DHA routinely will use available sources of Enterprise Income Verification to compare with family-provided information.
- At each annual reexamination, current information provided by the family will be compared to information provided at the last annual reexamination to identify inconsistencies and incomplete information.
- DHA will compare family-reported income and expenditures to detect possible unreported income.

**Independent Audits and HUD Monitoring**

OMB Circular A-133 requires all PHA’s that expend $500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of DHA activities and notifies DHA of errors and potential cases of program abuse.

**DHA Policy**

DHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of DHA’s error detection and abuse prevention efforts.

**Individual Reporting of Possible Errors and Program Abuse**

**DHA Policy**

DHA will encourage staff, residents, and the public to report possible program abuse.

**19-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE**

**When DHA Will Investigate**

**DHA Policy**

DHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for DHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member.
DHA will investigate inconsistent information related to the family that is identified through file reviews and the verification process.

Consent to Release of Information [24 CFR 960.259]
DHA may investigate possible instances of error or abuse using all available DHA and public records. If necessary, DHA will require applicant/resident families to give consent to the release of additional information.

Analysis and Findings
DHA Policy
DHA will base its evaluation on a preponderance of the evidence collected during its investigation.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

For each investigation DHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed DHA, and (3) what corrective measures or penalties will be assessed.

Consideration of Remedies
All errors and instances of program abuse must be corrected prospectively. Whether DHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

DHA Policy
In the case of family-caused errors or program abuse, DHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.

Notice and Appeals
DHA Policy
DHA will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which DHA determined the error or program abuses, (3) the remedies to be employed, and
(4) the family’s right to appeal the results through an informal hearing or grievance hearing (see Chapter 14).

PART II: CORRECTIVE MEASURES AND PENALTIES

19-II.A. UNDER- OR OVERPAYMENT
An under- or overpayment includes an incorrect tenant rent payment by the family, or an incorrect utility reimbursement to a family.

Corrections
Whether the incorrect rental determination is an overpayment or underpayment, DHA must promptly correct the tenant rent and any utility reimbursement prospectively.

DHA Policy
Increases in the tenant rent will be implemented only after the family has received 30 days notice.

Any decreases in tenant rent will become effective the first of the month following the discovery of the error.

Reimbursement
Whether the family is required to reimburse DHA or DHA is required to reimburse the family depends upon which party is responsible for the incorrect payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

19-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE
General administrative requirements for participating in the program are discussed throughout the ACOP. This section deals specifically with errors and program abuse by family members.

An incorrect rent determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows DHA to use incorrect information provided by a third party.

Family Reimbursement to DHA
DHA Policy
In the case of family-caused errors or program abuse, the family will be required to repay any amounts of rent underpaid. DHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the amount owed, DHA will terminate the family’s lease in accordance with the policies in Chapter 13.
DHA Reimbursement to Family

DHA Policy
DHA will not reimburse the family for any overpayment of rent when the overpayment clearly is caused by the family.

Prohibited Actions
An applicant or resident in the public housing program must not knowingly:
• Make a false statement to DHA [Title 18 U.S.C. Section 1001].
• Provide incomplete or false information to DHA [24 CFR 960.259(a)(4)].
• Commit fraud, or make false statements in connection with an application for assistance or with reexamination of income [24 CFR 966.4(l)(2)(iii)(C)].

DHA Policy
Any of the following will be considered evidence of family program abuse:
• Offering bribes or illegal gratuities to DHA Board of Commissioners, employees, contractors, or other DHA representatives
• Offering payments or other incentives to a third party as an inducement for the third party to make false or misleading statements to DHA on the family’s behalf
• Use of a false name or the use of falsified, forged, or altered documents
• Intentional misreporting of family information or circumstances (e.g., misreporting of income or family composition)
• Omitted facts that were obviously known by a family member (e.g., not reporting employment income)
• Admission of program abuse by an adult family member

DHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

Penalties for Program Abuse
In the case of program abuse caused by a family DHA may, at its discretion, impose any of the following remedies:

• DHA may require the family to repay any amounts owed to the program (see 15-II.B., Family Reimbursement to DHA).
• DHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 13 (for residents).
• DHA may deny admission or terminate the family’s lease following the policies set forth in Chapter 3 and Chapter 13 respectively.
• DHA may refer the family for state or federal criminal prosecution as described in section 15-II.D.
19-II.C. DHA-CAUSED ERRORS OR PROGRAM ABUSE
The responsibilities and expectations of DHA staff with respect to normal program administration are discussed throughout the ACOP. This section specifically addresses actions of a DHA staff member that are considered errors or program abuse related to the public housing program. Additional standards of conduct may be provided in DHA personnel policy.

DHA-caused incorrect rental determinations include (1) failing to correctly apply public housing rules regarding family composition, income, assets, and expenses, and (2) errors in calculation.

Repayment to DHA
The family is not required to repay an underpayment of rent if the error or program abuse is caused by DHA staff.

DHA Reimbursement to Family
DHA Policy
DHA will reimburse a family for any family overpayment of rent, regardless of whether the overpayment was the result of staff-caused error or staff program abuse.

Prohibited Activities
DHA Policy
Any of the following will be considered evidence of program abuse by DHA staff:

- Failing to comply with any public housing program requirements for personal gain
- Failing to comply with any public housing program requirements as a result of a conflict of interest relationship with any applicant or resident
- Seeking or accepting anything of material value from applicants, residents, vendors, contractors, or other persons who provide services or materials to DHA
- Disclosing confidential or proprietary information to outside parties
- Gaining profit as a result of insider knowledge of DHA activities, policies, or practices
- Misappropriating or misusing public housing funds
- Destroying, concealing, removing, or inappropriately using any records related to the public housing program
- Committing any other corrupt or criminal act in connection with any federal housing program

19-II.D. CRIMINAL PROSECUTION
DHA Policy
When DHA determines that program abuse by a family or DHA staff member has occurred and the amount of underpaid rent meets or exceeds the threshold for
prosecution under local or state law, DHA will refer the matter to the appropriate entity for prosecution. When the amount of underpaid rent meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General (OIG).

Other criminal violations related to the public housing program will be referred to the appropriate local, state, or federal entity.

19-II.E. FRAUD AND PROGRAM ABUSE RECOVERIES
PHA’s who enter into a repayment agreement with a family to collect rent owed, initiate litigation against the family to recover rent owed, or begin eviction proceedings against a family may retain 100 percent of program funds that the PHA recovers [Notice PIH 2005-7 (HA)].

If DHA does none of the above, all amounts that constitute an underpayment of rent must be returned to HUD.

The family must be afforded the opportunity for a hearing through DHA’s grievance process.

19-II.F. COLLECTION LOSS RECOVERY
Collection loss write offs are any unpaid balances after the security deposit has been deducted on the account of a former tenant.

Collection loss write offs, will be compiled and uploaded in the DHA shared folder every month by each AMP on a spreadsheet to include the date of move-out, name, social security number, total amount and the reason for eviction or move out. The Senior Property Manager will upload the combined collection loss spreadsheet in the DHA shared folder. The Property Manager’s will send the Fraud Investigator a copy of the debt owed letter. The Fraud Investigator will retrieve the spreadsheet for collection and tracking. The Fraud Investigator must wait for Board approval of the collection loss report before s/he begins the collection efforts.

The Fraud Investigator will attempt to collect debt two ways: through a collection agency and through NC Debt-Setoff Clearinghouse. Debts collected through NC Debt-Setoff Clearinghouse will be determined by the amount of the debt versus the amount of the filing fee for the money judgment. Debts that are three times the amount of the filing fee will be submitted to NC Debt Setoff. Accounts that are less than three times the amount of the filing fee will be submitted to a collection agency.

The collection loss amount, social security number and eviction or move-out reason must be entered into the Enterprise Income Verification (EIV) system within 60 days of the tenant’s move-out date by DHA’s PIC Administrator. The EIV record may be
modified up to five (5) times and the entry of the debt owed amount is limited to a maximum of $500,000.

The Fraud Investigator will be responsible for collecting all monies from former tenants and giving the former tenant a receipt. The monies collected will be given to Accounting for posting, a copy of the receipt will be retained with the Fraud Investigator and a copy will be forwarded to the Property Manager. The Fraud Investigator will maintain a spreadsheet of all payments and forward a copy to the PIC Administrator. The PIC Administrator will modify the Enterprise Income Verification (EIV) System monthly to reflect the new balance owed or any balance paid in full.

Debts owed will be negotiated based on the tier chart below:

PART III: HARASSMENT POLICY

Introduction

It is the policy of the Durham Housing Authority to administer all aspects of its housing programs without regard to age, race, sex, color, religion, national origin, disability, pregnancy, sexual orientation, military or veteran status, marital status and political affiliation. This policy extends to all residents of public housing and the Housing Choice Voucher program as well as their lawful visitors, and all applicants for such housing. The DHA will not discriminate against or harass such persons with regard to their age, race, sex, color, religion, national origin, disability, pregnancy, sexual orientation, military or veteran status, marital status and political affiliation, and will not retaliate against such persons for having reported, complained of, or assisted or encouraged another person to report or complain of any such discrimination or harassment. The DHA takes all complaints of discrimination, harassment, or retaliation seriously, and will respond within 10 days of receiving complaint. This document will set forth the specific terms and conditions of the DHA’s policies against discrimination, harassment, and retaliation, and will explain the procedure to be followed in the event that a person believes that he or she has been subjected to such conduct.

19-III.A. Definitions

Discrimination. When used in this policy the word “discrimination” shall mean conduct that has the effect of treating a resident of public housing or HCV program,
participants, a lawful visitor of such resident, or an applicant for public housing or HCV program differently in the terms, conditions, or privileges of housing on the basis of such person’s age, race, sex, color, religion, national origin, disability, pregnancy, sexual orientation, military or veteran status, marital status and political affiliation. Depending upon the circumstances, examples of discriminatory conduct could include, but are not limited to the following:

- Verbal abuse or innuendo, which is continued or repeated, concerning a person’s age, race, sex, color, religion, national origin, disability, pregnancy, sexual orientation, military or veteran status, marital status and political affiliation, or any other legally-protected status.
- Open display of objects or pictures that are offensive to persons of any legally-protected class.
- Use of derogatory words to describe a person’s age, race, sex, color, religion, national origin, disability, pregnancy, sexual orientation, military or veteran status, marital status and political affiliation, or other legally-protected status.
- Making housing decisions based upon a person’s age, race, sex, color, religion, national origin, disability, pregnancy, sexual orientation, military or veteran status, marital status and political affiliation, or other legally-protected status.

1. **Hostile Environment.** Subjecting a person to unwelcome conduct that is sufficiently severe or pervasive such that it interferes with or deprives the person of the right to use and enjoy the housing.

2. **Quid Pro Quo.** Subjecting a person to an unwelcome request or demand and making submission to the request or demand a condition related to the person’s housing.

3. **Sexual Harassment.** Sexual harassment is a form of illegal sex discrimination. When used in this policy, the term “sexual harassment” shall mean unwelcome sexual advances, requests for sexual favors, and other physical or verbal conduct of a sexual nature where: (1) submission to, or rejection of, such advances, requests, or conduct is made either explicitly or implicitly a term or condition of a person’s housing, or a basis for housing decisions affecting such person; or (2) such conduct has the purpose or effect of creating a hostile, humiliating, or sexually offensive housing environment such that a person’s tenancy in housing is rendered less desirable to a reasonable person. Depending upon the circumstances, examples of sexual harassment could include, but are not limited to the following:

- verbal harassment or abuse:
- jokes of a sexual nature or circulation of sexual pictures;
- subtle pressure for sexual activity;
• obscene gestures or sexually degrading words;
• patting or pinching;
• leering, staring, or stalking;
• unwanted touching of another employee’s body;
• demanding sexual favors accompanied by implied or overt threat
• repetitive or continual remarks that intimidate, ridicule, and maliciously demean the status of an individual gender

4. Retaliation. When used in this policy, the word “retaliation” shall mean any adverse action taken against a resident of DHA public housing or HCV program participant, any member of such resident’s household, or any applicant for DHA public housing or HCV program, including, without limitation, rejection of an application, commencement of eviction proceedings, harassing or annoying conduct or behavior, non-responsiveness to requests for maintenance and repair of leased premises, or other adverse or disparate treatment that is prompted and motivated by such person’s having made a complaint of discrimination or harassment.

The DHA will not tolerate discrimination or harassment of any resident in public housing or participant in the HCV program, or of any person applying for residence or participation in any such programs, regardless of the source of the discriminatory or harassing conduct. The DHA will not take retaliatory action against any person for having reported or opposed any incidence of discrimination or harassment engaged in by any resident of public housing or the HCV program, by any employee of the DHA, or by any other person, or for having assisted or encouraged another to report or complain of, any such discrimination or harassment.

19-III.B. Complaints of Discrimination or Harassment
Persons who believe that they have been subject to discrimination or harassment, as described above, or employees of the DHA who believe they have witnessed, or have been informed of, discriminatory or harassing conduct, should file a complaint with the DHA as soon as reasonably possible, as outlined below. (Disabled persons, who believe they have been subject to discrimination because of their disability, or have been denied a request for a reasonable accommodation because of their disability, should review the Request for Reasonable Accommodation (listed within this document).

19-III.C. Reporting Process/Procedure
Complaints of discrimination or harassment should be made first to DHA’s Human Resources department, located at the Central Office at the mailing address: 330 East Main Street, Durham, NC 27701; telephone: (919) 683-1551, ext. 7276. All persons making such complaints must provide a written statement describing the events or conduct that forms the basis of the complaint. Upon being notified of the complaint in writing, Human Resources will provide a copy of the complaint to the Department Head. Human Resources will then schedule an interview with the person making the complaint for the purpose of determining whether an informal resolution of the complaint is possible, or if further investigation is warranted.
Within 10 business days of receiving the complaint, DHA will provide a written notice to those alleged to have violated policy. DHA will also send a written notice to the complainant informing them that notice was sent to those alleged to have violated policy, as well as information on how to complete and submit a housing discrimination complaint form to HUD’s Office of Fair Housing and Equal Opportunity (FHEO).

19-III.C. Retaliation
Any person who believes he/she had been retaliated against by the DHA for having reported any incidence of discrimination or harassment against any resident or applicant of public housing or HCV participant, for having assisted or encouraged another person to report or complain of any such discrimination or harassment, is encouraged to file a complaint with the DHA in the manner outlined above.

19-III.D Record Keeping
DHA will maintain written records of all complaints of discrimination or harassment made to it, including all records pertaining to any investigation undertaken pertaining to such complaints, separately from participant files. All records will be kept confidential to the extent required by law.
Chapter 20

MISCELLANEOUS PROVISIONS

INTRODUCTION
This chapter discusses miscellaneous administrative policies and practices, which are not relevant to the activities covered in this ACOP.

20-I.A. OCCUPANCY BY POLICE OFFICER (FEDERAL DEVELOPMENTS ONLY)

20-I.1 Definition of Police Officer
For purposes of this subsection, a police officer is defined as a person who is employed on a full-time basis as a duly licensed professional police officer by a Federal, State or local government or by any agency of these governments. An officer of a local police force or an accredited police force may qualify.

20-I.2 Purpose of Policy
In order to increase security for DHA public housing residents, DHA may allow police officers to reside in a public housing unit, even if such police officers might not otherwise qualify, based on income, for DHA public housing.

20-I.3 Terms of Tenancy for Police Officers

1. Occupancy
Police Officers who supply security for DHA public housing will be subject to the same terms, standards (other than income) and verification procedures that are applied to all other DHA Applicants.

2. Lease
Police Officers shall execute a lease or occupancy agreement with DHA providing for the terms of occupancy of an apartment.
